EFFECT OF COVID - 19 PANDEMIC:

The client market segments we serve are faced with challenges and opportunities arising from the COVID-19 pandemic and its resulting impact on the economy. We believe the efforts we have made, and continue to make, in our strategy will enable us to advise and help our clients as they tackle these market conditions.

The Covid-19 pandemic presented an unprecedented health emergency. In India, early protective measures by the Indian Government were gradually ramped up, culminating into a strict nationwide lockdown starting from 25th March 2020. Similar measures to contain this emergency in the form of restrictions on activity and mobility by countries has resulted in a global slowdown, even as there continues to be a severe uncertainty around the duration and intensity of the crisis. This affects all aspects of our lives and will have a wide impact on the economy. The Company currently has small function in its sector and trying to improve further to maximize the shareholders wealth, the current situation has not much affected, apart from the working system of the Company. The safety and well-being of the employees, customers and other stakeholders has been the Company's highest priority. The Company is constantly monitoring the situation, suggesting swift and effective actions. Following the lockdown, the Company tried to work with its employees who were able to manage their work remotely from their homes.

Note: These are forward-looking statements that involve risks and uncertainties. Our actual results could differ materially from those anticipated in these statements as a result of certain factors.

DIVIDEND:

The Company has not declared any dividend for the financial year ended on 31st March, 2020.

ANNEXURE - 1 TO THE DIRECTOR'S REPORT

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The Management of M/s Shreeshay Engineers Limited is presenting the Management Discussion and Analysis Report covering the operations and financial performance of the Company for the financial year 2019-20. The Company is engaged in the business of providing real estate construction and engineering focused solutions.

INDUSTRY STRUCTURE & DEVELOPMENT:

India has always been a resilient market with great fundamentals for real estate and springing back positively. By virtue of the strong and increasing demand due to our large population base, this sector has grown continuously and is expected to stay steady for long. The industry developments were favourable for the financial year 2019-20.

OUTLOOK:

The government's Credit Linked Subsidy Scheme (CLSS) had many takers, making affordable housing a hot-selling segment across metros and tier II cities. In order to push mission Housing for All by 2022 and to increase demand in middle income group (MIG) category, the government has extended the CLSS scheme till March 2019 and further relaxed the carpet area norms for MIG category I to 120 square meters under CLSS scheme from its existing 90 square meters and for category II, from 110 to 150 square meters. With these key acts stabilizing, the real estate sector is on the cusp of a complete makeover. The prospects for future development of our business are bright due to the introduction of these initiatives.

COMPETITION:

The industry in which we operate is highly competitive and fragmented. Competition emerges from small as well as big players. The organized players in the industry compete with each other by providing high quality, time-bound and value added services. We have a number of competitors offering services similar to us. We believe the principal elements of Competition in the real estate consultancy sector are price, quality, timely delivery and reliability. We compete by establishing ourselves as a knowledge-based unit with industry expertise in completing the projects on time and providing quality work to the consumers which enables us to provide our clients efficient service suitable to the current market expectations.

SWOT ANALYSIS OF THE REAL ESTATE INDUSTRY:

Strengths: The industrial output can be positively compared with most of the developed countries. IT/ITeS and industries are still expected to grow, creating employment opportunities and job stability. Rising disposable incomes and a growing middle class will also ensure robust housing demand and overall growth for real estate in India.

Moreover, Foreign Direct Investments in various sectors will continue to fuel the economy and open more doors. The Land Bill as well as the Real Estate Regulatory Bill will bring about more transparency in the long term, hence making investments more attractive.

The above fundamentals automatically create demand for more housing and also tend to support infrastructure such as retail, office, hospitality, health care, entertainment and lifestyle business.

Weakness: The recent past has been a little gloomy with unstable government policies, indecisiveness and inconsistencies in issues related to tax and other involved arenas. Such situations tend to hamper the overall business landscape leading to sluggish growth, directly impacting the real estate sector.

Excessive red tape and long approval gestation periods increase delivery time and make the business riskier, hence increasing the overall cost of projects. Scarcity of capital available for real estate, with RBI curbs in this sector, results in increasing the cost of capital.

High inflation rate has been pushing construction costs up and this, combined with the high cost of capital will lead to steep pricing. Frivolous litigations and unclear land titles has plagued this industry. Lack of transparency has hampered further investments in this field with investors focusing on other secure markets.

SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE:

The Company is engaged in the business of real estate construction and engineering focused solutions, accordingly this is the only single reportable segment.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY:

Your Company has an effective internal control and risk-mitigation system, which are constantly assessed and strengthened with new/revised standard operating procedures. The Company's internal control system is commensurate with its size, scale and complexities of its operations. The internal and operational audit is entrusted to M/s. Vinod K. Mehta & Co., a reputed firm of Chartered Accountants. The main thrust of internal audit is to test and review controls, appraisal of risks and business processes, besides benchmarking controls with best practices in the industry. The Audit Committee of the Board of Directors actively reviews the adequacy and effectiveness of the internal control systems and suggests improvements to strengthen the same. The Company has a robust Management Information System, which is an integral part of the control mechanism. The Audit Committee of the Board of Directors, Statutory Auditors and the Business Heads are periodically apprised of the internal audit findings and corrective actions taken. Audit plays a key role in providing assurance to the Board of Directors. Significant audit observations and corrective actions taken by the management are presented to the Audit Committee of the Board. To maintain its objectivity and independence, the Internal Audit function reports to the Chairman of the Audit Committee.

ENVIRONMENT AND SAFETY:

The Company is conscious of the importance of environmentally clean and safe operations. The Company's policy requires conduct of operations in such a manner, so as to ensure safety of all concerned, compliances of environmental regulations and preservation of natural resources.

HUMAN RESOURCES AND INDUSTRIAL RELATIONS:

Your Company has team of qualified and dedicated personnel who have contributed to the consolidation of the operations of your Company. Your Company's industrial relations continued to be harmonious during the year under review. Your Company has succeeded in attracting and retaining key professional and intends to continue to seek fresh talents to further enhance and grow our business.

CAUTIONERY STATEMENT:

Statements in this report describing the Company's objective, expectations or predictions may be optimistic statements within the meaning of applicable securities laws and regulations. The actual result may differ materially from those expressed in the statements. Important factors that could influence the company's operations include economic conditions affecting demand / supply price condition in the domestic markets in which the company operates, changes in the government regulations, tax laws and other statutes and other incidental factors.

ANNEXURE - 8 TO THE DIRECTORS' REPORT

SALIENT FEATURES OF POLICY ON REMUNERATION OF KEY MANAGERIAL PERSONNEL AND EMPLOYEES

Objective

To establish guidelines of remuneration/ compensation/ commission etc. to be paid for employees by way of fairly and in keeping with Statutes, it will be determined by the Nomination & Remuneration committee (NRC) and the NRC will recommend to the Board for approval.

Standards

1. All employees, irrespective of contract, are to be paid remuneration fairly and the remuneration is to be externally competitive and internally equitable. The remuneration will be paid in accordance with the laid down Statutes.
2. Remuneration for on-roll employees will include a fixed or guaranteed component payable monthly; and a variable component which is based on performance and paid annually.
3. The fixed component of remuneration will have a flexible component with a bouquet of allowances to enable an employee to choose the allowances as well as the quantum based on laid down limits as per Company policy. The flexible component can be varied only once annually in the month of July, after the salary increment exercise.
4. The variable component of the remuneration will be a function of the employee's grade.
5. The actual pay-out of variable component of the remuneration will be function of individual performance as well as business performance. Business performance is evaluated using a Balance Score Card (BSC) while individual performance is evaluated on Key Result Areas (KRA). Both the BSC & KRAs are evaluated at the end of the fiscal to arrive at the BSC rating of the business and PPS rating of the individual.
6. An Annual compensation survey is carried out to ensure that the Company's compensation is externally competitive. Based on the findings of the survey and the business performance, the committee decides:
 - a. The increment that needs to be paid for different performance ratings as well as grades.
 - b. The increment for promotions and the total maximum increment.
 - c. The maximum increase in compensation cost in % and absolute.
 - d. Compensation corrections are made in a few cases where it is outside the band or to keep it tune with the market.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF SHREESHAY ENGINEERS LTD.

Report on the Audit of the Financial Statements.

Opinion

We have audited the accompanying Financial Statements of SHREESHAY ENGINEERS LTD. ("the Company"), for the year ended March 31, 2020, the Statement of Profit and Loss and the Cash Flow Statement for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the company as at 31st March 2020, and its profit and its cash flows for the year ended on that date.

Basis of Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information other than the Financial Statements and auditor's report thereon.

The Company's management Board of Directors is responsible for the preparation of the other information. The other information included in the Annual Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Results

These half yearly and yearly financial results have been prepared on the basis of the interim and annual financial statements respectively. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the act') with respect to the preparation of these financial results that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of the appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial results, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Results

Our objectives are to obtain reasonable assurance about whether the financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
4. Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation. Materiality is the magnitude of misstatement in the financial statement that in individual or aggregate, make it probable that the economic decision of a reasonably knowledgeable user of the financial statement may be influenced. We consider quantitative materiality and qualitative factor in
 - (i) Planning the scope of our audit work and in evaluating the result of our work and

- (ii) To evaluate the effect of any identified misstatements in the financial statement.
6. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
 7. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
 8. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

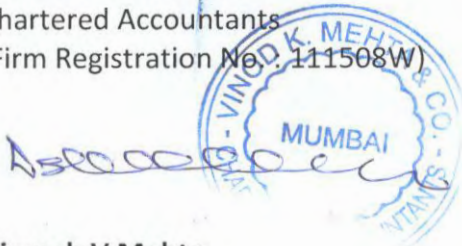

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143(3) of the Act, based on our audit, we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of accounts as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss and Cash Flow Statement dealt with by this report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors as on March 31, 2020 taken on record by the Board of Directors none of

the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of section 164(2) of the Act.

- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B".
- g) The remuneration paid by company to its directors is in accordance with the provisions of section 197 of the Companies Act, 2013 read with schedule V and is not excess of the limits specified therein.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have pending litigations which would impact on its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred to the Investor Education and Protection Fund by the Company.

"ANNEXURE A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in Paragraph 1 under "Report on other legal and regulatory requirements" of our report of even date)

1. In respect of the Company's fixed assets:
 - a) The Company has maintained proper records showing full particulars including quantitative details and situation of its fixed assets.
 - b) The Fixed Assets have been physically verified by the management in a phased manner, designed to cover all the items over a period of three years, which in our opinion, is reasonable having regard to the size of the company and nature of its business. Pursuant to the program, a portion of the fixed asset has been physically verified by the management during the year and no material discrepancies between the books records and the physical fixed assets have been noticed.
 - c) According to information and explanation given to us and on the basis of our examination of the records of the company, the title deeds of immovable properties are held in the name of the company.
2. The management has conducted the physical verification of inventory at reasonable intervals. The discrepancies noticed on physical verification of the inventory as compared to books records which have been properly dealt with in the books of account were not material.
3. According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013.
4. In our opinion and according to the information and explanations given to us, the Company has complied with provisions of Section 185 and 186 of the Act in respect of grant of loans, making investments, and providing guarantees and securities, as applicable.
5. The Company has not accepted deposits from the public during the year and hence the directives issued by the Reserve Bank of India and the provision of section 73 to 76 any other relevant provisions of the Act and the Companies (Acceptance of Deposit) Rules, 2015 with regards to the deposits accepted from the public are not applicable.
6. As informed to us, the maintenance of Cost Records has not been specified by the Central Government under sub-section (1) of Section 148 of the Act, in respect of the activities carried on by the company.
7. According to the information and explanations given to us, in respect of statutory dues:
 - a) The Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income Tax,

Goods and Service Tax, Customs Duty, Cess and other material statutory dues applicable to it with the appropriate authorities.

There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income Tax, Goods and Service Tax, Customs Duty, Cess and other material statutory dues in arrears as at March 31, 2020 for a period of more than six months from the date they become payable.

**"ANNEXURE B" TO THE INDEPENDENT AUDITOR'S REPORT
(Referred to in paragraph 1(f) under "Report on other legal and regulatory requirements"
of our report of even date)**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143
of the Companies Act, 2013 ("the Act")**

We have audited the Internal Financial Control over financial reporting of SHREESHAY ENGINEERS LTD ("the Company") as of 31st March, 2020 in conjunction with our audit of the financial statements of the Company for the year then ended.

Management Responsibility for the Internal Financial Controls

The Company's management and the Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a

material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- 1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- 3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the ICAI.

Notes to the Financial Statements
SHREESHAY ENGINEERS LTD

Corporate Information

The Company is incorporated as at 4th April 1995. The Company deal in only one segment and same is contractor for real estate(contractor for building).. The Company is a public limited company incorporated and domiciled in India. The address of the office is Office 501, Kailas Plaza, V.B. Lane,Ghatkopar East, Mumbai - 400077. The financial statements of the Company for the year ended 31st March 2020 are approved by the Board of Directors in Board Meeting.

1 Significant accounting policies

1.1 Basis of accounting and preparation of financial statements

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended) and the relevant provisions of the Companies Act, 2013. In applying the Accounting Policies, considerations have been given to prudence, substance over form and Materiality. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

1.2 Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

The COVID -19 pandemic is rapidly spreading throughout the world. The operations of the Company were impacted, due to shutdown of offices following nationwide lockdown by the Government of India. The Company shall resume operations in a phased manner as per directives from the Government of India. The Company has evaluated impact of this pandemic on its business operations and financial position and based on its review of current indicators of future economic conditions, there is no significant impact on its financial results as at 31st March 2020. However, the impact assessment of COVID-19 is a continuing process given the uncertainties associated with its nature and duration and accordingly the impact may be different from that estimated as at the date of approval of these financial results. The Company will continue to monitor any material changes to future economic conditions.

1.3 Inventories

The stock of construction materials, stores, spares and embedded goods and fuel is valued at cost or net realisable value, whichever is lower. Cost is determined on weighted average basis and includes all applicable cost of bringing the goods to their present location and condition. Net realisable value is estimated selling price in ordinary course of business less the estimated cost necessary to make the sale.

1.4 Depreciation and amortisation

Depreciation on fixed assets has been provided according to the manner prescribed in the Companies Act, 2013.

1.5 Revenue recognition

Sale of goods and services

Sales are recognised, net of GST, on transfer of significant risks and rewards of ownership to the buyer.

1.6 Tangible fixed assets

Fixed assets are carried at cost less accumulated depreciation. The cost of fixed assets include original cost of acquisition and installation. Machinery spares which can be used only in connection with an item of fixed asset and whose use is expected to be irregular are capitalised and depreciated over the useful life of the principal item of the relevant assets. Subsequent expenditure relating to fixed assets is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

1.7 Investments

Long-term investments are carried individually at cost. Current investments are also carried individually at cost

1.8 Employee benefits

Employee benefits includes provident fund, gratuity fund, Leave encashment which are accounted on the basis of liability accrued.

1.9 Borrowing costs

All the borrowing costs are charged to profit and loss account being revenue in nature.

1.10 Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax by the number of equity shares outstanding during the year. Since there are no dilutive potential equity shares, Diluted earnings per share is computed in the manner same as used for basic earnings per share.

	Particulars	31-Mar-20	31-Mar-19
a)	Net Profit for the year	4,033,318	9,516,427
b)	<u>Number of equity shares outstanding at the beginning and at the end of the year</u>	13,203,396	13,203,396
c)	<u>Nominal Value of the shares (Rs.)</u>	10	10
d)	Basic and diluted Earning per share (Rs.) (a/b)	0.31	0.72

1.11 Taxes on income

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the Balance Sheet date. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits. As per the past records and future aspects of the company, calculation of deferred tax assets/liabilities is not made.

Particulars	As on 31/03/20	As on 31/03/19
Deferred Tax Assets/(Liability)	5588	2026

1.12 Impairment of assets

The carrying values of assets / cash generating units at each Balance Sheet date are reviewed for impairment. After review of this year, no impairment is recognized, as there was no necessity.

1.13 Provisions and contingencies

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes.

1.14 Cash and cash equivalents (for purposes of Cash Flow Statement)

Cash comprises cash on hand and bank balances in current account. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

1.15 Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

1.16 Classification of Assets and Liabilities as Current and Non-Current

All assets and liabilities are classified as current or non-current as per the Company's normal operating cycle, and other criteria set out in Revised Schedule VI to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, 12 months period has been considered by the company for the purpose of current-non-current classification of assets and liabilities.

1.17 Others

1.17.1 Previous year figures are regrouped wherever necessary to make them comparable with the figures of the current year.

1.17.2 Balances of loans/advances/ sundry creditors and debtors are subject to confirmation and adjustment if any.

1.17.3 In the opinion of Board of Directors the Current Assets, Loans and advances are stated not above the realization value in the ordinary course of business.

1.18 Contingent Liabilities

Contingent Liabilities are not recognised but are disclosed in financial statements. Provision involving substantial degree of estimation in measurement is recognized when there is present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent liabilities are not recognized but are disclosed in the notes.
