ICAI to host Chilean Film Festival from Sep 25

Chennai, Sept 20: Indo Cine Appreciation Foundation in association with the Embassy of Chile in India and Consulate of Chile in Chennai is organising the Chilean Film Festival 2023 titled 'Democracy is memory and future' in commemoration of the 50th anniversary of the coup d'état in Chile in Chennai from September 25 at Tagore Film Centre, Music College Road, State Bank of India Colony, Raja Annamalai Puram.

The festival will feature 4 films. The films will be introduced by Sumita Shahany, Honorary Consul of Chile in Chennai, Consulate of Chile.

Schedule
50th Anniversary of the Coup D'état in Chile
On September 11, 1973, a military Coup d'état violently interrupted the democratic coexistence of Chileans. The rupture of the country's democratic

tradition led to the enforced disappearance, torture and assassination of near 2,300 Chileans (*), as well as the forced exile of more than 200,000 people, to some of whom there are still debts in terms of truth, justice, reparation and guarantees of non-repetition.

Fifty years later, the country wants to commemorate this event, convinced that Democracy is built with Memory and Future.

It is an opportunity to thank those who defended Human Rights, both in Chile, by helping persecuted patriots during the dictatorship, and abroad, through the international solidarity shown by countries that gave asylum and protection.

The commemoration of these 50 years is a call to build the future as a tribute to those who are no longer with us, to what we have lost as a nation, to the Democracy

we have recovered and to the values that project Chile as a free and solidary society.

Autorickshaw fares to be revised soon

Chennai, Sept 20: The autorickshaw fares for Chennai metropolitan area as well as all other districts in the State will be revised within 12 weeks. The Government of Tamil Nadu Informed the Madras High Court.

It said the Transport Commissioner had sent a proposal in accordance with the recommendations made by a fare revision committee.

Government Pleader P. Muthukumar informed Chief Justice S.V. Gangapurwala and Justice P.D. Audikesavulu that in the previous round

of litigation, the High Court has in April 2022 directed the government to create a mechanism through which fluctuation in fuel prices get reflected in the fare that could be collected by autorickshaw drivers.

Accordingly, the Transport Commissioner constituted a fare revision committee under the chairmanship of Joint Commissioner (Enforcement) to hear the suggestions and peruse the representations made by various trade unions representing the autorickshaw drivers and

consumer welfare bodies interested in ensuring fair price fixation.

The committee also took into account the fares being charged in other States in the multiple sittings conducted by it and submitted its recommendations to the Transport Commissioner who, in turn, forwarded a proposal for fare revision to the State government.

The proposal was now at an advanced stage of consideration by the government, the GP said.

He also submitted the government would take

a final decision on the issue within a few weeks. The judges accepted the submission and desisted of a public interest litigation petition filed by advocate S.V. Ramamoorthy for fixation of revised fares as directed by the High Court last year on an earlier PIL petition filed by the GP.

The Bench led by Chief Justice Gangapurwala made it clear that after the government fixed the revised fares, any aggrieved party could approach the court to express their grievance in accordance with law.
