	b) Diluted (Not to be annualized)	0.93	(7.33)	(5.55)	(13.41)	(21.43)

Notes:

- 1 The above audited financial results have been reviewed by the Audit Committee and were thereafter approved and taken on record by the Board of Directors in their meeting held on 22nd June, 2021. The Statutory Auditors have expressed an unmodified opinion on the above results.
- 2 The figures for the quarter ended March 31, 2021 and March 31, 2020 are the balancing figures between the audited figures in respect of the full financial year and the published year to date figures up to the third quarter for the relevant financial year which were subjected to limited review by the statutory auditors.
- 3 The Company has only single reportable business segment i.e. 'Yarn segment' in terms of requirements of Ind AS - 108 and has its operations / assets located in India.
- 4 Results for the current quarter / year have been adversely affected due to continued grinding halt of mills operation since 25th March, 2019 on account of persistent, unfair and illegal activities of labour including strike resorted to by workers and disconnection of power. Matter in respect of disputed labour dues for lay off of workers, is subjudice, pending before the Honorable Supreme Court and the management expects a positive outcome, in view of the expert legal opinion in the aforesaid matter obtained by the Company. The management has already settled dues of lender banks (by borrowing from promoter group companies), is exploring ways to settle workers legal dues, studying ways to restart the operations of the Mills, pursuing to raise further funds from selling surplus assets (during the year end, substantial cash flow was generated by disposing off of certain assets of the company at Kolhapur), exploring for sources of additional funds and in view of such positivities, the financial statements have been prepared on a going concern basis.
- 5 In the meantime, there was an outbreak of Pandemic 'Novel Coronavirus' ("COVID -2019") and consequent Lockdown announced by the Centre and State Governments on 23rd March, 2020. In view of recent surge in Covid-19 cases, few states reintroduced some restrictions and the Company continues to be vigilant and cautious. Due to impact of COVID - 2019 Pandemic, there might be an adverse impact on the Company's financials. The management however, has considered the possible future effects, that may inter-alia, impact the carrying amounts of inventories and trade receivables. The Management will closely monitor any material changes due to future economic conditions and take necessary measures to address the situation.
- 6 "Other Income" includes for the current quarter and year Rs.706.87 lakhs and Rs.961.13 lakhs respectively; previous years' corresponding quarter and year includes Rs.Nil and Rs. 546.09 lakhs respectively being profit on sale of certain land and building at Kolhapur.
- 7 "Employee benefits expense" for the current quarter and year includes Rs. 413.60 lakhs and Rs. 1093.40 lakhs respectively; previous years' corresponding quarter and year includes Rs.88.28 lakhs and Rs.368.05 lakhs respectively being ex-gratia paid / payable to the certain workers who have voluntarily retired.
- 8 Figures of current quarter / year are not comparable with previous years' corresponding quarter / year due to the reasons as stated in Note 4, 5, 6 and 7 above.
- 9 Previous periods' figures have been regrouped / rearranged, wherever considered necessary, to make them comparable to current period's presentation.
