Capacity Enhancement:

- The Board has approved capacity expansion plan for the Home Textile business through de-bottlenecking and rebalancing of facilities at Vapi and Anjar. It will be a capital light, quick turnaround expansion, resulting in increased capacity of Towels by 7%, Bed Linen by 20% and Rugs & Carpets by 80%. The company is expected to spend around ₹ 2,250 mn for the expansion over FY 21 & FY 22. The benefits of this expansion will start accruing in phases from as early as Q1 FY22. This expansion has a revenue potential of ~ ₹ 12,000 mn from second year of operation.
- We have re-calibrated our investment in Advanced Textile expansion project, thus reducing the size of investment from ₹ 4,957 mn to ₹ 2,996 mn. The new Disinfectant wipes line is expected to commence production in February 2021 while the expansion of Spunlace business is expected to commence operations by September 2021. These would help this business achieve topline of around ₹ 6,000 mn by FY 23.

Capex:

- Till date we have spent ₹ 2,930 mn in capex and for the full year it is expected to be around ₹ 5,000 mn including the investment announced for the home textile business. In spite of these investments in our growth business, net debt is expected to remain below ₹ 24,000 mn as on 31st March 21.

Key Business Updates:

- Our innovation-driven approach has helped us to challenge the status quo, set new industry benchmarks, and build an industry leading portfolio of 30 innovations over the years. Our Innovation product sales during the quarter was ₹ 6,060 mn, registering a growth of 36% YoY and 61% QoQ.
- Our E-Commerce business has grown 22% YoY. In order to give further impetus to our e-com growth strategy, we have embarked upon Project Wave (accelerated e-com growth), which should lead to a topline of over \$100 mn by FY23.
- Domestic branded revenue grew by 24% YoY. December month in particular was very strong as we saw volume exceed pre-covid levels. We are extremely enthused with the significant turnaround seen in the retail demand over the last few months and gives us the confidence of crossing annualized revenue of ₹ 10,000 mn over the next 4 years.
- Flooring business grew more than 3x YoY and our flooring branded products revenue grew by 107% YoY. Hard flooring plant is running at optimum capacity due to the strong demand and order book. While the capacity of the hard flooring plant has been doubled in January 2021, it is being further doubled by Q2FY22 to cater to the growing demand. Soft flooring has also started gaining traction with strong enquiries from US, Canada & ROW. In order to optimize capacity utilization of the soft flooring plant, we plan to produce rugs and carpets for our Home Textile customers from Welspun flooring facility, as our facility at Vapi is running at peak capacity.

2. This Statement, which is the responsibility of the Holding Company's Management and approved by the Holding Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the Circular No. CIR/CFD/CMD1/44/2019 dated March 29, 2019 issued by the Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations, to the extent applicable.

Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

**Review Report to
The Board of Directors
Welspun India Limited**

1. We have reviewed the accompanying statement of unaudited standalone financial results of Welspun India Limited (the "Company") for the quarter ended December 31, 2020 and year to date from April 01, 2020 to December 31, 2020 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.
