Media Release

Business Updates: Order Book Status for the Infrastructure Business Division.

New Delhi, 11'June 2022: Vikas Ecotech Limited is glad to share updates on order book for Infrastructural Products, the company has received orders valued INR 360 million to be supplied in Q2_FY2022-23.

The infrastructure development segment in India witnessed a double-digit growth during recent years and offers exponential growth prospects for the future, whereas the public sector (Government) plans to invest about INR 102 lakh crore on infrastructure projects by 2024-25, the private sector is also poised to keep growing at encouraging numbers.

Vikas Ecotech Limited has been catering to the infrastructure development industry as one of its major business divisions targeting broad-basing of its product portfolio. The company will be focussing on this business segment and adding more products and reaching out to more geographical locations. Considering the potential of the targeted business segment and the strong status of the order book Annual Sales Target for Infrastructure Products Division for the Financial Year 2022-23 has been heightened to INR 2250 Million on standalone basis.

About the Company:

Vikas Ecotech Ltd. Is a New Delhi based company engaged in the business of Speciality Polymers & Specialty Additives and Chemicals for Plastics & Rubbers industries, catering to a wide horizon of applications in Agriculture, Infrastructure, packaging, electrical, footwear, pharmaceuticals, automotive, medical devices and components and other consumer goods.

Vikas Ecotech is the only manufacturer of Organotin (Heat Stabilizers for Vinyl applications) in India with in-house R&D facilities and is one of the single digit number of manufacturers of this product worldwide, who have technology and expertise for manufacturing this material right from Tin Metal to the final product.

Vikas Ecotech is expanding its business and product portfolio has added many consumer (final) products to its conventional (raw material businesses) profile. The new business segments include Infrastructure Products like Steel Pipe Fittings, MDPE Pipes for Gas applications to its business lines.

The securities of the Company are listed on both the Stock Exchanges, BSE (Scrip Code: 530961) and NSE (Scrip Code: VIKASECO).
