## 38 Impact on COVID 19( Global Pandemic)

The Company has evaluated the impact of COVID-19 resulting from (i) the possibility of constraints to fulfil its porformance obligations under the contract with customers; (ii) revision of estimations of costs to complete the contract, (iii) termination of contracts by customers. The Company has considered the possible effects that may result from the pandemic relating to COVID-19 on the recoverability of receivables, advances and loans given and other financial assets. In developing the assumptions relating to the possible effects that may result from the global economic conditions because of this pandemic, the Company, as at the date of approval of these financial results has used internal and external sources of information including credit reports and related information, economic forecasts and consensus estimates from market sources on the expected future demand of its business of real estate. The Company has performed analysis on the assumptions used and based on current estimates the carrying amount of these assets will be recovered. The Company has conduded that the impact of COVID-19 on the Company's financial results may differ from that estimated as at the date of approval of these financial results.
