NOTES:

1. In view of the continuing Novel Coronavirus (COVID-19) pandemic, social distancing is a norm to be followed and Ministry of Corporate Affairs (“MCA”) has vide its General Circular No. 20/ 2020 dated May 5, 2020, read with General Circular No.

Jindal Photo Limited

14/ 2020 dated April 8, 2020 and General Circular No. 17/ 2020 dated April 13, 2020 (collectively referred to as "MCA Circulars") permitted the holding of the Annual General Meeting ("AGM") through VC / OAVM, without the physical presence of the members at a common venue.

Accordingly, in compliance with the applicable provisions of the Companies Act, 2013 ("Act") read with the aforesaid MCA Circulars and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), the AGM is being held through VC/ OAVM and the members can attend and participate in this AGM through VC/ OAVM.

2. Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held through VC / OAVM pursuant to the aforesaid MCA Circulars, read with Circular No. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated May 12, 2020 ("said SEBI Circular") issued by the Securities and Exchange Board of India ("SEBI"), physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence, the Proxy Form and Attendance Slip are not annexed to this Notice.
3. In terms of the provisions of Section 113 of the Act read with the aforesaid MCA Circulars Institutional / Corporate Shareholders (i.e. other than individuals, HUF, NRI etc.) are entitled to appoint their authorized representatives to attend the AGM through VC/ OAVM on their behalf and participate thereat, including cast votes by electronic means (details of which are provided separately in this notice). Such Corporate Members are requested to refer 'General Guidelines for Shareholders' provided in the notice, for more information.
4. The Register of Members of the Company and the Share Transfer Books shall remain closed from **23rd September, 2020** to **29th September, 2020** (both days inclusive) for the purpose of Annual General Meeting.
5. To prevent fraudulent transactions, members are advised to exercise due diligence and notify the Company of any change in address or demise of any member as soon as possible. Members are also advised not to leave their Demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participant and holdings should be verified carefully.
6. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their Demat accounts. Members holding shares in physical form can submit their PAN details to the Company.
7. The attendance of the Members at the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
8. The members, seeking any information with regard to the accounts or any matter to be placed at the AGM or having any questions in connection with the matter placed at AGM, are requested to send email to the Company on or before September 25, 2020, on cs_jphoto@jindalgroup.com. The same will be replied suitably.
9. Pursuant to Regulation 36(3) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standard – 2 on General Meetings, brief profile and other details of Directors seeking appointment/re-appointment are **provided in the "Annexure I" to this Notice.**
10. Those Shareholders whose email IDs are not registered can get their Email ID registered by following procedure as mentioned in this notice. Further, for registration / updation of Bank details shareholders can also refer the notice.
11. In case of joint holders attending the Meeting. Only such joint holder who is higher in the order of names will be entitled to vote.
12. As per Regulation 40 of SEBI Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialised form with effect from, April 1, 2019, except in case of request received for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialised form at earliest.
13. Members holding shares under different Folio Nos. in the same names are requested to apply for

Jindal Photo Limited

consolidation of folios and send relevant original share certificates to the Company's RTA for doing the needful.

14. In compliance with MCA General Circular 20/2020 dated May 5, 2020 and SEBI Circular dated May 12, 2020, Notice of the AGM along with the Annual Report 2019-20 is being sent only through electronic mode to those Members whose email addresses are registered with the Company/ Depositories. Members may note that the Notice of AGM and Annual Report for FY 2019-20 will also be available on the Company's website www.jindalphoto.com and websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively, and on the website of Linkintime India Private Limited at www.linkintime.co.in

Members of the Company holding shares either in physical form or in Dematerialised forms as on Benpos date i.e. Friday, August 28, 2020 will be sent Annual Report for the financial year 2019-20 through electronic mode.

15. Members who wish to inspect statutory registers required to be made available/kept open for inspection at AGM and Relevant documents referred to in this Notice of AGM can send an email to cs_jphoto@jindalgroup.com
16. Since the AGM will be held through VC / OAVM, the Route Map is not annexed in this Notice. The deemed venue for the AGM will be the Registered Office of the Company.
17. Members who have not registered their e-mail addresses so far are requested to register their e-mail addresses for receiving all communications including Annual Report, Notices, Circular, etc. from the Company in electronic mode.
18. The Ministry of Corporate Affairs ('MCA') had notified the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 effective from 7th September, 2016 including amendments thereto ('IEPF Rules, 2016'). Amongst other things, the Rules provides for the manner of transfer of the unpaid and unclaimed dividends to the IEPF and the manner of transfer of shares in case any dividend has not been encashed by the shareholders on such shares during the last seven years to the designated Account as prescribed by the IEPF Authority. In pursuance of Compliance of said rules Company had transferred during the year total 65681 Equity Shares to Investor Education

and Protection Fund (IEPF) in respect of dividend remained unpaid/unclaimed for the Financial Year 2011-12. Further, the Company had published notice in newspapers on 3rd July 2019 and also sent notices as per permissible mode on 1st July, 2019 to those shareholders whose dividend on the equity share(s) for the Financial Year 2011- 12 has not been encashed or claimed for the last seven consecutive years. Accordingly, the said share(s) were transferred by the Company to the IEPF Fund.

Any person whose share(s)/ unpaid dividend is transferred to the IEPF Fund may claim the share(s)/ dividend from the Investor Education and Protection Fund Authority ("IEPF Authority") pursuant to the provisions of Section 124 and 125 of the Act by submitting an online application in Form IEPF-5 available on the website www.iepf.gov.in. Simultaneously, claimant shall be required to submit a copy of Form IEPF-5 submitted with IEPF Authority duly signed and accompanied by all requisite documents to the Company at its head office address at Plot No. 12, Local Shopping Complex, Sector B-1, Vasant Kunj, New Delhi-110 070 in an envelope marked as "Claim for refund from IEPF Authority" for verification. You are requested to go through the provisions of Section 124 and 125 of the Act and the Rules, as amended and also the information provided on the website www.iepf.gov.in. You may also write to the Company or Company's RTA for any further information / clarification in this regard.

19. The amount of dividend remaining unpaid or unclaimed for a period of seven years from the due date is required to be transferred to the IEPF constituted by the Central Government. The Company had, accordingly, transferred Rs. 287,628/- being the unpaid and unclaimed dividend amount pertaining to Financial Year 2011- 2012 to the IEPF.
20. In compliance with the provisions of Section 108 of the Companies Act, 2013, read with Rule 20 of the Companies (Management and Administration) Rules, 2014 as amended by the Companies (Management and Administration) Amendment Rules, 2015 and Regulation 44 of the SEBI (LODR) Regulations, 2015, the Company has provided members the facility to exercise their right to vote on resolutions proposed to be considered at the ensuing Annual General Meeting (AGM) by electronic means and the business may be transacted through e-Voting Services. REPORT ON CORPORATE GOVERNANCE

1. Company's Philosophy on Corporate Governance

The Company has always focused on good corporate practices, which are key drivers of sustainable growth and long-term value creation for its shareholders. The Company believes that corporate governance is not limited to merely creating checks and balances. It is more about creating organizational excellence leading to increase in employee and customer satisfaction and long term shareholders' value without compromising on ethical standards.

2. Board of Directors

Presently the Board of Directors of the Company comprises of six directors. One being Executive Director, with three being in the category of Non-Executive Independent Directors and remaining two being in the category of Non-Executive Directors including one is woman director. The composition of Board of Directors is diverse optimum and balanced in terms of specialization in one or more areas. The Board of Directors takes into account the interest of all stakeholders while discharging its responsibilities and provides leadership and guidance to the Company's management. Moreover, the Board of Directors while discharging its fiduciary responsibilities very well ensures that the management adheres to the high standards of ethics, transparency and disclosures.

The Non-Executive Directors bring objective and independent perspective in Board deliberations and decisions as they have a wider view of external factors affecting the Company and its business. These directors make a constructive contribution to the Company by ensuring fairness and transparency while considering the business plans devised by the management team.

All the Independent Directors have requisite knowledge of business, in addition to the expertise in their area of specialization. The Company has received declaration from each of the Independent Directors confirming that he/ she meets the criteria of independence as defined under the Companies Act, 2013 (the Act) and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"). In the opinion of the Board of Directors, the Independent Directors fulfil all the conditions as specified in the Listing Regulations and are independent of the management. The Company has issued letters of appointment to the Independent Directors and the terms and conditions of their appointment have been uploaded on the website of the Company.

Ms. Geeta Gilotra, Director, who retires by rotation at the ensuing AGM and being eligible, offers herself for re-appointment. There is no change in composition of the Board of Directors during the period under review, however the Board on 4th May, 2020 has appointed two Additional Directors namely Mr. Suresh Chander Sharma in the category of Non-executive Independent and Mr. Prakash Matai in the category of Non-executive. Your Board of Directors commend the re-appointment/appointment of abovesaid directors at the ensuing AGM. The brief resume and other requisite details of the Director proposed to be re-appointed/appointed is given in the notice convening the ensuing AGM.

The Board of the Company after taking these declarations on record and acknowledging the veracity of the same, concluded that the Independent Directors are persons of integrity and possess the relevant proficiency, expertise and experience to qualify as Independent Directors of the Company and are Independent of the Management of the Company.

In accordance with the provisions of Section 150 of the Act read with the applicable Rules made thereunder, the Independent Directors of the Company have registered themselves in the data bank of Independent Directors maintained by the Indian Institute of Corporate Affairs, Manesar ["IICA"]. The Independent Directors unless exempted, are required to pass an online proficiency self assessment test conducted by IICA within one year from the date of their registration in the IICA databank

INDEPENDENT AUDITORS' REPORT

To
the Members of
Jindal Photo Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of **Jindal Photo Limited** ("the Company"), which comprise the balance sheet as at **31st March 2020**, the statement of Profit & Loss and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at **March 31, 2020** and loss, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to:

- i. We draw attention to Note 30 to the standalone financial results, which describes the uncertainties and the impact of Covid-19 pandemic on the Company's operations and results as assessed by the management. Our opinion is not modified in respect of this matter.
- ii. Note 26(c) and 26(d) to the financial statements relating to non-provision of doubtful loans and non-

provision of amount recoverable from MCCL, a joint Venture Company due to petition and claims are pending for finalization/settlement.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

There are no key audit matters to communicate other than the matters those are described under the heading Emphasis of Matter.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, but does not include the standalone financial statements and our auditor's report thereon. The Board's Report including Annexures to Board's Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the Board's report including annexures to Board's Report, If, we conclude that there is a material misstatement of this other information; we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged With Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies

Jindal Photo Limited

Act, 2013 (“the Act”) with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company’s financial reporting process.

Auditor’s Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit

procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management’s use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company’s ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor’s report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor’s report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance

Jindal Photo Limited

regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
- c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on **31st March, 2020** taken

on record by the Board of Directors, none of the directors is disqualified as on **31st March, 2020** from being appointed as a director in terms of Section 164 (2) of the Act.

- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company, if any, to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company the Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

ANNEXURE B REFERRED TO IN PARAGRAPH (II)(F) UNDER THE HEADING OF "REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS" OF OUR REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS

REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (i) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 ("THE ACT")

We have audited the internal financial controls over financial reporting of **Jindal Photo Limited** ("the Company") as of **March 31, 2020** in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI)". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in

accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for my / our audit opinion on the Company's internal financial controls system over financial reporting.

Jindal Photo Limited

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

- a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
- c) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2020, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI".

Jindal Photo Limited

NOTES TO ACCOUNTS

1 COMPANY INFORMATION

Jindal Photo Limited ('the Company') is a Public Listed Company incorporated under the Companies Act, 1956 and regulated by Ministry of Corporate Affairs ('MCA') and the Securities and Exchange Board of India (SEBI). It is a Company engaged in the Business of holding Investments in the Securities of Group Companies and providing Management Consultancy.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

2.1 Statement of compliance and basis for preparation and presentation of financial statements

These standalone financial statements of the Company have been prepared in accordance with the Indian Accounting Standards as per the Companies (Indian Accounting Standards) Rules 2015 as amended and notified under Section 133 of the Companies Act, 2013 ("the Act"), in conformity with the accounting principles generally accepted in India and other relevant provisions of the Act. Any application guidance/ clarifications/ directions issued by RBI or other regulators are implemented as and when they are issued/ applicable.

The Company's financial statements upto and for the year ended 31 March 2019 were prepared in accordance with the Generally Accepted Accounting Principles in India (IGAAP) under the historical cost convention as a going concern and on accrual basis, unless otherwise stated, and in accordance with the provisions of the Companies Act, 2013, the Accounting Standards specified under section 133 of the Companies Act, 2013 ("the Act") read with rule 7 of the Companies (Accounts) Rules 2014 (as amended) and the guidelines issued by Securities and Exchange Board of India (SEBI) to the extent applicable, collectively referred as "Previous GAAP".

These are the Company's first standalone financial statements prepared in accordance with Indian Accounting Standards (Ind AS). The Company has applied Ind AS 101, First-time Adoption of Indian Accounting Standards for transition from Previous GAAP to Ind AS.

2.2 Functional and presentation currency

These financial statements are presented in Indian Rupees ('INR' or 'Rs.')

 which is also the Company's functional currency. All amounts are rounded-off to the nearest lakhs, unless otherwise indicated.

2.3 Basis of measurement

The financial statements have been prepared on the historical cost basis except for certain financial instruments which are measured at fair values.

2.4 Measurement of fair values

A number of Company's accounting policies and disclosures require the measurement of fair values for assets and liabilities. The Company has established policies and procedures with respect to the measurement of fair values. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: Quoted prices (unadjusted) in active markets for identical assets and liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

2.5 Use of estimates and judgements and Estimation uncertainty

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of the Company's accounting policies and the reported amounts of assets, liabilities, income, expenses and the disclosures of contingent assets and liabilities. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to estimates are recognised prospectively.

Jindal Photo Limited

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were issued. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Following are areas that involved a higher degree of estimate and judgement or complexity in determining the carrying amount of some assets and liabilities.

Effective Interest Rate (EIR) Method

The Company recognizes interest income / expense using a rate of return that represents the best estimate of a constant rate of return over the expected life of the loans given / taken. This estimation, by nature, requires an element of judgement regarding the expected behaviour and life-cycle of the instruments, as well as expected changes to other fee income/expense that are integral parts of the instrument.

Impairment of Financial Assets

The measurement of impairment losses on loan assets and commitments, requires judgement, in estimating the amount and timing of future cash flows and recoverability of collateral values while determining the impairment losses and assessing a significant increase in credit risk.

The Company's Expected Credit Loss (ECL) calculation is the output of a complex model with a number of underlying assumptions regarding the choice of variable inputs and their interdependencies.

Provisions and other contingent liabilities

The reliable measure of the estimates and judgements pertaining to litigations and the regulatory proceedings in the ordinary course of the Company's business are disclosed as contingent liabilities.

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

2.6 First-time adoption of Ind AS – mandatory exceptions and optional exemptions

Overall principle:

The Company has prepared the opening balance sheet as per Ind AS as of 1st April 2018 ("the transition date") by recognising all assets and liabilities whose recognition is required by Ind AS, not recognising items of assets or liabilities which are not permitted by Ind AS, by reclassifying items from Previous GAAP to Ind AS as required under Ind AS, and applying Ind AS in measurement of recognised assets and liabilities. However, this principle is subject to certain exceptions and certain optional exemptions availed by the Company as mentioned below:

Deemed cost for property, plant and equipment and intangible assets -

The Company has elected to measure property, plant and equipment, and intangible assets at its Previous GAAP carrying amount and use that Previous GAAP carrying amount as its deemed cost at the date of transition to Ind AS.

2.7 Revenue recognition :

a Recognition of interest income on loans

Interest income is recognised in Statement of profit and loss using the effective interest method for all financial instruments measured at amortised cost, debt instruments measured at FVOCI and debt instruments designated at FVTPL. The 'effective interest rate' is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument.

The calculation of the effective interest rate includes transaction costs and fees that are an integral part of the contract. Transaction costs include incremental costs that are directly attributable to the acquisition of financial asset.

Jindal Photo Limited

The Company calculates interest income by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets.

When a financial asset becomes credit-impaired, the Company calculates interest income by applying the effective interest rate to the net amortised cost of the financial asset. If the financial asset cures and is no longer creditimpaired, the Company reverts to calculating interest income on a gross basis.

Additional interest and interest on trade advances, are recognised when they become measurable and when it is not unreasonable to expect their ultimate collection.

Income from bill discounting is recognised over the tenure of the instrument so as to provide a constant periodic rate of return.

b Rental Income

Income from operating leases is recognised in the Statement of profit and loss as per contractual rentals unless another systematic basis is more representative of the time pattern in which benefit derived from the leased asset is diminished.

c Fee and commission income :

Fee based income are recognised when they become measurable and when it is probable to expect their ultimate collection.

Commission and brokerage income earned for the services rendered are recognised as and when they are due.

d Dividend and interest income on investments:

- Dividends are recognised in Statement of profit and loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company and the amount of the dividend can be measured reliably.
- Interest income from investments is recognised when it is certain that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable

2.8 Property, Plant and Equipments (PPE)

PPE are stated at cost of acquisition (including incidental expenses), less accumulated depreciation and accumulated impairment loss, if any. Assets held for sale or disposals are stated at the lower of their net book value and net realisable value.

Advances paid towards the acquisition of PPE outstanding at each balance sheet date are disclosed separately under other non-financial assets. Capital work in progress comprises the cost of PPE that are not ready for its intended use at the reporting date.

Depreciation on PPE is provided on straight-line basis in accordance with the useful lives specified in Schedule II to the Companies Act, 2013 on a pro-rata basis.

PPE is derecognised on disposal or when no future economic benefits are expected from its use. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the net carrying amount of the asset) is recognised in other income / netted off from any loss on disposal in the Statement of profit and loss in the year the asset is derecognised.

2.9 Intangible assets

Intangible assets are stated at cost less accumulated amortization and accumulated impairment loss, if any.

Intangible assets is amortized over the estimated useful life.

2.10 Investments in subsidiaries and associates :

Investments in subsidiaries and associate are measured at cost less accumulated impairment, if any.

Jindal Photo Limited

2.11 Foreign exchange transactions and translations :

a) Initial recognition

Transactions in foreign currencies are recognised at the prevailing exchange rates between the reporting currency and a foreign currency on the transaction date

b) Conversion

Transactions in foreign currencies are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in Statement of profit and loss.

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss. Thus, translation differences on non-monetary assets and liabilities such as equity instruments held at fair value through profit or loss are recognised in profit or loss as part of the fair value gain or loss and translation differences on non-monetary assets such as equity investments classified as FVOCI are recognised in other comprehensive income.

Non-monetary items that are measured at historical cost in foreign currency are not retranslated at reporting date.

2.12 Financial instruments :

a) Recognition and initial measurement -

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at FVTPL) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at FVTPL are recognised immediately in Statement of profit and loss.

b) Classification and Subsequent measurement of financial assets

On initial recognition, a financial asset is classified as measured at

- Amortised cost;
- FVOCI
- FVTPL

Amortised cost -

The Company's business model is not assessed on an instrument-by-instrument basis, but at a higher level of aggregated portfolios being the level at which they are managed. The financial asset is held with the objective to hold financial asset in order to collect contractual cash flows as per the contractual terms that give rise on specified dates to cash flows that are solely payment of principal and interest (SPPI) on the principal amount outstanding.

FVOCI

The Company measures instruments at FVOCI when the instrument is held within a business model, the objective of which is achieved by both collecting contractual cash flows and selling financial assets.

FVTPL

All financial assets not classified as measured at amortised cost or FVOCI are measured at FVTPL.

Jindal Photo Limited

Subsequent measurement of financial assets

Financial assets at amortised cost are subsequently measured at amortised cost using effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in Statement of profit and loss.

Any gain and loss on derecognition is recognised in Statement of profit and loss. Debt investment at FVOCI are subsequently measured at fair value. Interest income under effective interest method, foreign exchange gains and losses and impairment are recognised in Statement of profit and loss. Other net gains and losses are recognised in OCI. On derecognition, gains and losses accumulated in OCI are reclassified to Statement of profit and loss.

Financial liabilities and equity instruments: Classification as debt or equity -

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by Company are recognised at the proceeds received. Transaction costs of an equity transaction are recognised as a deduction from equity.

Financial liabilities

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-fortrading or it is a derivative or it is designated as such on initial recognition. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in Statement of profit and loss. Any gain or loss on derecognition is also recognised in Statement of profit and loss.

c) Derecognition

Financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

Financial liabilities

A financial liability is derecognised when the obligation in respect of the liability is discharged, cancelled or expires. The difference between the carrying value of the financial liability and the consideration paid is recognised in statement of profit and loss.

d) Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

e) Impairment of financial instruments

Equity instruments are not subject to impairment under Ind AS 109.

The Company recognises lifetime expected credit losses (ECL) when there has been a significant increase in credit risk since initial recognition and when the financial instrument is credit impaired.

f) Write offs -

The gross carrying amount of a financial asset is written off when there is no realistic prospect of further recovery. This is generally the case when the Company determines that the debtor/ borrower does not have

Jindal Photo Limited

assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. However, financial assets that are written off could still be subject to enforcement activities under the Company's recovery procedures, taking into account legal advice where appropriate. Any recoveries made are recognised in Statement of profit and loss.

2.13 Employee benefits:

a) Short-term employee benefits

Short-term employee benefits are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

b) Contribution to provident fund and ESIC -

Company's contribution paid/payable during the year to provident fund and ESIC is recognised in the Statement of profit and loss.

c) Gratuity -

The Company's liability, if any, towards gratuity scheme is determined by independent actuaries, using the projected unit credit method. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. Past services are recognised at the earlier of the plan amendment / curtailment and recognition of related restructuring costs/ termination benefits.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of profit and loss.

Remeasurement gains/losses - Remeasurement of defined benefit plans, comprising of actuarial gains / losses, return on plan assets excluding interest income are recognised immediately in the balance sheet with corresponding debit or credit to Other Comprehensive Income (OCI). Remeasurements are not reclassified to Statement of profit and loss in the subsequent period.

d) Leave encashment / compensated absences / sick leave -

The Company provides for the encashment / availment of leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits for future encashment / availment. The liability, if any, is provided based on the number of days of unutilized leave at each balance sheet date on the basis of an independent actuarial valuation.

2.14 Finance costs :

Finance costs include interest expense computed by applying the effective interest rate on respective financial instruments measured at Amortised cost. Financial instruments include bank term loans, non-convertible debentures, fixed deposits mobilised, commercial papers, subordinated debts and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Finance costs are charged to the Statement of profit and loss.

2.15 Taxation - Current and deferred tax:

Income tax expense comprises of current tax and deferred tax. It is recognised in Statement of profit and loss except to the extent that it relates to an item recognised directly in equity or in other comprehensive income.

a) Current tax :

Current tax comprises amount of tax payable in respect of the taxable income or loss for the year determined in accordance with Income Tax Act, 1961 and any adjustment to the tax payable or receivable in respect

Jindal Photo Limited

of previous years. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

b) **Deferred tax :**

Deferred tax assets and liabilities are recognized for the future tax consequences of temporary differences between the carrying values of assets and liabilities and their respective tax bases. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The measurement of deferred tax liabilities and assets reflects the tax consequence that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary difference could be utilized. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

2.16 Impairment of assets other than financial assets :

The Company reviews the carrying amounts of its tangible and intangible assets at the end of each reporting period, to determine whether there is any indication that those assets have impaired. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Recoverable amount is determined for an individual asset, unless the asset does not generate cash flows that are largely independent of those from other assets or group of assets.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pretax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cashgenerating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cashgenerating unit) is increased to the revised estimate of its recoverable amount such that the increased carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had been recognised for the asset (or cash-generating unit) in prior years. The reversal of an impairment loss is recognised in Statement of profit and loss.

2.17 Provisions :

Provisions are recognised when there is a present obligation as a result of a past event, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

2.18 Cash and cash equivalents:

Cash and cash equivalents in the balance sheet comprise cash on hand, cheques and drafts on hand, balance with banks in current accounts and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of change in value.

2.19 Earnings Per Share :

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period after deducting preference dividends and any attributable tax thereto for the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, sub-division of shares etc. that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders is divided by the weighted average number of equity shares outstanding during the period, considered for deriving basic earnings per share and weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

First Time Adoption of Ind AS

22.1 Transition to Ind AS

The Company has adopted The Indian Accounting Standards ("Ind AS") prescribed under section 133 of the Companies Act' 2013 from 1 April 2019 and accordingly financial statements have been prepared in accordance with the recognition and measurement principles laid down in the Ind AS, prescribed under Section 133 of the Companies Act 2013 read with the relevant rules issued thereunder. These are the Company's first financial statements prepared in accordance with Ind AS. The accounting policies set out in note 2 have been applied in preparing the financial statements for the year ended 31 March 2020, the comparative information presented for the year ended 31 March 2019 and in the preparation of an opening Ind AS balance sheet as at 1 April 2018 (the transition date).

In preparing the opening Ind AS balance sheet as at 1 April 2018, the Company has adjusted the amounts reported previously in financial statements prepared in accordance with the accounting standards notified under Companies (Accounting Standards) Rules, 2006 (as amended) and other relevant provisions of the Act (previous GAAP or Indian GAAP). The impact of transition has been made in the Reserves as at 1 April 2018 in accordance with the Ind AS 101 and the figures of the previous year ended 1 April 2018 and 31 Mar 2019 have been presented/restated after incorporating the applicable Ind AS adjustments.

An explanation of how the transition from previous GAAP to Ind AS has affected the Company's financial position, financial performance and cash flows is set out in the following tables and notes.

22.2 Reconciliations between previous GAAP and Ind AS

Ind AS 101 requires an entity to reconcile equity, total comprehensive income and cash flows, from as reported in accordance with previous GAAP. The following tables represent the reconciliations from previous GAAP to Ind AS.

Explanatory Notes to First Time Adoption are as follows:

- 1 Reclassification: The assets and liabilities as of April 1, 2018 have been re-grouped / re-classified, wherever necessary to comply with accounting policies of the Company under Ind AS.

Jindal Photo Limited

- 2 FVTOCI Financial Assets: Under Indian GAAP, long term investments equity shares were accounted as investment measured at cost less provision for other than temporary diminution in the value of investments. Under Ind AS, such investments have been designated as FVTOCI investments. Ind AS requires FVTOCI investments to be measured at fair value. The difference between the instrument's fair value and Indian GAAP carrying amount has been recognised as a separate component of equity, in the FVTOCI reserve, net of related deferred taxes.
- 3 FVTPL Short-term investments: Under Ind AS, investments in mutual funds are valued at fair value and such fair value differences as on the date of transition and for the comparative periods are recognised in the statement of Profit and Loss Account (FVTPL). Under Indian GAAP, the Company reports the value of such investments at cost or Net Realisable Value whichever was lesser.
- 4 Redeemable preference shares issued by the Company have been classified as borrowings and recognized at amortised cost on transition date as against part of Equity share capital under previous GAAP. The difference on the transition date has been recognized in opening retained earnings. Interest charge at effective interest rate on such borrowings has been recognized as finance cost in subsequent periods.
- 5 Tax impact includes deferred tax impact, wherever applicable as per provisions of Ind AS 12 (Income Taxes), on account of difference between previous GAAP and Ind AS.
- 6 Under IND AS, Remeasurements i.e. actuarial gains and losses and the return on plan assets, excluding amounts included in the net interest expense on the net defined liability, are recognized in other comprehensive income instead of profit or loss in previous GAAP.

MCCL, due to its worsen financial conditions, has approached the company to waive the interest on loan. The Board has agreed to waive off the interest for the financial year from 2015-16 to 2019-20, hence no provision for interest has been made for financial years from 2015-16 to 2019-20. In the opinion of the Board, the amount due is good and recoverable.
- d) Company had given Corporate Guarantee to IFCI in respect of loan given by IFCI to Mandakini Coal Company Limited (MCCL), a joint venture of the company. Up to 31.3.2018, the company has made payment of Rs 51.32 crores to IFCI to discharge its obligation under the deed of guarantee. The said amount has been shown as recoverable from MCCL in these accounts and no interest has been charged thereon. In the opinion of the Board, the amount is good and recoverable and in view thereof no provision has been created.
27. The fair value of Investments in shares of Jindal Photo Investments Limited as on 31.03.2020 has been determined on the basis of valuation of shares as on 31.03.2020 report by IBBI Registered Valuer. INDEPENDENT AUDITORS' REPORT ON CONSOLIDATED FINANCIAL STATEMENT

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **Jindal Photo Limited** (hereinafter referred to as the "Holding Company") and its share of the net profit/(loss) after tax and total comprehensive income of its associates and joint ventures (the Holding Company and its associates and joint ventures together referred to as "the Group"), which comprise the consolidated Balance Sheet as at **March 31, 2020**, and the consolidated statement of Profit and Loss and the consolidated cash flows Statement for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of their consolidated state of affairs as at **March 31, 2020**, consolidated loss and its consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by ICAI, and we have fulfilled our other ethical responsibilities in accordance with the provisions of the Companies Act, 2013. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

- i. We draw attention to Note 30 to the standalone financial results, which describes the uncertainties and the impact of Covid-19 pandemic on the Company's operations and results as assessed by the management. Our opinion is not modified in respect of this matter.
- ii. Note 26(c) and 26(d) to the financial statements relating to non-provision of doubtful loans and non-

provision of amount recoverable from MCCL, a joint Venture Company due to petition and claims are pending for finalization/settlement.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

There are no key audit matters to communicate other than the matters those are described under the heading Emphasis of Matter.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, but does not include the standalone financial statements and our auditor's report thereon. The Board's Report including Annexures to Board's Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the Board's report including annexures to Board's Report, If, we conclude that there is a material misstatement of this other information; we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated

Jindal Photo Limited

financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements.

Jindal Photo Limited

We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

a) We did not audit the consolidated financial statements of one associate wherein the Group's share of profit is **Rs. NIL**. These financial statements and other financial information have been audited by other auditors whose reports have been furnished to us, and our opinion to the extent they have been

derived from such financial statements is based solely on the report of such other auditors.

b) We did not audit the financial statements of one Joint Venture Company wherein the Group's share of loss is **Rs. 5.61 lakhs**. These financial statements and other financial information have been audited by other auditors whose reports have been furnished to us, and our opinion to the extent they have been derived from such financial statements is based solely on the report of such other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements / financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors of the Holding Company as on **31st March, 2020** taken on record by the Board of Directors of the Holding Company, none of the directors of the Group companies is disqualified as on **31st March, 2020** from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in Annexure A. Our report

Jindal Photo Limited

expresses an unmodified opinion on the adequacy and operating effectiveness of the group's internal financial controls over financial reporting.

- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the holding company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Group the Company does not have any

pending litigations which would impact its financial position.

- ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company.

ANNEXURE A REFERRED TO IN PARAGRAPH 6(I)(F) UNDER THE HEADING OF "REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS" OF OUR REPORT OF EVEN DATE

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended **March 31 2020**, we have audited the internal financial controls over financial reporting of **Jindal Photo Limited** (hereinafter referred to as "the Holding Company") incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the of the Holding company are responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists,

Jindal Photo Limited

and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (c) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that

could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at **March 31, 2020**, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India".

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

2.1 Statement of compliance and basis for preparation and presentation of financial statements

These standalone financial statements of the Company have been prepared in accordance with the Indian Accounting Standards as per the Companies (Indian Accounting Standards) Rules 2015 as amended and notified under Section 133 of the Companies Act, 2013 ("the Act"), in conformity with the accounting principles generally accepted in India and other relevant provisions of the Act. Any application guidance/ clarifications/ directions issued by RBI or other regulators are implemented as and when they are issued/ applicable.

The Company's financial statements upto and for the year ended 31 March 2019 were prepared in accordance with the Generally Accepted Accounting Principles in India (IGAAP) under the historical cost convention as a going concern and on accrual basis, unless otherwise stated, and in accordance with the provisions of the Companies Act, 2013, the Accounting Standards specified under section 133 of the Companies Act, 2013 ("the Act") read with rule 7 of the Companies (Accounts) Rules 2014 (as amended) and the guidelines issued by Securities and

Jindal Photo Limited

Exchange Board of India (SEBI) to the extent applicable, collectively referred as “Previous GAAP”.

These are the Company’s first standalone financial statements prepared in accordance with Indian Accounting Standards (Ind AS). The Company has applied Ind AS 101, First-time Adoption of Indian Accounting Standards for transition from Previous GAAP to Ind AS.

2.2 Functional and presentation currency

These financial statements are presented in Indian Rupees (‘INR’ or ‘Rs.’) which is also the Company’s functional currency. All amounts are rounded-off to the nearest lakhs, unless otherwise indicated.

2.3 Basis of measurement

The financial statements have been prepared on the historical cost basis except for certain financial instruments which are measured at fair values.

2.4 Measurement of fair values

A number of Company’s accounting policies and disclosures require the measurement of fair values for assets and liabilities. The Company has established policies and procedures with respect to the measurement of fair values. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: Quoted prices (unadjusted) in active markets for identical assets and liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

2.5 Use of estimates and judgements and Estimation uncertainty

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of the Company’s accounting policies and the reported amounts of assets, liabilities, income, expenses and the disclosures of contingent assets and liabilities. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to estimates are recognised prospectively.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were issued. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Following are areas that involved a higher degree of estimate and judgement or complexity in determining the carrying amount of some assets and liabilities.

Effective Interest Rate (EIR) Method

The Company recognizes interest income / expense using a rate of return that represents the best estimate of a constant rate of return over the expected life of the loans given / taken. This estimation, by nature, requires an element of judgement regarding the expected behaviour and life-cycle of the instruments, as well as expected changes to other fee income/expense that are integral parts of the instrument.

Impairment of Financial Assets

The measurement of impairment losses on loan assets and commitments, requires judgement, in estimating the amount and timing of future cash flows and recoverability of collateral values while determining the impairment losses and assessing a significant increase in credit risk.

The Company’s Expected Credit Loss (ECL) calculation is the output of a complex model with a number of

Jindal Photo Limited

underlying assumptions regarding the choice of variable inputs and their interdependencies.

Provisions and other contingent liabilities

The reliable measure of the estimates and judgements pertaining to litigations and the regulatory proceedings in the ordinary course of the Company's business are disclosed as contingent liabilities.

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

2.6 First-time adoption of Ind AS – mandatory exceptions and optional exemptions

Overall principle:

The Company has prepared the opening balance sheet as per Ind AS as of 1st April 2018 ("the transition date") by recognising all assets and liabilities whose recognition is required by Ind AS, not recognising items of assets or liabilities which are not permitted by Ind AS, by reclassifying items from Previous GAAP to Ind AS as required under Ind AS, and applying Ind AS in measurement of recognised assets and liabilities. However, this principle is subject to certain exceptions and certain optional exemptions availed by the Company as mentioned below:

Deemed cost for property, plant and equipment and intangible assets -

The Company has elected to measure property, plant and equipment, and intangible assets at its Previous GAAP carrying amount and use that Previous GAAP carrying amount as its deemed cost at the date of transition to Ind AS.

2.7 Revenue recognition :

a Recognition of interest income on loans

Interest income is recognised in Statement of profit and loss using the effective interest method for all financial instruments measured at amortised cost, debt instruments measured at FVOCI and debt instruments designated at FVTPL. The 'effective interest rate' is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument.

The calculation of the effective interest rate includes transaction costs and fees that are an integral part of the contract. Transaction costs include incremental costs that are directly attributable to the acquisition of financial asset.

The Company calculates interest income by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets.

When a financial asset becomes credit-impaired, the Company calculates interest income by applying the effective interest rate to the net amortised cost of the financial asset. If the financial asset cures and is no longer creditimpaired, the Company reverts to calculating interest income on a gross basis.

Additional interest and interest on trade advances, are recognised when they become measurable and when it is not unreasonable to expect their ultimate collection.

Income from bill discounting is recognised over the tenure of the instrument so as to provide a constant periodic rate of return.

b Rental Income

Income from operating leases is recognised in the Statement of profit and loss as per contractual rentals unless another systematic basis is more representative of the time pattern in which benefit derived from the leased asset is diminished.

c Fee and commission income :

Fee based income are recognised when they become measurable and when it is probable to expect their ultimate collection.

Jindal Photo Limited

Commission and brokerage income earned for the services rendered are recognised as and when they are due.

d Dividend and interest income on investments:

- Dividends are recognised in Statement of profit and loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company and the amount of the dividend can be measured reliably.
- Interest income from investments is recognised when it is certain that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable

2.8 Property, Plant and Equipments (PPE)

PPE are stated at cost of acquisition (including incidental expenses), less accumulated depreciation and accumulated impairment loss, if any. Assets held for sale or disposals are stated at the lower of their net book value and net realisable value.

Advances paid towards the acquisition of PPE outstanding at each balance sheet date are disclosed separately under other non-financial assets. Capital work in progress comprises the cost of PPE that are not ready for its intended use at the reporting date.

Depreciation on PPE is provided on straight-line basis in accordance with the useful lives specified in Schedule II to the Companies Act, 2013 on a pro-rata basis.

PPE is derecognised on disposal or when no future economic benefits are expected from its use. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the net carrying amount of the asset) is recognised in other income / netted off from any loss on disposal in the Statement of profit and loss in the year the asset is derecognised.

2.9 Intangible assets

Intangible assets are stated at cost less accumulated amortization and accumulated impairment loss, if any.

Intangible assets is amortized over the estimated useful life.

2.10 Investments in subsidiaries and associates :

Investments in subsidiaries and associate are measured at cost less accumulated impairment, if any.

2.11 Foreign exchange transactions and translations :

a) Initial recognition

Transactions in foreign currencies are recognised at the prevailing exchange rates between the reporting currency and a foreign currency on the transaction date

b) Conversion

Transactions in foreign currencies are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in Statement of profit and loss.

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss. Thus, translation differences on non-monetary assets and liabilities such as equity instruments held at fair value through profit or loss are recognised in profit or loss as part of the fair value gain or loss and translation differences on non-monetary assets such as equity investments classified as FVOCI are recognised in other comprehensive income.

Jindal Photo Limited

Non-monetary items that are measured at historical cost in foreign currency are not retranslated at reporting date.

2.12 Financial instruments :

a) Recognition and initial measurement -

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at FVTPL) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at FVTPL are recognised immediately in Statement of profit and loss.

b) Classification and Subsequent measurement of financial assets

On initial recognition, a financial asset is classified as measured at

- Amortised cost;
- FVOCI
- FVTPL

Amortised cost -

The Company's business model is not assessed on an instrument-by-instrument basis, but at a higher level of aggregated portfolios being the level at which they are managed. The financial asset is held with the objective to hold financial asset in order to collect contractual cash flows as per the contractual terms that give rise on specified dates to cash flows that are solely payment of principal and interest (SPPI) on the principal amount outstanding.

FVOCI

The Company measures instruments at FVOCI when the instrument is held within a business model, the objective of which is achieved by both collecting contractual cash flows and selling financial assets.

FVTPL

All financial assets not classified as measured at amortised cost or FVOCI are measured at FVTPL.

Subsequent measurement of financial assets

Financial assets at amortised cost are subsequently measured at amortised cost using effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in Statement of profit and loss.

Any gain and loss on derecognition is recognised in Statement of profit and loss. Debt investment at FVOCI are subsequently measured at fair value. Interest income under effective interest method, foreign exchange gains and losses and impairment are recognised in Statement of profit and loss. Other net gains and losses are recognised in OCI. On derecognition, gains and losses accumulated in OCI are reclassified to Statement of profit and loss.

Financial liabilities and equity instruments: Classification as debt or equity -

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by Company are recognised at the proceeds received. Transaction costs of an equity transaction are recognised as a deduction from equity.

Jindal Photo Limited

Financial liabilities

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-fortrading or it is a derivative or it is designated as such on initial recognition. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in Statement of profit and loss. Any gain or loss on derecognition is also recognised in Statement of profit and loss.

c) Derecognition

Financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

Financial liabilities

A financial liability is derecognised when the obligation in respect of the liability is discharged, cancelled or expires. The difference between the carrying value of the financial liability and the consideration paid is recognised in statement of profit and loss.

d) Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

e) Impairment of financial instruments

Equity instruments are not subject to impairment under Ind AS 109.

The Company recognises lifetime expected credit losses (ECL) when there has been a significant increase in credit risk since initial recognition and when the financial instrument is credit impaired.

f) Write offs -

The gross carrying amount of a financial asset is written off when there is no realistic prospect of further recovery. This is generally the case when the Company determines that the debtor/ borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. However, financial assets that are written off could still be subject to enforcement activities under the Company's recovery procedures, taking into account legal advice where appropriate. Any recoveries made are recognised in Statement of profit and loss.

2.13 Employee benefits:

a) Short-term employee benefits

Short-term employee benefits are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

b) Contribution to provident fund and ESIC -

Company's contribution paid/payable during the year to provident fund and ESIC is recognised in the Statement of profit and loss.

c) Gratuity -

The Company's liability, if any, towards gratuity scheme is determined by independent actuaries, using the projected unit credit method. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. Past services are recognised at the earlier of the plan amendment / curtailment and recognition of related restructuring costs/ termination benefits.

Jindal Photo Limited

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of profit and loss.

Remeasurement gains/losses - Remeasurement of defined benefit plans, comprising of actuarial gains / losses, return on plan assets excluding interest income are recognised immediately in the balance sheet with corresponding debit or credit to Other Comprehensive Income (OCI). Remeasurements are not reclassified to Statement of profit and loss in the subsequent period.

d) Leave encashment / compensated absences / sick leave -

The Company provides for the encashment / availment of leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits for future encashment / availment. The liability, if any, is provided based on the number of days of unutilized leave at each balance sheet date on the basis of an independent actuarial valuation.

2.14 Finance costs :

Finance costs include interest expense computed by applying the effective interest rate on respective financial instruments measured at Amortised cost. Financial instruments include bank term loans, non-convertible debentures, fixed deposits mobilised, commercial papers, subordinated debts and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Finance costs are charged to the Statement of profit and loss.

2.15 Taxation - Current and deferred tax:

Income tax expense comprises of current tax and deferred tax. It is recognised in Statement of profit and loss except to the extent that it relates to an item recognised directly in equity or in other comprehensive income.

a) Current tax :

Current tax comprises amount of tax payable in respect of the taxable income or loss for the year determined in accordance with Income Tax Act, 1961 and any adjustment to the tax payable or receivable in respect of previous years. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

b) Deferred tax :

Deferred tax assets and liabilities are recognized for the future tax consequences of temporary differences between the carrying values of assets and liabilities and their respective tax bases. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The measurement of deferred tax liabilities and assets reflects the tax consequence that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary difference could be utilized. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

2.16 Impairment of assets other than financial assets :

The Company reviews the carrying amounts of its tangible and intangible assets at the end of each reporting period, to determine whether there is any indication that those assets have impaired. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Recoverable amount is determined for an individual asset, unless the asset does not generate cash flows that are largely independent of those from other assets or group of assets.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pretax discount rate that reflects

Jindal Photo Limited

current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount such that the increased carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had been recognised for the asset (or cash-generating unit) in prior years. The reversal of an impairment loss is recognised in Statement of profit and loss.

2.17 Provisions :

Provisions are recognised when there is a present obligation as a result of a past event, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

2.18 Cash and cash equivalents:

Cash and cash equivalents in the balance sheet comprise cash on hand, cheques and drafts on hand, balance with banks in current accounts and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of change in value.

2.19 Earnings Per Share :

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period after deducting preference dividends and any attributable tax thereto for the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, sub-division of shares etc. that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders is divided by the weighted average number of equity shares outstanding during the period, considered for deriving basic earnings per share and weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

Explanatory Notes to First Time Adoption are as follows:

- 1 Reclassification: The assets and liabilities as of April 1, 2018 have been re-grouped / re-classified, wherever necessary to comply with accounting policies of the Company under Ind AS.
- 2 FVTOCI Financial Assets: Under Indian GAAP, long term investments equity shares were accounted as investment measured at cost less provision for other than temporary diminution in the value of investments. Under Ind AS, such investments have been designated as FVTOCI investments. Ind AS requires FVTOCI investments to be measured at fair value. The difference between the instrument's fair value and Indian GAAP carrying amount has been recognised as a separate component of equity, in the FVTOCI reserve, net of related deferred taxes.
- 3 FVTPL Short-term investments: Under Ind AS, investments in mutual funds are valued at fair value and such fair value differences as on the date of transition and for the comparative periods are recognised in the statement of Profit and Loss Account (FVTPL). Under Indian GAAP, the Company reports the value of such investments at cost or Net Realisable Value whichever was lesser.
- 4 Redeemable preference shares issued by the Company have been classified as borrowings and recognized at amortised cost on transition date as against part of Equity share capital under previous GAAP. The difference on the transition date has been recognized in opening retained earnings. Interest charge at effective interest rate on such borrowings has been recognized as finance cost in subsequent periods.
- 5 Tax impact includes deferred tax impact, wherever applicable as per provisions of Ind AS 12 (Income Taxes), on account of difference between previous GAAP and Ind AS.
- 6 Under IND AS, Remeasurements i.e. actuarial gains and losses and the return on plan assets, excluding amounts included in the net interest expense on the net defined liability, are recognized in other comprehensive income instead of profit or loss in previous GAAP.

Based on latest audited financial information for the year ended 31st March 2020

- 24. a)** It is management's perception that since the company is exclusively engaged in the activity which are governed by the same set of risks and returns the same are considered to constitute a single reportable segment in the context of Ind AS 108 "Operating Segments" issued by the Institute of Chartered Accountants of India.
- 25. a)** The fair value of Investments in shares of Jindal india Thermal Power Limited as on 31.03.2020 has been determined on the basis of valuation of shares as on 31.03.2019 report by SEBI Registered Category 1 Merchant Bankers. Till 31.03.2019, the company has booked fair valuation loss of Rs 179 lakhs against investment of Rs. 187 lakhs in shares of Jindal India Thermal Power Limited. The impact of further change in fair value, if any, shall be made when the next valuation report on the basis of latest audited balance sheet becomes available.
- 26. a)** In terms of Judgement of Hon'ble Delhi High Court dated 9th March, 2017, the Ministry of Coal vide its Circular dated 01.02.2018 asked allocattees to file claims with regard to Compensation of Land and Mine. Accordingly Mandakini Coal Company Limited (MCCL), Joint Venture of the Company has claimed compensation of Rs. 240.49 crores, which included compensation towards leasehold land and other expenses which are to be received by MCCL from subsequent buyer/allottee of the Coal Mine after the reauction/reallotment of Coal Mine. MCCL shall also get simple interest @ 12% from the dates of payment towards purchase of land. The amount shall be paid after deduction of any loan of Banks/Financial Institution which will be directly paid to such creditors.
- b)** On the basis of book value per share of MCCL as per latest audited balance sheet (including claim recoverable as per (a) above), the company has up to 31.03.2020 made provision of Rs 1668 lakhs (Rs 1662 lakhs up to 31.03.2019) for diminution in value of investments against investment of Rs. 3930 lakhs in shares of MCCL. In the opinion of the management, the provision is adequate.
- c)** The Company has given interest bearing loan of Rs 537 lakhs upto 31.03.2020 (including Rs. 14 lakhs given during the current Financial Year 2019-20 and excluding interest receivable of Rs. 22 lakhs up to 31.03.2015) to Mandakini Coal Company Limited (MCCL), a joint venture of the company. MCCL, due to its worsen financial conditions, has approached the company to waive the interest on loan. The Board has agreed to waive off the interest for the financial year from 2015-16 to 2019-20, hence no provision for interest has been made for financial years from 2015-16 to 2019-20. In the opinion of the Board, the amount due is good and recoverable.
- d)** Company had given Corporate Guarantee to IFCI in respect of loan given by IFCI to Mandakini Coal Company Limited (MCCL), a joint venture of the company. Up to 31.3.2018, the company has made payment of Rs 51.32 crores to IFCI to discharge its obligation under the deed of guarantee. The said amount has been shown as recoverable from MCCL in these accounts and no interest has been charged thereon. In the opinion of the Board, the amount is good and recoverable and in view thereof no provision has been created.
- 27.** The fair value of Investments in shares of Jindal Photo Investments Limited as on 31.03.2020 has been determined on the basis of valuation of shares as on 31.03.2020 report by IBBI Registered Valuer. Till 31.03.2020, the company has booked fair valuation loss of Rs 318.28 lakhs (Rs 52.90 lakhs up to 31.03.2019) against investment of Rs. 1473.50 lakhs in shares of Jindal Photo Investments Limited.
- 28.** Exceptional items for year ended 31.03.2020 includes provision for diminution in value of investments Rs. Nil (Rs. 80 lakhs for the year ended 31.03.2019).
- 29.** In the opinion of the Board of Directors the current assets, loans and advances are expected to realise at least the

Jindal Photo Limited

amount at which they are stated, if realised in the ordinary course of business and provision for all known liabilities has been adequately made in the accounts.

- 30. IMPACT OF COVID PANDEMIC AND RELATED LOCKDOWN MEASURES.** The World Health Organization announced a global health emergency due to a new strain of coronavirus ("COVID-19") and classified this outbreak as a pandemic in March 2020 following which Government of India announced a countrywide lockdown from March 25, 2020. The Company has taken all necessary steps to ensure the health, safety, welfare of employees and also the working environment as per the Government guidelines. Since the Company is a core investment company and has made start-up investments in group Companies only. The Company has adequate liquidity to manage the mismatch in cash flow arising due to Covid 19 situation. Given its healthy capital adequacy and stable liquidity position, the Company is confident of dealing with the challenges posed by Covid-19
