**Notes:**

- The above unaudited financial results have been reviewed by the Audit Committee and subsequently approved by the Board of Directors of the Company at their respective meetings held on August 10, 2020. The Statutory Auditors have carried out the Review for the quarter ended June 30, 2020 pursuant to the Regulation 33 of SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015, as amended.
- The outbreak of COVID-19 pandemic across the globe and in India has contributed to a significant impact and volatility in global and Indian financial markets and slowdown in economic activities. On March 24, 2020, the Indian Government announced a strict 21-day lock-down, an applicable being extended from time to time and the Ministry of Home Affairs issued Guidelines for Phased Re-opening (Lockdown) on May 30, 2020, whereby, the lockdown continued, with or without relaxations across the country based on severity of the outbreak. The extent to which the COVID-19 pandemic will impact the Company's operational and financial results will depend on the future developments, which are uncertain at the point of time, including among other things any new information concerning the severity of the COVID-19 pandemic and any action to contain its spread or mitigate its impact wholly mandated by external authorities by the Government.
- In accordance with the Reserve Bank of India ("RBI") guidelines on 'COVID-19 Regulatory Package' dated March 27, 2020 and April 17, 2020, the Company has granted moratorium to all eligible borrowers for a period up to three months on payment of installment interest, as applicable, being due between March 1, 2020 and May 31, 2020. Further, in line with the additional Regulatory Package of RBI dated May 23, 2020, the Company has granted a further three month moratorium on installments/ interest, as applicable, to all eligible borrowers, who have specifically sought the moratorium for the payments falling due between June 1, 2020 and August 31, 2020. For all such accounts where the moratorium is granted, the asset classification shall remain stand still during the moratorium period (i.e. the number of days past due shall exclude the moratorium period for the purposes of determining whether an asset is non-performing). The relaxation does not automatically trigger a significant increase in credit risk. The Company continues to reassess income during the moratorium period and in the absence of other credit risk indicators, the granting of a moratorium period does not result in accounts becoming non-performing and automatically triggering change in rating criteria.
- The Company has made provisions as per the adopted Expected Credit Loss ("ECL") model for impairment of financial instruments. Based on the current situation and the available internal and external sources of information including various measures taken by the Government and regulators, the Company considers this provision, including the additional provision, to be adequate and expects that all other assets of the Company are recoverable. The provisions held by the Company are in excess of the RBI prescribed norms.
- The business of the company falls into a single primary segment viz., "Financial services" and hence, the disclosure requirement of line AG 106 "Operating Segments" is not applicable.
- The figures of the last quarter of the previous year are the balancing figures between audited figures in respect of the full financial year and the unaudited published year-to-date figures up to the end of the first quarter of the previous year. The figures up to the end of that quarter were only reviewed and not audited to audit.
- Current tax for the quarter ended June 30, 2020 is Nil, mainly due to the reason that the Company has written off Bad Debts amounting to Rs. 500 lakhs during the quarter ended June 30, 2020 for which 100% provision was made during the quarter ended March 31, 2020.
- Figures pertaining to the previous period have been reorganized/revised, wherever considered necessary, to make them comparable with those of the current period.
- The above is an extract of the detailed format of standalone Financial Results for the quarter ended June 30, 2020 filed with the stock Exchange and/or Registrar of Companies (Listing Obligations and Disclosures Requirements) Regulations, 2015. The full format of Quarterly Annual Financial Results are available on the Stock Exchange of India (SEBI) at [www.sebiindia.com](http://www.sebiindia.com), [www.nseindia.com](http://www.nseindia.com) and on company's website at [www.ashikagroup.com](http://www.ashikagroup.com)
