#### **GVK Power & Infrastructure Limited**

#### Notes for standalone & consolidated financial results

- 1 GVK Power & Infrastructure Limited ("The Company) has followed Indian Accounting Standards (Ind AS) prescribed under Section 133 of Companies Act, 2013, read with relevant rules issued thereunder.
- 2 The Company carries its businesses in various segments viz., Power, Roads, Airports (Discontinuing operations) and others through various subsidiaries, associates and jointly controlled entities, being special purpose vehicles exclusively formed to build and operate various infrastructure projects. The consolidated results published above present the full revenues and expenses of the Company, its subsidiaries, share of profits / (losses) of associates and jointly controlled entities, except for airport vertical for which it is shown separately as discontinuing operations (collectively "the Group").
- 3 The above published consolidated results have been prepared in accordance with principles and procedures as set out in the IND-AS 110 on "Consolidated financial statements" and IND AS 28 on "Investment in associate and joint venture" notified under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 and Companies (Indian Accounting Standards) Rules, 2015, as amended.
- 4 The above standalone & consolidated financial results have been reviewed by the audit committee on February 10, 2022 and have been approved by board of directors at their meeting held on February 10, 2022.
- As at September 30, 2021, the Group had accumulated losses and the Group has incurred losses during the current and preceding periods/ years. The Groups current liabilities are in excess of current assets. The group has delayed payment of loans and interest and various loan accounts have been classified as non-performing by banks/ lenders. The Group has provided guarantees and commitments and/or has undertaken to provide financial assistance on behalf of various entities and as further detailed in notes 7, 8, 10(a) and 10(b) (referring to notes on GVK Coal Developers (Singapore) Pte Limited, GVK Energy Limited, GVK Bagodara Vasad Expressway Private Limited and GVK Deoli Kota Expressway Private Limited), uncertainties are being faced by various projects such as delays in development of coal mines in an overseas project where the parent Company has provided guarantees and commitments for the borrowings, losses incurred by gas based plants in the absence of gas and litigations on rights to claim capacity charge, re-negotiation of terms of PPA of coal based plant, arbitration on delay of commencement of road projects, termination of projects etc. These factors together with the impact of Covid 19 may indicate significant doubt on going concern ability of the group. Notwithstanding the above, the financial statements of the Group have been prepared on going concern basis as management believes that the Group would be able to ultimately meet its commitments, reduce debt by stake sale and the entities on whose behalf guarantees/ commitments have been extended would be able to meet their obligations. Further, the Management is confident that aforesaid entities would win litigations; obtain approvals of regulators; will reach an optimal solution with non-controlling shareholders and lenders; obtain requisite gas/coal allocation etc. as required despite current macro-economic environment challenges.
- The Company and its subsidiary GVK Airport Developers Limited (GVK ADL) has entered into a binding agreement comprising a co-operation agreement and other related agreements with Adani Airport Holdings Limited (AAHL) on August 31, 2020 and subsequent dates. This includes acquisition of the debt by AAHL from various lenders of GVKADL with a view to release pledge on certain shares of GVK Airport Holdings Limited (GVKAHL) and with an ability for AAHL to convert the acquired debt from the lenders of GVKADL to equity so as to acquire equity interest in Mumbai International Airport Limited (MIAL) and also acquiring Company's equity and other instruments in GVKADL and also possible acquisition/ settlement of debt of GVK Coal Developers (Singapore) Pte Ltd (with a view to release pledge on remaining shares of GVKAHL). AAHL has since acquired the debt of GVKADL from lenders and has converted the same to equity acquiring controlling interest in GVKADL on July 13, 2021. GVKPIL has also sold its majority holding in GVKADL to AAHL and the amount has been shown as recoverable from them. Consequently GVKADL, Bangalore Airport & Infrastructure Developers Limited (BAIDL), GVKAHL, MIAL and Navi Mumbai International Airport Limited (NMIAL) are no longer subsidiaries of the Company from July 13, 2021. The company has recognised a profit of Rs.4,576 Lakh in the standalone financials on account of transfer of Equity shares and a gain of Rs 2,336 Lakhs on account of tair value of balance of the investment held in GVKADL. In the consolidated financials a profit from the discontinued operations of Rs.250,101 lakhs has been recognised for the quarter ended September 30, 2021.

The broad contours of the co-operation and related agreements is detailed below:

- (i) Acquisition of debt and related accrued interest with carrying value in the financial statements of GVKADL of Rs. 255,107 lakhs by AAHL.
- (ii) AAHL acquiring certain securities of Sutara Roads & Infra Limited, a subsidiary of the Company and another Company of the promoter group to be used exclusively for financial support of any of its affiliates and affiliates of GVKPIL post the date of co-operation agreement.
- (iii) Acquiring equity of Rs. 30,000 lakhs and other instruments of Rs. 100,000 lakhs held by GVKPIL and its subsidiary in GVKADL by AAHL to be settled by transfer of securities held by AAHL referred to in (ii) above.
- (iv) GVKPIL and AAHL have also agreed on certain steps to be taken in respect of lenders of GVK Coal.
- The full financial effect of the above cannot be estimated as certain aspects of the transaction including settlement with GVK Coal lenders are yet to be concluded.
- 7 The Group has an investment in GVK Coal Developers (Singapore) Pte. Limited (GVK Coal) which is assessed as an associate to the parent Company. The parent Company exercises significant influence on GVK Coal as per Ind AS 28.
  - The Group has provided for impairment of Rs 79,048 Lakhs for full value of its investment and receivable. The impairment of its investment and receivable aggregating to Nil during the period ended September 30, 2021 (March 31, 2021: Rs 414 Lakhs) in the absence of any certainty of realization either by use or from the settlement that may be reached.

The Group has also given guarantees and commitments for loans amounting Rs. 840,545 lakhs (March 31, 2021: Rs. 827,149 lakhs) taken by GVK Coal as at September 30, 2021 part of which is collateralized by the pledge of 37% shares of GVK Airport Holdings Limited a wholly owned subsidiary of the parent Company, and has also undertaken to provide financial assistance of USD 3.11 million (Rs. 2,308 lakhs) as at September 30, 2021, an entity whose current liabilities exceeds current assets by USD 2,459 million (Rs. 1,828,727 lakhs) as at June 30, 2021 and the entity has also incurred net losses of USD 48 Million (Rs.35,479 Lakh) for the year ended June 30, 2021 (June 30, 2020; USD 317 Million (Rs.235,288 Lakh)) based on the audited financial statements of GVK Coal is witnessing material uncertainties. The prices of the coal have fallen since GVK coal had acquired a stake in the coal mines. GVK Coal has not been able to achieve financial closure resulting in delays in commencement of mine development activity when compared to scheduled date, delays in entering into definitive agreements for port and rail development and agreement for sale of coal and also necessary environmental and regulatory clearances. There are also uncertainties arising from COVID. Further, all the lenders of GVK Coal have classified the loan as non- performing and the lenders had an option to curtail the rights of the parent company on various assets either on October 2015 or every year thereafter.

The lenders have since filed a claim in the High Court of Justice Business and Property Courts of England and Wales Commercial Courts on November 09, 2020 and have sought to recover the amounts advanced to GVK Coal. Under the interim solution undertaking by the lenders dated March 23, 2017, the lenders cannot enforce such obligation until March 29, 2022. The respective arguments of the lenders and the parent Company were filed with the court and an order has been pronounced which entails start of the trial on June 13, 2022.

The parent Company is hopeful of achieving one time settlement with the lenders in view of its arrangement with Adani Airport Holdings Limited (AAHL) which is adequately incentivised to final solution with the lenders to get unencumbered ownership over the shares of GVK Airport Developers pledged with the lenders. The extent of the liability that may arise in respect of guarantees and commitments and the manner of such settlement is presently not ascertainable and accordingly no provision has been made in this regard in relation to any liability.

8 Certain subsidiaries and jointly controlled entity (group companies) of GVK Energy Limited ('GVKEL'), a jointly controlled entity are facing uncertainties as detailed

a) Trade receivable of GVK Industries Limited (GVKIL), include accruals towards reimbursement of fixed charges for the financial year 1997-1998 to 2000-2001, on increased capital cost worked out as per ratios set out in the PPA aggregating to Rs. 4,512 lakhs (March 31, 2021: Rs. 4,512 lakhs) by GVKIL, disincentive recoverable aggregating to Rs. 2,878 lakhs (March 31, 2021: Rs. 2,878 lakhs), minimum alternate tax under the provisions of Income Tax Act, 1961 for the period commencing from the financial year 2000-2001 up to the financial year 2011-2012, aggregating to Rs. 2,031 lakhs (March 31, 2021: Rs. 2,031 lakhs) and other receivables of Rs. 75 lakhs (March 31, 2021: Rs. 75 lakhs). In GVK Gautami Power Limited (GVKGPL), the minimum alternate tax under the provisions of Income Tax Act, 1961 for the period commencing from the financial year 2009-2010 to 2010-2011, aggregating to Rs. 1,500 lakhs (March 31, 2021: Rs. 1,500 lakhs) is accounted, which are being refuted by AP Transco/subject to approvals.

There has been uncertainty regarding supplies/availability of gas to power plants of GVK Industries Limited (GVKIL), subsidiary company of GVKEL, and GVK Gautami Power Limited (GVKGPL), jointly controlled entity of GVKEL. These group companies have made losses of Rs. 25,384 lakhs during the current period (March 31, 2021: Rs. 46,511 lakhs). The lenders have classified the loan balances of these group companies as non-performing assets. One of the lenders in the consortium of GVKIL has filed petition with the Hon'ble NCLT, Hyderabad invoking Corporate Insolvency Resolution Process against the company and hearing on petition is pending.

GVKEL is confident that the Government of India will take necessary steps/initiatives to improve the situation of natural gas. However, in the interim, these group companies are working with the lenders for a one time settlement proposal wherein the loans would be settled at the value of the plant to be realized on its sale to APDISCOM. Further, Management, based on its rights under power purchase agreement to recover capacity charges and in view of installing alternate fuel equipment and on the basis of aforesaid discussions, believes that these group companies continue to be in operation in foreseeable future despite continued losses or will be able to amicably settle the loan liability as part of one time settlement proposal. GVKEL has given corporate guarantee for the loan taken by GVKGPL. GVKEL based on the valuation performed for these entities, has made a provision for diminution for full value of investments to the extent of Rs. 64,295 lakhs in its standalone financial statements during the FY ended March 31, 2020.

GVKEL accordingly believes that no provision for impairment/diminution is required towards carrying value of assets aggregating to Rs. 54,052 Lakhs & Rs.87,704 Lakhs of GVKIL & GVKGPL respectively and also no provision towards corporate guarantee given by GVKEL to GVKGPL is necessary

b) The Hon'ble Supreme Court of India had deallocated dedicated coal mine allotted to GVK Power (Goindwal Sahib) Limited (GVKPGSL). GVK Coal (Tokisud) Private Limited (GVKCTPL), a subsidiary of GVKEL and mine operator for coal mine allotted to GVKPGSL, was offered of a compensation by the Nominated Authority of Rs. 11,129 Lakhs as against carrying value of assets of Rs. 31,113 Lakhs as at March 31, 2017. GVKCTPL had appealed against the said order in the Hon'ble High Court of Delhi. The aforesaid court vide its order dated March 09,2017, directed GVKCTPL to submit its claim to the adjudicating authority constituted under the Coal Mines (Special Provisions) Act, 2015. Subsequently GVKCTPL submitted its claim for the balance amount of Rs. 19,882 Lakhs to the adjressaid authority. Nominated authority further approved Rs 13,827 Lakhs against the claim recently and GVKCTPL has appealed against the same for the differential amount.

GVK Energy has written off its investment in GVKCTPL amounting to Rs. 10,986 lakhs during the year ended March, 2018. GVK Energy has also given corporate guarantee for the loan taken by GVKCTPL. Management believes that GVKCTPL will be appropriately reimbursed for cancelled coal mines and accordingly no provision is required towards corporate guarantee given by GVKEL to GVKCTPL.

c) Uncertainty is being faced by coal based Thermal Power plant with carrying value of assets aggregating to Rs. 369,752 lakhs (March 31, 2021: Rs. 380,291 lakhs) of GVK Power (Goindwal Sahib) Limited ('GVKPCSL'), subsidiary company of GVKEL, due to uncertainty in supply of fuel consequent to the Hon'ble Supreme Court of India had deallocated dedicated coal mine allotted to GVKPGSL. Management had filed petition with Punjab State Electricity Regulatory Commission (PSERC) for re-negotiation of terms of power purchase agreement claiming force majeure and change in law as envisaged under Power Purchase Agreement. It had also applied for the approval of completed capital cost and determination of final tariff for the Project.

The subsidiary company GVKPGSL was allotted 1.7 million tons of coal from M/s Central Coal Fields Limited (CCL) under Scheme for Harnessing Scheme for Harnessing and Allocating Koyala Transparently in India (SHAKTI). It entered into an agreement with CCL on 16th February, 2018.

PSERC had approved the capital cost of Rs 3,05,837 Lakhs on January 17, 20220 against the claim of Rs 4,49,106 Lakhs. PSERC has also not allowed complete pass through of cost on account of fuel. Aggrieved with the above order, the company has preferred an appeal against the said order before Appellate Tribunal for Electricity (APTEL).

The GVKPGSL has defaulted on repayment of dues to lenders. One of the lenders in the consortium of GVKPGSL has filed petition with the Hon'ble NCLT, Hyderabad invoking Corporate Insolvency Resolution Process against the company and hearing on petition is still pending.

Further based on the valuation performed, GVK Energy has made a provision for diminution of investments to the extent of Rs 108,210 Lakhs & Rs. 18,310 lakhs during the year ended March 31, 2021 & March 31, 2020 respectively in its standalone financial statements towards investments in GVKPGSL.

Management is actively looking to implement the resolution plan with the lenders. Accordingly, management believes that no provision is required to be made to the assets carrying value of Rs. 369,752 Lakhs.

- d) The parent company (GVKPIL) has assessed and based on the valuation carried out, provided an amount of Rs 25,100 Lakhs for year ended March 31, 2021 (Rs 4,900 Lakhs during the year March, 2020) in its standalone financial statement towards its investments in GVKEL. No provision is considered necessary in standalone books of accounts of GVKPIL towards the remaining carrying value of Rs 73,923 Lakhs of its investments in GVKEL based on the valuation carried out and other relevant factors and loans of Rs 117 Lakhs.
- e) The Group has already accounted the share of its losses in previous years related to GVK Energy Limited (Jointly Controlled Entity) to the extent of its investments and hence there is no further provisioning required of the losses in Group Accounts during the year.
- f) The Group also has receivables of loan of Rs. 5,084 lakhs (March 31, 2021: Rs. 35,274 lakhs) from GVKEL and the parent company has also given corporate guarantee of Rs 3,100 Lakhs (March, 2021 Rs. 3,100 Lakhs) to GVKEL. The management believes that no provision for diminution for such loans and no provision for corporate guarantees given by the parent Company is required considering the overall evaluation of the Jointly Controlled Entity.

#### 9 Note on going concern as included in the consolidated financial statements of GVKEL

As at September 30, 2021, the GVKEL Group had accumulated losses and the GVKEL Group has incurred losses during the previous year and the current year. The GVKEL Group's current liabilities are in excess of current assets. The GVKEL Group has delayed payment of loans and interest and certain loan accounts of the GVKEL Group have been classified as non-performing by the lenders. GVK Power & Infrastructure Limited has provided corporate guarantee for the loans taken by GVKEL and has given sponsor undertaking for the loans taken by GVKPGSL. Further, as detailed in Note 8 (a) and 8 (b) above, uncertainties are being faced by various projects in the GVKEL Group such as losses incurred by power plants, re-negotiation of terms of power purchase agreement of coal based plant, approval of resolution plan, one time settlement proposal, litigations with respect to tariff, etc. Notwithstanding the above, the financial statements of the GVKEL Group have been prepared on going concern basis as, management believes that the GVKEL Group would be able to establish profitable operations and meet its commitments. Further, management is confident that aforesaid entities would win litigations, obtain approval of regulators, obtain requisite fuel allocation etc. as required and would establish profitable operations.

10 The company has wholly own subsidiary company viz. GVK Transportation Pvt. Ltd. (GVKTPL). GVKTPL has made investment into four subsidiaries out of which two subsidiaries are facing uncertainties, detailed as below:

#### a) GVK Bagodara Vasad Expressway Private Limited (GVK BVEPL)

GVK Bagodara Vasad Expressway Private Limited (GVK BVEPL) step subsidiary of the Company has spent an amount of Rs 67,374 lakhs till September 30, 2021 (March 31, 2021: Rs 67,374 lakhs), comprising Rs 58,904 lakhs towards project expenditure and Rs. 8,470 lakhs net towards advances to contractor (Which is the written off during the quarter ended September 30, 2021) on various works under this Concessionaire Agreement. During the course of construction, there has been significant delays in fulfilling the obligations from GSRDC like providing Land required for construction, right of way, shifting of utilities etc., which has resulted in significant delays in construction also. On March 27, 2018, GSRDC has issued a termination and arbitration notice as per which GSRDC has terminated the concession agreement and also has claimed an amount of Rs. 108,419 Lakhs. In response to which notice, GVK BVEPL has written to GSRDC denying the claims from GSRDC and terminated the agreement. GVK BVEPL has also stated that the delay is due to the default from GSRDC. Also, GVK BVEPL has notified GSRDC that dispute settlement process will be as per the Concession Agreement.

GVK BVEPL has approached The International Centre for Alternative Dispute Resolution (ICADR) for appointment of Arbitration Tribunal (AT). Arbitration Tribunal is constituted and the dispute is being addressed. GSRDC has filed a claim of Rs 108,419 lakhs and GVK BVEPL has filed its statement of Defense and a counter claim of Rs.91,325 lakhs as termination payment due to GSRDC default (apart from various other claims towards Loss of Profit, Interest Payment on Debts etc.) disputing the very process of termination and are also taking other necessary legal remedies in this regard. Initially GVK BVEPL intended to bring into substitution process, however inspite of best efforts of GVK BVEPL, substitution process could not be completed. Meanwhile GSRDC awarded project to two different contractors. Hence GVK BVEPL is no more going concern and the financials are prepared accordingly.

GVK BVEPL is closely working with the lenders by explaining to them the intricacies of the project and outlining support required to give effect to the process of arbitration. Tribunal heard arguments of both sides in respect of Application dated 23-09-2021 for production of additional documents, the hearing was concluded and orders in the said application are reserved.

All the loan accounts become non-performing assets as on the date of the balance sheet and company received recalled notices from the banks and financial institutions and hence borrowing from the banks and financial intuitions are treated as other current financial liabilities.

Based on its internal assessment/legal advice, GVK BVEPL is confident that it will be able to recover the amounts spent on the project till date and is also confident that claims made by GSRDC will be struck down and accordingly management believes that it is appropriate to recognize total assets aggregating to Rs. 58,565 lakhs (As appearing in the consolidated financial statement); comprising Rs.58,562 lakh as Other Non-Current financial assets and Rs.3 lakh as Property Plant & Equipment on September 30,2021 (March 31, 2021 Rs. 67,026 lakhs) at carrying value in the financial statements and no provision for diminution is necessary.

#### b) GVK Deolikota Expressway Private Limited (GVK DKEPL)

On June 25, 2019, GVK DKEPL has issued a termination notice under Article 37.2.2 of the Concession Agreement for termination on account of material breach and defaults on the part of National Highway Authority of India (NHAI) during the course of construction like providing Right of Way (ROW), shifting of utilities, obtaining approvals & clearances, alternate route & prevention of complete user fee collection etc., which has resulted in significant delays in construction of expressway. Further, GVK DKEPL has claimed a termination payment of Rs. 169,650 lakhs (apart from various other claims towards future loss, Loss of Toll Revenue, Loss suffered on account of additional overheads etc.) from NHAI as per the terms of the Concession Agreement. In response to the above notice, GVK DKEPL has received letter from NHAI dated July 03, 2019 denying the claim of GVK DKEPL stating that the termination notice issued under clause 37.2.2 is invalid as defaults alleged by GVK DKEPL are false and NHAI has not committed any material default in complying with the provisions of the Concession Agreement.

On September 12, 2019, NHAI has issued a termination notice as per clause 37.2.1 of the Concession Agreement for non-fulfillment of the obligation as stated in the Concession Agreement by Concessionaire. NHAI by virtue of this notice, is deemed to have taken possession and control of the project highway along with all the equipment on or at site. After this termination notice toll plaza is deemed to have been transferred to NHAI and from September 16, 2019 onwards NHAI started collecting the toll on the project highway.

The matter is under Arbitration and the company has filed claim documents with Tribunal and NHAI has filed statement of defence and next hearing is fixed on February 12, 2022.

Meanwhile, the NHAI has paid a Gross total of Rs 49,767 Lakhs (Net Rs 24,977 Lakhs after deduction of Income Tax TDS Rs 1,303 Lakhs, GST TDS Rs 995 Lakhs, Premium Rs 16,917 Lakhs, Interest on Premium Rs 5,141 Lakhs, TCS Rs 338 Lakhs and Interest on TCS Rs 97 Lakhs) till November 30, 2021 towards our Termination payment claim. The company has thereafter filed an interim application U/s 17 of the Arbitration and Conciliation Act, 1996 for full amount of termination payment as calculated by NHAI. Meanwhile the company has also filed Rejoinder and partly arguments were heard on on various dated and orders in the said application are reserved.

GVK DKEPL has defaulted in repayment of principal amount and payment of interest on such term loans taken from consortium of banks & financial intuitions. As a result, the lenders have classified the term loan as non-performing asset and have recalled the entire facilities extended to the company. As result of that, the term loans have become repayable on demand, Company has not received borrowing statements and confirmation of borrowing balances from lenders.

The Concession Agreement being the sole agreement executed by the Company, termination of the same has now resulted into liquidation basis of accounting which has been adopted in preparation of these financial statements of GVK DEPL. Under the liquidation basis of accounting, all assets and liabilities are measured at their net realisable value. As toll collection right has been taken over by NHAI from the Company, Company has impaired toll and premium assets against premium liability (not due) and claim receivable from NHAI.

GVK DKEPL based on its internal assessment/ legal advice is confident that it will be able to recover the balance amount spent on the project till date including its various claims and accordingly the management believes that it is appropriate to recognise total assets aggregating to Rs.45,467 lakh; comprising Rs.45,094 lakh as Other Non-Current assets, Rs.9 lakh as Property Plant & Equipment and Rs 364 Lakh as the Current Assets on September 30,2021 (Rs.51,777 lakh as on March 31,2021) at carrying value in the financial statements.

#### 11 GVK Jaipur Expressway Private Limited (GVKJEPL)

Toll collections were suspended by NHAI due to the Lock down announced by the Ministry of Road Transport & Highways (MoRTH) vide its order H-25016/01/2018-Toll dated March 25, 2020 on account of COVID 19. The suspension of Toll continued till April 20, 2020. However, due to the impact of the lockdown and reduced traffic due to covid, the daily Toll collection continued to be much less than the average daily collection prior to the lockdown. GVKJEPL at present has the concession to operate and collect the toll till March 16, 2023. However, NHAI vide its Policy circular No. 8.3.33/2020 dated 26th May, 20 had provided relief measures to BOT (Toll) Concessionaires from the impact of COVID-19, wherein extension of concession period was granted, based on certain criteria, for a minimum of three months and a maximum of six months period from the end of the concession period. Accordingly, GVKJEPL has applied for extension of concession period and is confident of getting the extension and considered the impairment of goodwill accordingly.

12 GVK Ratle Hydro Electric Project Private Limited (GVK Ratle), step subsidiary of GVK Power and Infrastructure Limited has entered into a concession agreement with J&K Power Development Department (JKPDD) for construction and operation of a hydro power plant on Build, Own, Operate and Transfer model. GVK Ratle has spent/paid advances having outstanding of an amount of Rs. 101,498 lakhs (March 31, 2021: Rs. 101,552 lakhs) on this project for various works. There has been a significant delay in the construction of the project due to the impediments like land acquisition and execution of land leases, issues in relation to working conditions, disturbances and law and order problems, issues under the Indus Water Treaty, issues in relation to Water charges, status of Mega Power Project and taxes such as entry tax, sales and other local taxes etc., GVK Ratle has offered for an amicable settlement and requested for the termination of concession agreement, but JKPDD rejected such settlement stating that the delays tantamount to event of default from GVK Ratle. Subsequent to this, GVK Ratle has initiated the arbitration process and the same is in advance stages. In the arbitration proceedings, GVK Ratle has made a total claim of Rs: 513,648 lakhs and JKPDD has made a counter claim of Rs: 518,963 lakhs.

The Tribunal vide its order dated 11th July, 2020 and rectification order dated 7th September 2020 has given an award of Rs. 29,048 Lakhs in favour of GVK Ratle. The GVK Ratle has filed an appeal on 8th December, 2020 against the said award.

Further, the GVK Ratle has entered into a settlement agreement on 24th November 2021 with its Lender. Considering the settlement term with the lender and pending legal proceedings, the management believes that it is appropriate to recognize assets aggregating to Rs.101,498 Lakhs (comprising of Capital Work in Progress Rs.57,067 Lakh, Other Non Current Assets Rs.38,807 lakh, Other Current Assets Rs.5,603 lakh and Property Plant & Equipment (PPE) of Rs.21 lakh) as on September 30, 2021, (Rs.101,552 Lakhs as on March 31, 2021) at carrying value in the financial statement and no provision for diminution is necessary.

13 GVK Perambalur SEZ Private Limited (GVK SEZ), a wholly owned subsidiary company has Investment Property having book value of Rs.11,655 Lakh (March 31, 2021 Rs.11,655 Lakh). GVK SEZ stood as a Guarantor and mortgaged its land admeasuring 2,506.25 Acres to Syndicate Bank (since merged with Canara Bank) on account of loans taken by the GVK PIL (the Parent Company). GVK PIL has since repaid the loan taken from Canara Bank and the bank has also acknowledged the same. However, inspite of the same, Canara bank has not issued a no due certificate and has not returned the original title documents. The Canara Bank has exercised the right of general lien under section 171 of Indian Contract Act,1872 and has enforced general lien over the title deeds in the name of GVK SEZ for liabilities of GVK Coal (Singapore) PTE Ltd, an associate of GVK PIL. GVK PIL and GVK SEZ have jointly filed writ petition stating that Bank exercising of general lien under section 171 of the Indian contract Act, 1872 is wholly misconceived and illegal and contrary to the terms of Guarantee extended by the GVK SEZ. Further, Enforcement Directorate (ED) has provisionally attached the said Land property in view of investigation under Prevention of Money Laundering Act (PMLA) (Refer Note 15). However, Hon'ble High Court of Telangana has stayed the proceedings by issuing Show Cause Notice to ED.

The matter is under litigation. Pending these litigations, the Investment Property having book value of Rs.11,655 Lakh (March 2021: Rs 11,655 Lakhs) is shown as recoverable since the Management is confident of winning the cases on merits
