The company has a research & development department which is responsible for the development of high-quality innovative dental materials.

The quality of its products is highly appreciated by dental professionals worldwide.

Indian Dental Association has recognized its achievements and contribution to oral health care and the IDA jury nominated the company for the "National Oral Healthcare Sushruta Award" for Best Dental Manufacturer.

The Federation of Indian Exporters has awarded the company with the "Top Exporter Award" and the Ministry of Commerce has recognized the company as a "Star Export House."

ABOUT COMPANY

MILESTONES

The financial year 2022 started with continued challenges of the pandemic causing uncertainty in the markets. The dental market in many countries began to reopen resulting in a strong rebound in demand. This year's record sales and profit reflects the solid fundamentals of our company and places the Company in a strong position to manage future challenges in the global markets. Prevest Denpro Limited exported approximately 60% of its products to over 80 countries. Despite a year of lockdowns, growth of 34.63% in total revenue was registered that speaks well about the business strategy followed by the company. Several new products developed in house were successfully launched in this year. USFDA approvals were received for 20 products. Dental products are medical devices and there are strict regulations in most countries. Compliance and registration processes have been successfully completed and approvals received from Saudi FDA and MDSAP Certificate that will enable us to export our products to USA, Canada, Brazil, and Australia. The Company has made considerable investment for the modernization and expansion of the existing manufacturing facilities. The Company continues to focus on research and development for the future and has started the work to establish a new state-of-the-art R&D Centre with an investment of approx. Rs.15Cr. A new facility is being set up to manufacture oral hygiene, oral care, and a range of biomaterial products with investment of approx. Rs.15cr . The future is looking positive and bright, and with the Board's continued confidence in the underlying strength of the business, I am confident that growth in top line and bottom line of the company will be maintained in the FY23. In closing, I wish to acknowledge the contribution made by the Board of Directors who have served with distinction by advising, encouraging, and assisting Management. Additionally, I wish to express my appreciation to the managers and all the staff for their tremendous efforts. Prevest Denpro Limited is India's leading manufacturing and exporting dental materials company, and we are very confident of continued growth in the business. Thank you for your overwhelming support and being a part in our growth journey.

BUSINESS MODEL

We develop, manufacture and market a comprehensive portfolio of dental materials for diagnosing, treating, and preventing dental conditions as well as improving the aesthetics of the human smile. The breadth and depth of our product offerings address majority of the dentists' clinical needs for consumable dental materials. Our product portfolio covers a wide spectrum of materials for endodontics, prosthodontics, orthodontics, periodontics, restorative dentistry, aesthetic dentistry, and laboratory consumables.

Our products are sold in over 75 countries in the regions of Europe, Asia, South America, Middle East, and Africa. Our manufacturing facility is located at Kartholi, Samba (Jammu & Kashmir), comprising of over 27,000 sq. ft. area and has an installed capacity of 200 MT p.a. for manufacturing of dental materials.

Further, as per our diversification plans, we are currently expanding our existing manufacturing unit by setting up another manufacturing facility in over 16,000 sq. ft. area adjacent to our existing unit for manufacturing new line of products that will include hygiene products (sanitizers and disinfectants), oral hygiene products (mouth washes and mouth rinses), oral care products (medicated ointments, gels, and creams for dental treatment) and biomaterials (i.e., bone augmentation materials).

The proposed facility will be well-equipped with latest machineries and will be commissioned in Fiscal 2023.

Our products are certified with ISO 13485:2016 and EU CE mark, which makes us eligible to market our products in European Union and many other countries which have adopted EU medical devices directives. We are also certified by Breakthrough Management Quality Registrar (BMQR) for Good Manufacturing Practices for the manufacture and sale of dental materials.

INCREASED PREVALENCE OF DENTAL DISORDERS			
GROWING DENTAL TOURISM IN DEVELOPING COUNTRIES			
INCREASING DEMAND FOR COSMETIC DENTISTRY			

RISING POPULARITY & DEMAND FOR DENTAL COSMETIC SURGERY IN INDIA

Increasing demand for teeth whitening malocclusion and changes in dental appearance are flourishing the demand for cosmetic dental surgery in India. Cosmetic dentistry is gradually gaining popularity in the Indian market owing to rising demand for dental aesthetics, growing consumer awareness, increasing prevalence of oral health disorders, and rising dental tourism. Moreover, increasing existence of dental laboratories investing in CAD/CAM technologies and development of technologically progressive solutions and techniques for cosmetic dentistry are expected to fuel the growth potential of the dental materials market in India over the forecast period

INCREASED PREVALENCE OF DENTAL DISORDERS

Dental disorders are one of the disorders causing the eradication of enamel. The upper layer of the enamel is eradicated owing to the bacterial infection. The rise in the prevalence of the dental disorders, has led to the rise in the demand for dental materials, which are used for the treatment of the dental caries, and other dental diseases. According to the study of the Global Burden of Disease Study, in 2017, around 3.5 billion people had dental caries. Moreover, globally, around 2.3 billion people suffer from caries of permanent teeth and more than 530 million children suffer from caries of primary teeth. The increased changes in the living conditions, and increased urbanization contributes for the prevalence of the dental diseases. This is primarily attributed to the poor access to the healthcare, and lack of awareness among the consumers regarding the hygiene. The consumption of the high amount of sugar, has also led to the rise in the prevalence of the dental diseases, thereby contributing for the demand for the dental materials.

INTRODUCTIONS OF INSURANCE SCHEMES FOR DENTAL TREATMENTS

Dental insurance is likely to be one of the most lucrative developments in Indian dentistry. Ayushman Bharat, Indian Government's initiative that covers dental insurance, is a positive step toward formalizing dental insurance, thus, stabilizing the dynamics of the Indian Dental Material market. Dental insurance is gradually becoming successful to ensure dentistry is more accessible to patients and more rewarding for dentists in terms of revenues, in various developed countries. It's no surprise that dentistry is one of the most lucrative occupations in countries such as the U.S., Canada, and U.K. among others. Dental insurance in India is still in its infancy, with just a few insurance plans covering out-of-hospital dental services. Nevertheless, with fierce competition among insurance providers in India, the Indian dental market is anticipated to witness several major insurance companies releasing products which cover dental treatments

GROWING DENTAL TOURISM IN DEVELOPING COUNTRIES

The costs of the dental treatments have increased in the developed nations, including the US, and Canada, and thus several people are moving for the dental treatment in developing countries. The costs of dental treatment are low in the developing nations, which is one of the significant factors boosting the growth of dental tourism. Dental tourism is driven by several factors, which includes, the high costs of the dental care in the developed countries, including the US, Canada, and the UK, among others. The adoption of new technology in the dental healthcare services, has led to the rise in medical tourism. Countries including, India, South Africa, Hungary, Thailand, and Turkey emerged as the hubs of medical tourism. Some of the factors, leading to an increase in medical tourism are decrease in waiting lists for treatment, and availability of latest medical technologies has led to the rise in the adoption of the dental materials, thereby driving the growth of the market

INCREASING DEMAND FOR COSMETIC DENTISTRY

Cosmetic dentistry is a branch of science, which is used for the improving the aesthetics of the teeth. In the past few years, the demand for the cosmetic dentistry has increased, owing to the rise in the awareness among the population. According to the American Academy of Cosmetic Dentistry (AACD), adults between the age group of 31-40 years and baby boomers enquired regarding the cosmetic dentistry. Furthermore, the rise in the awareness among the consumers, has also led to the rise in the demand for the cosmetic procedures, thereby driving the growth of the market. The change in the lifestyle and rise in the disposable income has led to the rise in the demand for the cosmetic dentistry. The average citizen of the US spends around USD 600-100 USD for the whitening of the teeth, therefore the demand for the cosmetic dentistry, has increased in the past few years.

ENTER AND EXPAND INTO NEW BUSINESS SEGMENTS THROUGH INTRODUCTION OF NEW PRODUCTS

We seek to capitalize on the growth opportunities in the hygiene, oral care, oral hygiene, and bio-materials segment based on our well positioned operations, network of dealers & agents and being led by an experienced management team. As per our diversification plans, we are currently expanding our existing manufacturing unit by setting up another manufacturing facility in over 16,000 sq. ft. area adjacent to our existing unit for manufacturing new line of products that will include hygiene products (sanitizers and disinfectants), oral hygiene products (mouth washes and mouth rinses), oral care products (medicated ointments, gels, and creams for dental treatment) and biomaterials (bone grafting materials and membranes). The proposed facility will be well-equipped with the latest machinery, and it is proposed to be commissioned by the end of FY. 2022-23. We also intend to strengthen our research and development abilities by developing an advanced R&D Centre in the new manufacturing facility.

AUGMENTING GROWTH IN DOMESTIC AND GLOBAL MARKETS

Presently, our revenue from domestic and export business is almost 40% and 60% respectively (based on restated financial statements for F.Y. ended Mar.'21). Going forward, our primary focus would be to continue our growth in export. Our products are not being currently exported to USA and Canada. We believe that there lies a huge business opportunity for our dental products in the markets of USA and Canada. In this direction, we have already obtained clearance under Section 510(k) of Federal Food, Drug, and Cosmetic Act from USFDA for five of our dental cement products, namely, Micron Bioactive, Micron Superior, Micron Superior Capsules, Micron Luting and Micron Dentin Conditioner. We've also applied for ISO 13485 (MDSAP Certification). We strongly believe that the demand for dental products will grow in India and overseas, owing to the aging of population globally and increasing awareness of the importance of oral health maintenance and increasing consumer focus on cosmetic dentistry. We believe that we are well positioned to exploit the opportunities offered by the expected growth in the dental industry.

CONTINUE TO INVEST IN R&D CAPABILITIES

We believe that R&D is critical in maintaining our competitive position, addressing changing consumer trends and industry developments, developing innovative processes, developing costs, and operating efficiencies. We intend to increase our initiatives in research and development in order to enhance our diversified product portfolio in both the domestic and international markets. As part of our strategy, we intend to set up a dedicated R&D unit for dental materials and new line of products at the proposed facility. We believe that investment in R&D provides us a long-term growth opportunity, and accordingly, we intend to continue to make investments in development of products which have higher market demand.

FOCUS ON BRAND AWARENESS

Going forward, we seek to allocate portion of our resources to increase the brand awareness of our dental products. We believe that the ability to differentiate our products from our competitors through our branding and marketing efforts will be an important factor in gaining market share. We recently have setup regional office in Gurugram, Haryana for marketing of our products to the customers in the North Indian region. We plan to setup more such regional offices in other parts of India and intend to undertake appropriate marketing initiatives in order to increase our viability and market share as well as to create public awareness of our dental products.

RETAIN AND ATTRACT THE BEST TALENT AND DEVELOP A PERFORMANCE FOCUSED CULTURE

Our employees are critical to our business. We believe that the key to our success will be our ability to continue to maintain and grow a team of talented and experienced professionals. We intend to place special emphasis on attracting, training, and retaining our employees. We also internally assess our employees to periodically identify competency gaps and use development inputs (such as training and job rotation) to address these gaps. We intend to continuously enhance our employees' skills and productivity and will continue to help our employees develop understanding of our customer-oriented corporate culture and service quality standards to enable them to continue to meet our customers' changing needs and preferences. We will continue to regularly review and update our employee compensation plans and bonuses based on their individual performance so that our employees are suitably incentivized.

CONTINUE TO STRIVE FOR COST EFFICIENCY

We aim to continue to maintain our cost management focus, including in-house integrated manufacturing capabilities, across our business to deliver growth as well as to achieve economies of scale. We will continue to seek to manage our supply chain costs through optimal inventory levels, economic orders, and other measures. Economies of scale will also enable us to continuously improve our operational efficiencies.

DENTAL PREPARATIONS (PASTES)

The products such as composites, etchants, liners, pastes for endodontic use, orthodontics use, finishing & polishing, teeth whitening gels and temporary filling materials are manufactured in paste form. These products are manufactured in planetary mixers, sigma mixers under controlled heating and other physical parameters. The major raw materials used for manufacturing these pastes include zinc oxide powder, glass powder, fillers, calcium hydroxide powder, and different types of resins, monomers, glycols, glycerin, and paraffin. The finished products are filled in syringes and plastic jars labeled and finally packed in cardboard boxes.

DENTAL PREPARATIONS (LIQUID)

The products such as adhesives, bonding agents, liquids for endodontic applications, auxiliary materials hemostatic materials are manufactured in liquid form. These products are manufactured in blenders, homogenizers, and filled in glass/plastic bottles after filtration. The raw materials used in the manufacture of these liquid products are diethylene glycol Di methacrylate, urethane Di methacrylate and bisphenol A Bis Propyl Ether, glycols, DM water, solvents, resins etc. After filling these products are finally labeled and packed in cardboard boxes.

DENTAL PREPARATIONS (POWDER)

The products such as Cements, some endodontic materials, denture materials are manufactured in powder form. These products are manufactured with the help of Pot Mill, double cone blender, sintered in high temperature furnace and finally sieved to obtain desired particle size. The major raw materials used for manufacturing dental powder products include glass powder, zinc oxide and pumice powder. The finished products are filled into plastic containers and finally labeled and packed into cardboard boxes

DENTAL IMPRESSION MATERIALS

The alginate impression materials are manufactured by blending pumice powder, paraffin, diatomaceous earth, and other ingredients in a ribbon blender and sieved to obtain desired particle size. Finished product is finally packed in plastic bags. The dental putty and light body products are manufactured by blending Paraffins, Diatomaceous earth, zinc oxide etc. in sigma/planetary mixer and the final product is filled in plastic jars/ cartridges and finally packed in cardboard boxes.

PLANT & MACHINERY

Our major plant & machinery includes Planetary Mixers, Sigma Mixers, Sieving Machines, High Temperature Furnace, Homogenizers Mixers, Blenders, Paste Filling Machines, Cartridges Filling Machines, Powder Filling Machines, Liquid Filling Machines, Labeling Machines, Cap sealing Machines and Pot Mills.

We have entered into collaboration with the following reputed dental universities & institutions for exchange of technical knowledge and conducting training & research on dental materials.

GLOBAL DENTAL MATERIAL MARKET

The Global Dental market was valued at USD 36.32 Billion in 2021. The market is expected to reach the valuation of USD 33.1 Billion by 2028, registering a CAGR of 8.0%. Factors driving the growth of the market include rising popularity and demand for cosmetic dentistry, rising incidence of dental diseases, increasing disposable income in developing countries and high prevalence of dental diseases. The materials used to restore and rehabilitate tooth structures are persistently evolving worldwide. Newer material processing methods and innovations have increased the dependability and predictability of dental material for dental care professionals dramatically over the last decade. Furthermore, the use of dental CAD/CAM technology in routine dentistry has advanced in recent years, as has the production of subsequent materials for fabricating an all-ceramic restoration.

According to the World Health Organization (WHO) estimates, 2.3 billion people suffer from caries of permanent teeth globally. Moreover, approximately 530 million children suffer from caries of primary teeth, worldwide. With increasing urbanization and rapid changes in living conditions in most of the low- and middle-income countries, the prevalence of oral diseases is expected to increase. Rising incidences of dental diseases is anticipated to propel the growth scenario of the global dental materials market over the forecast period.

Growth Opportunities in Emerging Countries:

Emerging countries, including India, Brazil, and China, require help from several other global manufacturers globally. These countries, create significant growth opportunities, owing to the large pool of patient population, which has led to the rise in the demand for the dental materials. The rise in prevalence of the periodontal diseases, has led to the adoption of the dental materials. According to the study on Dental Health in India, around 85% to 90% of adults have dental cavities, and around 60 to 80% of children are suffering from dental caries, and dental diseases. This has led to the rise in the demand for the dental materials. Several manufacturing companies are focusing on increasing their presence in developing regions and have set up the manufacturing plants. The relaxation in the regulations, has led to the rise in the investments in developing countries, including India, and China. The manufacturing costs are reduced in these regions, and the costs of the distribution also decreases. These are some of the factors, which contributes for the growth of the dental materials market in the emerging countries

DENTAL MATERIAL MARKET IN INDIA

The dental material market in India was valued at USD 782.3 Million in the year 2021 and is projected to reach value of USD 1372.4 Million by 2028, registering a CAGR of 9.3% over the forecast period. Indian Dental Association (IDA) drafted the National Oral Health Program to address the burden of dental disease in an effective manner for bringing about 'optimal oral health' for all by 2020. As per their survey in India 60-65% population lives in rural areas. Where there is no oral health care system with the dentist: population ratio of about 1:2,00,000. Oral health services exist at district, subdivision, and tehsil level. 60–90% of school children and nearly 85-90% of adults have dental cavities, often leading to pain and discomfort. There is no paradental infrastructure at village level and the primary health care center level. At community health care center level only 25% community health centers are having posting of dental surgeons but have inadequate instruments, equipment, and dental materials. The most common oral diseases are dental cavities, periodontal (gum) disease, oral cancer, oral infectious diseases, trauma from injuries, and hereditary lesions. Gum disease could also be a sign of diabetes. As per IDA 2020 Diabetics are prone to have periodontal disease, if their condition is not under control Periodontal diseases, dental caries, malocclusion, and oral cancer are the major dental problems effecting people in India. The overall prevalence of periodontal diseases was high in India. As India is one of the countries consuming maximum tobacco, a leading cause of oral cancer, the problem has only aggravated in recent past also India occupies the third position in the world with an annual production of about 800 million kgs of the different types grown, flue- cured tobacco, country tobacco, burley, bidi. 34.6% of adults in India are consuming tobacco in any form; 47.9% of males and 20.3% of females. Thus, increasing tobacco consumption, oral diseases and awareness among the individual will drive the market for dental material in near future.

PROMOTING EDUCATION

The education sector is vast and complex, with varied interventions being undertaken across the country by multiple stakeholders. With 200 million children in primary and secondary schools across the country, India has the mammoth task of providing quality education to these children. Education is widely held as a critical cause and receives attention from both, public and private stakeholders. This is reflected in the quantum of investment made by corporates in the domain of education, through CSR spends and by NGOs, through the number of on ground projects, with the government being central.

The need to understand perceptions and expectations of CSR representatives towards those executing CSR mandates on the ground, and vice-versa has been felt for a long time. While studies mention the quantum of investment being made in the sector by both, CSR, and NGO functionaries, not much evidence is available on trends and gaps in the sector, which could help companies identify the right social needs and relevant opportunities for interventions.

PROMOTING ENVIRONMENT SUSTAINABILITY

Prevest Denpro Ltd. believes that being a sustainable business is about striking the balance between stakeholder expectations and the needs and concerns of our employees, the workers in our supply chain and the environment. Achieving a balance between these aspects is essential to meet the needs of the present without compromising future generations.

Our approach to environmental sustainability includes how we manage environmental impacts of our company, products, and services. We aim to establish an approach in management of materials, waste and water, energy performance, as we develop and deliver solutions to support environmental sustainability. Prevest Denpro Ltd. and its employees shall strive to provide a safe and healthy working environment and comply, in the conduct of its business affairs, with all regulations regarding the preservation of the environment of the territory it operates in. Prevest Denpro Ltd is committed to prevent the wasteful use of natural resources and minimise any hazardous impact of the development, production, use and disposal of any of its products and services on the ecological environment

PROMOTING HEALTH AWARENESS

The pandemic has affected both personal and professional lives across industries of all scales and types thereby multiplying relief efforts through the cooperation of all kinds of entities. The present publication takes an account of 100 Companies' CSR response to COVID-19. The document reviews non-monetary contributions of CSR companies

INDEPENDENT AUDITOR'S REPORT

To The Members of PREVEST DENPRO LIMITED

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS:

Opinion

We have audited the accompanying financial statements of PREVEST DENPRO LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss, the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, the profit and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in the audit of the financial statements for the year ended March 31, 2022. These matters were addressed in the context of our audit of the financial statements as a whole and in forming our opinion thereon and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to

the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us :
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts; as such the question of commenting on any material foreseeable losses thereon does not arise.
 - iii. There has not been an occasion in case of the Company during the year under report to transfer any sums to the Investor Education and Protection Fund.

2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of PREVEST DENPRO LIMITED of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of PREVEST DENPRO LIMITED ("the Company") as of March 31, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to

future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of PREVEST DENPRO LIMITED of even date)

In case of the Company's Property, Plant and Equipments and Intangible Assets:

1. According to the information and explanations given to us, the Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets;
2. The Company has maintained proper records showing full particulars of intangible assets.

The Fixed Assets have been physically verified by the management in a phased manner which, in our opinion, is reasonable having regard to the size of the company and nature of its assets. Pursuant to the program, a portion of the fixed asset has been physically verified by the management during the year and no material discrepancies between the books records and the physical fixed assets have been noticed.

According to the information and explanations given to us and the records examined by us and based on the examination of the registered sale deed provided to us, we report that, the title deeds, comprising all the immovable properties of land and buildings which are freehold, are held in the name of the Company as at the balance sheet date.

The Company has not revalued any of its Property, Plant and Equipment and intangible assets during the year.

No proceedings have been initiated during the year or are pending against the Company as at March 31, 2022 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made there under.

(a) The management has conducted physical verification of inventory at reasonable intervals during the year, in our opinion, the coverage and procedure of such verification by the management is appropriate. As informed to us, any discrepancies of 10% or more in the aggregate for each class of inventory were not noticed on such verification.

(b) The Company has not been sanctioned working capital limits in excess of five crore rupees (at any point of time during the year), in aggregate, from banks or financial institutions on the basis of security of current assets. Accordingly, the provisions of clause 3(ii) of the Order are not applicable.

The Company has not granted any loans, secured or unsecured to Companies, firms, Limited Liability Partnerships or other parties covered in the Register maintained under Section 189 of the Act. Accordingly, the provisions of clause 3 (iii) (a) to (f) of the Order are not applicable to the Company and hence not commented upon.

In our opinion and according to the information and explanations given to us, the company has complied with the provisions of Section 185 and 186 of the Companies Act, 2013 In respect of loans, investments, guarantees, and security.

The Company has not accepted deposits during the year and does not have any unclaimed deposits as at March 31, 2022 and therefore, the provisions of the clause 3 (v) of the Order are not applicable to the Company.

As informed to us, the maintenance of Cost Records has not been specified by the Central Government under sub-section (1) of Section 148 of the Act, in respect of the activities carried on by the company. Thus, reporting under clause 3(vi) of the order is not applicable to the Company.

(a) According to information and explanations given to us and on the basis of our examination of the books of account, and records, the Company has generally been regular in depositing undisputed statutory dues including Income-Tax, Goods and Services Tax and any other material statutory dues applicable to it with the appropriate authorities.

(b) According to the information and explanations given to us, no undisputed amounts payable in respect of the above were in arrears as at March 31, 2022 for a period of more than six months from the date on when they become payable.

(c) According to the information and explanation given to us, there are no dues of Income Tax, Goods and Services Tax, duty of customs outstanding on account of any dispute.

According to the information and explanations given to us and the records of the Company examined by us, there are no transactions in the books of account that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.

In our opinion and according to the information and explanations given to us, the Company has not taken loan from

any bank or financial institution and also not declared willful defaulter from any bank or financial institution or government or any government authority; accordingly, the provisions of clause 3(ix) of the Order are not applicable. (a) the money raised by way of initial public offer have been applied, for the purposes for which they were obtained, other than Rs.2209.59 lakh, out of the proceeds from initial public offer received during the year which remains unutilised as of March 31, 2022. The details of the amount used during the year and unutilized fund are as follows:

Particulars	Total Estimated Cost	Total Amount Utilized Upto 31/03/2022	Balance lying with Bank
Purchase of machineries, equipments and utilities for manufacturing of proposed additional line of products, R&D unit and existing manufacturing operations	Rs 1801.80	Rs.142.79	Rs.1659.01
Issue Expenses	Rs. 282.09	Rs.282.09	Nil
General Corporate Purposes	Rs. 577.23	Rs.26.65	Rs. 550.58
Total	Rs. 2661.12	Rs.451.53	Rs. 2209.59

(b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally)

(a) Based upon the audit procedures performed and the information and explanations given by the management, we report that no fraud by the Company or on the Company by its officers or employees has been noticed or reported during the year.

(b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.

(c) The company has not received any whistle blower complaints during the year (and upto the date of this report). In our opinion, the Company is not a Nidhi Company. Therefore, the provisions of clause 3 (xii) of the Order are not applicable to the Company.

In our opinion, all transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 and the details have been disclosed in the Financial Statements as required by the applicable accounting standards.

(a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.

(b) We have considered the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.

Based upon the audit procedures performed and the information and explanations given by the management, the company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, the provisions of clause 3 (xv) of the Order are not applicable to the Company and hence not commented upon.

(a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a) of the Order is not applicable.

(b) The Company has not conducted non-banking financial / housing finance activities during the year. Accordingly, the reporting under Clause 3(xvi)(b) of the Order is not applicable to the Company.

(c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under Clause 3(xvi)(c) of the Order is not applicable to the Company.

(d) In our opinion, there is no core investment company within the Group (as defined in the Core Investment

Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.

The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.

There has been no resignation of the statutory auditors of the Company during the year.

On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

The Company has required to spend Rs 12,77,479 during the year for Corporate Social Responsibility as required under subsection (5) of Section 135 of the Act. The Company has spent 8,84,244 during the year, Rs 3,93,235 remains unspent, which is yet to be transferred to special account in accordance with provisions of section 135 of the Companies Act, 2013.

The reporting under Clause 3(xxi) of the Order is not applicable in respect of audit of financial statements. Accordingly, no comment in respect of the said clause has been included in this report.

I. SIGNIFICANT ACCOUNTING POLICIES

A) BASIS OF PREPARATION OF FINANCIAL STATEMENT

These financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on accrual basis. GAAP comprises mandatory accounting standards as prescribed under section 133 of the Companies Act, 2013, Companies (Indian Accounting Standards) rules, 2015 and Companies (Accounting Standards) amendments Rules 2016 and other applicable provisions of the Act.

The preparation and presentation management to make judgements, estimates and assumptions that may impact the application of accounting policies and reported value of assets, liabilities, income, expenses and related disclosures including contingent assets and liabilities at the Balance Sheet date. The estimates and management's judgements are based on previous experience and other factors considered reasonable and prudent in the circumstances.

B) USE OF ESTIMATES

The preparation of financial statements is in conformity with Indian GAAP requires judgments, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosure of contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognised in the period in which the results are known / materialized.

C) ACCOUNTING CONVENTION

The group follows the mercantile system of accounting, recognizing income and expenditure on accrual basis. The accounts are prepared on historical cost basis and as a going concern. Accounting policies not referred to specifically otherwise, are consistent with the generally accepted accounting principles.

The following significant accounting policies are adopted in the preparation and presentation of these financial statements:

1. REVENUE RECOGNITION

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Sale of goods

Revenue is recognised when the significant risks and rewards of ownership of the goods have been passed to the buyer. Sales are disclosed net of GST, trade discounts and returns, as applicable.

Income from services

Revenue from services is recognised when services have been rendered and there should be no uncertainty regarding consideration and its ultimate collection.

Interest Income

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable."

Dividend Income

Dividend Income is recognised on receipt basis.

2. FIXED ASSETS

- a) Fixed are stated as per Cost Model i.e., at cost less accumulated depreciation and impairment, if any;
- b) Costs directly attributable to acquisition are capitalized until the Fixed Assets are ready for use, as intended by the management;
- c) Subsequent expenditures relating to fixed assets are capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs & maintenance costs are recognized in the Statement of profit & Loss when incurred;
- d) The cost and related accumulated depreciated are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the Statement of Profit or Loss. Assets to be disposed of are reported at the lower of the carrying value or the fair value less cost to sell;
- e) Depreciation on Tangible Assets in case of company is provided in such a manner so that the cost of asset (Net of realizable value) will be amortized over their estimated remaining useful life on SLM basis as per the useful life prescribed under Schedule II to the Companies Act 2013.
- f) Depreciation methods, useful lives, and residual values are reviewed periodically, including at each financial year end;

3. IMPAIRMENT

The Management periodically assesses, using external and internal sources, whether there is an indication that an asset may be impaired. An impairment loss is recognized wherever the carrying value of an asset exceeds its recoverable amount. The recoverable amount is higher of the asset's net selling price and value in use, which means the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. An impairment loss for an asset is reversed if, and only if, the reversal can be related objectively to an event occurring after the impairment loss was recognized. The carrying amount of an asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

4. INVENTORIES

Inventories are valued after providing for obsolescence, as follows:

- a) Raw Materials, Stores & Spare parts and Packing Material-Lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost is determined on Weighted Average Cost basis.
- b) Work-in-Progress is valued at raw material cost plus proportionate conversion cost.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale,

however due to the nature of the company the own manufactured goods are valued at a Retail Method basis on a consistent basis, however the Trading Goods are valued at the lower of Cost or Net Realisable Value.

5. RETIREMENT BENEFITS & OTHER EMPLOYEE BENEFITS

Defined-contribution plans:

All short term employee benefits are accounted on undiscounted basis during the accounting period based on services rendered by employees.

The Company's contribution to Provident Fund and Employees State Insurance Scheme is determined based on a fixed percentage of the eligible employees' salary and charged to the Statement of Profit and Loss on accrual basis.

The Group has made provision for payment of Gratuity to its employees. This Provision is made as per the method prescribed under the Payment of Gratuity Act. The cost of providing gratuity under this plan is determined on the basis of actuarial valuation at year end. Under the Gratuity Fund Plan, the holding company contributes to a LIC administered Group Gratuity Fund on behalf of employees.

6. FOREIGN EXCHANGE TRANSACTIONS

Foreign-currency denominated monetary assets and liabilities if any are translated at exchange rates in effect at the Balance Sheet date. The gains or losses resulting from the transactions relating to purchase of current assets like Raw Material etc. are included in the Statement of Profit and Loss. Revenue, expense and cash-flow items denominated in foreign currencies are translated using the exchange rate in effect on the date of the transaction.

7. CASH FLOW STATEMENT

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non- cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities are segregated.

8. BORROWING COSTS

Borrowing costs that are directly attributable to the acquisition or construction of a qualifying asset are capitalized as part of the cost of that asset till such time the asset is ready for its intended use. A qualifying asset is an asset that necessarily takes a substantial period of time to get ready for its intended use. Costs incurred in raising funds are amortized equally over the period for which the funds are acquired. All other borrowing costs are charged to profit and loss account.

9. INCOME TAX

The accounting treatment for the Income Tax in respect of the Company's income is based on the Accounting Standard on 'Accounting for Taxes on Income' (AS-22). The provision made for Income Tax in Accounts comprises both, the current tax and deferred tax. Provision for Current Tax is made on the assessable Income Tax rate applicable to the relevant assessment year after considering various deductions available under the Income Tax Act, 1961.

Deferred tax is recognised for all timing differences; being the differences between the taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Such deferred tax is quantified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date. The carrying amount of deferred tax asset/liability is reviewed at each Balance Sheet date and consequential adjustments are carried out.

10. EARNINGS PER SHARE

Basic earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

The diluted potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value which is the average market value of the outstanding shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

11. PROVISIONS AND CONTINGENT LIABILITIES

A provision is recognized if, as a result of a past event, the Company has a present legal obligation that is reasonably estimable, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by the best estimate of the likely future outflow of economic benefits required to settle the obligation at the reporting date.

Where no reliable estimate can be made, a disclosure is made as contingent liability. A disclosure for a contingent liability is also made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

12. CASH & CASH EQUIVALENTS

Cash and cash equivalents comprise cash and cash on deposit with banks. The Company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

13. SEGMENT REPORTING

Company is operating under a single segment
