Dear Sir/Madam,

Subject: Monthly operational update

In accordance with SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015 and Code of Practices and Procedures for Fair Disclosure of Unpublished Price Sensitive Information in terms of Regulation 8 of SEBI (Prohibition of Insider Trading) Regulations, 2015, we are enclosing herewith a copy of key business parameters for the month ended November 2023.

Key highlights:

- Total volume, including surface and air express, stood at 99kt, recording an increase of 4% as compared to November 2022. In comparison to October 2023 volumes declined by 12%. Growth was witnessed in the current month despite a high base last year.
- We witnessed the pre festive demand tapering off, however our volumes continue to remain strong on the back of sales acceleration initiatives.
- With all key management hiring in place along with five operational super hubs, we expect momentum to continue.

Note: 1) Total volume including Surface and Air express.

The above information is as per limited review by the Management. This is for your information and for the information of your members and the public at large.

Thanking you,

Yours faithfully,
For **Allcargo Gati Limited**
(Formerly known as "Gati Limited")
