S Chand and Company Limited**

Report on the audit of the Standalone Financial Results

Qualified Opinion

We have audited the accompanying statement of quarterly and year to date standalone financial results of S Chand and Company Limited (the "Company for the quarter ended March 31, 2020 and for the year ended March 31, 2020 ("Statement"), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, the Statement:

- i. is presented in accordance with the requirements of the Listing Regulations in this regard; and
- ii. except for the effects of the matters described in the 'Basis for Qualified Opinion' section of our report, gives a true and fair view in conformity with the applicable accounting standards and other accounting principles generally accepted in India, of the net loss and other comprehensive loss and other financial information of the Company for the quarter ended March 31, 2020 and for the year ended March 31, 2020.

Basis for Qualified Opinion

As explained in the note 12 of the standalone financial results, due to travel restrictions and impracticability to travel on account of COVID-19 as at March 31, 2020 and due to significant business activities subsequent to year-end, the management could not perform physical count of inventory as at March 31, 2020 through to the date of approval of these financial statements. Accordingly, we were not able to observe the physical count of inventory, therefore, we were unable to verify the existence/condition of inventories of ₹103.55 million raw material, ₹ 556.40 million finished goods, ₹ 3.18 million traded goods to determine adjustments that may be required to be made in the value of inventory and consequential effect thereof to the financial statements as at March 31, 2020.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Standalone Financial Results" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matter - COVID-19

We draw attention to Note 11 to the standalone financial results for the quarter and year ended March 31, 2020, which describes the uncertainties and the impact of COVID 19 on carrying value of receivables, inventory, Right to Use assets and Investment in subsidiaries and ii) Company's ability to meet contractual obligations including debt repayments, as assessed by the management. The actual results may differ from such estimates depending on future developments. Our opinion is not modified in respect of this matter

Management's Responsibilities for the Standalone Financial Results

The Statement has been prepared on the basis of the standalone annual financial statements. The Board of Directors of the Company are responsible for the preparation and presentation of the Statement that gives a true and fair view of the net loss and other comprehensive loss of the Company and other financial information in accordance with the applicable accounting standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Statement, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a) Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.

S.R. BATLIBOI & ASSOCIATES LLP
Chartered Accountants

- d) Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- e) Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

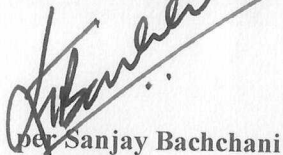

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

The Statement includes the results for the quarter ended March 31, 2020 being the balancing figure between the audited figures in respect of the full financial year ended March 31, 2020 and the published unaudited year-to-date figures up to the third quarter of the current financial year, which were subjected to a limited review by us, as required under the Listing Regulations.

We are independent of the Group, its associates in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us and other auditors in terms of their reports referred to in "Other Matter" paragraph below, is sufficient and appropriate to provide a basis for our qualified opinion.

Auditor's Responsibilities for the Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- a) Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- d) Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates to cease to continue as a going concern.
- e) Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represent the underlying transactions and events in a manner that achieves fair presentation.
- f) Obtain sufficient appropriate audit evidence regarding the financial results/financial information of the entities within the Group and its associates of which we are the independent auditors, to express an opinion on the Statement. We are responsible for the direction, supervision and performance of the audit of the financial information of such entities included in the Statement of which we are the independent auditors. For the other entities included in the Statement, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the Statement of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

2. 3. The financial results of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended and Companies (Indian Accounting Standards) amendment Rules 2016.

Traditionally, the academic session beginning from April contributes to higher revenue in the last quarter of the financial year. The Company sees a higher volume of book sales during the months of January, February and March because academic sessions start from the month of April. Ongoing revenue also demonstrate signs of seasonality, with revenue generally lower during other quarters, which are not close to the beginning of academic session. These trends are likely to continue in the future.

8. Effective April 1, 2019, the Company adopted Ind AS 116 "Leases", applied to all lease contracts existing on April 1, 2019 using the modified retrospective method. Accordingly, comparatives for the year ended March 31, 2019 have not been retrospectively adjusted. On transition, the adoption of the new standard resulted in recognition of Right-of-Use asset (ROU) of ₹ 103.39 million (excluding leasehold land of ₹ 98.72 million) with a corresponding lease liability. The lease equalisation reserve of ₹ 6.76 million has been adjusted with the Right-of-Use asset (ROU). The Company has elected not to apply the requirements of Ind AS 116 to short-term leases of all assets that have a lease term of 12 months or less. The lease payments associated with these leases are recognized as an expense on a straight-line basis over the lease term. The effect of this adoption has resulted in an increase of ₹ 4.22 million in finance cost, ₹ 13.50 million in depreciation and amortisation expense and a reduction of ₹ 16.21 million in other expenses on account of lease rent for the quarter ended March 31, 2020 and an increase of ₹ 12.08 million in finance cost, ₹ 37.15 million in depreciation and amortisation expense and a reduction of ₹ 44.65 million in other expenses on account of lease rent for the year ended March 31, 2020.

11. The outbreak of Coronavirus (COVID-19) pandemic globally is causing a slowdown in economic activity including India. This event has significantly effected economic activities and the impact of coronavirus on our business will depend on future developments that cannot be reliably predicted. Post the outbreak, certain premises (including warehouse) of the Company and third party (used for job work purposes) have been closed since March 22, 2020, however, effective May 08, 2020, operations have commenced in a phased manner as per the directives from the government.

In developing the assumptions relating to possible uncertainties in the business conditions because of the pandemic, the Company, as on the date of approval of these financials results have used variable information as available and considered the possible effects that may result from COVID-19 on the carrying amount of its assets i.e. assessing counterparty credit risk in case of financial assets (comprising cash and cash equivalents, bank deposits and investments in mutual funds) and subsequent recoveries, past trends, credit risks profile of customers in case of trade receivables and advances to vendors. The company expects to recover the carrying amount of the assets and investment. The Company while assessing Right to Use Asset and Investment in Subsidiaries, has considered past trend, future business projections, performed sensitivity analysis on the assumptions used and based on current estimates expects the carrying amount of other assets will be recovered and does not foresee either significant down-sizing in the operations or any changes in lease terms.

As at the balance sheet date, the Company has evaluated the impact of COVID 19 on its financial results the impact of COVID 19 may differ from the estimates as at the date of approval of these financial statements. There have been no material changes in the controls or processes followed in the financial statements closing process of the company. The company will continue to monitor any future changes to the business and financial statements due to COVID-19.

The management, based on its current and future business plans, after considering COVID 19 impact, has assessed that the Company's ability to meet its contractual obligations and liabilities that fall due in near future including repayment of the debts taken from banks / financial institutions and their related covenants, is dependent upon timely realization of debtors collections and subsequent sale of inventory. The management has assessed that it will be able to realize the collections on timely basis despite COVID 19 challenges and would be able to arrange sufficient working capital facilities from banks/ financial institutions, if required, to ensure continuity of operations. The management has availed moratorium from one financial institution during the month of April 2020 to May2020 to manage cash flows.

12. The Company as part of its policy performs physical verification of inventory bi-annually in September and March every year. Accordingly, the management, had carried out physical verification of inventory as at September 30, 2019, however, as at March 31, 2020, due to travel restrictions on account of COVID-19 and due to significant business activities subsequent to year-end in the post-lock down period, the management could not perform physical count of inventory as at March 31, 2020 through to the date of approval of these financial statements. The management has, therefore, relied upon the inventory count reflected in its books of accounts, which is the balancing figure for the opening, purchases and the inventory consumed / sold during the financial year. The management intends to complete the physical verification process in the subsequent quarter and doesn't expect any significant impact which could arise on completion of this process
13. Pursuant to the changes in the tax rates under the Finance Act 2019 , tax rates for the company was reduced, resulting in the company's deferred tax created for year ended March 31, 2019, being adjusted for tax rates amounting to ₹ 39.30 million for the year ending March 31, 2020.
14. The Quarterly and Year End Financial Results are available on the company's website www.schandgroup.com and on the website of BSE Limited (www.bseindia.com) and The National Stock Exchange of India Limited (www.nseindia.com).
15. Figures for the previous quarter's/year's have been regrouped /reclassified, wherever necessary, to correspond with the current quarter's/years's classifications / disclosures

Notes to consolidated financial results:

- 10 The outbreak of Coronavirus (COVID-19) pandemic globally is causing a slowdown in economic activity including India. This event has significantly effected economic activities and the impact of coronavirus on our business will depend on future developments that cannot be reliably predicted. Post the outbreak, certain premises (including warehouse) of the Group and third party (used for job work purposes) have been closed since March 22, 2020, however, effective May 08, 2020, operations have commenced in a phased manner as per the directives from the government.
- In developing the assumptions relating to possible uncertainties in the business conditions because of the pandemic, the Group, as on the date of approval of these financials results have used variable information as available and considered the possible effects that may result from COVID-19 on the carrying amount of its assets i.e. assessing counterparty credit risk in case of financial assets (comprising cash and cash equivalents, bank deposits and investments in mutual funds) and subsequent recoveries, past trends, credit risks profile of customers in case of trade receivables and advances to vendors. The Group expects to recover the carrying amount of the assets and investment. The Group while assessing Right to Use Asset, has considered past trend, future business projections, performed sensitivity analysis on the assumptions used and based on current estimates expects the carrying amount of other assets will be recovered and does not foresee either significant down-sizing in the operations or any changes in lease terms.
- As at the balance sheet date, the Group has evaluated the impact of COVID 19 on its financial results the impact of COVID 19 may differ from the estimates as at the date of approval of these financial statements. There have been no material changes in the controls or processes followed in the financial statements closing process of the Group. The Group will continue to monitor any future changes to the business and financial statements due to COVID-19.
- The management, based on its current and future business plans, after considering COVID 19 impact, has assessed that the Group's ability to meet its contractual obligations and liabilities that fall due in near future including repayment of the debts taken from banks / financial institutions and their related covenants, is dependent upon timely realization of debtors collections and subsequent sale of inventory. The management has assessed that it will be able to realize the collections on timely basis despite COVID 19 challenges and would be able to arrange sufficient working capital facilities from banks/ financial intuitions, if required, to ensure continuity of operations. The management has availed moratorium offered by banks during the month of April 2020 to May 2020 to manage cash flows.
- 11 The Group as part of its policy performs physical verification of inventory bi-annually in September and March every year. Accordingly, the management, had carried out physical verification of inventory as at September 30, 2019, however, as at March 31, 2020, due to travel restrictions on account of COVID-19 and due to significant business activities subsequent to year-end in the post-lock down period, the management could not perform physical count of inventory as at March 31, 2020 through to the date of approval of these financial statements. The management has, therefore, relied upon the inventory count reflected in its books of accounts, which is the balancing figure for the opening, purchases and the inventory consumed / sold during the financial year. The management intends to complete the physical verification process in the subsequent quarter and doesn't expect any significant impact which could arise on completion of this process.
