# Meghalaya, Nagaland vote on Feb 27, Tripura Feb 16

Counting of votes on Mar 2

PRESS TRUST OF INDIA  
New Delhi, 18 January

The Election Commission on Wednesday fixed February 16 as the date for the Tripura Assembly polls and February 27 for the elections to the Nagaland and Meghalaya Assemblies, with the counting of votes scheduled for March 2.

Chief Election Commissioner (CEC) Rajiv Kumar's announcement marked the official start of the first round of Assembly polls in the new year, in which nine states are headed for elections, deemed crucial in the run-up to the all-important Lok Sabha contest in 2024.

The three poll-bound north-eastern states may be small in terms of their electoral size but hold larger political significance. While the BJP is pulling out all the stops to retain power in Tripura and expand its footprints in the two other states, the Congress and the Left are trying to recapture their lost influence.

## BRS HOLDS MEGA RALLY WITH NATIONAL PITCH

A clarion call for regime change at the Centre, by dislodging the BJP in 2024 Lok Sabha polls, was sounded by prominent Opposition leaders in the first mega rally of Telangana Chief Minister K Chandrashekar Rao-led Bharat Rashtira Samithi (BRS). Chandrashekar, along with Delhi Chief Minister Arvind Kejriwal, Punjab's Bhagwant Mann, Kerala's P Vijayan, Samajwadi Party President Akhilesh Yadav, CPI leader D Raja and national leaders, and farmers representatives of many states in Khammam (Telangana), has taken the first step towards joining forces with like-minded parties at the national level.

The Mamata Banerjee-led Trinamool Congress (TMC) is also making a determined bid to prove its clout outside West Bengal by contesting these polls. The three state assemblies have a strength of 60 members each.

While the term of the Nagaland Assembly ends on March 12, the terms of the Meghalaya and Tripura assemblies end on March 15 and March 22 respectively.

Kumar said the EC has decided to wrap the polls in February, taking into account the examinations scheduled in March.

# Dec traffic at major ports sails to highest in FY23

DHRUVAKSH SAHA  
New Delhi, 18 January

After three months of stagnant growth, cargo traffic at state-owned ports rose 10.4 per cent in December year-on-year (YoY), signaling a strong rebound in a year that has fared slower than expected.

Twelve major ports handled cargo of 69.5 million tonnes (mt) in December, which is the highest during the current fiscal year. The volume is also 8 mt higher than the traffic over the past three months, which had been stuck at 61 mt since September.

It is also the second-highest traffic volume handled by major ports in a month since the onset of Covid-19. Cumulatively, traffic at major ports reached 576 mt by December, which is nearly 9 per cent higher than the previous fiscal year.

"The entire increase in volumes in December quarter and year can be explained by volumes of coal. However, container volumes have come under stress," said Mohit Kumar, a researcher with DAM Capital, who attributes the current coal surge to geopolitical tensions.

Officials and experts suggest the current surge in coal cargo has also been aided by the increased use of the rail-sea-rail (RSR) mode for the domestic transportation of thermal coal.

<b>TOTAL</b>	<b>529,160</b>	<b>576,632</b>	<b>8.97</b>

Note: POL is Petroleum, oil, and lubricant; Source: Indian Ports Association

Business Standard previously reported that the power ministry has directed thermal power plants in Gujarat, Rajasthan, Maharashtra, Punjab, as well as NTPC to source 10-15 per cent of their coal requirement through coastal shipping.

"Iron ore traffic saw a 42 per cent year-on-year growth in December. Since the removal

of various export duties on the commodity in November, traffic which was earlier subdued has seen higher growth on account of pent-up inventory," said Sai Krishna, vice-president and sector head at ICRA.

On a cumulative basis, iron ore traffic in FY23 is still 20 per cent less than last year, but experts expect these numbers to pick up further.

## RESULTS CORNER

### Q3: IndusInd Bank's profit jumps 58%

Private lender IndusInd Bank on Wednesday reported a 58 per cent year-on-year (YoY) jump in consolidated net profit to ₹1,963.64 crore in October-December on the back of strong growth in net interest income. A sharp decline in provisions for bad loans also boosted the bank's bottomline in the third quarter of the financial year. Sequentially, the bank's net profit registered a growth of 9 per cent from ₹1,805.28 crore in Q2.

On a standalone basis, IndusInd Bank's net profit surged 69 per cent YoY to ₹1,959.20 crore in October-December. BHASKAR DUTTA

### Central Bank Q3 net profit rises 64.16%

Central Bank of India's net profit rose by 64.16 per cent year-on-year (YoY) to ₹458 crore in the quarter ended December (Q3 of FY23). This was on the back of an improvement in net interest margin (NIM). The public sector lender had posted a net profit of ₹278 crore in Q3 of FY22. Net profit was sequentially higher in Q3 FY23 compared to Q2 FY23 when the figure stood at ₹318 crore. ABHIJIT LELE

# Wheat prices touching new high amid delay in open-market sales

SANJEEB MUKHERJEE  
New Delhi, 18 January

With wheat prices scaling new highs since the start of this month, all eyes are now on the open market sales of grains by the Centre.

Trade sources said the sale may have come under some sort of cloud due to the recent raids on Food Corporation of India (FCI) officials and questions over the actual size of the stocks that the corporation holds.

Officially, the data shows that, as on January 1, 2023, India's wheat stocks in the central pool were estimated around 17.17 million tonnes. This is almost 24.4 per cent more than the buffer and strategic reserve requirement for that date.

Of the 17.17 million tonnes of wheat stocks in the central pool, around 10.5 million tonnes (almost 61 per cent) is with state agencies.

Despite that, between January 1 and 17, wheat prices in Delhi's Lawrence Road market have risen from ₹2,900 per quintal to almost ₹3,060-

3,100. This is a rise of around 3-7 per cent in less than 20 days.

The spike in prices coupled with almost-empty pipelines has renewed calls from flour mill owners for the government to liquidate some part of its wheat inventory for domestic consumers that would immediately cool down prices. "The Centre should immediately liquidate some stocks from its inventories. This will cool down prices as pipeline

stocks with stockists and wholesalers are almost empty, while demand is firm," said Rahul Chauhan, commodity analyst at iGrain India.

Sources said the traders expect the Centre to liquidate around 2 million tonnes of wheat from its stocks.

It feels that the recent decision to end Pradhan Mantri Gareeb Kalyan Ann Yojana (PMGKAY) from January 1 has given the Centre added

flexibility to intervene in the market. However, some feel that the recent raids on FCI officers and questions on the actual wheat stock levels amid allegations of large-scale fudging seem to have pulled the Centre's feet back.

The nationwide crackdown, nicknamed "Operation Kanak", was undertaken a few days back against officials of the FCI by the Central Bureau of Investigation (CBI).

The agency, as part of the operation, conducted searches at 50 locations in Punjab, Haryana and Delhi following the arrest of a DGM-rank officer.

The CBI launched the crackdown after a six-month-long undercover operation to identify suspects in the syndicate. These include officers, rice mill owners and middlemen for allegedly indulging in corrupt practices, sources said.

The agency was working on exposing a nexus engaged in the procurement, storage and distribution of foodgrain.

## Collegian beaten up over friendship with girl

**Thane:** An 18-year-old collegian from Dombivli was beaten up by two of his classmates over his friendship with a girl student, police said on Wednesday. The two students stopped the victim near the gate of their college

on Tuesday evening. As the confrontation escalated, they punched and kicked the youth, leaving him injured, police said. The victim was admitted to a local hospital, an official said. No arrest was made so far, he said. —PTI

## Clarification on concreting of 400km roads

KALPESH MHAMUNKAR / Mumbai

The BMC has issued a clarification stating that the concreting of 400km of roads is being done following a tender process and administrative work in accordance with the procedures and rules prescribed, and that contractors are eligible as per the tender conditions only. The civic body also stated that the time for carrying out work on these roads has been defined after considering concrete curing time and traffic movement.

The BMC made it clear that all factual information about the works is being disseminated by the BMC. However, facts are being misrepresented using social media platforms. The clarification was issued a day after former environment and tourism minister Aditya Thackeray on Tuesday said that "the concreting will lead to a Jashimath like situation in Mumbai, as concrete roads don't absorb water".

According to the prevailing procedure, the roads selected to be concretised via tenders are finalised after receipt of letters from MPs, MLAs and councillors, after due consideration of recommendations of the assistant commissioner of respective wards and a physical inspection.

The bidders' experience documents have been checked by the administration and the contractors have met the required criteria in the tender. A period of 24 months (excluding monsoons) has been considered appropriate for the work.

# KEY SoBo ROAD TO REOPEN BY JAN 26

SHEFALI PARAB-PANDIT / Mumbai

The BG Kher Marg which connects major junctions of south Mumbai will finally reopen after two and half years. Currently, work on the drainage line under the road is being completed and the BMC has set a target to reopen the road before Jan 26 to ease the traffic in Malabar Hill area.

BG Kher road connects the Malabar Hill area to major junctions like Hughes Road, Nepean Sea Road and Pedder Road. It was closed on Aug 5, 2020, after a ruptured water pipeline resulted in huge cracks on the road and the retaining wall alongside, causing a landslide.

Citing reasons for the delay, a civic official said, "It was important to observe what happens on the hill slope during heavy rains. A technical advisory committee observed it over the last two monsoons and suggested that concrete be used instead of asphalt." The official added that work to replace the main underground water pipeline and storm water drain network, reconstruction of the retention wall and slope stabilisation work also took some time.

Additional Municipal Commissioner (projects) P Velarasu said, "Work of replacing the drainage line is

This is an important road. Since it was closed for the last two and a half years, we experienced traffic congestion on Walkeshwar Road and Nepean Sea Road. There is also a lot of VIP movement on the roads which affects traffic flow and this will ease up only after BG Kher Road is reopened.

— Pramod Mandrekar, Former corporator, Malabar Hill

pending. We will open the road soon after it is completed. We are trying to reopen the road before Jan 26."

Meanwhile, former corporator from Malabar Hill, Pramod Mandrekar said, "This is an important road. Since it was closed for the last

two and half years, we experienced traffic congestion on Walkeshwar road and Nepean Sea road. There is also a lot of VIP movement on the roads which affects traffic flow and this will ease up only after BG Kher Road is reopened."

## Man held for molesting woman in local train

VISHAL SINGH / Mumbai

A middle-aged man who molested a woman inside the packed compartment of a local train on Tuesday was arrested by the Government Railway Police.

According to her complaint, the suspect tried to take advantage of the crowd to unzip his trousers and touch the woman.

The woman and her friend had boarded the 1:18pm Kalyan local at Ghatkopar when the suspect, aged 53, came and stood behind her. The suspect thought his act

**Another passenger called the railway helpline after which GRP personnel arrived**

wouldn't be noticed in the crowd, but he was spotted by some commuters, including the woman's friend, and thrashed.

Meanwhile, another passenger called the railway helpline, following which personnel of the Dombivli station of the GRP arrived and took the man into custody. The suspect, Shekhar Redij, a resident of Diva, was arrested after the woman lodged a complaint at the Dombivli GRP station. The FIR was then transferred to the Kurla GRP station.

Senior Inspector Walmiki Shardul at the Kurla GRP said the matter is being investigated.

## Free edu for kids of Metro mishap victim

ABHITASH SINGH / Thane

The Samata Youth Foundation NGO from Thane has come forward to provide educational assistance to the two daughters of Sunita Kamble who was killed in an accident at a Metro construction site in Thane on Jan 5. Ms Kamble was on the highway in front of Viviana Mall (Thane)

when an iron plate placed for the support of a pillar fell onto her.

Samata Youth Foundation president Aditya Dhurnal said, "Ms Kamble was forced to collect garbage for a living after the death of her husband and her two daughters, studying in Class 10 and 11, were dependent on her. So we decided to bear their educa-

tion expenses."

Consultant for the foundation, Rajan Dhurnal promised the sisters that they will be looked after and receive all possible support for education (fees and other study materials) in the future as well. Mr Dhurnal also appealed to other philanthropic individuals to come forward and help the siblings.

## MBMC schools see 11% jump in '22 enrollments

SURESH GOLANI / Mira-Bhayandar

Mira Bhayandar Municipal Corporation (MBMC)-run schools are seeing a rise in the number of admissions this year. The education department attributes the jump improvement of existing facilities and launching of tech-savvy initiatives, especially the introduction of digital classrooms.

From 10,500 students in 2019 to 6,429 students in 2021, the civic schools registered a steep downward trend of more than 35% in the past three years, with a worrisome rise in the

number of drop-outs every year. However, consistent efforts by the MBMC pushed the numbers to 7,248 last year and the e-classroom initiative saw a significant 11% jump (777 new admissions), taking the total number of students in 36 MBMC schools to 8,025.

"50 classrooms have been digitalised and plans are afoot for 25 more. Digital education definitely plays a crucial role, but apart from concentrating on this area we are also fine tuning other existing facilities so that our students are not left behind in any way," education officer Sonali Matekar said.

## KDMC to forward its report on 65 illegal structures to ED

ABHITASH SINGH / Thane

The Kalyan-Dombivli Municipal Corporation (KDMC) has readied in 35 days the report on 65 illegal constructions in its jurisdiction. It will be sent to the Enforcement Directorate (ED) after signature from KDMC commissioner Dr Bhausaheb Dangade.

The detailed report is on land mafia, architects and owners who constructed illegal buildings on the basis of fake documents. Customers were allegedly cheated by obtaining fake registration certificates from the

Maharashtra Real Estate Department (MahaRera).

Deputy Commissioner of Enforcement Control (KDMC), Sudhakar Jagtap said, "The report was ready a fortnight ago but the KDMC chief was in Mussoorie for training and Additional Commissioner Mangesh Chitale was in-charge. We preferred to wait as the action report to the ED must be signed by a competent authority."

Mr Jagtap added, "Last year, in September and October, the KDMC had filed cases against 65 land mafias in Manpada and

Ramnagar police stations. The ED has sought information on illegal constructions in six tables." The structures were identified through actual site inspection, and the report details how RERA certificates were obtained through forged documents. It also lists whether the area map matches the land records.

Mr Jagtap said they will meet ED officials after submitting the report. "The involvement of KDMC officials in this case and action against them is our next step," said complainant and architect Sandeep Patil.
