## Australia's specialists in aviation-engineering services, **Skytek Pty Ltd TRUSTS Ramco Aviation**

**Cairns, AUSTRALIA / Chennai, INDIA – June 13, 2023** – Global enterprise aviation software provider [Ramco Systems](#) announced that it will implement its [Aviation Suite V5.9](#) for [Skytek Pty Ltd](#), a specialist aviation-engineering services provider with over 20 years of experience in Australia, Papua New Guinea, Indonesia, Malaysia and Myanmar. Ramco's Aviation Suite will integrate and automate various operations at Skytek, empowering them with a modern solution to support their business growth.

With modules covering Engineering & CAMO, Maintenance, Supply Chain, MRO & Part Sales, Employee Management, Finance & Accounting, Compliance Reporting and Journey Log Entries, Ramco's Aviation Suite will provide Skytek with a next-gen digital platform that offers a single source of truth. The solution will also help Skytek optimize their turnaround times for quotations, order processing and customer engagements.

In addition, with its digital enablers like HUBs and workflows, Ramco will help Skytek improve productivity and enhance process efficiencies.

**Alana McKenna, CEO, Skytek Pty Ltd**, said, "We were looking for a modern Aviation ERP software that would automate our MRO service processes, provide complete visibility into our operations and keep up with our rapid business growth. The advanced functionalities of Ramco's Aviation Suite, together with their proven track record in digitally transforming the operations of one of our major customers, were critical to our selection. We are confident that Ramco's Aviation Suite will help us continue delivering quality service and products to our customers."

**Manoj Kumar Singh, Chief Customer Officer – Aviation, Aerospace & Defense, Ramco Systems**, said, "We are delighted to partner with Skytek to digitally transform their business. Equipped with the latest artificial intelligence and machine learning stacks, Ramco's Aviation solution has been helping leading organizations achieve automation and obtain crucial insights into their operations. We look forward to our digital journey with Skytek, to support their business growth."

[Ramco Aviation Suite](#) is trusted by 24,000+ users to manage 4,000+ aircraft globally. With 90+ Aviation organizations onboard, Ramco is the solution of choice for top Airlines, 3<sup>rd</sup> party MROs, large Heli-Operators, leading Defense organizations, and major Urban Air Mobility companies around the world. Available on cloud, Ramco Aviation Suite provides accessibility with 'Anywhere Apps', significantly accelerating organizational efficiency and agility. Ramco is changing the paradigm of enterprise software with Artificial Intelligence based solutions, intelligent voice enabled user experience, and advanced features such as digital task cards, offline maintenance capability, conversational chatbots, HUBs and cognitive solutions.

### **About Skytek Pty Ltd:**

Skytek is an independent MRO specialising in Fixed wing and Rotary wing maintenance. With over 20 years of engineering experience in Australia, Papua New Guinea, Indonesia and the Pacific, Skytek is uniquely placed to support aircraft operators across different cultures and regulatory environments. Our specialist aviation engineering services range from, heavy maintenance for both fixed wing and rotary wing, component overhaul, along with composite repair work. Our ability to also offer full painting services is integral to providing our customers with a complete portfolio of service needs.

Headquartered in Cairns, Skytek has experienced licensed aircraft engineers that allow it to service and support operators with the following aircraft – ATR 42/72 Series, DHC-6 300/400 series, King Air, Caravan, Cessna, Airbus Helicopters, Bell Series Helicopters and Augusta 139. Skytek's expertise as a DHC-6 specialist in maintenance and rebuild capability has been recognised in its achievement as a Viking Approved Service Centre.

### **About Ramco Systems:**

Ramco is a next-gen enterprise software player disrupting the market with its multi-tenant cloud and mobile-based enterprise software in HR and Global Payroll, ERP and M&E MRO for Aviation. Part of the USD 1 billion Ramco Group, Ramco Systems

focuses on Innovation and Culture to differentiate itself in the marketplace. On the Innovation front, Ramco has been focusing on moving towards Active ERP leveraging Artificial Intelligence and Machine Learning by building features such as **Talk It** - which allows transactions to be carried out by simple voice commands, **Bot it** - which allows users to complete transactions using natural conversations; **Mail It** - transact with the application by just sending an email; **HUB It** - a one screen does it all concept built to address all activities of a user; **Thumb It** - mobility where the system presents users with option to choose rather than type values and **Prompt It** - a cognitive ability which will let the system complete the transaction and prompts the user for approval.

With 2000+ employees spread across 29 offices, globally, Ramco follows a flat and open culture where employees are encouraged to share knowledge and grow. No Hierarchies, Cabin-less Offices, Respect work and not titles, among others are what makes the team say, Thank God it's Monday!

**Conferred as Malaysia's Best Employer Brand 2022;**  
**Positioned a 'Leader in Everest Group's APAC Multi-country Payroll (MCP) Solutions PEAK Matrix® Assessment 2022**
