In case of any queries / difficulties in registering the e-mail address, Members may write to rnt.helpdesk@linkintime.co.in
 10. Shareholders can avail the facility of nomination in respect of shares held by them in physical form pursuant to the provisions of Section 72 of the Act read with the Rules made thereunder. Members desiring to avail of this facility may send their nomination in the prescribed Form No. SH-13 duly filled-in to Link Intime. Members holding shares in electronic form may contact their respective Depository Participants for availing this facility.
 11. SEBI has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in dematerialized form are, therefore, requested to submit their PAN to the Depository Participant(s) with whom they are maintaining their dematerialized accounts. Members holding shares in physical form can submit their PAN details to Link Intime.
 12. SEBI has mandated that the securities of listed companies can be transferred only in dematerialized form from 1st April, 2019, except in case of transmission and transposition of securities. In view of the same and to avail various benefits of dematerialization to eliminate all risks associated with physical shares and for ease of portfolio management, Members are advised to dematerialize shares held by them in physical form. Shareholders can contact the Company or Link Intime for assistance in this regard.

Shareholders holding shares in more than one folio in the same name(s) are requested to send the details of their folios along with share certificates so as to enable the Company to consolidate their holding into one folio.
 13. Shareholders are requested to send in their queries at least a week in advance to the Company Secretary at uel.investors@upl-ltd.com to facilitate clarifications during the AGM.
 14. The venue of the 51st AGM shall be deemed to be the Registered Office of the Company at 11, G.I.D.C., Vapi, Dist. Valsad, Gujarat – 396 195.

15. INSTRUCTIONS FOR E-VOTING AND JOINING THE AGM:

(A) VOTING THROUGH ELECTRONIC MEANS

- a) Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), the Circulars issued by the Ministry of Corporate Affairs (MCA) and Secretarial Standard-2 (SS-2) on "General Meetings" issued by the Institute of Company Secretaries of India, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM.

For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a Shareholder using remote e-voting system as well as e-voting during the AGM will be provided by NSDL.

- b) The Shareholders who wish to cast their vote by remote e-voting prior to the AGM may also attend the AGM but shall not be entitled to cast their vote again, and if casted again, then the same will not be counted.
- c) The remote e-voting period shall commence on Friday, September 25, 2020 (at 9.00 a.m. IST) and ends on Sunday, September 27, 2020 (at 5.00 p.m. IST). During this period, the Shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date, i.e., Monday, September 21, 2020, may cast their votes by remote e-voting. The remote e-voting module shall be disabled by NSDL for voting thereafter. Once the vote on a resolution is cast by the Shareholder, the Shareholder shall not be allowed to change it subsequently.
- d) The voting rights of Members shall be in proportion to their share in the Paid-up Equity Share Capital of the Company as on the cut-off date i.e., Monday, September 21, 2020.
- e) Any person, who acquires Shares of the Company and becomes a Member of the Company after sending of the Notice and holding shares as of the cut-off date, may obtain the login ID and password by sending a request at evoting@nsdl.co.in. However, if he/she is already registered with NSDL for remote e-voting then he/she can use his/

her existing User ID and password for casting the vote.

INSTRUCTIONS FOR MEMBERS FOR REMOTE E-VOTING:-

Manner of Voting Electronically using NSDL e-Voting system:

The way to vote electronically on NSDL e-Voting system consists of "Two Steps" which are mentioned below:

Step 1: Log-in to NSDL e-Voting system at <https://www.evoting.nsdl.com/>

Step 2: Cast your vote electronically on NSDL e-Voting system.

Details on Step 1 are mentioned below:

How to Log-in to NSDL e-Voting website?

1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile.
2. Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholders' section.
3. A new screen will open. You will have to enter your User ID, your Password and a Verification Code as shown on the screen.

Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.

4. Your User ID details are given below :

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:

5. Your password details are given below:
 - a) If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.
 - b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.
 - c) How to retrieve your 'initial password'?
 - ◇ If your email ID is registered in your demat account or with the Company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you by NSDL in your mailbox. Open the attachment in the e-mail i.e. a .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
 - ◇ If your email ID is not registered, please follow steps mentioned below in **"process for those shareholders whose email ids are not registered"**
6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:
 - a) Click on "Forgot User Details/Password?" (If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
 - b) "Physical User Reset Password?" (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
 - c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address.
 - d) Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.

7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.
8. Now, you will have to click on "Login" button.
9. After you click on the "Login" button, Home page of e-Voting will open.

Details on Step 2 are given below:

How to cast your vote electronically on NSDL e-Voting system?

1. After successful login at Step 1, you will be able to see the Home page of e-Voting. Click on e-Voting. Then, click on Active Voting Cycles.
2. After click on Active Voting Cycles, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle is in active status.
3. Select "EVEN" of Company, i.e., 113733 for which you wish to cast your vote.
4. Now you are ready for e-Voting as the Voting page opens.
5. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.
6. Upon confirmation, the message "Vote cast successfully" will be displayed.
7. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
8. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General Guidelines for the Shareholders:

1. Institutional Shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution / Authority letter, etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to uel.scrutinizer@gmail.com with a copy marked to the Company at uel.investors@upl-ltd.com and to NSDL at evoting@nsdl.co.in.
2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the "Forgot User Details/ Password?" or "Physical User Reset Password?" option available on www.evoting.nsdl.com to reset the password.

3. In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of www.evoting.nsdl.com or call on toll free no.: 1800-222-990 or send a request to Mr. Sagar Ghosalkar, Assistant Manager, NSDL at the designated email ID: evoting@nsdl.co.in or sagar.ghosalkar@nsdl.co.in or at telephone number 022-42165506.

Process for those Shareholders whose e-mail ID are not registered with the Depositories, for procuring User ID and Password and registration of e-mail ID on E-voting for the Resolutions set out in the Notice of AGM:

1. In case shares are held in physical mode, please provide Folio No., Name of shareholder, scanned copy of the Share Certificate (front and back), Permanent Account Number (PAN) Card (self-attested scanned copy of PAN card), Aadhaar (self-attested scanned copy of Aadhaar Card) by e-mail to uel.investors@upl-ltd.com.

INSTRUCTIONS FOR MEMBERS FOR E-VOTING ON THE DAY OF THE AGM:-

1. The procedure for e-Voting on the day of the AGM is same as the instructions mentioned above for remote e-Voting.
2. Only those Shareholders, who will be present at the AGM through VC/OAVM facility and have not cast their vote on the Resolutions through remote e-Voting and are otherwise not barred from doing so, shall be eligible to vote through e-Voting system in the AGM.
3. Members who have voted through Remote e-Voting will be eligible to attend the AGM. However, they will not be eligible to vote at the AGM.
4. The details of the person who may be contacted for any grievances connected with the facility for e-Voting on the day of the AGM shall be the same person mentioned for remote e-Voting.

(B) INSTRUCTIONS FOR MEMBERS FOR ATTENDING THE AGM THROUGH VC/OAVM:

1. Members will be provided with a facility to attend the AGM through VC/OAVM through the NSDL e-Voting system. Members may access the same at <https://www.evoting.nsdl.com> under shareholders/members login by using the remote e-voting

credentials. The link for VC/OAVM will be available in shareholder/members login where the EVEN of Company will be displayed. Please note that the Members who do not have the User ID and Password for e-Voting or have forgotten the User ID and Password may retrieve the same by following the remote e-Voting instructions mentioned in the Notice to avoid last minute rush. Further, Members can also use the OTP based login for logging into the e-Voting system of NSDL.

2. The Members can join the AGM in the VC/OAVM mode 30 (Thirty) minutes before and after the scheduled time of commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for members on first come first served basis.
3. Members are encouraged to join the Meeting through Laptops for better experience.
4. Further, Members will be required to allow Camera and use Internet with a good speed to avoid any disturbance during the Meeting.
5. Please note that participants connecting from Mobile Devices or Tablets or through Laptop connecting via Mobile Hotspot may experience Audio/Video loss due to fluctuation in their respective network. It is therefore recommended to use Stable Wi-Fi or LAN Connection to mitigate any kind of aforesaid glitches.
6. Shareholders, who would like to express their views / have questions may send their questions in advance mentioning their name, demat account number/folio number, email id, mobile number at uel.investors@upl-ltd.com. RISK MANAGEMENT FRAMEWORK

Pursuant to SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company has prepared Risk Management Framework for identifying and evaluating various major business risks faced by the Company. Risk Management Framework aims to lay down the procedure for risk assessment and risk minimization. Risk Management Framework is prepared to ensure internal controls and effectively respond to any changes in the business environment so as to achieve high degree of business performance, limit any negative impact on its working and avail of benefits arising out of any business opportunities. There are standard practices in place to ensure that strong financial controls are in place.

The audit committee has additional oversight in the area of financial risks and controls.

Key business risks perceived by the Company and mitigating initiatives are as under:

- Funding risk: As there are no much activities in the Company, the Company may not be able to mobilize adequate funds, if

any, in time. The mitigating factors are that the Company has good investment in the quoted shares, so raising additional funds, if any, will not be difficult for the Company.

- Regulatory risk: Any change in Government / Regulators Policy / Rules / Regulations will require fresh compliances. The mitigating factors are that the group has very strong and dedicated team consisting of professionals to study regulatory changes and fresh requirement.
- Foreign currency fluctuation risk: – The Company is engaged in the trading activities, which may subject to risk of less profit / loss on account of volatility in foreign currency exchange. The mitigating factors are that the management ensures to enters in trading transactions in such a way that there are minimal risks of volatility in foreign currency exchange or the Company may take adequate forward cover for foreign exchange fluctuations.
- Risks due to disruption and unprecedented uncertainty due to Covid-19 pandemic and Impact on Business: - Products may not be available as per demand. Also, supplier/customer may not be available and there may be delay in receipt of money from customer. Further, the Company's revenue is mainly from other income consisting of dividend on equity shares and interest on loans. The financial assets of the Company are mainly investments in listed securities and accordingly, any material volatility in the capital market may impact the market value of the investment. The mitigating factors are that the Company's trading operations are at very miniscule level compared to overall income. The Company seals a deal only when customer and supplier are available at negotiated price and there is reasonable assurance of availability of products. The customers are also chosen based on their financial strengths. Till now, the Company has not experienced any issue in any of the deals. MANAGEMENT DISCUSSION AND ANALYSIS

INDUSTRY STRUCTURE AND DEVELOPMENT:

The Company is engaged only in trading in chemicals.

SEGMENT WISE PERFORMANCE:

The Company operates in a single segment, viz. trading in chemicals. During the year, the Company traded in chemical of Ethylenediamine totaling to ₹22.68 lakhs.

BUSINESS OUTLOOK:

The Company continues to look at new opportunities of trading in chemicals in India.

RISKS AND CONCERNS:

Key business risks perceived by the Company and mitigating initiatives are as under:

Funding risk: As there are no much activities in the Company, the Company may not be able to mobilize adequate funds, if any, in time. The mitigating factors are that the Company has good investment in the quoted shares, so raising additional funds, if any, will not be difficult for the Company.

Regulatory risk: Any change in Government / Regulators Policy / Rules / Regulations will require fresh compliances. The mitigating factors are that the group has very strong and dedicated team consisting of professionals to study regulatory changes and fresh requirement.

Foreign currency fluctuation risk: – The Company is engaged in the trading activities, which may subject to risk of less profit / loss on account of volatility in foreign currency exchange. The mitigating factors are that the management ensures to enters in trading transactions in such a way that there are minimal risks of volatility in foreign currency exchange or the Company may take adequate forward cover for foreign exchange fluctuations.

Risks due to disruption and unprecedented uncertainty due to Covid-19 pandemic and Impact on Business: - Products may not be available as per demand. Also, supplier/customer may not be available and there may be delay in receipt of money from customer. Further, the Company's revenue is mainly from other income consisting of dividend on equity shares and interest on loans. The financial assets of the Company are mainly investments in listed securities and accordingly, any material volatility in the capital market may impact the market value of the investment. The mitigating factors are that the Company's trading operations are at very miniscule level compared to overall income. The Company seals a deal only when customer and supplier are available at negotiated price and there is reasonable assurance of availability of products. The customers are also chosen based on their financial strengths. Till now, the Company has not experienced any issue in any of the deals. Hence, the revenue of the Company is not likely to be impacted by COVID-19 pandemic.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY:

The Company has an internal control system, commensurate with the size, scale and complexity of its operation. The Group has an inhouse internal audit team headed by a qualified professional, which undertakes internal audit and ensures that all transactions are authorized and recorded in the books of the Company. The internal audit department monitors the efficacy and adequacy of internal control. Significant audit observations, if any, are presented to the Audit Committee and action taken to correct any deficiency is informed to them. The report prepared by internal audit team forms the basis of utilization by the Managing Director and Chief Financial Officer for financial reporting as required under Regulation 17 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The Company has adequate internal financial controls in place, commensurate with the size, scale and complexity of its operations.

The Company is complying with all the applicable Accounting Standards. The accounting records are maintained in accordance with generally accepted accounting principles in India. This ensures that the financial statements reflect true and fair financial position of the Company.

FINANCIAL AND OPERATIONAL PERFORMANCE:

During the year, the Company traded in chemical of Ethylenediamine totaling to ₹22.68 lakhs. Other income was ₹2341.81 lakhs as compared to ₹2403.49 lakhs in the previous year.

The Company has earned profit of ₹2007.44 lakhs after tax as compared to profit of ₹2076.46 lakhs in the previous year.

HUMAN RESOURCES DEVELOPMENT:

The relationship with the employees continued to be cordial throughout the year.

DISCLOSURE OF ACCOUNTING TREATMENT:

This has been dealt with in the Directors' Report.

CAUTIONARY STATEMENT:

Certain statements in this section relating to estimates, projections and expectations may be forward looking within the meaning of applicable laws and regulations. The actual results could differ materially from what the directors envisage in terms of the future performance and outlook. The factors that may affect the performance of the company will be drought or shortfall in rains, change in government policies, tariff barriers, delay in registrations, changes in local and overseas markets and the related factors.

INDEPENDENT AUDITORS' REPORT

To the Members of

Uniphos Enterprises Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Uniphos Enterprises Limited ("the Company"), which comprise the balance sheet as at 31 March 2020, and the statement of profit and loss (including other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2020, and profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Description of Key Audit Matter

Fair valuation of investment through other comprehensive income (OCI)

Refer to accounting policies 2.1 (e) to the financial statements

The key audit matter

As disclosed in Note 4 to the financial statements, the Company has significant investments in equity shares.

For investments in equity shares, the fair values are based on the valuation of the underlying assets, which consist of quoted equity securities

The significance of investments in equity shares resulted in this being a key audit matter.

How the matter was addressed in our audit

Our procedures included the following:

We assessed the fair value measurement accounting policy and evaluated compliance with the requirements of Ind AS.

We assessed the design and implementation and tested the operating effectiveness of the Company's relevant key financial controls around the fair valuation of investment through OCI.

Our audit procedures performed on the valuation of the investments included verifying the latest available quoted price of the equity shares on the stock exchange as on the reporting date to ascertain the accuracy of their fair value.

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit

or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's and Board of Directors' Responsibility for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profit and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the financial statements made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2016 ("the Order") issued by the Central Government in terms of section 143 (11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. (A) As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
 - c) The balance sheet, the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows dealt with by this Report are in agreement with the books of account.

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS OF UNIPHOS ENTERPRISES LIMITED 31 MARCH 2020

Report on the internal financial controls with reference to the aforesaid financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

(Referred to in paragraph (2(A)f)) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Opinion

We have audited the internal financial controls with reference to financial statements of Uniphos Enterprises Limited ("the Company") as at 31 March 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2020, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's Responsibility for Internal Financial Controls

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as "the Act").

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements

Meaning of Internal Financial controls with Reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020

1. Corporate information

Uniphos Enterprises Limited ('the Company') is a public company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. Its shares are listed on two stock exchanges in India and Global Depository Receipt ('GDRs') are listed on Luxembourg stock exchange. The Company is engaged in the business of trading of chemicals and other products. The registered office of the Company is located at 11, G.I.D.C., Vapi, Dist- Valsad, Gujarat. The financial statements were authorised for issue in accordance with a resolution of the directors on June 26, 2020.

2. Basis of preparation

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended thereafter.

The financial statements have been prepared under the historical cost convention on an accrual basis except for certain financial assets and liabilities that are measured at fair value at the end of each reporting period as stated in the accounting policies set out below. The accounting policies applied by the Company are consistent with those used in the previous year. The financial statements are presented in Indian Rupee ('INR') or ('₹') which is also the Company's functional currency and all values are rounded to the nearest lakhs, except when otherwise indicated.

Significant accounting estimates, assumptions and judgements

The preparation of the Company's financial statements requires management to make estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities in future periods.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the separate financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Taxes

There are many transactions and calculations undertaken during the ordinary course of business for which the ultimate tax determination is uncertain. Where the final tax outcome of these matters is different from the amounts initially recorded, such differences will impact the current and deferred tax provisions in the period in which the tax determination is made. The assessment of probability involves estimation of a number of factors including future taxable income.

Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow (DCF) model where appropriate. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments. See Note 30 and 31 for further disclosures

Impairment of financial assets

The Company recognises loss allowances for expected credit losses on:

- financial asset measured at amortized cost
- financial asset measured at FVTOCI- Equity instruments
- financial asset measured at FVTPL- Equity instruments

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020

At each reporting date, the Company assesses whether financial assets carried at amortized cost and equity instrument at FVTOCI and FVTPL are credit impaired. A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

Impairment of non- financial assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre- tax discount rate that reflects current market assessment of the time value of money and the risk specific to the asset. In determining fair value less cost of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share price for publicly traded subsidiaries or other available fair value indicators.

2.1 Summary of significant accounting policies

(a) Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in the normal operating cycle
- It is held primarily for the purpose of trading
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current.

Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has identified twelve months as its operating cycle for the purpose of current / non current classification of assets and liabilities.

b) Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the amount can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Revenue is stated excluding of Goods and Service Tax (GST)

The specific recognition criteria described below must also be met before revenue is recognised.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020

Sale of goods

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer, usually on delivery of the goods. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts, volume rebates and cash discounts.

Interest income

The Company presently has no debt instruments measured at fair value through other comprehensive income. Interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example prepayment, extension, call and similar options) but does not consider the expected credit losses. Interest income is included in other income in the statement of profit and loss.

Dividends

Revenue is recognised when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

c) Property, Plant and Equipment

Items of property, plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. Subsequent expenditure related to an item of fixed asset is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. All other repair and maintenance costs are recognised in statement of profit and loss as incurred. In respect of additions to /deletions from the property, plant and equipment, depreciation is provided on pro-rata basis with reference to the month of addition/deletion of the Assets. Depreciation for the year has been provided as per the rates determined in Part C of Schedule II of the Companies Act, 2013.

d) Investment property

Investment property is property held either to earn rental income or for capital appreciation or for both, but not for sale in the ordinary course of business, use in production or supply of goods or services or for administrative purpose. Upon initial recognition, an investment property is measured at cost less accumulated depreciation and accumulated impairment loss, if any.

Depreciation on investments in property has been provided on written down value basis in accordance with Schedule II of the Companies Act, 2013 by estimating the useful life as 60 years.

e) Fair value measurement

The Company measures certain financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

Quantitative disclosures of fair value measurement hierarchy (Note 31)

Financial instruments (including those carried at amortised cost) (note 4,5,6,7,7A,8,9,13,30 and 31)

f) Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost. Provisions are reviewed at each balance sheet and adjusted to reflect the current best estimates.

g) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial recognition and measurement

The Company recognises financial assets in its balance sheet when it becomes party to the contractual provisions of the instruments.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020

All financial assets are recognised initially at fair value, plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in following categories:

- Debt instruments measured at fair value through other comprehensive income (FVTOCI)
- Debt instruments measured at fair value through profit or loss (FVTPL)
- Debt instruments measured at amortized cost
- Financial assets measured at amortized cost
- Financial assets measured at fair value through other comprehensive income (FVTOCI)

Presently the Company has no debt instruments measured at amortized cost or FVTPL or FVTOCI

Financial assets measured at amortized cost

A financial asset is measured at the amortized cost if both the following conditions are met :

- a) The Company's business model objective for managing the financial assets is to hold financial assets in order to collect contractual cash flows and,
- b) The contractual terms of the financial asset give rise on specified dates to cashflow that are solely payments of principal and interest on the principal amount outstanding.

Equity investments

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income or statement of profit and loss, subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in OCI. There is no recycling of the amounts from OCI to the statement of profit and loss, even on derecognition of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss.

De-recognition

A financial asset (or, where applicable, a part of a financial asset or part of a company of similar financial assets) is primarily de-recognised (i.e. removed from the Company's balance sheet) when:

- The contractual rights to receive cash flows from the asset have expired, or
- The company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement, and either (a) the company has transferred substantially all the risks and rewards of the asset, or (b) the company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the company could be required to repay.

Impairment of financial assets

In accordance with Ind AS 109, the company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, trade receivables and bank balance
- b) Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 18 (referred to as 'contractual revenue receivables' in these financial statements)
- c) Financial guarantee contracts which are not measured as at FVTPL

The company follows 'simplified approach' for recognition of impairment loss allowance on:

- Trade receivables and
- Other receivables

The application of simplified approach does not require the company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL is the difference between all contractual cash flows that are due to the company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider:

- All contractual terms of the financial instrument (including prepayment, extension, call and similar options) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument.

Impairment of financial assets

- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.
- Financial assets measured as at amortised cost, contractual revenue receivables: ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the company does not reduce impairment allowance from the gross carrying amount.

h) Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, or payables, as appropriate.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include only trade and other payables.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

De-recognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the standalone balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

i) Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

j) Taxes

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities in accordance with the Income-tax Act, 1961. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

- When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss
- In respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except:

- When the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

During the year, the Company has not recognised deferred tax asset or liability since there are no deductible temporary difference as on the reporting date.

Minimum Alternate Tax (MAT)

Minimum Alternate Tax (MAT) paid as per Indian Income Tax Act, 1961 is in the nature of unused tax credit which can be carried forward and utilised when the Company will pay normal income tax during the specified period. Deferred tax assets on such tax credit is recognised to the extent that it is probable that the unused tax credit can be utilised in the specified future period. The net amount of tax recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the balance sheet.

k) Earning per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

l) Segment Reporting:

Based on "Management Approach" as defined in Ind AS 108 -Operating Segments, the Chief Operating Decision Maker evaluates the Company's performance and allocates the resources based on an analysis of various performance indicators by business segments. Inter segment sales and transfers are reflected at market prices.

Unallocable items includes general corporate income and expense items which are not allocated to any business segment.

Segment Policies:

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole. Common allocable costs are allocated to each segment on an appropriate basis.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020

m) Contingent Liability and Contingent assets

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non—occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

A contingent asset is not recognised unless it becomes virtually certain that an inflow of economic benefits will arise. When an inflow of economic benefits is probable, contingent asset are disclosed in the financial statements.

Contingent liabilities and contingent assets are reviewed at each balance sheet date.

n) Government grants and subsidies

Government grants of the nature of promoters' contribution are credited to capital reserve and treated as a part of the shareholders' funds.

Government grants / subsidies in the nature of promoters' contribution, given with reference to the total investment in an undertaking or by way of contribution towards its total capital outlay, are treated as capital reserve. Grants and subsidies from the government are recognized when there is reasonable assurance that the grant/subsidy will be received and all attaching conditions will be complied with

o) Standard issued but not yet effective

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards. There is no such notification which would have been applicable from April 1, 2020.

p) Changes in accounting policies

Leases

Effective 1st April 2019, Ind AS 116 "Leases", is applicable to the Company. Based on the assessment done by the management, there is no impact on the adoption of this standard on the financial statements for the year ended 31 March 2020.

B. Measurement of fair value:

i) Fair value hierarchy

The fair value of investment property has been determined by an external, independent valuer, having appropriate recognised professional qualifications and recent exposure in the location and category of the property being valued. The fair value measurement for investment property has been categorized as a level 2 fair value based on the inputs to the valuation technique used

ii) Valuation technique

The fair value of investment property has been determined by an external, independent valuer based on the market rate existing at the reporting date. Factors that are considered are mentioned below:

- Effect of rights and interest in properties including beneficial ownership and physical possession.
- Effect of size, location and development of the property.
- Effect of usage of the property for commercial purpose with clear title.
- Effect of overall demand in the area and nature and type of construction in the immediate vicinity and consequential effect thereof on demand of premise in the area/locality.
- Effect of current trends in the property market where the property is located.

(B) Measurement of fair value:

Valuation techniques and significant unobservable inputs:

(i) Financial instruments measured at fair value

The fair value of the financial assets and liabilities is included at the amount at which the instrument can be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The fair values of the remaining FVTOCI financial assets are derived from quoted market prices in active markets.

(ii) Financial instrument measured at amortized cost:

The carrying amount of financial assets such as cash and cash equivalents, trade receivables, other financial assets and financial liabilities such as trade payables are measured at amortized cost in the financial statements are a reasonable approximation of their fair value since the Company does not anticipate that the carrying amounts would be significantly different from the value that would eventually be received or settled.

The management assessed that cash and cash equivalents, trade receivables, trade payables, other financial assets and other financial liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

32. Financial risk management objectives and policies

The Company's principal financial liabilities comprise trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include loans, trade and other receivables, and cash and cash equivalents that derive directly from its operations. The Company also holds FVTOCI investments.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below.

Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk. Financial instruments affected by market risk include FVTOCI investments, FVTPL investments and Loans.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020

(All amounts are stated in INR lakhs, unless otherwise mentioned)

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

Equity price risk

The Company's listed and non-listed equity securities are susceptible to market price risk arising from uncertainties about future values of the investment securities. Company's investment in its group company - UPL Limited, which is listed, is significant. But being the strategic investment, the Company is not influenced by equity price risk.

Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities from its financing activities, including deposits with banks and financial institutions and other financial instruments.

Financial instruments and cash deposits

Credit risk from balances with banks and financial institutions is managed by the Company's board of directors. Investments of surplus funds are made only with approval of Board of directors.

Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. The Company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The Company manages liquidity risk by maintaining adequate reserves, by continuously monitoring forecast and actual cash flows and matching the maturity profiles of the financial assets and liabilities.

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments.
