Navi Mumbai, 4th April, 2022: Shreeji Translogistics Limited, which has grown to become one of the largest integrated national logistical solution providers in India, has recently bagged Premier Bonded Trucking Operator Award at India Cargo Awards 2022.

Management Comments

Wholetime Director of Shreeji Translogistics Limited, Mr. Rupesh Shah says that “Success does not begin with receipt of awards, but it begins with the satisfaction that we feel after achieving the goals set by us. As the pandemic struck, most business leaders showed resilience in the face of adversity. They rose to the occasion, did course corrections wherever needed, and steered their business to new heights. Similarly, in these challenging times, Shreeji has grown its Bonded Trucking Division to another level. Shreeji has been providing Custom Bonded Trucking services for almost two decades and its services have been greatly appreciated by the Airline Industry. Recently, Shreeji was honored with ‘**Premier Bonded Trucking Operator**’ award at the **India Cargo Awards 2022**. India Cargo Awards is an all-India platform with a vision to recognize those behind the success of the Cargo & Logistics Industry. A first of its kind, India Cargo Awards are the first internet voting-based awards, hence are fair and unbiased. Shreeji has won a lot of awards for its Custom Bonded Trucking services over the years and hence, I would say, the reward for work well done, is opportunity to do more better.”
