should be able to achieve this goal if everything goes right.

#### Optimism in the air

On Wednesday, the government enhanced domestic flying to 60 per cent of what the airlines were operating prior to the lockdown. Before this announcement, airlines were allowed to operate only 45 per cent of their pre-Covid flights. IndiGo was able to achieve 37 per cent of its pre-Covid capacity, largely because the number of flights that were allowed to land in airports varied and States had different rules for quarantine. Wolfgang added that there

national mercial flying re-Wolfgang Prockphonic interaction, Schauer, President starts, the airline will look to "re-esand COO tablish the net-

work it had in South East Asia and West Asia."

com-

In response to a question on whether the airline will look at starting operations to London, a destination to which its competitors, including Vistara, have started repatriation flights, Wolfgang said, "We cannot close our eyes to it. We want to be prepared. We are analysing it. When the time is right we will come." At the moment, IndiGo does not aircraft to fly non-stop services between India and the UK. Wolfgang was clear that IndiGo's main business will be scheduled commercial flights.

prefer to buy from Europe or the US," he said, adding that countries like Egypt were blocking Indian products.

KBL makes pumps used in agriculture, water supply projects, firefighting pumpsets, suction pumps, which are used in large EPC projects. KBL exports its products to Oman,

efforts at exports.

"We would like the government's support there," said Kirloskar, adding that he has sent letters to the Centre seeking intervention in getting the matter resolved through inter-government channels.

Kirloskar, however, maintained that this has not im-

### **ENTERPRISE CONNECT**

Axis AMC extends its range of services on WhatsApp; enables

Embracing the ever-evolving needs of the digitally entrenched customer, Axis Asset Management Company, one of India's fastest growing mutual fund houses has extended a plethora of its services on WhatsApp that can be period of its services of windship line can be availed anytime of the day. Significantly, one of the major highlights of its facilities on WhatsApp is that it enables the investor to conduct mutual fund transactions on the WhatsApp platform. Investors need to save Axis AMC's WhatsApp number that is 7506771113 and send a simple 'Hi' on it from their registered mobile number to start the conversation. Investors can use WhatsApp to invest in any schemes of Axis AMC either via SIPs or through psum amounts. Registered investors can find information about the scheme that they are intered ed in. The entire process can be done in few minutes, thereby saving the consumers' much valuable time and effort. A confirmation message would be shared with the investors immediately as well. The newly introduced services by Axis AMC are in tandem with their efforts to make the are in tandem with their enrors to make the consumer experience as unified as possible.Furthermore, the WhatsAppChatbot services offered by Axis AMC will not only enable customers to check the NAV (Net Asset Value) of the funds that they have invested in, but also share their respective portfolio valuations. Investors also have the added benefit for requesting an account statement on their registered email ID in a matter of mere seconds and also check the status of their SIPs (Systematic Investment Plan) and individual es/redemption transactions with Axis AMC. The WhatsApp feature allows consumers to raise a query or file a complaint with the fund house. Since this feature is supported with an integrated CRM in the back-end for the servicing team to act up on, customers can expect real-time resolution for their queries. Mr. Chandresh Kumar Nigam, MD & CEO, Axis AMC says, "Convenience and ease of access have become the absolute norm in the world that we are living in. Customer expectations from services have changed manifold in light of the recent pandemic. Considering WhatsApp is one of the most widely used applications, the extension of our services on the said platform ensure that we engage with the consumer in the most efficient manner possible."
