**Business Outlook:** Commenting on the performance during the quarter, Mr. Arun K Chittilappilly, Managing Director said, “The parks were shut down in the mid of April 2021 due to the second wave of COVID-19 pandemic and the revenue was impacted. During the 2<sup>nd</sup> quarter, Hyderabad Park was opened from 5<sup>th</sup> August and Bangalore opened from 12<sup>th</sup> August whereas Kochi Park opened only on 1<sup>st</sup> September and was functional only from Thursday to Sunday in the opening month and achieved a footfalls of 1.47 L visitors.

As part of reopening initiative and mark of gratitude, We have invited 4500 ‘Covid Angels’ along with 3 of their family members or friends to a fun –filled day with a free entry to Wonderla Parks. This time we have invited the application from the public and informed them to self-nominate or nominate a person whom they know who have been tirelessly working during the pandemic. We got a tremendous response and it was a huge success.

All our staff are vaccinated and as a testimony to our excellent hygiene practices, all Wonderla Parks have received the COV-Safe certification by Bureau Veritas India and become the first amusement park in India to be awarded for the same. We wanted to reassure our visitors of safety and hygiene followed at the theme park and this certification is a step ahead in that direction.

Despite the challenging business environment, we are happy with the overall business performance during the quarter and are confident that the footfall will show an uptrend across all the locations in the ensuing quarters.”
