INDEPENDENT AUDITOR'S REPORT

To the Members of Jindal Saw Limited
Report on audit of the Standalone Financial Statements

Key audit matters

5. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

5.1 **Assessment of the carrying value of investment in and loans granted to a subsidiary, Jindal ITF Limited**

[Refer to note 3.6 and note 61 to the Standalone Financial Statements]

Description of Key Audit Matter

The Company has an investment of Rs. 39,696.60 lakhs and has advanced loans aggregating Rs. 119,305.22 lakhs to its subsidiary, Jindal ITF Limited ('subsidiary') as at March 31, 2021. The subsidiary had entered into a contract with a public sector undertaking ('PSU') for transporting imported coal to one of the PSU's power generating stations. The contract was for a period of seven years and the subsidiary was the sole transporter and accordingly, had made significant investments to develop the facility. The contract had a clause for compensation in case the supply was lesser than the minimum guaranteed quantity ('MGQ') mentioned in the contract and had specific clauses to be adhered to by both the parties before terminating the contract.

The PSU stopped taking the supplies during the first year of operation and refused to pay compensation towards MGQ and terminated the contract subsequently. The matter was referred to arbitration where the arbitrator had awarded an interim award in favour of the subsidiary amounting to Rs. 35,631.18 lakhs relating to first 2 years of MGQ which was paid by the PSU. Subsequently, the Arbitrator issued the final order in favour of the subsidiary awarding Rs. 189,108 lakhs plus interest and applicable taxes.

The PSU has filed an appeal with Hon'ble High Court of Delhi against the final arbitration order. The Hon'ble High Court passed an interim order directing the PSU to pay Rs. 50,000 lakhs as an interim compensation which was paid by the PSU. Presently, the matter is sub-judice before Hon'ble High Court of Delhi. The Management, in consultation with their legal counsel on the likely outcome of the case, has assessed that there will not be any negative impact on carrying amount of investments and loans including interest thereon, given by the Company to the subsidiary and the same are recoverable.

This has been determined as a key audit matter since the investment made and loans granted by the Company to the subsidiary are material to the Standalone Financial Statements and the subsidiary is currently having insignificant operations. Further, the recovery of investment and loan granted depends on the ultimate recovery of the remaining compensation from the PSU by the subsidiary.

How our audit addressed the key audit matter

- Discussed the matter with the management and obtained an understanding of the matter.
- Evaluating appropriateness of the accounting policy of the Company in respect of impairment assessment of equity investments.
- Obtained updates over the legal case and the proceedings that took place during the year.

INDEPENDENT AUDITOR'S REPORT

To the Members of Jindal Saw Limited
Report on audit of the Standalone Financial Statements

- Reviewed the contract between the subsidiary and the PSU to corroborate the matters stated in the appeal and details of the claim filed by the subsidiary with the Arbitration Tribunal and the final arbitration order issued in this regard.
- Performed test of design and operating effectiveness of controls over recoverability of the investment and the loans given to the subsidiary with specific focus on whether an impairment provision needs to be recognized.
- Evaluated the recoverability of the said loans and investments considering the arbitration order decided in favour of the subsidiary.
- Discussed the matter with the Company's external legal counsel and evaluated the opinion issued by them which supports the subsidiary's position.

Based on the procedures above, the management's assessment of the carrying value of the investment and loans was considered to be reasonable.

5.2 Appropriateness of assessment of Impairment in the carrying value of investment and recoverability loan to a wholly owned subsidiary, Jindal Saw Holdings FZE

[Refer to note 3.6 and note 62 to the Standalone Financial Statements]

The Company had made investments of Rs. 12,060.82 lakhs and also advanced loans aggregating Rs. 15,862.69 lakhs to Jindal Saw Holdings FZE ("Subsidiary") as at March 31, 2021. The Subsidiary has been incurring losses and its net worth is lower than the carrying value of investment. This is an indicator of potential impairment to the carrying value of investment and the loans.

The management has obtained an external valuation expert's report (the "management expert") on valuation of the said subsidiary using the discounted cash flow model in order to determine the recoverable value for assessing the appropriateness of carrying amount of the investment/loans, based on which the management concluded that no adjustment is required to the carrying amount.

This has been determined as a key audit matter since the investment made and the loans granted to the Subsidiary are material to the Standalone Financial Statements of the Company and significant judgement is required in selecting an appropriate discount rate, growth rates and the terminal value determined in estimating the discounted cash flows used by the Management's expert to support the carrying value.

How our audit addressed the key audit matter

- Understanding and evaluating the design and testing the operating effectiveness of the Company's controls over monitoring the performance of the Subsidiary and performing an impairment assessment.
- Evaluating appropriateness of the accounting policy of the Company in respect of impairment assessment of equity investments.
- Obtained the management expert's valuation report and discussed the same with the management and the expert to understand the assumptions, including the discount rate and the growth rates, underlying in the forecast.

INDEPENDENT AUDITOR'S REPORT

To the Members of Jindal Saw Limited
Report on audit of the Standalone Financial Statements

- Assessed the reasonableness of the growth rates used in the forecast with the current orders in hand and historical growth rates.
- Assessed, with the involvement of auditor's expert, the appropriateness of the discount rate and terminal value of the subsidiary used in the valuation report of the Management's expert.
- Performed sensitivity tests over the key assumptions and considered them to be within a reasonable and foreseeable range.
- Assessed the historical accuracy of the forecasts by comparing the forecast used in the prior year valuation with the actual performance in the current year. In case the actual performance was lower than the forecast, we obtained the reasons thereof from the management.
- Tested the mathematical accuracy of the underlying calculations.

As a result of the above audit procedures, the Management's assessment of impairment in the carrying value of investment and recoverability of the loan was considered to be reasonable.

Other Information

6. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's report and Management Discussions and Analysis report, but does not include the Standalone Financial Statements and our auditor's report thereon. Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Responsibilities of management and those charged with governance for the Standalone Financial Statements

7. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

INDEPENDENT AUDITOR'S REPORT

To the Members of Jindal Saw Limited
Report on audit of the Standalone Financial Statements

8. In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the Standalone Financial Statements

9. Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.
10. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to Standalone Financial Statements in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
11. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

INDEPENDENT AUDITOR'S REPORT

To the Members of Jindal Saw Limited
Report on audit of the Standalone Financial Statements

12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
13. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

14. We did not audit the financial statements of the Trust included in the Standalone Financial Statements of the Company, which constitutes total assets of Rs. 1,521.30 lakhs and net assets of Rs. 20.94 lakhs as at March 31, 2021, total income of Rs. 36.13 lakhs and excess of income over expenditure of Rs. 19.99 lakhs and net cash flows amounting to Rs. 218.97 lakhs for the year then ended. These financial statements have been audited by other auditor whose report has been furnished to us, and our opinion on the Standalone Financial Statements (including other information) to the extent they have been derived from such financial statements is based solely on the report of such other auditor.
Our opinion on the standalone financial statements, and our report on Other Legal and Regulatory Requirements below to the extent applicable to the Trust, is not modified in respect of the above matter with respect to our reliance on the work done and the report of the other auditor.

Report on other legal and regulatory requirements

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls with reference to financial statements of Jindal Saw Limited ("the Company") as of March 31, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Annexure A to Independent Auditors' Report

Referred to in paragraph 16(f) of the Independent Auditors' Report of even date to the members of Jindal Saw Limited on the standalone financial statements for the year ended March 31, 2021

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. (Also, refer Note 4 of the main auditor's report).

5. We draw your attention to Note 63 of the Consolidated Financial Statements, which describes the management's assessment of the financial impact of the events arising out of Coronavirus (Covid-19) pandemic, for which a definitive assessment of the impact in the subsequent period is dependent upon the circumstances as they evolve. Our opinion on the consolidated financial statements is not modified in respect of this matter.

Key Audit Matters

7. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

The Key Audit Matters stated below are reproduced from the report on the audit of standalone financial statements of the Holding Company and are in addition to the matter described in the Basis for Qualified Opinion included in Auditors' report of the Subsidiary Company. The Investments and Loans stated in the Key Audit Matters provided below are eliminated on consolidation and therefore, not appearing in the Consolidated Financial Statements.

7.1 Assessment of the carrying value of investment in and loans granted to a subsidiary, Jindal ITF Limited

[Refer to note 3.6 and note 61 to the Standalone Financial Statements]

Description of Key Audit Matter

The Company has an investment of Rs. 39,696.60 lakhs and has advanced loans aggregating Rs. 119,305.22 lakhs to its subsidiary, Jindal ITF Limited ("subsidiary") as at March 31, 2021. The subsidiary had entered into a contract with a public sector undertaking ("PSU") for transporting imported coal to one of the PSU's power generating stations. The contract was for a period of seven years and the subsidiary was the sole transporter and accordingly, had made significant investments to develop the facility. The contract had a clause for compensation in case the supply was lesser than the minimum guaranteed quantity ("MGQ") mentioned in the contract and had specific clauses to be adhered to by both the parties before terminating the contract.

The PSU stopped taking the supplies during the first year of operation and refused to pay compensation towards MGQ and terminated the contract subsequently. The matter was referred to arbitration where the arbitrator had awarded an interim award in favour of the subsidiary amounting to Rs. 35,631.18 lakhs relating to first 2 years of MGQ which was paid by the PSU. Subsequently, the Arbitrator issued the final order in favour of the subsidiary awarding Rs. 189,108 lakhs plus interest and applicable taxes.

The PSU has filed an appeal with Hon'ble High Court of Delhi against the final arbitration order. The Hon'ble High Court passed an interim order directing the PSU to pay Rs. 50,000 lakhs as an interim compensation which was paid by the PSU. Presently, the matter is sub-judice before Hon'ble High Court of Delhi. The Management, in consultation with their legal counsel on the likely outcome of the case, has assessed that there will not be any negative impact on carrying amount of investments and loans including interest thereon, given by the Company to the subsidiary and the same are recoverable.

This has been determined as a key audit matter since the investment made and loans granted by the Company to the subsidiary are material to the Standalone Financial Statements and the subsidiary is currently having insignificant operations. Further, the recovery of investment and loan granted depends on the ultimate recovery of the remaining compensation from the PSU by the subsidiary.

How our audit addressed the key audit matter

- Discussed the matter with the management and obtained an understanding of the matter.
- Evaluating appropriateness of the accounting policy of the Company in respect of impairment assessment of equity investments.
- Obtained updates over the legal case and the proceedings that took place during the year.

- Reviewed the contract between the subsidiary and the PSU to corroborate the matters stated in the appeal and details of the claim filed by the subsidiary with the Arbitration Tribunal and the final arbitration order issued in this regard.
- Performed test of design and operating effectiveness of controls over recoverability of the investment and the loans given to the subsidiary with specific focus on whether an impairment provision needs to be recognized.
- Evaluated the recoverability of the said loans and investments considering the arbitration order decided in favour of the subsidiary.
- Discussed the matter with the Company's external legal counsel and evaluated the opinion issued by them which supports the subsidiary's position.

Based on the procedures above, the management's assessment of the carrying value of the investment and loans was considered to be reasonable.

7.2 Appropriateness of assessment of Impairment in the carrying value of investment and recoverability loan to a wholly owned subsidiary, Jindal Saw Holdings FZE

[Refer to note 3.6 and note 62 to the Standalone Financial Statements]

The Company had made investments of Rs. 12,060.82 lakhs and also advanced loans aggregating Rs. 15,862.69 lakhs to Jindal Saw Holdings FZE ('Subsidiary') as at March 31, 2021. The Subsidiary has been incurring losses and its net worth is lower than the carrying value of investment. This is an indicator of potential impairment to the carrying value of investment and the loans.

The management has obtained an external valuation expert's report (the "management expert") on valuation of the said subsidiary using the discounted cash flow model in order to determine the recoverable value for assessing the appropriateness of carrying amount of the investment/loans, based on which the management concluded that no adjustment is required to the carrying amount.

This has been determined as a key audit matter since the investment made and the loans granted to the Subsidiary are material to the Standalone Financial Statements of the Company and significant judgement is required in selecting an appropriate discount rate, growth rates and the terminal value determined in estimating the discounted cash flows used by the Management's expert to support the carrying value.

How our audit addressed the key audit matter

- Understanding and evaluating the design and testing the operating effectiveness of the Company's controls over monitoring the performance of the Subsidiary and performing an impairment assessment.
- Evaluating appropriateness of the accounting policy of the Company in respect of impairment assessment of equity investments.

INDEPENDENT AUDITOR'S REPORT
To the Members of Jindal Saw Limited
Report on the Consolidated Financial Statements

- Obtained the management expert's valuation report and discussed the same with the management and the expert to understand the assumptions, including the discount rate and the growth rates, underlying in the forecast.
- Assessed the reasonableness of the growth rates used in the forecast with the current orders in hand and historical growth rates.
- Assessed, with the involvement of auditor's expert, the appropriateness of the discount rate and terminal value of the subsidiary used in the valuation report of the Management's expert.
- Performed sensitivity tests over the key assumptions and considered them to be within a reasonable and foreseeable range.
- Assessed the historical accuracy of the forecasts by comparing the forecast used in the prior year valuation with the actual performance in the current year. In case the actual performance was lower than the forecast, we obtained the reasons thereof from the management.
- Tested the mathematical accuracy of the underlying calculations.

As a result of the above audit procedures, the Management's assessment of impairment in the carrying value of investment and recoverability of the loan was considered to be reasonable.

Other Information

8. The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's report and management discussions and analysis report, but does not include the Consolidated Financial Statements and our auditor's report thereon.
9. Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.
10. In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed and the reports of the other auditors as furnished to us (Refer sub-paragraphs 19 and 20 below), we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

11. The Holding Company's Board of Directors is responsible for the preparation and presentation of these Consolidated Financial Statements in term of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows, and changes in equity of the Group including its associates and joint venture in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its associate and joint venture are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Directors of the Holding Company, as aforesaid.
12. In preparing the Consolidated Financial Statements, the respective Board of Directors of the companies included in the Group and of its associate and joint venture are responsible for assessing the ability of the Group and of its associate and joint venture to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.
13. The respective Board of Directors of the companies included in the Group and of its associate and joint venture are responsible for overseeing the financial reporting process of the Group and of its associate and joint venture.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

14. Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

INDEPENDENT AUDITOR'S REPORT
To the Members of Jindal Saw Limited
Report on the Consolidated Financial Statements

15. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates and jointly controlled entities to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates and jointly controlled entities to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
 - Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates and jointly controlled entities to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the Consolidated Financial Statements of which we are the independent auditors. For the other entities included in the Consolidated Financial Statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.
16. We communicate with those charged with governance of the Holding Company and such other entities included in the Consolidated Financial Statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on the Consolidated Financial Statements

17. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
18. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

Annexure A to Independent Auditors' Report

Referred to in paragraph 21(f) of the Independent Auditors' Report of even date to the members of Jindal Saw Limited on the consolidated financial statements for the year ended March 31, 2021

5. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Holding Company, its subsidiary companies and its associate company, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. (Also, refer Note 5 of the main auditor's report).

Annexure A to Independent Auditors' Report

Referred to in paragraph 21(f) of the Independent Auditors' Report of even date to the members of Jindal Saw Limited on the consolidated financial statements for the year ended March 31, 2021

Other Matters

9. Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements insofar as it relates to nine subsidiary companies and one associate company, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India. Our opinion is not modified in respect of this matter.
