Ranjana's celebration of Rama's life takes audience on time travel

A bunch of Barathanatyam artists from Sri Kalakshi School of Dance (SKSD) left the crowd at Bharat Kalachar awestruck at "Ramachandra Vaibhavam" - The spectacular thematic dance production by Natya Kala Choodamani Smt. Ranjana that was the grandeur staged as part of "Bharat Natya Utsav".

With a perfect blend of ragam, thalam, vocal, verbal, Jathi, and silence, the usual Rama's story was narrated in an unusual way, making it not just an immense oeuvre but a host of repertoires all packed with creativity.

Hanuman's Kamaba Ramayana recital & narration was a curtain raiser for the show. With a flawless Ata thalam jathi prelude, the next 90 minutes the story was unfolding all the cantos from Bala kandum to Ayodhya kandum through Aranya kandum, kishkintha kandum reaching Sundara kandum and finally the yuddha kandum ending with Rama pattabishekam, with no dull moment.

Visual direction with apt lighting hues controlled the mood, with the application of varied props, did add on to the appeal. Adding folk lore, Dandiya and lamp dances with uncompromising grammar is a special skill to call out. It was monkey's barathanatyam with those cute tails was paramount in Ranjana's creativity.

One could sense Ranjana's dexterity, as she strategized a group playing main characters while a group moving the story playing ancillary characters. Scenes were layered with group of dancers, moving props, additional entries and exits while keeping the story intact, highlighting the essence of group choreography.

Transformation of cute little Ram, Lakshman, Barath, Sathrugnan to grown princes, diabolic thataga, Ahalya's resurrection, Ram Sita love at first sight, Janaka's pride, Lakshmana's charming joy, Funny kings at swayamvara, Parasurama conversation, Kooni & Kaikeyi's plotting, Dasaratha's distress, Surpanaka's greed, Maricha's magic, Ravana's arrogance, Jatayu's bravery, Lankini, Chayagrahi fight, Hanuman's announcement of finding Seetha, Rama

Lakshmana's joy with tears on stage, Sita's anguish, Sethu bandana by monkeys, Rama Ravana fight ---- all without retakes or edits flawless live on the stage.

Undoubtedly this is the finest of all the shows this season. **Seetha, Chennai.**

Freedom from Allergies campaign

Chennai, Feb 6: Neuberger Diagnostics takes a pioneering step in public health with the introduction of its "Freedom from Allergies" campaign, aiming to shed light on the prevalence of various lifestyle-related allergies. The campaign is designed to educate individuals about the signs, symptoms, and accessible tests that can significantly impact the early detection and effective management of all types of allergies.

Dr. Akash Shah,

to raise awareness

Consultant Pathologist, Neuberger Diagnostics states, "The 'Freedom from Allergies' campaign is a call to action for individuals to pay attention to their health. It's time to address those lingering symptoms that may be indicative of underlying allergies. Knowing the exact allergens allows for precise treatment strategies, reducing the need for broad-spectrum medications and enhancing the effectiveness of interventions. Early detection and management help prevent severe allergic reactions, such as anaphylaxis, which can be life-threatening. Managing allergies effectively

ensures individuals can lead a more productive life without the hindrance of persistent symptoms."

Timely allergy testing allows for the early detection of allergic reactions, enabling individuals to take preventive measures. Identifying allergies at an early stage helps in preventing the escalation of symptoms and the development of more severe allergic conditions.

Accurate diagnosis is also crucial for implementing targeted treatment plans and avoiding unnecessary dietary or lifestyle restrictions. By identifying and managing allergies, individuals can experience a significant improvement in their overall quality of life. Relief from symptoms such as itching, congestion, sneezing, and digestive issues

contributes to enhanced well-being.

Allergy tests also guide healthcare professionals in developing personalized treatment plans tailored to the individual's specific allergies. Tailored treatment ensures more effective management and reduces the risk of adverse reactions.

"Freedom from Allergies" campaign by Neuberger Diagnostics aims to empower individuals to take control of their health by highlighting the importance of early allergy detection and management. By offering accessible over-the-counter allergy tests, the campaign seeks to bring about positive and life-changing benefits for those dealing with diverse allergies.
