Sir,

Resignation as Statutory Auditor Jaiprakash Associates Ltd for Financial Year 2020-21

We are the statutory auditor of Jaiprakash Associates Ltd Since 2017-18 When we accepted the audit of company we were six partners, one of our partners unfortunately died due to heart failure in Sep 2019.

Two of our partners have resigned in December 2020. Now we are left with three partners. The undersigned is 80+ years.

Our two experienced CA employees have been COVID affected however they are now coming to the office but with reduced efficiency and seem to be indifferent for travelling and also not sure they will continue.

As it is well known the onset of pandemic around the globe since Feb., 2020 has caused numerous hardships, and unimaginable development have taken place around the world, which necessitated reorientation of work, we are doing.

It would not be out of place to mention here that our sense of responsibility has allowed us to continue to perform our task thus far in spite of the fact that COVID-19 has been declared as 'Act of God' by Hon'ble Finance Minister of India on 27th August, 2020.

Based on the above developments and inherent limitations which have crept in mobility of the trained and experienced people, we are compelled to write to you that it will not be possible for our firm to undertake the audit of a company which has multi units, multi-location operations and undertake our work justifiably and ethically conduct the audit as per the required auditing standards, statutory guidelines set by Govt. of India.

As per SEBI guideline we are required to complete the audit of fourth quarter also.

However we have written to SEBI for their permission to resign before doing the final audit for 2020-21.

We would also like to bring to your kind notice that M/s. Rajendra K. Goel & Co., Chartered Accountants, have also resigned last week as Statutory Auditors of Universal Sompo General Insurance Company Limited, Mumbai before completing the tenure of 5 years.

The Audit Committee comprising of four Independent Directors in its meeting held on 29th January, 2021 considered the item with reference to intended resignation of M/s. Rajendra K. Goel & Co., Chartered Accountants as Statutory Auditors of the Company. The Audit Committee noted that Statutory Auditors have not raised any concerns, as to non-receipt of information or non-cooperation from the management, except for their personal circumstances as enumerated in their resignation letter.

The Audit Committee observed that Clause 6A of SEBI circular dated October 18, 2019, required that since M/s. Rajendra K. Goel & Co. who have signed the Limited review report for the first three quarters of Financial Year 2020-21, before resigning need to issue the limited review/ audit report for the last quarter of FY 2020-21 as well as the audit report for said financial year.

The Audit Committee had extensive discussion on the subject, particularly keeping in view the guidelines of SEBI circular dated 18th October, 2019 and also interacted with Shri R.K. Goel, Partner, M/s. Rajendra K. Goel & Co. and requested him to continue for the next quarter and FY 2020-21.

Shri R.K. Goel, who was present in meeting of the audit committee for limited review for Quarter-3, reiterated that he has considered various aspects and most importantly health and the circumstances because of which firm is not in a position to do justice with the task, therefore, his resignation may be accepted by the Audit Committee as the circumstances are beyond the control of any individual/company.

The Audit Committee after detailed deliberations on the subject and taking cognizance of force majeure situation prevailing in all aspects of life & business, reached to this conclusion that on professional inability and humane considerations resignation of M/s. Rajendra K. Goel & Co. as Statutory Auditors be accepted and necessary recommendation be given to the Board and intimation be sent to SEBI, giving the total picture leading to this.

The matter was also placed before the Board Meeting held on 29.01.2021 itself. The Board discussed the matter at length and also with the Chairman and Members of Audit Committee. They also inter-acted with Shri R.K. Goel, Partner, M/s.Rajendra K. Goel & Co. The Directors present in the meeting individually and also collectively persuaded Shri R.K. Goel to continue with the Audit for the next quarter and also for FY 2020-21. Shri R.K. Goel expressed his helplessness in view of the circumstances already enumerated. At this stage, the Board decided with reluctance to accept the resignation of M/s. Rajendra K. Goel & Co., Statutory Auditors, from end of Quarter-3, giving intimation to SEBI, giving the total picture.

It is to confirm that the Company shall be making necessary arrangements expeditiously to appoint new Statutory Auditors keeping in view the size of operations and professional competence of the audit firm, within the time prescribed in the Companies Act, 2013.

Thanking you,

Yours faithfully,

Independent Auditor's Review Report on Quarterly and Year to Date Unaudited Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing obligation and Disclosure Requirements) Regulations, 2015 as amended

Review Report to
The Board of Directors of
Jaiprakash Associates Limited

1. We have reviewed the accompanying statement of unaudited financial results ('the Statement') of JAIPRAKASH ASSOCIATES LIMITED ('the Company') for the Quarter and Year to Date from April 01, 2020 to September 30, 2020, being submitted by the Company pursuant to the requirement to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015 as amended ('the Listing Regulations').

This statement, which is the responsibility of the Company's Management and approved by the Board of Directors of the Company, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to issue a report on the statement based on our review.

2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

3. Basis of Qualified Review Conclusion

Attention is drawn to:

The insolvency petition filed by the IDBI with the National Company Law Tribunal ('NCLT'), Allahabad against the Jaypee Infratech Limited ('JIL') (Subsidiary of the Company) was admitted and Interim Resolution Professional ('IRP') was appointed by the NCLT. The Hon'ble Supreme Court of India also admitted the Petition/Intervention filed by certain home buyers of JIL and gave various interim directions from time to time including continuation of Corporate Insolvency Resolution Process ('CIRP').

The NCLT, New Delhi Principal Bench approved the Resolution Plan (with modification) of NBCC (India) Limited on March 03, 2020 whereby as per the scheme approved by NCLT the company's investment in equity of JIL be reduced to Nil and also decided that deposit of Rs. 750 crores made by Jaiprakash Associates Limited shall be utilized with

interest for the cause of the creditors of Corporate Debtor, meaning thereby not to be refunded to Company. The Company has filed the appeal on March 12, 2020 before the NCLAT against the inclusion of the deposit with interest as part of the resolution plan. In view of the order of the NCLT the company should have made the provision of Rs. 849.26 Crores as diminution in value of the investment in equity of JIL and deposit of Rs. 750 Crores. However the company has not made provisions in the books for the amount of said investment and amount of deposit total aggregating to Rs. 1,599.26 crores. Had these provisions been made the Loss would have been increased to that extent.

Matters stated above have also been qualified in our report in preceding quarter ended June 30, 2020, year ended March 31, 2020 and corresponding quarter/half year ended on September 30, 2019.

4. Qualified Conclusion:

Based on our review conducted as above, *except for the effect/possible effect as stated in Basis of Qualified Review Conclusion paragraph above*, nothing has come to our attention that causes us to believe that the accompanying statement prepared in all material respect in accordance with applicable Indian Accounting Standards prescribed u/s 133 of the Companies Act, 2013 read with relevant Rules issued thereunder and other recognized accounting practices and policies generally accepted in India has not disclosed the information required to be disclosed in terms of the Listing Regulations including the manner in which it is to be disclosed, or that it contain any material misstatement.

5. Emphasis of matter:

We draw attention to the following matters:

1.

- a. The Competition Commission of India ('CCI') vide its Order dated August 31, 2016 held various cement manufacturers liable for alleged contravention of certain provisions of the Competition Act, 2002 during F.Y. 2009-10 & 2010-11 and inter alia imposed a penalty of Rs. 1,323.60 Crores on the Company. The Company had filed an Appeal against the said Order which was heard on various dates by Hon'ble National Company Law Appellate Tribunal ('NCLAT'). NCLAT vide its Order dated July 25, 2018 has rejected the appeals of all the cement manufacturers including that of the Company without interfering in the penalty, though, if calculated on the basis of profits earned by the Cement business, the same would have been Rs. 237.70 Crores only as against the penalty of Rs. 1,323.60 Crores calculated on the profits for all business segments of the Company. The Company and other affected cement manufacturers have filed appeal with the Hon'ble Supreme Court and the case has since been admitted with the directions that the interim Order passed earlier by NCLAT in the matter will continue in the meantime. The Company's request for rectification of Demand Notice was declined by CCI and the Company has filed a review application before Hon'ble NCLAT against the said rejection by CCI which matter is still pending.
- b. The Competition Commission of India vide its other order dated January 19, 2017 held various cement manufacturers liable for alleged contravention of certain provisions of the Competition Act, 2002 in the State of Haryana during F.Y. 2012-13 to F.Y. 2014-15 and inter alia imposed a penalty of Rs. 38.02 Crores on the

Company based on criteria of average turnover of the Company as a whole as against the 'relevant turnover' of 'Cement Division'. The Company had filed an appeal against the said Order before NCLAT which has stayed the operation of impugned order and further proceedings are progressing in the matter.

Based on the advice of the Company's counsels, the Company believes that it has reasons to succeed in appeal in the above cases. Hence no provision is considered necessary in the statement of the company.

2. Yes Bank Limited ('YBL') / Assets Care and Reconstruction Enterprise Limited ('ACRE') invoked entire pledged equity share 28,09,66,000 of Rs. 10/- each of Bhilai Jaypee Cement Limited ('BJCL') (a subsidiary of the company) and also recalled outstanding loan and invoked corporate guarantee and shortfall undertaking given by the company against the loan facility of Rs. 465 Crores and Rs. 45 Crores to Jaypee Cement Corporation Limited ('JCCL') a wholly owned subsidiary of the company. YBL assigned the same in favour of ACRE. The ACRE informed about the transfer of the entire pledged/NDU share of BJCL in its name. However the company is contesting the assignment on the basis of the fact that these facilities has been covered under the Comprehensive Reorganization & Re-structuring Plan ('CRRP') of Company & JCCL duly approved by the consortium of lenders including YBL at its meeting held on June 22, 2017 and subsequently YBL signed Master Restructuring Agreement ('MRA') through deed of accession. Hence, the carrying value of above said equity share of BJCL and 752 Equity Shares held in the name of nominee shareholders continue to be included as part of Non-Current investment of the company in the statement.

BJCL has earned profit in the current quarter but has incurred losses in the past years and its Net worth has been fully eroded. However, based on valuation report from independent Valuer on the assets of BJCL, the management believes that the realizable amount is higher than the carrying value of the Non-Current Investment aggregating to Rs. 407.72 Crores and receivable Rs. 541.81 Crores and as such these are considered good and recoverable.

3. Lender of Jaypee Cement Corporation Limited ('JCCL') (subsidiary company) has invoked the corporate guarantee given by the company for financial assistance being granted to JCCL and asked to make payment for Rs. 438.36 Crores and Rs. 20.79 Crores, being amount outstanding as on September 09, 2018. However the liability has not been considered in the books of accounts, as the loan in question is part of approved Comprehensive Reorganization & Restructuring plan of JCCL and the Company. The company has made Non-Current Investment in equity of JCCL of Rs. 1,454.71 Crores.

JCCL has incurred cash loss in the current quarter as well as in the past years and its Net worth has been fully eroded. However, based on report from independent professional in view of the management, the fair market value of the assets of the JCCL is higher than their carrying value as such no provision for impairment in the carrying value of the investment is required.

4. Non-Current Trade receivables include Rs. 2579.95 Crores, outstanding as at September 30, 2020 which represents various claims raised on the Clients based on the terms and conditions implicit in the Engineering & Construction Contracts in respect of closed/suspended/under construction projects. These claims are mainly in

respect of cost over run arising due to suspension of works, client caused delays, changes in the scope of work, deviation in design and other factors for which company is at various stages of negotiation/ discussion with the clients or under Arbitration/ litigation. On the basis of the contractual tenability, progress of negotiations/ discussions/ arbitration/ litigations, the management considers these receivables are recoverable.

5. The company has made investment in equity shares (Quoted) of Rs. 1,742.62 Crores in Jaiprakash Power Ventures Limited ('JPVL') an associate company (earlier subsidiary) of the company. JPVL has signed a 'Framework Agreement' on April 18, 2019 with the Banks and Financial Institutions for restructuring of the outstanding Loans and Interest. Accordingly JPVL has issued fully paid 0.01% Cumulative Compulsory Convertible Preference Shares amounting to Rs 3,805.53 crores on December 23, 2019 and fully paid 9.50% Cumulative Redeemable Preference Shares for Rs. 34.52 crores to their Lenders in December, 2019. Further, JPVL has issued 49,26,78,462 equity shares of Rs. 10/- each to FCCB Holders at Rs. 12/- per equity share and 35,17,69,546 equity shares of Rs. 10/- each to JSW Energy Limited at par against their outstanding liabilities on January, 2020 as per agreed terms.

Considering the implementation of Debt Resolution Process, valuation of assets of JPVL, conversion of outstanding dues of FCCB holders and JSW Energy Limited and further better prospects no diminution is envisaged by the management in the carrying value in the statement on the basis of quoted share price of JPVL being less than the carrying value.

6. The Company has received Termination Notice for the Mandla North Coal Mine allotted by Nominated Authority, Ministry of Coal on account of not meeting eligibility criteria mentioned in the Coal Mines Development and Production Agreement along with instructions for invocation of the Bank Guarantee submitted by the company in the form of Performance Security. The Hon'ble High Court has granted stay against the Termination Notice and invocation of Performance Guarantee. Since, the matter is now being sub-judice in the High Court, the recoverability of the amount invested aggregating to Rs. 295.80 Crores as on September 30, 2020 in the development of the Coal Block and impact of the invocation of the Performance Guarantee is uncertain, as such no provision has been considered necessary to be made in the statement by the management.
7. The Company has made payment to its Managerial Personnel in terms of their respective appointments and within the limits prescribed under the Companies Act, 2013 ("the Act"). In view of default in repayment of principal and/or interest to Banks and Financial Institutions, the remuneration paid to Shri Pankaj Gaur, Joint Managing Director (Construction) for the period from April 01, 2019 to June 30, 2019 and Shri Sunny Gaur, Managing Director (Cement) for the period from April 01, 2019 to December 30, 2019 based on the approval of NRC & Board, the approval of lenders has been sought where after the shareholders' approval shall be obtained.

As reported earlier, the appointment and remuneration of Shri Rahul Kumar, the then Whole time director and CFO (for the period from October 31, 2015 to October 30, 2018) was rejected by MCA vide letter dated December 27, 2017 on account of non-recovery of remuneration paid to 8 managerial personnel (for the year 2014-15 and 2015-16 (upto October 31, 2015).

The Company sought clarifications from Ministry of Corporate Affairs ('MCA'). In view of Clarification from MCA, the recovery of remuneration from the said 8 KMPs, is not required who were appointed at a time when the Company was in profits and there were no defaults. Accordingly no further action is required in respect of the remuneration paid to the said 8 KMPs during the year 2014-15 and 2015-16 (upto October 31, 2015).

As regards waiver of recovery of remuneration paid to Shri Rahul Kumar, the then Whole-time Director & CFO, in view of the clarification/ confirmation given by the MCA, the reason for rejection of application for approval of appointment and remuneration of Shri Rahul Kumar, as given by MCA does not survive. In view of amended provisions, the power to approve remuneration/ waiver of recovery of remuneration stands transferred and vested in the shareholders with prior approval of the lenders. Accordingly, the Company has approached the lenders, through their lead lender to accord approval/no-objection for the said waiver of recovery of remuneration, which is awaited, post which the Company shall seek approval of the shareholders.

8. There are certain Entry tax matters under Appeals aggregating to Rs. 297.82 Crores (excluding interest, currently unascertainable) pertaining to the State of Madhya Pradesh and Himachal Pradesh. The Company has challenged these on account of various grounds in Hon'ble High Courts. No provision has been considered of the above in the Statement as management is of the opinion that the Company will succeed in the appeal. The Company has already deposited Rs. 166.79 Crores and also furnished Bank Guarantees of Rs. 125.43 Crores against the above.
9. The Lenders of the company in their Joint Lenders Forum ('JLF') meeting held on June 22, 2017 have approved restructuring / realignment/ reorganization of debt of the Company & its wholly owned subsidiary, Jaypee Cement Corporation Limited ('JCCL') being Restructuring Scheme.

The company has provided interest expenses on the debt portion that will remain with the company in accordance with the Restructuring Scheme approved and Master Re-structuring Agreement ('MRA') signed with the Lenders. Interest for the Quarter ended September 30, 2020 aggregating to Rs. 272.18 crores and Rs. 3509.26 crores till September 30, 2020 on debt portion which will be transferred to Real Estate SPV namely 'Jaypee Infrastructure Development Limited' ('JIDL') on sanction of the scheme of Arrangement by Hon'ble National Company Law Tribunal ('NCLT'), Allahabad with appointed date of July 01, 2017 has been added to the carrying cost of the Inventory/ Projects under development in respect of SDZ Real Estate Undertaking ('SDZ-RE'), since the same has to be serviced from the assets/development of Assets of SDZ-RE.

However before the order on the above restructuring scheme by the Hon'ble NCLT, ICICI Bank Limited on the direction of RBI had filed an application with Hon'ble NCLT, Allahabad bench U/s 7 of Insolvency & Bankruptcy Code, 2016 ('IBC') against the company which is pending. On restructured loan, the company has also defaulted in the payment of interest and principal for the financial year 2018-2019, 2019-2020 and 2020-21.

As such till the decision of the Hon'ble NCLT on restructuring and/or application u/s 7 IBC and further action/restructuring by the lenders on this account, there

remains uncertainty and as such its impact on the financials of the company is not ascertainable.

Our conclusion is not modified in respect of above stated matters in para (1) to (9).

4. Basis of Qualified Review Conclusion:

Attention is drawn to:

The insolvency petition filed by the IDBI with the National Company Law Tribunal ('NCLT'), Allahabad against the Jaypee Infratech Limited ('JIL') (than Subsidiary of the Holding Company) was admitted and Interim Resolution Professional ('IRP') was appointed by the NCLT. The Hon'ble Supreme Court of India also admitted the Petition/Intervention filed by certain home buyers of JIL and gave various interim directions from time to time including continuation of Corporate Insolvency Resolution Process ('CIRP').

The NCLT, New Delhi Principal Bench approved the Resolution Plan (with modification) of NBCC (India) Limited on March 03, 2020 whereby as per the scheme approved by NCLT the Holding company's investment in equity of JIL be reduced to Nil and also decided that deposit of Rs. 750 crores made by the Holding Company shall be utilized with interest for the cause of the creditors of Corporate Debtor, meaning thereby not to be refunded to Holding Company. Accordingly the Holding Company has lost the control of JIL and consolidated the JIL upto December 31, 2019. The Holding Company has filed the appeal on March 12, 2020 before the NCLAT against the inclusion of the deposit with interest as part of the resolution plan. In view of the order of the NCLT the Holding Company should have made the provision of Rs. 847 Crores as diminution in value of the investment in equity of JIL and deposit of Rs. 750 Crores. However the Holding Company has not made provisions in the books for the amount of said investment and amount of

deposit total aggregating to Rs. 1,597 Crores. Had these provisions been made the loss of group would have been increased to that extent.

Matters stated above have also been qualified in our report in preceding quarter ended on June 30, 2020, year ended March 31, 2020 and corresponding quarter/ half year ended on September 30, 2019.

The Independent Auditors' of Bhilai Jaypee Cement Limited, a component, has issued qualified review conclusion in his Review Report on Unaudited Financial Results for the quarter ended on September 30, 2020 which is reproduced as under:

- [i] The financial statement of Bhilai Jaypee Cement Limited ('BJCL') is prepared on going concern basis. During the quarter and half year ended September 30, 2020, BJCL has earned Net Profit of Rs. 1,426.88 lakhs and Rs. 220.71 lakhs respectively. The Company's net worth as at September 30, 2020 has been completely eroded due to accumulated losses of Rs. 49,856.53 lakhs against equity capital of Rs. 37,968.48 lakhs. Further, BJCL's current liabilities exceed its current assets. These matters require BJCL to generate additional cash flow to fund the operations as well as payments to creditors and the statutory obligations. The appropriateness of assumption of going concern is dependent upon generation of additional cash flow and financial support from the holding company to fund the operations and meet its obligations and implementation of business plan which are critical to BJCL's ability to continue as going concern. These conditions along with matters described below indicate the existence of a material uncertainty that may cast significant doubt on the BJCL's ability to continue as going concern and therefore BJCL may be unable to realize its assets and discharge its liabilities in the normal course of business.
- [ii] Bhilai Jaypee Cement Limited ('BJCL') had not provided compensation for short lifting of annual Agreed Quantity of Granulated Slag of Rs. 6,816.22 lakhs up to September 30, 2020 (including Rs. 4,065.98 lakhs up to September 30, 2018 already demanded by the supplier). BJCL has, however, disputed the claim on various grounds such as deficient/inadequate supply of slag during the financial year 2011-12 to 2013-14, inordinate delay of 9 months on part of the supplier in furnishing bank guarantee for renewable of mining operation at ILQ Satna etc. BJCL also have filed counter claim with the party for contribution loss suffered by BJCL. The same being under negotiation, BJCL has not provided any expenses during the quarter ended and half year ended September 30, 2020. Hence, the extent to which this liability will be settled cannot be ascertained at present.

Matters stated above have also been qualified in auditors' report of BJCL/ our report in preceding quarter/year ended March 31, 2020 and corresponding quarter/half year ended on September 30, 2019.

5. Qualified conclusion:

Based on our review conducted and procedures performed as stated in paragraph 2 above and based on the consideration of the review reports of the other auditors referred to in paragraph 7 below, *except effect/possible effect as stated in Basis of Qualified Review Conclusion paragraph above*, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in all material respect in accordance with applicable Indian Accounting Standards prescribed u/s 133 of the Companies Act, 2013 read with

relevant Rules issued thereunder and other recognized accounting practices and policies generally accepted in India has not disclosed the information required to be disclosed in terms of the Listing Regulations including the manner in which it is to be disclosed, or that it contain any material misstatement.

6. **Emphasis of matter:**

We draw attention to the following matters:

- 1)
 - a. The Competition Commission of India ('CCI') vide its Order dated August 31, 2016 held various cement manufacturers liable for alleged contravention of certain provisions of the Competition Act, 2002 during F.Y. 2009-10 & 2010-11 and imposed a penalty of Rs. 1,323.60 Crores on the Holding Company. The Holding Company had filed an Appeal against the said Order which was heard on various dates by Hon'ble National Company Law Appellate Tribunal ('NCLAT'). NCLAT vide its Order dated July 25, 2018 has rejected the appeals of all the cement manufacturers including that of the Holding Company without interfering in the penalty, though, if calculated on the basis of profits earned by the Cement business, the same would have been Rs. 237.70 Crores. only as against the penalty of Rs. 1,323.60 Crores calculated on the profits for all business segments of the Holding Company. The Holding Company and other affected cement manufacturers have filed appeal with the Hon'ble Supreme Court and the case has since been admitted with the directions that the interim Order passed earlier by NCLAT in the matter will continue in the meantime. The Holding Company's request for rectification of Demand Notice was declined by CCI and the Holding Company has filed a review application before Hon'ble NCLAT against the said rejection by CCI which matter is still pending.
 - b. The Competition Commission of India vide its other order dated January 19, 2017 held various cement manufacturers liable for alleged contravention of certain provisions of the Competition Act, 2002 in the State of Haryana during F.Y. 2012-13 to F.Y. 2014-15 and interalia imposed a penalty of Rs. 38.02 Crores on the Holding Company based on criteria of average turnover of the Holding Company as a whole as against the 'relevant turnover' of 'Cement Division'. The Holding Company had filed an appeal against the said Order before NCLAT which has stayed the operation of impugned order and further proceedings are progressing in the matter.

Based on the advice of the Holding Company's counsels, the Holding Company believes that it has reasons to succeed in appeal in the above cases. Hence no provision is considered necessary in the statement.

- 2) Yes Bank Limited ('YBL') / Assets Care and Reconstruction Enterprise Limited ('ACRE') invoked entire pledged equity share 28,09,66,000 of Rs. 10/- each of Bhilai Jaypee Cement Limited ('BJCL') (a subsidiary of the Holding Company) and also recalled outstanding loan and invoked corporate guarantee and shortfall undertaking given by the Holding Company against the loan facility of Rs. 465 Crores and Rs.45 Crores to JCCL a wholly owned subsidiary of the Holding Company. YBL assigned the same in favor of ACRE. ACRE informed about the transfer of the entire pledged/NDU share of BJCL in its name. However the

Holding Company is contesting the assignment on the basis of the fact that these facilities has been covered under the Comprehensive Reorganization & Restructuring Plan ('CRRP') of the Holding Company & Jaypee Cement Corporation Limited ('JCCL') duly approved by the consortium of lenders including YBL at its meeting held on June 22, 2017 and subsequently YBL signed Master Re-structuring Agreement ('MRA') through deed of accession. Pending settlement with the Lender/ACRE, the Holding Company continues to consolidate BJCL as a subsidiary.

- 3) Lender of Jaypee Cement Corporation Limited ('JCCL') (subsidiary of the Holding Company) has invoked the corporate guarantee given by the Holding Company for financial assistance being granted to JCCL and asked to make payment for Rs. 438.36 Crores and Rs. 20.79 Crores, being amount outstanding as on September 09, 2018. However the liability has not been considered in the books of accounts, as the loan in question is part of approved Comprehensive Reorganization & Restructuring plan of JCCL and the Holding Company.
- 4) Non- Current Trade receivables include Rs. 2579.95 Crores, outstanding as at September 30, 2020 which represents various claims raised on the Clients based on the terms and conditions implicit in the Engineering & Construction Contracts in respect of closed/suspended/under construction projects. These claims are mainly in respect of cost over run arising due to suspension of works, client caused delays, changes in the scope of work, deviation in design and other factors for which the Holding Company is at various stages of negotiation/ discussion with the clients or under Arbitration/ litigation. On the basis of the contractual tenability, progress of negotiations/ discussions/ arbitration/ litigations, the management considers these receivables are recoverable.
- 5) The Holding Company has made investment in equity shares (Quoted) of Rs. 1,742.62 Crores in Jaiprakash Power Ventures Limited ('JPVL') an associate of the Holding Company (earlier a subsidiary of the Holding Company). JPVL has signed a 'Framework Agreement' on April 18, 2019 with the Banks and Financial Institutions for restructuring of the outstanding Loans and Interest. Accordingly, JPVL has issued fully paid 0.01% Cumulative Compulsory Convertible Preference Shares amounting to Rs 3,805.53 crores on December 23, 2019 and fully paid 9.50% Cumulative Redeemable Preference Shares for Rs. 34.52 crores to their Lenders in December, 2019. Further, JPVL has issued 49,26,78,462 equity shares of Rs. 10/- each to FCCB Holders at Rs. 12/- per equity share and 35,17,69,546 equity shares of Rs. 10/- each to JSW Energy Limited at par against their outstanding liabilities on January 2020 as per agreed terms.

Considering the implementation of Debt Resolution Process, valuation of assets of JPVL, conversion of outstanding dues of FCCB holders and JSW Energy Limited and further better prospects no diminution is envisaged by the management in the carrying value in the statement on the basis of quoted share price of JPVL being less than the carrying value.

- 6) The Holding Company has received Termination Notice for the Mandla North Coal Mine allotted by Nominated Authority, Ministry of Coal on account of not meeting eligibility criteria mentioned in the Coal Mines Development and Production Agreement along with instructions for invocation of the Bank Guarantee submitted

by the Holding Company in the form of Performance Security. The Hon'ble High Court has granted stay against the Termination Notice and invocation of Performance Guarantee. Since, the matter is now being sub-judice in the High Court, the recoverability of the amount invested aggregating to Rs. 295.80 Crores as on September 30, 2020 in the development of the Coal Block and impact of the invocation of the Performance Guarantee is uncertain, as such no provision has been considered necessary to be made in the statement by the management.

- 7) The Holding Company has made payment to its Managerial Personnel in terms of their respective appointments and within the limits prescribed under the Companies Act, 2013 ("the Act"). In view of default in repayment of principal and/or interest to Banks and Financial Institutions, the remuneration paid to Shri Pankaj Gaur, Joint Managing Director (Construction) for the period from April 01, 2019 to June 30, 2019 and Shri Sunny Gaur, Managing Director (Cement) for the period from April 01, 2019 to December 30, 2019 based on the approval of NRC & Board, the approval of lenders has been sought whereafter the shareholders' approval shall be obtained.

As reported earlier, the appointment and remuneration of Shri Rahul Kumar, the then Whole time director and CFO (for the period from October 31, 2015 to October 30, 2018) was rejected by MCA vide letter dated December 27, 2017 on account of non-recovery of remuneration paid to 8 managerial personnel for the year 2014-15 and 2015-16 (upto October 31, 2015).

The Holding Company sought clarifications from Ministry of Corporate Affairs (MCA). In view of Clarification from MCA, the recovery of remuneration from the said 8 KMPs, is not required who were appointed at a time when the Holding Company was in profits and there were no defaults. Accordingly no further action is required in respect of the remuneration paid to the said 8 KMPs during the year 2014-15 and 2015-16 (upto October 31, 2015).

As regards waiver of recovery of remuneration paid to Shri Rahul Kumar, the Whole-time Director & CFO, in view of the clarification/ confirmation given by the MCA, the reason for rejection of application for approval of appointment and remuneration of Shri Rahul Kumar, as given by MCA does not survive. In view of amended provisions, the power to approve remuneration/ waiver of recovery of remuneration stands transferred and vested in the shareholders with prior approval of the lenders. Accordingly, the Holding Company has approached the lenders, through their lead lender to accord approval/no-objection for the said waiver of recovery of remuneration, which is awaited, post which the Holding Company shall seek approval of the shareholders.

- 8) There are certain Entry tax matters under Appeals aggregating to Rs. 297.82 Crores (excluding interest, currently unascertainable) pertaining to the State of Madhya Pradesh and Himachal Pradesh. The Holding Company has challenged these on account of various grounds in Hon'ble High Courts. No provision has been considered of the above in the Statement as management is of the opinion that the Holding Company will succeed in the appeal. The Holding Company has already deposited Rs. 166.79 Crores and also furnished Bank Guarantees of Rs. 125.43 Crores against the above.

- 9) The Lenders of the Holding Company in their Joint Lenders Forum ('JLF') meeting held on June 22, 2017 have approved restructuring / realignment/ reorganization of debt of the Holding Company & its wholly owned subsidiary, Jaypee Cement Corporation Limited ('JCCL') being Restructuring Scheme.

The Holding Company has provided interest expenses on the debt portion that will remain with the Holding Company in accordance with the Restructuring Scheme approved and Master Re-structuring Agreement ('MRA') signed with the Lenders. Interest for the quarter ended September 30, 2020 aggregating to Rs. 272.18 crores and Rs. 3509.26 crores till September 30, 2020 on debt portion which will be transferred to Real Estate SPV namely 'Jaypee Infrastructure Development Limited' ('JIDL') on sanction of the scheme of Arrangement by Hon'ble National Company Law Tribunal ('NCLT'), Allahabad with appointed date of July 01, 2017 has been added to the carrying cost of the Inventory/ Projects under development in respect of SDZ Real Estate Undertaking ('SDZ-RE'), since the same has to be serviced from the assets/development of Assets of SDZ-RE.

However before the order on the above restructuring scheme by the Hon'ble NCLT, ICICI Bank Limited on the direction of RBI had filed an application with Hon'ble NCLT, Allahabad bench U/s 7 of Insolvency & Bankruptcy Code, 2016 against the Holding Company which is pending. On restructured loan, the Holding Company has also defaulted in the payment of interest and principal for the financial year 2018-2019, 2019-2020 and 2020-2021.

As such till the decision of the Hon'ble NCLT on restructuring and/or application u/s 7 of Insolvency & Bankruptcy Code, 2016 and further action/restructuring by the lenders on this account, there remains uncertainty and as such its impact on the financials of the Group is not ascertainable.

Our conclusion is not modified in respect of above stated matters in para (1) to (9).

Jaiprakash Associates Limited

1. We have reviewed the accompanying statement of unaudited financial results ('the Statement') of JAIPRAKASH ASSOCIATES LIMITED ('the Company') for the Quarter and Year to Date from April 01, 2020 to December 31, 2020, being submitted by the Company pursuant to the requirement to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015 as amended ('the Listing Regulations').

This statement, which is the responsibility of the Company's Management and approved by the Board of Directors of the Company, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to issue a report on the statement based on our review.

2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

3. **Basis of Qualified Review Conclusion**
Attention is drawn to:

The insolvency petition filed by the IDBI with the National Company Law Tribunal ('NCLT'), Allahabad against the Jaypee Infratech Limited ('JIL') (Subsidiary of the Company) was admitted and Interim Resolution Professional ('IRP') was appointed by the NCLT. The Hon'ble Supreme Court of India also admitted the Petition/Intervention filed by certain home buyers of JIL and gave various interim directions from time to time including continuation of Corporate Insolvency Resolution Process ('CIRP').

The NCLT, New Delhi Principal Bench approved the Resolution Plan (with modification) of NBCC (India) Limited on March 03, 2020 whereby as per the scheme approved by NCLT the company's investment in equity of JIL be reduced to Nil and also decided that deposit of Rs. 750 crores made by Jaiprakash Associates Limited shall be utilized with

interest for the cause of the creditors of Corporate Debtor, meaning thereby not to be refunded to Company. The Company has filed the appeal on March 12, 2020 before the NCLAT against the inclusion of the deposit with interest as part of the resolution plan. In view of the order of the NCLAT the company should have made the provision of Rs. 849.26 Crores as diminution in value of the investment in equity of JIL and deposit of Rs. 750 Crores. However the company has not made provisions in the books for the amount of said investment and amount of deposit total aggregating to Rs. 1,599.26 crores. Had these provisions been made the Loss would have been increased to that extent.

Matters stated above have also been qualified in our report in preceding quarter ended September 30, 2020, & year ended March 31, 2020 and corresponding quarter/nine month ended on December 31, 2019.

4. Qualified Conclusion:

Based on our review conducted as above, *except for the effect/possible effect as stated in Basis of Qualified Review Conclusion paragraph above*, nothing has come to our attention that causes us to believe that the accompanying statement prepared in all material respect in accordance with applicable Indian Accounting Standards prescribed u/s 133 of the Companies Act, 2013 read with relevant Rules issued thereunder and other recognized accounting practices and policies generally accepted in India has not disclosed the information required to be disclosed in terms of the Listing Regulations including the manner in which it is to be disclosed, or that it contain any material misstatement.

5. Emphasis of matter:

We draw attention to the following matters:

1.

- a. The Competition Commission of India ('CCI') vide its Order dated August 31, 2016 held various cement manufacturers liable for alleged contravention of certain provisions of the Competition Act, 2002 during F.Y. 2009-10 & 2010-11 and inter alia imposed a penalty of Rs. 1,323.60 Crores on the Company. The Company had filed an Appeal against the said Order which was heard on various dates by Hon'ble National Company Law Appellate Tribunal ('NCLAT'). NCLAT vide its Order dated July 25, 2018 has rejected the appeals of all the cement manufacturers including that of the Company without interfering in the penalty, though, if calculated on the basis of profits earned by the Cement business, the same would have been Rs. 237.70 Crores only as against the penalty of Rs. 1,323.60 Crores calculated on the profits for all business segments of the Company. The Company and other affected cement manufacturers have filed appeal with the Hon'ble Supreme Court and the case has since been admitted with the directions that the interim Order passed earlier by NCLAT in the matter will continue in the meantime. The Company's request for rectification of Demand Notice was declined by CCI and the Company has filed a review application before Hon'ble NCLAT against the said rejection by CCI which matter is still pending.
- b. The Competition Commission of India vide its other order dated January 19, 2017 held various cement manufacturers liable for alleged contravention of certain provisions of the Competition Act, 2002 in the State of Haryana during F.Y. 2012-13 to F.Y. 2014-15 and inter alia imposed a penalty of Rs. 38.02 Crores on the

Company based on criteria of average turnover of the Company as a whole as against the 'relevant turnover' of 'Cement Division'. The Company had filed an appeal against the said Order before NCLAT which has stayed the operation of impugned order and further proceedings are progressing in the matter.

Based on the advice of the Company's counsels, the Company believes that it has reasons to succeed in appeal in the above cases. Hence no provision is considered necessary in the statement of the company.

2. Yes Bank Limited ('YBL') / Assets Care and Reconstruction Enterprise Limited ('ACRE') invoked entire pledged equity share 28,09,66,000 of Rs. 10/- each of Bhilai Jaypee Cement Limited ('BJCL') (a subsidiary of the company) and also recalled outstanding loan and invoked corporate guarantee and shortfall undertaking given by the company against the loan facility of Rs. 465 Crores and Rs. 45 Crores to Jaypee Cement Corporation Limited ('JCCL') a wholly owned subsidiary of the company. YBL assigned the same in favour of ACRE. The ACRE informed about the transfer of the entire pledged/NDU share of BJCL in its name. However the company is contesting the assignment on the basis of the fact that these facilities has been covered under the Comprehensive Reorganization & Re-structuring Plan ('CRRP') of Company & JCCL duly approved by the consortium of lenders including YBL at its meeting held on June 22, 2017 and subsequently YBL signed Master Restructuring Agreement ('MRA') through deed of accession. Hence, the carrying value of above said equity share of BJCL and 752 Equity Shares held in the name of nominee shareholders continue to be included as part of Non-Current investment of the company in the statement.

BJCL has incurred loss in the current quarter as well as in the past years and its Net worth has been fully eroded. However, based on valuation report from independent Valuer on the assets of BJCL, the management believes that the realizable amount is higher than the carrying value of the Non-Current Investment aggregating to Rs. 407.72 Crores and receivable Rs. 534.65 Crores and as such these are considered good and recoverable.

3. Lender of Jaypee Cement Corporation Limited ('JCCL') (subsidiary company) has invoked the corporate guarantee given by the company for financial assistance being granted to JCCL and asked to make payment for Rs. 438.36 Crores and Rs. 20.79 Crores, being amount outstanding as on September 09, 2018. However the liability has not been considered in the books of accounts, as the loan in question is part of approved Comprehensive Reorganization & Restructuring plan of JCCL and the Company. The company has made Non-Current Investment in equity of JCCL of Rs. 1,454.71 Crores.

JCCL has incurred cash loss in the current quarter as well as in the past years and its Net worth has been fully eroded. However, based on report from independent professional in view of the management, the fair market value of the assets of the JCCL is higher than their carrying value as such no provision for impairment in the carrying value of the investment is required.

4. Non-Current Trade receivables include Rs. 2579.95 Crores, outstanding as at December 31, 2020 which represents various claims raised on the Clients based on the terms and conditions implicit in the Engineering & Construction Contracts in respect of closed/suspended/under construction projects. These claims are mainly in

respect of cost over run arising due to suspension of works, client caused delays, changes in the scope of work, deviation in design and other factors for which company is at various stages of negotiation/ discussion with the clients or under Arbitration/ litigation. On the basis of the contractual tenability, progress of negotiations/ discussions/ arbitration/ litigations, the management considers these receivables are recoverable.

5. The company has made investment in equity shares (Quoted) of Rs. 1,742.62 Crores in Jaiprakash Power Ventures Limited ('JPVL') an associate company (earlier subsidiary) of the company. JPVL has signed a 'Framework Agreement' on April 18, 2019 with the Banks and Financial Institutions for restructuring of the outstanding Loans and Interest. Accordingly JPVL has issued fully paid 0.01% Cumulative Compulsory Convertible Preference Shares amounting to Rs 3,805.53 crores on December 23, 2019 and fully paid 9.50% Cumulative Redeemable Preference Shares for Rs. 34.52 crores to their Lenders in December, 2019. Further, JPVL has issued 49,26,78,462 equity shares of Rs. 10/- each to FCCB Holders at Rs. 12/- per equity share and 35,17,69,546 equity shares of Rs. 10/- each to JSW Energy Limited at par against their outstanding liabilities on January, 2020 as per agreed terms.

Considering the implementation of Debt Resolution Process, valuation of assets of JPVL, conversion of outstanding dues of FCCB holders and JSW Energy Limited and further better prospects no diminution is envisaged by the management in the carrying value in the statement on the basis of quoted share price of JPVL being less than the carrying value.

6. The Company has received Termination Notice for the Mandla North Coal Mine allotted by Nominated Authority, Ministry of Coal on account of not meeting eligibility criteria mentioned in the Coal Mines Development and Production Agreement along with instructions for invocation of the Bank Guarantee submitted by the company in the form of Performance Security. The Hon'ble High Court has granted stay against the Termination Notice and invocation of Performance Guarantee. Since, the matter is now being sub-judice in the High Court, the recoverability of the amount invested aggregating to Rs. 295.80 Crores as on December 31, 2020 in the development of the Coal Block and impact of the invocation of the Performance Guarantee is uncertain, as such no provision has been considered necessary to be made in the statement by the management.
7. There are certain Entry tax matters under Appeals aggregating to Rs. 297.82 Crores (excluding interest, currently unascertainable) pertaining to the State of Madhya Pradesh and Himachal Pradesh. The Company has challenged these on account of various grounds in Hon'ble High Courts. No provision has been considered of the above in the Statement as management is of the opinion that the Company will succeed in the appeal. The Company has already deposited Rs. 166.79 Crores and also furnished Bank Guarantees of Rs. 125.43 Crores against the above.
8. The Lenders of the company in their Joint Lenders Forum ('JLF') meeting held on June 22, 2017 have approved restructuring / realignment/ reorganization of debt of the Company & its wholly owned subsidiary, Jaypee Cement Corporation Limited ('JCCL') being Restructuring Scheme.

The company has provided interest expenses on the debt portion that will remain with the company in accordance with the Restructuring Scheme approved and Master Re-structuring Agreement ('MRA') signed with the Lenders. Interest for the Quarter ended December 31, 2020 aggregating to Rs. 269.67 crores and Rs. 3778.90 crores till December 31, 2020 on debt portion which will be transferred to Real Estate SPV namely 'Jaypee Infrastructure Development Limited' ('JIDL') on sanction of the scheme of Arrangement by Hon'ble National Company Law Tribunal ('NCLT'), Allahabad with appointed date of July 01, 2017 has been added to the carrying cost of the Inventory/ Projects under development in respect of SDZ Real Estate Undertaking ('SDZ-RE'), since the same has to be serviced from the assets/development of Assets of SDZ-RE.

However before the order on the above restructuring scheme by the Hon'ble NCLT, ICICI Bank Limited on the direction of RBI had filed an application with Hon'ble NCLT, Allahabad bench U/s 7 of Insolvency & Bankruptcy Code, 2016 ('IBC') against the company which is pending. On restructured loan, the company has also defaulted in the payment of interest and principal for the financial year 2018-2019, 2019-2020 and 2020-21.

As such till the decision of the Hon'ble NCLT on restructuring and/or application u/s 7 IBC and further action/restructuring by the lenders on this account, there remains uncertainty and as such its impact on the financials of the company is not ascertainable.

Our conclusion is not modified in respect of above stated matters in para (1) to (8).

4. Basis of Qualified Review Conclusion:

Attention is drawn to:

The insolvency petition filed by the IDBI with the National Company Law Tribunal ('NCLT'), Allahabad against the Jaypee Infratech Limited ('JIL') (than Subsidiary of the Holding Company) was admitted and Interim Resolution Professional ('IRP') was appointed by the NCLT. The Hon'ble Supreme Court of India also admitted the Petition/Intervention filed by certain home buyers of JIL and gave various interim directions from time to time including continuation of Corporate Insolvency Resolution Process ('CIRP').

The NCLT, New Delhi Principal Bench approved the Resolution Plan (with modification) of NBCC (India) Limited on March 03, 2020 whereby as per the scheme approved by NCLT the Holding company's investment in equity of JIL be reduced to Nil and also decided that deposit of Rs. 750 crores made by the Holding Company shall be utilized with interest for the cause of the creditors of Corporate Debtor, meaning thereby not to be refunded to Holding Company. Accordingly the Holding Company has lost the control of JIL and consolidated the JIL upto December 31, 2019. The Holding Company has filed the appeal on March 12, 2020 before the NCLAT against the inclusion of the deposit with interest as part of the resolution plan. In view of the order of the NCLT the Holding Company should have made the provision of Rs. 847 Crores as diminution in value of the investment in equity of JIL and deposit of Rs. 750 Crores. However the Holding Company has not made provisions in the books for the amount of said investment and amount of

deposit total aggregating to Rs. 1,597 Crores. Had these provisions been made the loss of group would have been increased to that extent.

Matters stated above have also been qualified in our report in preceding quarter ended on September 30, 2020, year ended March 31, 2020 and corresponding quarter/ nine months ended on December 31, 2019.

The Independent Auditors' of Bhilai Jaypee Cement Limited, a component, has issued qualified review conclusion in his Review Report on Unaudited Financial Results for the quarter and nine month ended on December 31, 2020 which is reproduced as under:

- [i] The financial statement of Bhilai Jaypee Cement Limited ('BJCL') is prepared on going concern basis. During the quarter and nine month ended December 31, 2020, BJCL has incurred Net loss of Rs. 855.30 lakhs and Rs. 634.59 lakhs respectively. The Company's net worth as at December 31, 2020 has been completely eroded due to accumulated losses of Rs. 50,711.83 lakhs against equity capital of Rs. 37,968.48 lakhs. Further, BJCL's current liabilities exceed its current assets. These matters require BJCL to generate additional cash flow to fund the operations as well as payments to creditors and the statutory obligations. The appropriateness of assumption of going concern is dependent upon generation of additional cash flow and financial support from the holding company to fund the operations and meet its obligations and implementation of business plan which are critical to BJCL's ability to continue as going concern. These conditions along with matters described below indicate the existence of a material uncertainty that may cast significant doubt on the BJCL's ability to continue as going concern and therefore BJCL may be unable to realize its assets and discharge its liabilities in the normal course of business.
- [ii] Bhilai Jaypee Cement Limited ('BJCL') had not provided compensation for short lifting of annual Agreed Quantity of Granulated Slag of Rs. 6,992.12 lakhs upto December 31, 2020 (including Rs. 6,914.56 lakhs upto September 30, 2020 already demanded by the supplier). BJCL has, however, disputed the claim on various grounds such as deficient/inadequate supply of slag during the financial year 2011-12 to 2013-14, inordinate delay of 9 months on part of the supplier in furnishing bank guarantee for renewable of mining operation at ILQ Santa etc. BJCL has also filed counter claim with the party for contribution loss suffered by BJCL. The Company has also not provided interest of Rs. 107.75 lakhs upto financial year ended March 31, 2020 demanded by the supplier for late payments (amount of interest for subsequent period yet to be ascertained). The same being under dispute/negotiation, the extent to which these liabilities will be settled and its impact on the loss for the quarter and nine months ended December 31, 2020 cannot be ascertained at present.

Matters stated above have also been qualified in auditors' report of BJCL/ our report in preceding quarter ended on September 30, 2020, year ended March 31, 2020 and corresponding quarter/ nine months ended on December 31, 2019.

5. Qualified conclusion:

Based on our review conducted and procedures performed as stated in paragraph 2 above and based on the consideration of the review reports of the other auditors referred to in paragraph 7 below, *except effect/possible effect as stated in Basis of Qualified Review Conclusion paragraph above*, nothing has come to our attention that causes us to believe that the

accompanying Statement, prepared in all material respect in accordance with applicable Indian Accounting Standards prescribed u/s 133 of the Companies Act, 2013 read with relevant Rules issued thereunder and other recognized accounting practices and policies generally accepted in India has not disclosed the information required to be disclosed in terms of the Listing Regulations including the manner in which it is to be disclosed, or that it contain any material misstatement.

6. Emphasis of matter:

We draw attention to the following matters:

- 1)
 - a. The Competition Commission of India ('CCI') vide its Order dated August 31, 2016 held various cement manufacturers liable for alleged contravention of certain provisions of the Competition Act, 2002 during F.Y. 2009-10 & 2010-11 and imposed a penalty of Rs. 1,323.60 Crores on the Holding Company. The Holding Company had filed an Appeal against the said Order which was heard on various dates by Hon'ble National Company Law Appellate Tribunal ('NCLAT'). NCLAT vide its Order dated July 25, 2018 has rejected the appeals of all the cement manufacturers including that of the Holding Company without interfering in the penalty, though, if calculated on the basis of profits earned by the Cement business, the same would have been Rs. 237.70 Crores only as against the penalty of Rs. 1,323.60 Crores calculated on the profits for all business segments of the Holding Company. The Holding Company and other affected cement manufacturers have filed appeal with the Hon'ble Supreme Court and the case has since been admitted with the directions that the interim Order passed earlier by NCLAT in the matter will continue in the meantime. The Holding Company's request for rectification of Demand Notice was declined by CCI and the Holding Company has filed a review application before Hon'ble NCLAT against the said rejection by CCI which matter is still pending.
 - b. The Competition Commission of India vide its other order dated January 19, 2017 held various cement manufacturers liable for alleged contravention of certain provisions of the Competition Act, 2002 in the State of Haryana during F.Y. 2012-13 to F.Y. 2014-15 and interalia imposed a penalty of Rs. 38.02 Crores on the Holding Company based on criteria of average turnover of the Holding Company as a whole as against the 'relevant turnover' of 'Cement Division'. The Holding Company had filed an appeal against the said Order before NCLAT which has stayed the operation of impugned order and further proceedings are progressing in the matter.

Based on the advice of the Holding Company's counsels, the Holding Company believes that it has reasons to succeed in appeal in the above cases. Hence no provision is considered necessary in the statement.

- 2) Yes Bank Limited ('YBL') / Assets Care and Reconstruction Enterprise Limited ('ACRE') invoked entire pledged equity share 28,09,66,000 of Rs. 10/- each of Bhilai Jaypee Cement Limited ('BJCL') (a subsidiary of the Holding Company) and also recalled outstanding loan and invoked corporate guarantee and shortfall undertaking given by the Holding Company against the loan facility of Rs. 465 Crores and Rs. 45 Crores to JCCL a wholly owned subsidiary of the Holding

Company. YBL assigned the same in favor of ACRE. ACRE informed about the transfer of the entire pledged/NDU share of BJCL in its name. However the Holding Company is contesting the assignment on the basis of the fact that these facilities has been covered under the Comprehensive Reorganization & Restructuring Plan ('CRRP') of the Holding Company & Jaypee Cement Corporation Limited ('JCCL') duly approved by the consortium of lenders including YBL at its meeting held on June 22, 2017 and subsequently YBL signed Master Re-structuring Agreement ('MRA') through deed of accession. Pending settlement with the Lender/ACRE, the Holding Company continues to consolidate BJCL as a subsidiary.

- 3) Lender of Jaypee Cement Corporation Limited ('JCCL') (subsidiary of the Holding Company) has invoked the corporate guarantee given by the Holding Company for financial assistance being granted to JCCL and asked to make payment for Rs. 438.36 Crores and Rs. 20.79 Crores, being amount outstanding as on September 09, 2018. However the liability has not been considered in the books of accounts, as the loan in question is part of approved Comprehensive Reorganization & Restructuring plan of JCCL and the Holding Company.
- 4) Non- Current Trade receivables include Rs. 2,579.95 Crores, outstanding as at December 31, 2020 which represents various claims raised on the Clients based on the terms and conditions implicit in the Engineering & Construction Contracts in respect of closed/suspended/under construction projects. These claims are mainly in respect of cost over run arising due to suspension of works, client caused delays, changes in the scope of work, deviation in design and other factors for which the Holding Company is at various stages of negotiation/ discussion with the clients or under Arbitration/ litigation. On the basis of the contractual tenability, progress of negotiations/ discussions/ arbitration/ litigations, the management considers these receivables are recoverable.
- 5) The Holding Company has made investment in equity shares (Quoted) of Rs. 1,742.62 Crores in Jaiprakash Power Ventures Limited ('JPVL') an associate of the Holding Company (earlier a subsidiary of the Holding Company). JPVL has signed a 'Framework Agreement' on April 18, 2019 with the Banks and Financial Institutions for restructuring of the outstanding Loans and Interest. Accordingly, JPVL has issued fully paid 0.01% Cumulative Compulsory Convertible Preference Shares amounting to Rs 3,805.53 crores on December 23, 2019 and fully paid 9.50% Cumulative Redeemable Preference Shares for Rs. 34.52 crores to their Lenders in December, 2019. Further, JPVL has issued 49,26,78,462 equity shares of Rs. 10/- each to FCCB Holders at Rs. 12/- per equity share and 35,17,69,546 equity shares of Rs. 10/- each to JSW Energy Limited at par against their outstanding liabilities on January 2020 as per agreed terms.

Considering the implementation of Debt Resolution Process, valuation of assets of JPVL, conversion of outstanding dues of FCCB holders and JSW Energy Limited and further better prospects no diminution is envisaged by the management in the carrying value in the statement on the basis of quoted share price of JPVL being less than the carrying value.

- 6) The Holding Company has received Termination Notice for the Mandla North Coal Mine allotted by Nominated Authority, Ministry of Coal on account of not meeting

eligibility criteria mentioned in the Coal Mines Development and Production Agreement along with instructions for invocation of the Bank Guarantee submitted by the Holding Company in the form of Performance Security. The Hon'ble High Court has granted stay against the Termination Notice and invocation of Performance Guarantee. Since, the matter is now being sub-judice in the High Court, the recoverability of the amount invested aggregating to Rs. 295.80 Crores as on December 31, 2020 in the development of the Coal Block and impact of the invocation of the Performance Guarantee is uncertain, as such no provision has been considered necessary to be made in the statement by the management.

- 7) There are certain Entry tax matters under Appeals aggregating to Rs. 297.82 Crores (excluding interest, currently unascertainable) pertaining to the State of Madhya Pradesh and Himachal Pradesh. The Holding Company has challenged these on account of various grounds in Hon'ble High Courts. No provision has been considered of the above in the Statement as management is of the opinion that the Holding Company will succeed in the appeal. The Holding Company has already deposited Rs. 166.79 Crores and also furnished Bank Guarantees of Rs. 125.43 Crores against the above.
- 8) The Lenders of the Holding Company in their Joint Lenders Forum ('JLF') meeting held on June 22, 2017 have approved restructuring / realignment/ reorganization of debt of the Holding Company & its wholly owned subsidiary, Jaypee Cement Corporation Limited ('JCCL') being Restructuring Scheme.

The Holding Company has provided interest expenses on the debt portion that will remain with the Holding Company in accordance with the Restructuring Scheme approved and Master Re-structuring Agreement ('MRA') signed with the Lenders. Interest for the quarter ended December 31, 2020 aggregating to Rs. 269.67 crores and Rs. 3,778.90 crores till December 31, 2020 on debt portion which will be transferred to Real Estate SPV namely 'Jaypee Infrastructure Development Limited' ('JIDL') on sanction of the scheme of Arrangement by Hon'ble National Company Law Tribunal ('NCLT'), Allahabad with appointed date of July 01, 2017 has been added to the carrying cost of the Inventory/ Projects under development in respect of SDZ Real Estate Undertaking ('SDZ-RE'), since the same has to be serviced from the assets/development of Assets of SDZ-RE.

However before the order on the above restructuring scheme by the Hon'ble NCLT, ICICI Bank Limited on the direction of RBI had filed an application with Hon'ble NCLT, Allahabad bench U/s 7 of Insolvency & Bankruptcy Code, 2016 against the Holding Company which is pending. On restructured loan, the Holding Company has also defaulted in the payment of interest and principal for the financial year 2018-2019, 2019-2020 and 2020-2021.

As such till the decision of the Hon'ble NCLT on restructuring and/or application u/s 7 of Insolvency & Bankruptcy Code, 2016 and further action/restructuring by the lenders on this account, there remains uncertainty and as such its impact on the financials of the Group is not ascertainable.

Our conclusion is not modified in respect of above stated matters in para (1) to (8).

The Independent Auditors' of certain components in their Review Report on Unaudited Financial Results for the quarter and nine month ended on December 31, 2020 have drawn emphasis of matter paragraphs which is reproduced as under:

- 1) Jaiprakash Agri Initiatives Company Limited ('JAICL') has accumulated losses which have fully eroded its Net worth and JAICL has incurred cash loss during the current period and previous year(s) and JAICL current liabilities have exceeded its current assets. These conditions indicate the existence of a material uncertainty that may cast significant doubt about JAICL's ability to continue as a going concern. However, the financial statements of JAICL have been prepared on a going concern basis.
- 2) Jaypee Infrastructure Development Limited ('JIDL') has accumulated losses which have fully eroded its Net worth and JIDL has incurred cash loss during the previous year(s). JIDL current liabilities have exceeded its current assets. These conditions indicate the existence of a material uncertainty that may cast significant doubt about JIDL's ability to continue as a going concern.
