# Hunnar: Avenue of employment for COVID-hit migrant workers

While India is battling coronavirus at its forefront, unemployment has shaken the very core of its economy and its impact is likely to change the dynamics of its labor force essentially of migrant workers. In such times, TV Vision Limited have opened a gateway of employment to the less fortunate migrant workers who have been rendered jobless with an initiative 'Hunnar'. For this initiative, TV Vision Limited will use their network channels including Mastiii, Dabang, Maiboli and digital platforms to call out to millions of migrantworkers who might have any talent that they would want to showcase- be it dancing, singing, acting or any other performing arts would be welcome.

The programme shortlisted thousands of individuals month on month who have a hidden talent and have monetarily reward the chosen 1000 ones by means of direct bank transfer to their accounts. The chosen ones are also being aired on the network channels of the group.

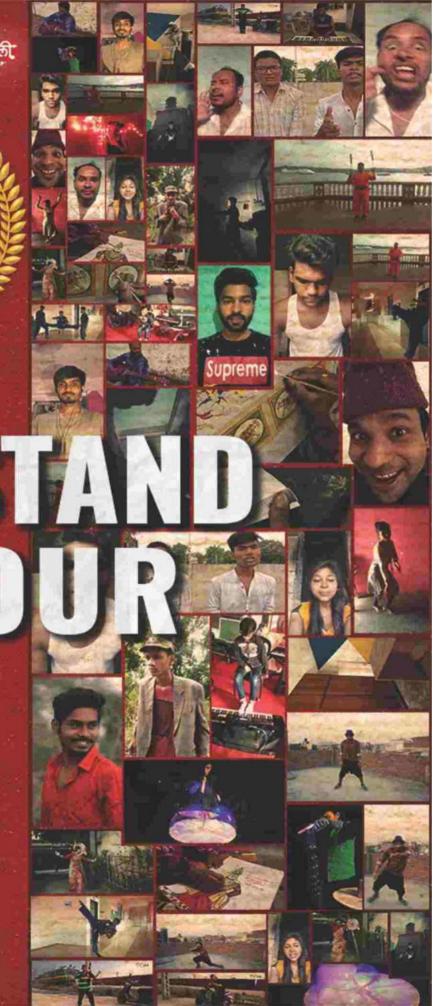

# LET'S STA WITH OU OWN

1000 migrant workers are rewarded with monetary help by means of direct bank transfer.

### **CHAIRMAN & MANAGING DIRECTOR'S MESSAGE**

### Dear Shareholders.

It gives me pleasure to present you the 13<sup>th</sup> Annual Report of the Company.

Your Company even after having a hard-hitting period and despite of challenging market situation in the first 11 months of the FY 2020, it had planted various plans and prospects with the vendors, lenders and associates in the Media and Entertainment (M&E) Industry. But in the final days of the year the world has faced Covid-19 pandemic. In 100 years of history of mankind we have never experienced such an impact where every human on the planet feels unsafe to step out of their home. The impact of COVID-19 and its adverse effect are presently unmeasurable; however, the contribution that each one of us can make to either minimise the spread of the disease and/or help others to come out of it is of supreme importance.

During this pandemic, the Company has taken initiatives to help the weaker families and also started a program called "Hunar" - a unique one of its kind initiative by the Company to economically support migrant workers on the basis of their talent.

As an organization, the health and safety of the employees is kept at utmost importance and every step towards the same has been taken by us. The Company being a responsible corporate house announced a "No lay off, No salary cut" honouring the request made by our Hon'ble Prime Minister. The business of the Company is categorised as "Essential Services" during the lockdown period and accordingly, our Company & the employees relentlessly took all efforts against all odds to make sure that the Broadcast of the Company runs 24/7 as it should have been in normal course. In this challenging era, the employees are managing the work well from home with the help of the different collaborating tools.

With the determined efforts of the employees and the Management, MASTIII, the Hindi Music Channel continues to maintain the No. 1 position in the target market and is holding position of 'Unchallenged no. 1 Music & Youth channel since long. Hindi Music genre is a cluster of approx. 17 channels and Mastiii has emerged a clear leader in last three years. The regional Marathi channel 'MAIBOLI' has also rated as the No. 1 channel into the Marathi segment with its unique programming mix.

DABANGG, the Regional Entertainment Channel has continued its key position among its competitors. The Channel has completely added regional flavor in its programming while focusing on Bhojpuri content for the Channel. 'DHAMAAL' your Company's LC1 channel has been growing in its market from strength to strength.

In-spite of challenges posed by the pandemic on the business, your Company is fully focused to sail through it as smoothly as possible and emerge on the path of growth.

I would like to convey my gratitude to all our employees, advertisers, producers, artists, bankers, business associates and all other stakeholders for their support during the difficult period and without your support and trust, this Company would not have been able to deliver the quality entertainment it has always produced.

I believe in investing in our team and have a long term perspective on the business. Together we must stand and emerge out stronger when the markets start looking up, post Covid-19.

I am confident that we shall successfully bypass these hard times and achieve many more milestones of success in our onward journey and take on the next level of growth.

With warm regards,

Markand Adhikari Chairman & Managing Director

### STATEMENT PURSUANT TO THE PROVISIONS OF SECTION 102 OF THE COMPANIES ACT, 2013:

#### Item No. 3

Mr. Markand Adhikari aged 63 years has rich experience of more than three decades in the field of Media & Entertainment Industry. Mr. Markand Adhikari began his career with an advertising firm in the Eighties. He began this venture in association with his brother, Late Shri Gautam Adhikari. With television industry's commercialization, he set his eyes on broader horizons. He pioneered the trend of offering sponsorship based programmes on Doordarshan. This was a new concept and had high stakes involved. He succeeded with the marketing of the Adhikari Brothers' productions in regional as well as national languages on the National Network. He is associated with the Company since its inception and his creative vision continues to guide the Company to set newer milestones.

Based on the recommendation of Nomination & Remuneration Committee, the Board of Directors of the Company in its Meeting held on August 12, 2020, re-appointed Mr. Markand Adhikari as the Managing Director of the Company for a further period of five years (5 years) with effect from June 1, 2021 to May 31, 2026 at NIL remuneration except that he shall be eligible for all perquisites, allowances, reimbursement of expenses etc., subject to approval of members of the Company in the ensuing AGM.

The Board Recommends the Ordinary Resolution as set out at Item no. 3 of the Notice for approval of the Members. Brief resume of Mr. Markand Adhikari as stipulated under Regulation 36(3) of the Listing Regulations and SS-2 issued by the ICSI forms part of the Notice.

Except Mr. Markand Adhikari, being an appointee, none of the other Directors, Key Managerial Personnel of the Company and/or their relatives are concerned or interested in the said resolution.

#### Item No. 4

To meet the capital expenditure, long term working capital requirements, other requirements arising out of business activities, and for general corporate purposes including but not limited to repayment or prepayment of loans taken, the Company proposes to mobilize the funds by way of offer / issue and allot in the course of international/ domestic offering(s) in one or more tranches to foreign investors/ domestic financial institution/ mutual funds/ other eligible entities, equity shares of nominal value of Rs. 10/- each or equity shares underlying securities in the form of QIP(s) / GDR(s) / ADR(s) / FCCB(s) and/ or any other permitted instruments/ securities convertible into equity shares (at a later date as may be determined by the Board of Directors) for an aggregate value not exceeding Rs. 200,00,00,000/- (Rupees Two Hundred Crore Only).

The detailed terms and conditions of the offer will be determined in consultation with Advisors, Lead Managers and Underwriters and such other authority or authorities as may be required to be consulted by the company considering the prevailing market conditions and other relevant factors.

Pursuant to provisions of Sections 41, 42, 62 and 71 of the Companies Act, 2013, read with the Rule 14 of the Companies (Prospectus and Allotment of Securities) Rules, 2014, as amended from time to time, Company offering or making an invitation to subscribe aforesaid Securities is required to obtain prior approval of the shareholders by way of the Special Resolution. If approved by shareholders, QIP issue shall be completed within one year from the date of passing of Special Resolution and in case of issue by way other than QIP, provisions as applicable to the proposed issue shall be applicable. Equity Shares, proposed to be issued, shall in all respects rank pari passu with the existing equity shares of the Company.

In view of the above, it is proposed to seek approval from the shareholders of the Company to offer, create, issue and allot the above Securities, in one or more tranches, to Investors inter alia through QIP by way of private placement or otherwise and to authorize the Board of Directors (including any Committee(s) thereof authorized for the purpose) to do all such acts, deeds and things on the matter. The Board may offer a discount of not more than 5% on the price calculated for the QIP or such other discounts as may be permitted under said SEBI Regulations.

The proposed resolution is an enabling resolution conferring authority on the Board of Directors to cover all the present and future contingencies and corporate requirements in terms of Sections 41, 42, 62 and 71 of the Companies Act, 2013, read with Rule 14 of the Companies (Prospectus and Allotment of Securities) Rules, 2014 as amended from time to time and the Listing Regulations, which requires that new shares are first to be offered on pro-rata basis to the existing shareholders of the Company, unless the shareholders at a general meeting decides otherwise by passing a special resolution.

The Board recommends the Special Resolution as set out at Item no. 4 of the Notice for approval of the shareholders.

None of the Directors, Key Managerial Personnel of the Company or their relatives are concerned or interested in the said resolution.

#### STATUTORY AUDITORS AND AUDIT REPORT:

### Statutory Auditors

M/s. P. Parikh & Associates, Chartered Accountants were appointed as the Statutory Auditors of the Company at 11<sup>th</sup> Annual General Meeting (AGM) held on September 25, 2018, for a term of 5 (five) consecutive years, to audit the books of accounts of the Company from the F.Y. 2018-19 to F.Y. 2022-23, and who shall hold office from the conclusion of the 11<sup>th</sup> AGM of the Company till the conclusion of the 16<sup>th</sup> AGM to be held in the year 2023, at a remuneration as may be agreed upon between the Board of Directors and the statutory auditors.

The Company has received a written consent and an eligibility certificate from M/s. P. Parikh & Associates stating that they are willing to act as statutory auditors of the Company and that their appointment satisfies the criteria as provided under section 141 of the Act.

### Statutory Auditors Report

Following is the management's reply to the qualification raised by the Statutory auditor in their report for the financial year under review.

i) Due to defaults in repayment of loans taken from Bank/s, the account of the company has been classified as non-performing asset by banks in the previous financial years and the banks have not charged the interest / reversed the unpaid interest charged from the date the account has been classified as non-performing. No provision has been made in the books of accounts maintained by the Company for interest / penal interest, if any, on these term loans amounting to about Rs. 14,07,36,639 /- (exact amount cannot be ascertained) for the year ended March 31, 2020, hence to that extent, finance cost, total loss and current financial liabilities is estimated to be understated by about Rs. 14,07,36,639 /- (exact amount cannot be ascertained) for the year ended March 31, 2020. Further, no provision for interest / penal interest, if any, on such term loans has been made in books of accounts, from the date the account of the Company has been classified as non-performing in the books of those banks.

**Management Reply**: The documents upon which the Company relies for the purpose of finalisation of accounts doesnt indicate charge of any interest/ penal interest. Accordingly, no provision is made in the Profit and Loss account of the Company.

ii) No provision for dimunition in value of investment is made in books of accounts as on March 31, 2020 even though the fair value of Investment of the Company of Rs. 3,00,00,000/- in Equity Shares of the Company's Subsidiaries i.e. HHP Broadcasting Services Private Limited, MPCR Broadcasting Service Private Limited, UBJ Broadcasting Private Limited and Rs. 30,12,00,000/- in Company's Associate i.e. Krishna Showbiz Services Private Limited, is lower than their cost of acquisition. The loss for the year ended March 31, 2020 is understated and non-current investments of the Company as on March 31, 2020 are overstated to that extent.

**Management Reply:** Though the present value of Investment of the Company of Rs. 3,00,00,000/- in Equity Shares of the Company's Subsidiaries i.e. HHP Broadcasting Services Private Limited, MPCR Broadcasting Service Private Limited, UBJ Broadcasting Private Limited and Rs. 30,12,00,000/- in Company's Associate i.e. Krishna Showbiz Services Private Limited, is lower than their cost of acquisition, management is of the opinion that keeping in view their long term business synergy and potential, no provision for diminution in value of investment is made as on March 31, 2020.

iii) The aggregate carrying value of Business and Commercial Rights and Channel Development Cost in the books of the Company as on March 31, 2020 is Rs. 127,81,34,460/-. There is no revenue generation from monetization of these assets during the year ended March 31, 2020 due to which the Company has incurred substantial losses during the year ended March 31, 2020 and previous financial years. There is a strong indication of impairment in the value of these Business and

# TV VISION LTD

Commercial Rights and Channel Development Cost and therefore we are of the opinion that the impairment loss of Rs. 127,81,34,460 /- should be provided on all such assets in the books of accounts of the Company as on March 31, 2020. The assets of the Company are overstated and net loss for the year ended March 31, 2020 is understated to that extent.

### Management Reply:

Management of the company does not anticipate any impairment in the value of Intangible Business and Commercial Rights and related media assets as management consider that Rights/assets can be commercially exploited in different ways to generate the revenue. Management is in continuous process of generating revenue from exploitation of rights in different ways. Management estimates that decline in revenue in recent past is temporary in nature which have potential to get regularized in near future. Management further estimates that the said assets, during their useful life, will be able to generate discounted cash flow at least equal to the present value of rights/assets in the books. The nature of assets is such that revenue generated from it is unevenly spread during the useful life of assets. The company is in process of forming a technical team of experienced persons to estimate the value in use.

iv) The Company has not provided for loss allowances on financial guarantee contracts amounting to Rs.11,59,80,252 /- (excluding interest / penalty charges, if any) given by the Company on behalf of its related group companies to its secured lenders which is to be recognized as required by Indian Accounting Standard (IND-AS 109). The financial liabilities of the Company and net loss for the quarter and period ended March 31, 2020 is understated to that extent.

### Management Reply:

The Company is not aware of invocation of its Corporate Guarantee and accordingly, no provisions is made for the same.

v) The Company has not accounted the lease transactions as per requirements of Indian Accounting Standard (IND AS) 116 which is applicable from April 1, 2019. The impact, if any, of such non-compliance of IND-AS 116 on the financials of the Company for the year ended March 31, 2020 is unascertainable.

### Management Reply:

The impact for adoption for IND-AS 116 in the Company's financials statements is not material as the Company has not entered into a long term lease agreement with any lessor. However, the management will assess its impact in next financial year and account for the same, if required, as per IND-AS 116.

#### SECRETARIAL AUDIT AND SECRETARIAL COMPLIANCE REPORT:

Pursuant to the provisions of Section 204 of the Act read with the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Board had appointed M/s. ### MANAGEMENT DISCUSSION AND ANALYSIS

### Indian Macroeconomics scenario

(source: economictimes)

India is a developing economy, it is stated as an economy is passing through demand depression and high unemployment, with 21-day lockdown on account of outbreak of Covid-19 pandemic, it would also slowdown the supply-side, accelerating the slowdown further and jeopardising the economic wellbeing of millions.

The recent measures announced by the government and the RBI to mitigate the impact of the pandemic are only for short term and may not deliver the desired results as the problem is severe and has been further aggravated by the lockdown.

With the commencement of 2020-21 financial year the effects of coronavirus have affected the stability of the economy of 150 countries - jeopardising their lifestyle, economy, impacting business and assumption of common wellbeing which we had taken for granted. The lockdown has adversely affected service sector like banks, restaurants, food vendors, and food delivery providers at par with providing health safety and medical assistance, we should also think about the health of the sickening economy by mobilizing the resources and make plans of job creation and job continuity.

The slowdown in GDP growth had an adverse impact on Government revenue collections and the COVID-19 induced lockdown further exacerbated the situation. While revenues have suffered, the government expenditures rose significantly on account of additional costs arising from the virus containment efforts and enforcing the lockdown. Thus, actual fiscal deficit of the central government widened to 4.6% of GDP in FY20 which was significantly higher than its revised fiscal deficit target of 3.8% of GDP.

The World Bank expects India's economy to contract 3.2% in the current fiscal year, citing stringent lockdown and spill overs from weaker global growth. The latest report expects the economy to make a modest recovery to 3.1% growth in the next fiscal year, in comparison to the 6.1% expansion projected in the January report. A number of firms including Goldman Sachs and Nomura have projected a contraction of as much as 5% for India in FY21. The report said the pandemic's impact would be particularly hard on emerging markets and developing economies (EMDEs) with large informal sectors, like India.

### Sailing Through Covid

Your Company is continuously reviewing the evolving situation in the light of COVID-19 and playing a responsible role in minimising the adverse impact of the pandemic on its businesses and the stakeholders' interests. Adapting to the 'new normal' of conducting business, your Company is continuously running all its channels and trying to bring back all its advertisers to again have the same healthy business.

### Media and Entertainment Industry

(Source: EY – FICCI Indian Media and Entertainment Industry Report 2019)

India is a huge market with very positive growth fundamentals across virtually every type of media. The market is strategically interesting to global players seeking to monetize content and capture growth upside, either as a participant via licensing or other commercial arrangements, or as an outright owner through an in-bound acquisition or organic investment approach.

While television and print retained their positions as the two largest segments, Digital Media to become the third largest segment of the M&E sector. Digital subscription revenues more than doubled from 2018 levels and digital advertising revenues grew to command 24% of total advertising spend.

The Indian Media and Entertainment (M&E) sector reached INR1.82 trillion (US\$25.7 billion) in 2019, a growth of 9% over 2018. With its current trajectory, the M&E sector in India is expected to cross INR2.4 trillion (US\$34 billion) by 2022.

**Television:** The TV industry grew from INR 740 billion to INR 788 billion in 2019, a growth of 6.5%. TV advertising grew 5% to INR 320 billion while subscription grew 7% to INR 468 billion. Regional channels benefited from the New Tariff Order as their consumption increased by over 20% in certain cases. General entertainment and movie channels led with 74% of viewership. On the back of several key announcements by the central and state governments such as Article 370, the Citizenship Amendment Act, and a general election, the news genre witnessed a growth to almost 9% of total viewership, up from 7.3% in 2018.

**Digital Industry**: In 2019, digital media grew 31% to reach INR 221 billion and is expected to grow at 23% CAGR to reach INR 414 billion by 2022. Digital advertising grew 24% to INR 192 billion driven by increased consumption of content on digital platforms and marketeers' preference to measure performance. SME and long tail advertisers increased their spends on digital media as well. Pay digital subscribers crossed 10 million for the first time as sports and other premium content were put behind a paywall. Consequently, subscription revenue grew 106% to INR 29 billion. Digital consumption grew across platforms where video viewers increased by 16%, audio streamers by 33% and news consumers by 22%.

### **Growth Outlook:**

W.r.t M & E outlook, India is a highly attractive market today with huge potential going forward based on demographic and economic factors. With growing middle class, young demographic, uptake on digital and a rise in the consumer's income, the propensity to spend on media and entertainment is growing faster than the economy itself. India's conducive regulatory environment and high volume of content consumption hold significant potential

At the same time, a vibrant domestic entrepreneurial community is powering the development of content and technology which augurs well in times to come.

### **INDEPENDENT AUDITORS' REPORT**

### To the Members of TV Vision Limited

### Report on the Audit of the Standalone Financial Statements

### **Qualified Opinion**

We have audited the standalone financial statements of TV Vision Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2020, and the statement of Profit and Loss, statement of Changes in Equity and the statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion and Emphasis of Matters section of our report, the aforesaid financial statements give the information required by the Companies Act 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020 and its loss, changes in equity and its cash flows for the year ended on that date.

### **Basis for Qualified Opinion**

- Due to defaults in repayment of loans taken from Bank/s, the account of the company has been classified as non-performing asset by banks in the previous financial years and the banks have not charged the interest / reversed the unpaid interest charged from the date the account has been classified as non-performing. No provision has been made in the books of accounts maintained by the Company for interest / penal interest, if any, on these term loans amounting to about Rs. 14,07,36,639 /- (exact amount cannot be ascertained) for the year ended March 31, 2020, hence to that extent, finance cost, total loss and current financial liabilities is estimated to be understated by about Rs. 14,07,36,639 /- (exact amount cannot be ascertained) for the year ended March 31, 2020. Further, no provision for interest / penal interest, if any, on such term loans has been made in books of accounts, from the date the account of the Company has been classified as non-performing in the books of those banks.
- ii) No provision for dimunition in value of investment is made in books of accounts as on March 31, 2020 even though the fair value of Investment of the Company of Rs. 3,00,00,000/- in Equity Shares of the Company's Subsidiaries i.e. HHP Broadcasting Services Private Limited, MPCR Broadcasting Service Private Limited, UBJ Broadcasting Private Limited and Rs. 30,12,00,000/- in Company's Associate i.e. Krishna Showbiz Services Private Limited, is lower than their cost of acquisition. The loss for the year ended March 31, 2020 is understated and non-current investments of the Company as on March 31, 2020 are overstated to that extent.
- iii) The aggregate carrying value of Business and Commercial Rights and Channel Development Cost in the books of the Company as on March 31, 2020 is Rs. 127,81,34,460 /-. There is no revenue generation from monetization of these assets during the year ended March 31, 2020 due to which the Company has incurred substantial losses during the year ended March 31, 2020 and previous financial years. There is a strong indication of impairment in the value of these Business and Commercial Rights and Channel Development Cost and therefore we are of the opinion that the impairment loss of Rs. 127,81,34,460 /- should be provided on all such assets in the books of accounts of the Company as on March 31, 2020. The assets of the Company are overstated and net loss for the year ended March 31, 2020 is understated to that extent.
- iv) The Company has not provided for loss allowances on financial guarantee contracts amounting to Rs.11,59,80,252 /- (excluding interest / penalty charges, if any) given by the Company on behalf of its related group companies to its secured lenders which is to be recognized as required by Indian Accounting Standard (IND-AS 109). The financial liabilities of the Company and net loss for the year ended March 31, 2020 is understated to that extent.
- v) The Company has not accounted the lease transactions as per requirements of Indian Accounting Standard (IND AS) 116 which is applicable from April 1, 2019. The impact, if any, of such non-compliance of IND-AS 116 on the financials of the Company for the year ended March 31, 2020 is unascertainable.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and we have fulfilled our other ethical responsibilities in

accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

### **Emphasis of Matters**

- i) The financial statements are prepared on going concern basis notwithstanding the fact that loans have been recalled back by secured lenders, current liabilities are substantially higher than the current assets, issue of notices under Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002, recovery proceedings initiated with debt recovery tribunal, symbolic possession of mortgaged property provided as collateral by promoters, invocation of part of the shares pledged as collaterals by bank, invocation of corporate guarantees from guarantors of the loan by the secured lenders of the Company and substantial losses incurred by the Company during the year ending March 31, 2020 and previous financial years. All of the above conditions indicate that a material uncertainty exists that may cast significant doubt on the company's ability to continue as a going concern.
- ii) Attention is drawn to Note No.32 to the Standalone financial statements, which describes that the extent to which the COVID-19 Pandemic will impact the Company's financial statements in next financial year will depend on future developments, which are highly uncertain.
- iii) The qualified opinion expressed in the present report is based on the limited information, facts and inputs made available to us through electronic means by the Company. We wish to highlight that due to the COVID-19 induced restrictions on physical movement and strict timelines, the entire audit team could not visit the office of the Company for undertaking the required audit procedures as prescribed under ICAI issued Standards on Auditing, including but not limited to:
  - Inspection, Observation, examination and verification of the original documents of invoices, legal agreements, bank accounts statements / loan accounts statements and files.
  - Physical verification of Cash, including adequate internal controls thereof.
  - Physical Verification of Property, Plant and Equipment as on March 31, 2020.
  - Any other processes which required physical presence of the audit team.

Our opinion is not modified in respect of these matters.

### Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's report and Management Discussion and Analysis, but does not include the Secretarial Audit report, Standalone financial statements and our auditor's report thereon. The Board's report and Management Discussion and Analysis is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance or conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Board's report and Management Discussion and Analysis, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and make disclosures and take specific actions as per applicable laws and regulations, if required.

### **Key Audit Matters**

Except for the matter described in the Basis for Qualified Opinion section and Emphasis of Matters paragraph, we have determined that there are no other key audit matters to communicate in our report.

### Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position,

# TV VISION LTD

financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and
  perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide
  a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting
  from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal
  control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and
  whether the financial statements represent the underlying transactions and events in a manner that achieve fair
  presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most

significance in the audit of the financial statements of the current period and are therefore the key audit matters.

We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### Report on Other Legal and Regulatory Requirements

- As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2. As required by Section 143(3) of the Act, we report that:
  - We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Balance Sheet, the Statement of Profit and Loss, the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - d) In our opinion, subject to Basis of Qualified Opinion and Emphasis of Matters section in our report, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - e) On the basis of the written representations received from the directors as on March 31, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164(2) of the Act.
  - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B".
  - g) With respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements Refer Note No.29 to the financial statements.
    - The Company did not have any long term contracts including derivate contracts for which there were any material foreseeable losses.
    - iii. According to the information and explanation given to us, the Company is not required to transfer any amount to Investor Education and Protection Fund.

## ANNEXURE A TO INDEPENDENT AUDITORS' REPORT

The Annexure referred to in our Independent Auditor's Report of even date to the members of the Company on the standalone Ind AS financial statements for the year ended March 31, 2020, we report that:

On the basis of such checks as we considered appropriate and according to the information and explanations given to us during the course of our audit, we report that:

- i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
  - (b) As informed to us by the management, the fixed assets have been physically verified by the management at reasonable intervals, however due to lockdown imposed by the Government in the current year due to Covid-19 Pandemic, physical verification of fixed assets was not conducted by the management at the year end. However, in our opinion, the programme of physical verification every financial year is reasonable having regard to the size of the Company and nature of its business. Pursuant to such program, as per information provided by the management, no material discrepancies between the books of accounts and physical fixed assets have been noticed.
  - (c) According to the information and explanation given to us and on the basis of records furnished to us, the Company does not have any immovable property and hence this clause is not applicable to the Company.
- ii) The Company is not having any inventory of material amount at any time during the year; hence this clause is not applicable to the Company.
- iii) The Company has not granted any loan, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained u/s 189 of the Act; hence the Clause (iii) of paragraph 3 of the Order are not applicable to the Company.
- iv) In our opinion and according to the information and explanations given to us, the provisions of section 185 and 186 of the Act in respect of loans, investments, guarantees and security given, as applicable have been complied by the Company.
- v) The company has not accepted any deposit and hence directive issued by the Reserve Bank of India and provisions of sections 73 to 76 or any other provisions of Companies Act, 2013 and Rules framed thereunder will not be applicable to the Company.
- vi) We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014 prescribed by the Central Government under Section 148(1) of the Companies Act, 2013 and are of the opinion that prima facie, the prescribed accounts and cost records have been maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- vii) a) According to the information and explanations given to us and on the basis of our examination of the records, the Company has been generally regular in depositing undisputed statutory dues including Provident Fund, Employees State Insurance, Income Tax, GST and other statutory dues with the appropriate authorities.
  - According to the information and explanations given to us, there were no outstanding statutory dues as on March 31, 2020 for a period of more than six months from the date they became payable.
  - b) According to information and explanation given to us, there are no disputed statutory dues including Provident Fund, Employees State Insurance, Income Tax, GST and other statutory dues which have not been deposited on account of dispute except as stated below:-

Name of Statute	Nature of dues	Year(s) to which it pertains	Amount Not Paid (in Lakhs)	Forum where dispute is pending
Central Goods and Services Tax Act, 2017	Service Tax demand	Period from April 1, 2012 to June 30, 2017	100.65	Commissioner GST & CX Audit-III

viii) The company has defaulted in repayment of loans or borrowings to banks. The lender wise details with the period and amount of default is as follows:-

Serial No.	Name of Bank	Period of default (in months)	Amount of default as on March 31, 2020
1.	Punjab National Bank	30	Rs. 98,93,82,663/-
2.	Indian Overseas Bank	33	Rs. 8,06,66,237/-

The default of interest / penal interest / late payment / other charges, if any, on loans outstanding as on March 31, 2020 cannot be precisely ascertained, as the account of the Company has turned non-performing and some banks have not charged interest from the date the account has turned non-performing. The disclosure of the same is also mentioned in Point (i) of Basis of Qualified Opinion paragraph of our audit report. Further, since all the loans have been recalled, the entire outstanding amount as per books of accounts is disclosed as amount of default as on March 31, 2020.

- ix) Based upon the audit procedures performed and according to the information and explanations given to us, the company has not raised money by way of initial public offer or further public offer (including debt instruments) and term loans during the financial year, hence clause (ix) of paragraph 3 of the Order is not applicable to the company.
- x) To the best of our knowledge and belief, and according to the information and explanations given to us, and considering the size and nature of the Company's operations, no fraud of material significance on or by the Company have been noticed or reported during the year and nor have we been informed of such case by the management.
- xi) According to the information and explanation given to us and based on our examination of the records, the Company has paid for managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V of the Act.
- xii) In our opinion and according to the information and explanation given to us, the Company is not a Nidhi Company; hence Clause (xii) of paragraph 3 of the Order is not applicable.
- According to the information and explanations given to us and based on our examination of records of the Company, transactions with the related parties are in compliance with section 177 and 188 of the Act where applicable and the details of such transactions have been disclosed in the standalone Ind AS financial statements as required by the applicable accounting standards.
- xiv) Based upon the audit procedures performed and according to the information and explanations given by the management, the company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year; hence the clause (xiv) of paragraph 3 of the Order is not applicable to the Company.
- xv) According to the information and explanations given to us and based on our examination of records of the Company, the Company has not entered into any non-cash transactions with directors or persons connected with him; hence the clause (xv) of paragraph 3 of the Order is not applicable.
- xvi) In our opinion and according to the information and explanations given to us, the company is not required to be registered under section 45 IA of Reserve Bank of India Act, 1934.

## ANNEXURE B TO INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act").

We have audited the internal financial controls over financial reporting of TV Vision Limited ("the Company") as of March 31, 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

## Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected.

Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

## 1 Significant Accounting Policies

#### 1.1 General

The financial statements of the Company comprising of Balance Sheet, Statement of Profit and Loss, Statement of changes in Equity and Cash Flow Statement together with the notes have been prepared in accordance with Indian Accounting Standards notified under the Companies (Indian Accounting Standards) Rules, 2015 ("Ind AS") as amended. These financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial assets and liabilities that are measured at fair values at the end of each reporting period, as stated in the accounting policies stated out below.

#### 1.2 Use of Estimates

The preparation of financial statements requires management to exercise judgment in applying the Company's accounting policies. It also requires the use of estimates and assumptions that affect the reported amounts of assets, liabilities, income and expenses and the accompanying disclosures including disclosure of contingent liabilities. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis, with revisions recognised in the period in which the estimates are revised and in any future periods affected.

## 1.3 Provisions, Contingent Liabilities and Contingent Assets

A provision is recognized when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. If the effect of time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources embodying economic benefits or the amount of such obligation cannot be measured reliably. When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources embodying economic benefits is remote, no provision or disclosure is made.

Contingent assets are not recognised in the financial statements, however they are disclosed where the inflow of economic benefits is probable. When the realisation of income is virtually certain, then the related asset is no longer a contingent asset and is recognised as an asset.

#### 1.4 Fixed Assets

## Property, Plant and Equipment

Property, Plant and Equipment are stated at cost of acquisition as reduced by accumulated depreciation and impairment losses, if any. Acquisition cost comprises of the purchase price and attributable cost incurred for bringing the asset to its working condition for its intended use.

## Intangible Fixed Assets

Intangible Fixed Assets are carried at cost less accuumulated amortisation and impairment losses, if any. The Cost of intangible assets comprises of cost of purchase, production cost and any attributable expenditure for making the asset ready for its intended use.

#### 1.5 Depreciation/Amortisation

#### Property, Plant and Equipment

Depreciation on Property, Plant and Equipment has been provided on a straight line basis based on the useful life as follows:

No.	Category	Estimated Useful Life
1	Computer	3 years
2	Motor Car	8 years
3	Plant and Machinery	10 years
4	Improvement to Lease Assets	10 years
5	Decoder	1 year

## Intangible Fixed Assets

Business and Commercial Rights are amortised on straight line basis over a period of ten years on a time proportionate basis. Business and Commercial rights with limited period ownership are amortised on straight line basis for the period of rights. If the management anticipates that there will not be any future economic benefit from particular rights then same is amortised fully in the year of such anticipation.

Channel Development cost is amortized on straight line basis over a period of ten years on time proportionate basis.

Computer Softwares are amortized on straight line basis over a period of 3 years on time proportionate basis.

## 1.6 Borrowing Cost

Borrowings are initially recognised at net of transaction costs incurred and measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the Statement of Profit and Loss over the period of the borrowings using the EIR.

Preference shares, which are mandatorily redeemable on a specific date are classified as liabilities. The dividend on these preference shares is recognised as finance costs in the Statement of Profit and Loss.

Borrowing costs directly attributable to development of qualifying asset are capitalized till the date qualifying asset is ready for put to use for its intended purpose. All other Borrowing costs are recognized as expense and charged to profit & loss account.

#### 1.7 Revenue Recognition

Revenue from advertisements is recognised on telecast basis.

## 1.8 Foreign Currency Transaction

## **Initial Recognition**

Foreign currency transactions are recorded in the reporting currency i.e. rupee value, by applying the exchange rate, between the reporting currency and the foreign currency, to the foreign currency amount at the date of the transaction.

### Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

## **Exchange Differences**

Exchange differences arising on the settlement of monetary items or conversion of monetary items at balance sheet date are recognised as income or expenses.

### 1.9 Employee Benefits

#### **Defined Contribution Plan**

Payments to defined contribution plan are charged to profit & loss account when contributions to respective funds are due.

#### **Defined Benefit Plan**

Long Term Employee benefits for Defined benefit schemes, such as leave encashment and gratuity, are provided on the basis of actuary valuation taken at the end of each year.

All expenses represented by current service cost, past service cost, if any, and net interest on the defined benefit liability/ (asset) are recognized in the Statement of Profit and Loss. Remeasurements of the net defined benefit liability/ (asset) comprising actuarial gains and losses (excluding interest on the net defined benefit liability/ (asset)) are recognised in Other Comprehensive Income (OCI). Such remeasurements are not reclassified to the statement of profit and loss, in the subsequent periods.

Other short -term employee benefits are charged to profit & loss account on accrual basis.

#### 1.10 Financial Instruments

#### I) Financial Assets

#### a <u>Initial recognition and measurement</u>

All financial assets are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

## b <u>Subsequent Measurement</u>

## Financial assets carried at amortised cost (AC)

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

## Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

## Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL.

#### c Investment in subsidiaries, Associates and Joint Ventures

The Company has accounted for its investments in subsidiaries, associates and joint venture at cost.

#### d Impairment of financial assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

- i) The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date)
- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

For trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

### e De-recognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de-recognition under Ind AS 109. A financial liability (or a part of a financial liability) is de-recognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

## II) Financial Liabilities

### a Initial Recognition and Measurement

All Financial Liabilities are recognized at fair value and in case of borrowings, net of directly attributable cost, Fee of recurring nature are directly recognized in the Statement of Profit and Loss as finance cost.

**b** For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

#### 1.11 Taxes on Income

Current Tax provision is made based on the tax liability computed after considering tax allowances and exemptions at the balance sheet date as per Income Tax Act, 1961.

Current tax is recognized in the statement of profit and loss except to the extent that the tax relates to items recognized directly in other comprehensive income or directly in equity.

Deferred tax reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date.

Deferred tax asset is recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. Deferred tax assets are recognized on carry forward of unabsorbed depreciation and tax losses only if there is virtual certainty that such deferred tax assets can be realized against future taxable profits.

The carrying amount of Deferred Tax Assets are reviewed at each balance sheet date and written down or written up, to reflect the amount that is reasonably or virtually certain, as the case may be, to be realized.

#### Presentation of current and deferred tax

Current and deferred tax are recognized as income or an expense in the statement of profit and loss, except to the extent they relate to items are recognized in other comprehensive income, in which case, the current and deferred tax income / expense are recognised in other comprehensive income.

## 1.12 Earnings Per Share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Dilutive earnings per share is computed and disclosed using the weighted average number of equity and dilutive equity equivalent shares outstanding during the year, except when the result would be anti-dilutive.

#### 1.13 Impairment of Assets

The carrying values of assets / cash generating units at each Balance Sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, except in case of revalued assets.

#### 1.14 Share based payments

The Company recognizes compensation expense relating to share-based payments in net profit using fair-value in accordance with Ind AS 102, Share-Based Payment. The estimated fair value of awards is charged to statement of profit and loss on a straight-line basis over the requisite service period for each separately vesting portion of the award as if the award was in-substance, multiple awards with a corresponding increase to share based payment reserves.

### 1.15 Business Combinations

Business combinations have been accounted for using the acquisition method under the provisions of Ind AS 103, Business Combinations.

The cost of an acquisition is measured at the fair value of the assets transferred, equity instruments issued and liabilities incurred or assumed at the date of acquisition, which is the date on which control is transferred to the Company. The cost of acquisition also includes the fair value of any contingent consideration. Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are measured initially at their fair value on the date of acquisition. Business combinations between entities under common control is accounted for at carrying value.

Transaction costs that the Company incurs in connection with a business combination such as finder's fees, legal fees, due diligence fees, and other professional and consulting fees are expensed as incurred.

#### 1.16 Dividend

Provision is made for the amount of any dividend declared on or before the end of the reporting period but remaining undistributed at the end of the reporting period, where the same has been appropriately authorised and is no longer at the discretion of the entity.

## 1.17 Contributed Equity

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

#### 1.18 Exceptional Items

Certain occassions, the size, type, or incidences of the item of income or expenses pertaining to the ordinary activities of the Company is such that its disclosure improves the understanding of the performance of the Company, such income or expenses is classified as an exceptional item and accordingly, disclosed in the financial statements.

## Critical accounting judgment and estimates

The preparation of financial statements requires management to exercise judgment in applying the Company's accounting policies. It also requires the use of estimates and assumptions that affect the reported amounts of assets, liabilities, income and expenses and the accompanying disclosures including disclosure of contingent liabilities. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis, with revisions recognised in the period in which the estimates are revised and in any future periods affected.

## 1.19 Contingencies

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Company. Potential liabilities that have a low probability of crystallising or are very difficult to quantify reliably, are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not provided for in the financial statements. There can be no assurance regarding the final outcome of these legal proceedings.

#### 1.20 Useful lives and residual values

The Company reviews the useful lives and residual values of property, plant and equipment, investment property and intangible assets at each financial year end.

#### 1.21 Impairment Testing

- i) Judgment is also required in evaluating the likelihood of collection of customer debt after revenue has been recognised. This evaluation requires estimates to be made, including the level of provision to be made for amounts with uncertain recovery profiles. Provisions are based on historical trends in the percentage of debts which are not recovered, or on more detailed reviews of individually significant balances.
- ii) Determining whether the carrying amount of these assets has any indication of impairment also requires judgment. If an indication of impairment is identified, further judgment is required to assess whether the carrying amount can be supported by the net present value of future cash flows forecast to be derived from the asset. This forecast involves cash flow projections and selecting the appropriate discount rate.

## 1.22 Tax

- i) The Company's tax charge is the sum of the total current and deferred tax charges. The calculation of the Company's total tax charge necessarily involves a degree of estimation and judgment in respect of certain items whose tax treatment cannot be finally determined until resolution has been reached with the relevant tax authority or, as appropriate, through a formal legal process.
- ii) Accruals for tax contingencies require management to make judgments and estimates in relation to tax related issues and exposures.
- iii) The recognition of deferred tax assets is based upon whether it is more likely than not that sufficient and suitable taxable profits will be available in the future against which the reversal of temporary differences can be deducted. Where the temporary differences are related to losses, the availability of the losses to offset against forecast taxable profits is also considered. Recognition therefore involves judgment regarding the future financial performance of the particular legal entity or tax Company in which the deferred tax asset has been recognized.

#### 1.23 Fair Value Measurement

A number of Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

"Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities."

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability fall into different levels of a fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognizes transfers between levels of the fair value hierarchy at the end of reporting year during which the change has occurred.

## **Defined Benefit Obligation**

The costs of providing pensions and other post-employment benefits are charged to the Statement of Profit and Loss in accordance with Ind AS 19 'Employee benefits' over the period during which benefit is derived from the employees' services. The costs are assessed on the basis of assumptions selected by the management. These assumptions include salary escalation rate, discount rates, expected rate of return on assets and mortality rates. The same is disclosed in Note 27 'Employee benefits'.

#### 28 Bank Loans

During the previous financial years, the Company's loan facilities from bank has turned Non performing. Management of the Company has submitted its resolution plan, which is under consideration with the banks. The company's Music channel is enjoying leadership position in its genre since quite long time and management of the company is focusing on growth in cash flow from other channels also. Management of the company is quite confident to reach some workable solution to resolve the financial position of the company.

Since these loans have been recalled by the banks, they have been classified as "Other Financial Liabilities" as on 31st March, 2020 & 31st March, 2019.

	1,00,000	1,50,001	1,00,000	1,50,001			

The management assessed that fair value of cash and cash equivalents, trade receivables, other financial assets, trade payables and other financial liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

## 31 Financial Risk Management

The Company's business activities are exposed to a variety of financial risks, namely liquidity risk, market risks and credit risk. The Company's senior management has the overall responsibility for establishing and governing the Company's risk management framework. The Company has constituted a core Management Committee, which is responsible for developing and monitoring the Company's risk management policies. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set and monitor appropriate risk limits and controls, periodically review the changes in market conditions and reflect the changes in the policy accordingly. The key risks and mitigating actions are also placed before the Audit Committee of the Company.

#### A Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk. Financial instruments affected by market risk include loans and borrowings and deposits.

#### Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. This risk exist mainly on account of borrowings of the Company.

#### Foreign Currency Risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company is not exposed to significant foreign currency risk as at the respective reporting dates.

#### B Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables)

#### i Trade Receivables

Customer credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. An impairment analysis is performed at each reporting date on an individual basis for major trade receivables.

#### C Excessive Risk Concentration

Concentrations arise when a number of counterparties are engaged in similar business activities, or activities in the same geographical region, or have economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions. Concentrations indicate the relative sensitivity of the Company's performance to developments affecting a particular industry.

In order to avoid excessive concentrations of risk, the Company's policies and procedures include specific guidelines to focus on the maintenance of a diversified portfolio. Identified concentrations of credit risks are controlled and managed accordingly.

- Due to Covid-19 pandemic impact the revenue of the Company in the next quarter ended June 30, 2020 has come down substantially. This is mainly because the Company is having its lowest advertising run rate on the channel, it's as low as 10-15% than usual business. In assessing the recoverability of Company's assets such as Loans, Intangible Assets, Trade receivable and other assets as on March 31, 2020, the Company has considered internal and external information upto the date of approval of these financial statements. The Company has performed sensitivity analysis on the assumptions used basis the internal and external information / indicators of future economic conditions and expect to recover the carrying amount of the assets and hence no impairment in the value of assets are required as on March 31, 2020. However, the total impact on the operations of the Company cannot be completely assessed at this stage. The Company is continuously monitoring the situation and is in the process of assessing the impact of Covid 19 pandemic.
- 33 The previous year figures have been regrouped/reclassified wherever considered necessary to correspond with current year classification / disclosure.

## INDEPENDENT AUDITORS' REPORT

#### To the Members of TV Vision Limited

#### Report on the Audit of the Consolidated Financial Statements

#### **Qualified Opinion**

We have audited the accompanying consolidated financial statements of TV Vision Limited (hereinafter referred to as the "Holding Company"), its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") and its associate, which comprise the consolidated balance sheet as at March 31, 2020, the consolidated statement of Profit and Loss, consolidated statement of changes in equity and the consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies (hereinafter referred to as the "consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion and Emphasis of Matters section of our report, the accompanying consolidated financial statements give the information required by the Companies Act 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, its associate, as at March 31, 2020 of its consolidated loss, consolidated position of changes in equity and the consolidated cash flows for the year ended on that date.

### **Basis for Qualified Opinion**

- Due to defaults in repayment of loans taken from Bank/s, the account of the company has been classified as non-performing asset by banks in the previous financial years and the banks have not charged the interest / reversed the unpaid interest charged from the date the account has been classified as non-performing. No provision has been made in the books of accounts maintained by the Company for interest / penal interest, if any, on these term loans amounting to about Rs. 14,07,36,639 /- (exact amount cannot be ascertained) for the year ended March 31, 2020, hence to that extent, finance cost, total loss and current financial liabilities is estimated to be understated by about Rs. 14,07,36,639 /- (exact amount cannot be ascertained) for the year ended March 31, 2020. Further, no provision for interest / penal interest, if any, on such term loans has been made in books of accounts, from the date the account of the Company has been classified as non-performing in the books of those banks.
- ii) The aggregate carrying value of Business and Commercial Rights and Channel Development Cost in the books of the Company as on March 31, 2020 is Rs. 127,81,34,460 /-. There is no revenue generation from monetization of these assets during the year ended March 31, 2020 due to which the Company has incurred substantial losses during the year ended March 31, 2020 and previous financial years. There is a strong indication of impairment in the value of these Business and Commercial Rights and Channel Development Cost and therefore we are of the opinion that the impairment loss of Rs. 127,81,34,460 /- should be provided on all such assets in the books of accounts of the Company as on March 31, 2020. The assets of the Company are overstated and net loss for the year ended March 31, 2020 is understated to that extent.
- iii) The Company has not provided for loss allowances on financial guarantee contracts amounting to Rs.11,59,80,252 /(excluding interest / penalty charges, if any) given by the Company on behalf of its related group companies to its
  secured lenders which is to be recognized as required by Indian Accounting Standard (IND-AS 109). The financial
  liabilities of the Company and net loss for the year ended March 31, 2020 is understated to that extent.
- iv) The Company has not accounted the lease transactions as per requirements of Indian Accounting Standard (IND AS) 116 which is applicable from April 1, 2019. The impact, if any, of such non-compliance of IND-AS 116 on the financials of the Company for the year ended March 31, 2020 is unascertainable.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group, its associate, in accordance with the Code of Ethics and provisions of the Companies Act, 2013 that are relevant to our audit of the consolidated financial statements in India under the Companies Act, 2013 and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics and the requirements under the Companies Act, 2013. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

#### **Emphasis of Matter**

- The financial statements are prepared on going concern basis notwithstanding the fact that loans have been recalled back by secured lenders, current liabilities are substantially higher than the current assets, issue of notices under Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002, recovery proceedings initiated with debt recovery tribunal, symbolic possession of mortgaged property provided as collateral by promoters, invocation of part of the shares pledged as collaterals by bank, invocation of corporate guarantees from guarantors of the loan by the secured lenders of the Company and substantial losses incurred by the Company during the year ending March 31, 2020 and previous financial years. All of the above conditions indicate that a material uncertainty exists that may cast significant doubt on the company's ability to continue as a going concern.
- ii) Attention is drawn to Note No.35 to the Standalone financial statements, which describes that the extent to which the COVID-19 Pandemic will impact the Company's financial statements in next financial year will depend on future developments, which are highly uncertain.
- iii) The qualified opinion expressed in the present report is based on the limited information, facts and inputs made available to us through electronic means by the Company. We wish to highlight that due to the COVID-19 induced restrictions on physical movement and strict timelines, the entire audit team could not visit the office of the Company for undertaking the required audit procedures as prescribed under ICAI issued Standards on Auditing, including but not limited to:
  - Inspection, Observation, examination and verification of the original documents of invoices, legal agreements, bank accounts statements / loan accounts statements and files.
  - Physical verification of Cash, including adequate internal controls thereof.
  - Physical Verification of Property, Plant and Equipment as on March 31, 2020.
  - Any other processes which required physical presence of the audit team.

Our opinion is not modified in respect of these matters.

## Basis of Adverse Opinion for accounts of Associate Company (i.e. Krishna Showbiz Services Private Limited):

- i) The aggregate carrying value of Business and Commercial Rights and Channel Development Cost in the books of the Company as on March 31, 2020 is Rs. 95,90,21,996/-. There is no significant revenue generation from monetization of these assets during the year ended March 31, 2020 due to which the Company has incurred substantial losses during the year ended March 31, 2020 and previous financial years. There is a strong indication of impairment in the value of these Business and Commercial Rights and Channel Development Cost and therefore we are of the opinion that the impairment loss of Rs. 95,90,21,996/- should be provided on all such assets in the books of accounts of the Company as on March 31, 2020. The assets of the Company are overstated and net loss for the year ended March 31, 2020 is understated to that extent.
- ii) No provision has been made in the books of accounts maintained by the Company for interest / penal interest, if any, on these term loans amounting to about Rs. 1,60,00,000 /- (exact amount cannot be ascertained) for the month of March 31, 2020 as the loan statement for the month of March 31, 2020 has not been received from the bank, hence to that extent, finance cost, total loss and current financial liabilities is estimated to be understated by about Rs. 1,60,00,000 /- (exact amount cannot be ascertained) for the year ending March 31, 2020.

## Material uncertainty related to Going Concern of Associate Company (i.e. Krishna Showbiz Services Private Limited):

The financial statements are prepared on going concern basis notwithstanding the fact that loan accounts are classified as non-performing by bank, loans have been recalled back by secured lenders, current liabilities are substantially higher than the current assets, symbolic possession of mortgaged property provided as collateral by promoters, invocation of part of the shares pledged as collaterals by bank, further as discussed in the Basis of Adverse Opinion paragraph, the carrying value of non-current assets has been fully impaired and also that there is no significant business activity has been carried out during the financial year under audit and substantial losses incurred by the Company during the year ending March 31, 2020 and previous financial years. All of the above conditions indicate that a material uncertainty exists that may cast significant doubt on the company's ability to continue as a going concern.

Our opinion is not modified in respect of this matter.

### Material uncertainty related to Going Concern of Subsidiary Company (i.e. UBJ Broadcasting Private Limited)

i) The financial statements of the Company are prepared on a going concern basis, notwithstanding the fact that the company has a loss of Rs. 1,18,11,754/- in financial year 2019-20 and also has negative "Other Equity" of Rs. 36,42,239 /- as at March 31, 2020. The said condition indicates that a material uncertainty exists that may cast significant doubt on the company's ability to continue as a going concern.

Our opinion is not modified in respect of this matter.

### Information Other than the Financial Statements and Auditor's Report Thereon

The Group Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's report and Management Discussion and Analysis, but does not include the Secretarial Audit Report, Consolidated financial statements and our auditor's report thereon. The Board's report and Management Discussion and Analysis is expected to be made to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance or conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Board's report and Management Discussion and Analysis, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and make disclosures and take specific actions as per applicable laws and regulations, if required.

#### **Key Audit Matters**

Except for the matter described in the Basis for Qualified Opinion section and Emphasis of Matters paragraph, we have determined that there are no other key audit matters to communicate in our report.

## Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its associate in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. The respective Board of Directors of the Companies included in the Group and of its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associate are responsible for assessing the ability of the Group and of its associate to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associate are responsible for overseeing the financial reporting process of the Group and of its associate.

## Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable

assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or
  error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and
  appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is
  higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations,
  or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate
  in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our
  opinion on whether the company has adequate internal financial controls system in place and the operating
  effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of Group and its associate to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associate to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieve fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within
  the Group and its associate to express an opinion on the consolidated financial statements. We are responsible for the
  direction, supervision and performance of the audit of the financial statements of such entities included in the
  consolidated financial statements of which we are the independent auditors. For the other entities included in the
  consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for
  the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit
  opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Other Matters

The consolidated financial statements includes audited financial statements of 3 subsidiaries whose financial statements reflect total assets of Rs. 54,37,132/- as at March 31, 2020, total revenues of Rs. NIL and total net loss after tax of Rs.1,29,65,672/- for the period from April 1, 2019 to March 31, 2020, as considered in the consolidated financial statements. The consolidated audited financial statements does not include Group's share of net loss after tax for the year ended March 31, 2020, in respect of one associate, whose financial statements have been audited by us. According to the information and explanations given to us by the Management and as per Indian Accounting Standard (Ind AS 28) "Investments in Associates", these financial statements of the associate are not considered in the financial statements of the Parent as the investment in the associate company had become Rs. NIL in the previous financial year in the books of the Parent and liability for proportionate losses of the current year ended March 31, 2020 are not recognised as per requirements of Indian Accounting Standard (Ind AS) 28.

Our opinion on the Statement is not modified in respect of this matter.

## Report on Other Legal and Regulatory Requirements

- 1. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements.

  - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated financial statements.
  - d) In our opinion, subject to Basis of Qualified Opinion and Emphasis of Matters section in our report, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2020 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiaries company and associate company, none of the directors of the Group companies, its associate company is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164(2) of the Act.
  - f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in "Annexure A".
  - g) With respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group, its associate Refer Note No.32 to the financial statements.
    - ii. The Group, its associate did not have any material foreseeable losses on long-term contracts including derivate contracts.
    - iii. According to the information and explanation given to us, the Company is not required to transfer any amount to Investor Education and Protection Fund.

## "ANNEXURE B" FORMING PART OF INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act").

We have audited the internal financial controls over financial reporting of TV Vision Limited ("the Holding Company"), its subsidiaries company and its associate company as of March 31, 2020 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

## Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company, its subsidiaries company and its associate company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

## Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Holding Company, its Subsidiaries Company and its Associate Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

#### 1 Significant Accounting Policies

#### 1.1 General

The financial statements of the Company comprising of Balance Sheet, Statement of Profit and Loss, Statement of changes in Equity and Cash Flow Statement together with the notes have been prepared in accordance with Indian Accounting Standards notified under the Companies (Indian Accounting Standards) Rules, 2015 ("Ind AS") as amended. These financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial assets and liabilities that are measured at fair values at the end of each reporting period, as stated in the accounting policies stated out below.

#### 1.2 Use of Estimates

The preparation of financial statements requires management to exercise judgment in applying the Company's accounting policies. It also requires the use of estimates and assumptions that affect the reported amounts of assets, liabilities, income and expenses and the accompanying disclosures including disclosure of contingent liabilities. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis, with revisions recognised in the period in which the estimates are revised and in any future periods affected.

#### 1.3 Provisions, Contingent Liabilities and Contingent Assets

A provision is recognized when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. If the effect of time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources embodying economic benefits or the amount of such obligation cannot be measured reliably. When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources embodying economic benefits is remote, no provision or disclosure is made.

Contingent assets are not recognised in the financial statements, however they are disclosed where the inflow of economic benefits is probable. When the realisation of income is virtually certain, then the related asset is no longer a contingent asset and is recognised as an asset.

#### 1.4 Fixed Assets

#### Property, Plant and Equipment

Property, Plant and Equipment are stated at cost of acquisition as reduced by accumulated depreciation and impairment losses, if any. Acquisition cost comprises of the purchase price and attributable cost incurred for bringing the asset to its working condition for its intended use.

#### Intangible Fixed Assets

Intangible Fixed Assets are carried at cost less accumulated amortisation and impairment losses, if any. The Cost of intangible assets comprises of cost of purchase, production cost and any attributable expenditure for making the asset ready for its intended use.

#### 1.5 Depreciation/Amortisation

#### Property, Plant and Equipment

Depreciation on Property, Plant and Equipment has been provided on a straight line basis based on the useful life as follows:

No.	Category	Estimated Useful Life
1	Computer	3 years
2	Motor Car	8 years
3	Plant and Machinery	10 years
4	Improvement to Lease Assets	10 years
5	Decoder	1 year

#### **Intangible Fixed Assets**

Business and Commercial Rights are amortised on straight line basis over a period of ten years on a time proportionate basis. Business and Commercial rights with limited period ownership are amortised on straight line basis for the period of rights. If the management anticipates that there will not be any future economic benefit from particular rights then same is amortised fully in the year of such anticipation.

Channel Development cost is amortized on straight line basis over a period of ten years on time proportionate basis.

Computer Softwares are amortized on straight line basis over a period of 3 years on time proportionate basis.

#### 1.6 Borrowing Cost

Borrowings are initially recognised at net of transaction costs incurred and measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the Statement of Profit and Loss over the period of the borrowings using the EIR.

Preference shares, which are mandatorily redeemable on a specific date are classified as liabilities. The dividend on these preference shares is recognised as finance costs in the Statement of Profit and Loss.

Borrowing costs directly attributable to development of qualifying asset are capitalized till the date qualifying asset is ready for put to use for its intended purpose. All other Borrowing costs are recognized as expense and charged to profit & loss account.

#### 1.7 Revenue Recognition

Revenue from advertisements is recognised on telecast basis.

#### 1.8 Foreign Currency Transaction

#### **Initial Recognition**

Foreign currency transactions are recorded in the reporting currency i.e. rupee value, by applying the exchange rate, between the reporting currency and the foreign currency, to the foreign currency amount at the date of the transaction.

#### Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

#### **Exchange Differences**

Exchange differences arising on the settlement of monetary items or conversion of monetary items at balance sheet date are recognised as income or expenses.

#### 1.9 Employee Benefits

#### **Defined Contribution Plan**

Payments to defined contribution plan are charged to profit & loss account when contributions to respective funds are due.

#### **Defined Benefit Plan**

Long Term Employee benefits for Defined benefit schemes, such as leave encashment and gratuity, are provided on the basis of actuary valuation taken at the end of each year.

All expenses represented by current service cost, past service cost, if any, and net interest on the defined benefit liability/ (asset) are recognized in the Statement of Profit and Loss. Remeasurements of the net defined benefit liability/ (asset) comprising actuarial gains and losses (excluding interest on the net defined benefit liability/ (asset)) are recognised in Other Comprehensive Income (OCI). Such remeasurements are not reclassified to the statement of profit and loss, in the subsequent periods.

Other short -term employee benefits are charged to profit & loss account on accrual basis.

#### 1.10 Financial Instruments

#### I) Financial Assets

#### a <u>Initial recognition and measurement</u>

All financial assets are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

#### b Subsequent Measurement

#### Financial assets carried at amortised cost (AC)

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

#### Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

#### Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL.

#### c Investment in subsidiaries, Associates and Joint Ventures

The Company has accounted for its investments in subsidiaries, associates and joint venture at cost.

#### d Impairment of financial assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

- i) The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date)
- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

For trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

#### e De-recognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de-recognition under Ind AS 109. A financial liability (or a part of a financial liability) is de-recognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

#### II) Financial Liabilities

#### a Initial Recognition and Measurement

All Financial Liabilities are recognized at fair value and in case of borrowings, net of directly attributable cost, Fee of recurring nature are directly recognized in the Statement of Profit and Loss as finance cost.

**b** For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

#### 1.11 Taxes on Income

Current Tax provision is made based on the tax liability computed after considering tax allowances and exemptions at the balance sheet date as per Income Tax Act, 1961.

Current tax is recognized in the statement of profit and loss except to the extent that the tax relates to items recognized directly in other comprehensive income or directly in equity.

Deferred tax reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date.

Deferred tax asset is recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. Deferred tax assets are recognized on carry forward of unabsorbed depreciation and tax losses only if there is virtual certainty that such deferred tax assets can be realized against future taxable profits.

The carrying amount of Deferred Tax Assets are reviewed at each balance sheet date and written down or written up, to reflect the amount that is reasonably or virtually certain, as the case may be, to be realized.

#### Presentation of current and deferred tax

Current and deferred tax are recognized as income or an expense in the statement of profit and loss, except to the extent they relate to items are recognized in other comprehensive income, in which case, the current and deferred tax income / expense are recognised in other comprehensive income.

#### 1.12 Earnings Per Share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Dilutive earnings per share is computed and disclosed using the weighted average number of equity and dilutive equity equivalent shares outstanding during the year, except when the result would be anti-dilutive.

#### 1.13 Impairment of Assets

The carrying values of assets / cash generating units at each Balance Sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, except in case of revalued assets.

#### 1.14 Share based payments

The Company recognizes compensation expense relating to share-based payments in net profit using fair-value in accordance with Ind AS 102, Share-Based Payment. The estimated fair value of awards is charged to statement of profit and loss on a straight-line basis over the requisite service period for each separately vesting portion of the award as if the award was in-substance, multiple awards with a corresponding increase to share based payment reserves.

#### 1.15 Business Combinations

Business combinations have been accounted for using the acquisition method under the provisions of Ind AS 103, Business Combinations.

The cost of an acquisition is measured at the fair value of the assets transferred, equity instruments issued and liabilities incurred or assumed at the date of acquisition, which is the date on which control is transferred to the Company. The cost of acquisition also includes the fair value of any contingent consideration. Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are measured initially at their fair value on the date of acquisition. Business combinations between entities under common control is accounted for at carrying value.

Transaction costs that the Company incurs in connection with a business combination such as finder's fees, legal fees, due diligence fees, and other professional and consulting fees are expensed as incurred."

#### 1.16 Dividend

Provision is made for the amount of any dividend declared on or before the end of the reporting period but remaining undistributed at the end of the reporting period, where the same has been appropriately authorised and is no longer at the discretion of the entity.

#### 1.17 Contributed Equity

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

#### 1.18 Exceptional Items

Certain occassions, the size, type, or incidences of the item of income or expenses pertaining to the ordinary activities of the Company is such that its disclosure improves the understanding of the performance of the Company, such income or expenses is classified as an exceptional item and accordingly, disclosed in the financial statements.

#### Critical accounting judgment and estimates

The preparation of financial statements requires management to exercise judgment in applying the Company's accounting policies. It also requires the use of estimates and assumptions that affect the reported amounts of assets, liabilities, income and expenses and the accompanying disclosures including disclosure of contingent liabilities. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis, with revisions recognised in the period in which the estimates are revised and in any future periods affected.

#### 1.19 Contingencies

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Company. Potential liabilities that have a low probability of crystallising or are very difficult to quantify reliably, are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not provided for in the financial statements. There can be no assurance regarding the final outcome of these legal proceedings.

#### 1.20 Useful lives and residual values

The Company reviews the useful lives and residual values of property, plant and equipment, investment property and intangible assets at each financial year end.

#### 1.21 Impairment Testing

- i) Judgment is also required in evaluating the likelihood of collection of customer debt after revenue has been recognised. This evaluation requires estimates to be made, including the level of provision to be made for amounts with uncertain recovery profiles. Provisions are based on historical trends in the percentage of debts which are not recovered, or on more detailed reviews of individually significant balances.
- ii) Determining whether the carrying amount of these assets has any indication of impairment also requires judgment. If an indication of impairment is identified, further judgment is required to assess whether the carrying amount can be supported by the net present value of future cash flows forecast to be derived from the asset. This forecast involves cash flow projections and selecting the appropriate discount rate.

#### 1.22 Tax

- i) The Company's tax charge is the sum of the total current and deferred tax charges. The calculation of the Company's total tax charge necessarily involves a degree of estimation and judgment in respect of certain items whose tax treatment cannot be finally determined until resolution has been reached with the relevant tax authority or, as appropriate, through a formal legal process.
- ii) Accruals for tax contingencies require management to make judgments and estimates in relation to tax related issues and exposures.
- ii) The recognition of deferred tax assets is based upon whether it is more likely than not that sufficient and suitable taxable profits will be available in the future against which the reversal of temporary differences can be deducted. Where the temporary differences are related to losses, the availability of the losses to offset against forecast taxable profits is also considered. Recognition therefore involves judgment regarding the future financial performance of the particular legal entity or tax Company in which the deferred tax asset has been recognized.

### 1.23 Fair Value Measurement

A number of Company's accounting policies and disclosures require the measurement of fair values, for both financial

and non-financial assets and liabilities. When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability fall into different levels of a fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognizes transfers between levels of the fair value hierarchy at the end of reporting year during which the change has occurred.

#### **Defined Benefit Obligation**

The costs of providing pensions and other post-employment benefits are charged to the Statement of Profit and Loss in accordance with Ind AS 19 'Employee benefits' over the period during which benefit is derived from the employees' services. The costs are assessed on the basis of assumptions selected by the management. These assumptions include salary escalation rate, discount rates, expected rate of return on assets and mortality rates. The same is disclosed in Note 30, 'Employee benefits'.

#### 31 Bank Loans

During the previous financial years, the Company's loan facilities from bank has turned Non performing. Management of the Company has submitted its resolution plan, which is under consideration with the banks. The company's Music channel is enjoying leadership position in its genre since quite long time and management of the company is focusing on growth in cash flow from other channels also. Management of the company is quite confident to reach some workable solution to resolve the financial position of the company.

Since these loans have been recalled by the banks, they have been classified as "Other Financial Liabilities" as on 31st March, 2020 & 31st March, 2019.

#### 32 Contigent Liability and Commitment

	1,00,000	1,50,001	1,00,000	1,50,001

The management assessed that fair value of cash and cash equivalents, trade receivables, other financial assets, trade payables and other financial liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

#### 34 Financial Risk Management

The Company's business activities are exposed to a variety of financial risks, namely liquidity risk, market risks and credit risk. The Company's senior management has the overall responsibility for establishing and governing the Company's risk management framework. The Company has constituted a core Management Committee, which is responsible for developing and monitoring the Company's risk management policies. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set and monitor appropriate risk limits and controls, periodically review the changes in market conditions and reflect the changes in the policy accordingly. The key risks and mitigating actions are also placed before the Audit Committee of the Company.

#### A Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk. Financial

instruments affected by market risk include loans and borrowings and deposits.

#### **Interest Rate Risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. This risk exist mainly on account of borrowings of the Company. However, all these borrowings are at fixed interest rate and hence the exposure to change in interest rate is insignificant.

#### Foreign Currency Risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company is not exposed to significant foreign currency risk as at the respective reporting dates.

#### B Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and other financial assets.

#### i Trade Receivables

Customer credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. An impairment analysis is performed at each reporting date on an individual basis for major trade receivables.

#### C Excessive Risk Concentration

Concentrations arise when a number of counterparties are engaged in similar business activities, or activities in the same geographical region, or have economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions. Concentrations indicate the relative sensitivity of the Company's performance to developments affecting a particular industry. In order to avoid excessive concentrations of risk, the Company's policies and procedures include specific guidelines to focus on the maintenance of a diversified portfolio. Identified concentrations of credit risks are controlled and managed accordingly.

- Due to Covid-19 pandemic impact the revenue of the Company in the next quarter ended June 30, 2020 has come down substantially. This is mainly because the Company is having its lowest advertising run rate on the channel, it's as low as 10-15% than usual business. In assessing the recoverability of Company's assets such as Loans, Intangible Assets, Trade receivable and other assets as on March 31, 2020, the Company has considered internal and external information upto the date of approval of these financial statements. The Company has performed sensitivity analysis on the assumptions used basis the internal and external information / indicators of future economic conditions and expect to recover the carrying amount of the assets and hence no impairment in the value of assets are required as on March 31, 2020. However, the total impact on the operations of the Company cannot be completely assessed at this stage. The Company is continuously monitoring the situation and is in the process of assessing the impact of Covid 19 pandemic.
- 36 The previous year figures have been regrouped/reclassified wherever considered necessary to correspond with current year classification / disclosure.

3 a. Details of Audit Qualification: Impairment in the value of intangible business and commercial rights and channel development

cost.

iii) The aggregate carrying value of Business and Commercial Rights and Channel Development Cost in the books of the Company as on March 31, 2020 is Rs. 127,81,34,460 /-. There is no revenue generation from monetization of these assets during the quarter and period ended March 31, 2020 and previous financial years. There is a strong indication of impairment in the value of these Business and Commercial Rights and Channel Development Cost and therefore we are of the opinion that the impairment loss of Rs. 127,81,34,460 /- should be provided on all such assets in the books of accounts of the Company as on March 31, 2020. The assets of the Company are overstated and net loss for the quarter and period ended March 31, 2020 is understated to that extent.

- b. Type of Audit Qualification: Qualified Opinion / Disclaimer of Opinion / Adverse Opinion
- c. Frequency of qualification: Whether appeared first time / repetitive / since how long continuing: Repetitive
- d. For Audit Qualification(s) where the impact is auantified by the auditor, Management's Views:

Management of the company does not anticipate any impairment in the value of Intangible Business and Commercial Rights and related media assets as management consider that Rights/assets can be commercially exploited in different ways to generate the revenue. Management is in continuous process of generating revenue from exploitation of rights in different ways. Management estimates that decline in revenue in recent past is temporary in nature which have potential to get regularized in near future. Management further estimates that the said assets, during their useful life, will be able to generate discounted cash flow at least equal to the present value of rights/assets in the books. The nature of assets is such that revenue generated from it is unevenly spread during the useful life of assets. The company is in process of forming a technical team of experienced persons to estimate the value in use.
