Limited Review Report on unaudited consolidated financial results of Latent View Analytics Limited (Formerly known as Latent View Analytics Private Limited) for the quarter ended 31 December 2021 and year-to-date results for the period from 01 April 2021 to 31 December 2021 pursuant to Regulation 33 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To the Board of Directors of Latent View Analytics Limited (Formerly known as Latent View Analytics Private Limited)

1. We have reviewed the accompanying Statement of unaudited consolidated financial results of Latent View Analytics Limited (Formerly known as Latent View Analytics Private Limited) ("the Parent"), and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group") for the quarter ended 31 December 2021 and year-to-date results for the period from 01 April 2021 to 31 December 2021 ("the Statement"), being submitted by the Parent pursuant to the requirements of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('Listing Regulations').

Attention is drawn to the fact that the figures for the corresponding quarter ended 31 December 2020 and the corresponding period from 01 April 2020 to 31 December 2020, as reported in these unaudited consolidated financial results have been approved by the Parent's Board of Directors, but have not been subjected to review since the accompanying financial results are the first financial results of the Company post its listing as described in Note 7 of the consolidated financial results.

2. This Statement, which is the responsibility of the Parent's management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations, to the extent applicable.

4. The Statement includes the results of the following entities mentioned in Annexure I to the Statement.
5. Based on our review conducted and procedures performed as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

B S R & Co. LLP

6. The Statement includes the interim financial information of 3 subsidiaries and one step down subsidiary which have not been reviewed, whose interim financial information reflect total revenues of Rs. 30.54 million and Rs. 80.76 million, total net profit after tax of Rs. 5.99 million and Rs. 29.06 million and total comprehensive income of Rs. 7.24 million and Rs 29.86 million, for the quarter ended 31 December 2021 and for the period from 1 April 2021 to 31 December 2021 respectively, as considered in the Statement. According to the information and explanations given to us by the Parent's management, these interim financial information are not material to the Group.

Our conclusion is not modified in respect of this matter.
