Speaking on this occasion, **Mr. Pandoo Naig, Managing Director**, of the Company said **“We plan to add 200,000 consumers under these plans over the next 18 months. A dedicated team has been created to deliver on this goal.”** Further, he mentioned that the integrated Family Care Hospitals Mobile Application had received favorable response from select users and its e-pharmacy module was really turning out to be a valuable connect with consumers across Mumbai.

Together, these actions by our hospital should ensure a 360° service to patients and blend technology, expertise and infrastructure to provide quality and integrated healthcare. Specific terms and conditions are decided by the hospital for various plans and these plans cannot be combined with other offers and plans.
