Adani, Jindal Power Submit EoIs for Videocon, its Units

Meanwhile, Supreme Court will hear the winning bidder Twin Star Tech's appeal on Monday

Sangita.Mehta@timesgroup.com

Mumbai: The resolution professional at Videocon Industries has received expressions of interest (EOI) from Jindal Power and Adani Properties for the consumer dur-

able company and its units, people aware of the bankruptcy proceedings told ET. In parallel development, the Supreme Court is scheduled to hear on Monday an appeal by the winning bidder Twin Star Technologies, against a January 5 National Company Law Appellate Tribunal (NCLAT) order, which pro-

posed lenders to restart the resolution process. The resolution professional, Abhijit Gurbhakarti, backed by Deutsche has invited bids by March 16 and aims to complete the resolution process by April 15. Adani Properties and Jindal Power did not respond to ET's queries. Venugopal Diwan promoted Videocon Industries has 40 acres of land across India, of which 251 acres are in Aurangabad, Nagarpal Diwan, along with his brothers Raj

Kumar Diwan and Pradeep Kumar Diwan, has provided a personal guarantee of ₹6,787 crore. Ganant Adani promoted Adani Properties is known for developing commercial and residential properties. O.P. Jindal Group promoted Jindal Power is a subsidiary of Jindal Steel & Power. Lenders voted to restart the resolution process after NCLAT ruled that Twin Star Tech-

nologies' plan was non-compliant with the Insolvency and Bankruptcy Code (IBC). It then reverted to the committee of creditors (CoC) to complete the resolution process. The NCLAT order was in response to an appeal filed by the CoC that the Twin Star plan was not feasible. But the appeal was primarily driven by the criticism that Videocon and its units were sold for a surge. The recovery for lenders was 115% of the admitted claims of ₹6,819 crore.
