FUEL RATES HIKED FOR 5TH DAY IN A ROW

Petrol nears ₹95 in Mumbai

Petrol price was increased by 30 paise per litre and diesel by 36 paise a litre, according to a price notification of state-owned fuel retailers

OUR CORRESPONDENT

NEW DELHI: Petrol price in Mumbai neared record Rs 95 per litre mark on Saturday as its rate as well as diesel prices were hiked for the fifth day in a row. Petrol price was increased by 30 paise per litre and diesel by 36 paise a litre, according to a price notification of state-owned fuel retailers.

This took petrol price to an all-time high of Rs 88.414 a litre in Delhi while diesel rate climbed to Rs 78.74.

In Mumbai, petrol price soared to Rs 94.93 per litre and diesel price jumped to record Rs 85.70 a litre. Five days this week, price has gone up by Rs 1.51 per litre for petrol while diesel rate has risen by Rs 1.56 a litre.

The relentless hike in prices has been criticised by the opposition parties, including Congress that has demanded

an immediate cut in taxes to ease the burden on the common man.

However, Oil Minister Dharmendra Pradhan on Wednesday had told Parliament that the government is not considering a reduction in excise duty to cool rates from their record highs.

Rates have risen as inter-

national oil prices touched \$61 per barrel for the first time in more than a year on improving demand outlook amid the global rollout of COVID-19 vaccines, he said.

Central and state taxes make up for over 61 per cent of the retail selling price of petrol and about 56 per cent of diesel.

Sri Lanka says it scrapped port deal as Indian cos rejected terms

COLOMBO: Sri Lanka has said it scrapped the trilateral deal with India and Japan to develop the Colombo Port's Eastern Container Terminal (ECT) as the Indian firm involved in the project refused to agree to its new terms. Prime Minister Mahinda Rajapaksa's office on February 1 said that his government has decided to run the Colombo Port's Eastern Container Terminal (ECT) as a fully-owned operation of the state-run ports authority.

Answering the Opposition's query in Parliament on Thursday on the deal, Ports Minister Rohitha Abeysunawardena said a Cabinet sub-committee appointed to examine the deal had proposed new terms.

"We entered talks from a favourable position to us, then that company refused to go ahead with our conditions," Abeysunawardena told Parliament, adding that the Indian company's refusal forced Sri Lanka to scrap the deal. India, Japan and Sri Lanka had inked an agreement in 2019 on devel-

opment of the terminal project.

"The governments of India, Sri Lanka and Japan had signed a memorandum of cooperation in May 2019 to develop and operate the East Container Terminal of Colombo Port in a trilateral framework," Ministry of External Affairs spokesperson Anurag Srivastava said at a media briefing in New Delhi on February 4, three days after Colombo cancelled the deal.

"We sincerely believe that the development of infrastructure in Sri Lanka, in areas such as ports and energy, with for-

evading a reply to a question whether Sri Lanka offered India a project to develop the western container terminal project in Colombo port instead of the ECT. Srivastava further said: "Current government has, however, expressed a preference in engaging investors directly. I understand discussions are still underway."

The state-owned Sri Lanka Ports Authority (SLPA) signed a memorandum of cooperation in May 2019 with India and Japan to develop the ECT during the previous Sirisena government. The Colombo port trade unions opposed the proposal of investors from India and Japan buying 49 per cent stake in the ECT. They demanded the ECT to remain 100 per cent owned by the SLPA as opposed to the 51 per cent.

They claimed that the proposed deal with India's Adani Group was a sell-out of the ECT. President Gotabaya Rajapaksa had declared that he wanted the India-Japan deal on the ECT to go ahead. PII

Court convicts Rose Valley official for money laundering

NEW DELHI: A special PMLA court in Kolkata has convicted an official of a Rose Valley group company and awarded him seven years rigorous imprisonment on money laundering charges, the Enforcement Directorate (ED) said on Saturday.

The central probe agency had registered an FIR against

the firm, its Chairman Gautam Kundu and others in 2014 under the Prevention of Money Laundering Act (PMLA). Kundu was arrested by the agency in Kolkata in 2015. "The court has sentenced Arun Mukherjee to suffer rigorous imprisonment of seven years and to pay a fine of Rs 2.5 lakh in default rigor-

ous imprisonment for another six months," the ED said in a statement. It said Mukherjee was debenture trustee and was responsible for the acts and affairs of the Rose Valley Real Estate Construction Ltd company and had pleaded guilty for the offence of money laundering before the court.

It was alleged, the ED said, before markets regulator Securities Exchange Board of India (SEBI) that Rose Valley Real Estate Construction Limited and its associate companies repeatedly floated secured non convertible debentures during 2001-2002, 2004-2005, 2005-2006 and in 2007-2008 and issued them to more than 49

persons in each financial year, illegally raising a total sum of Rs 12.82 crore.

The agency said the probe found that this company "under the direction and control of accused persons had accumulated investments from 2,585 persons, a total of around Rs 12 crore and acquired control over various securities as defined under various sections of the SEBI Act". "The money so acquired was further laundered by investing the same in various movable properties," it said. The charges were framed in this case in February, 2012 and trial of other accused is ongoing, it said. PII

'Delhi-Mumbai expressway will ease traffic load'

PUNE: Once completed, the Delhi-Mumbai Expressway will ease the current traffic load on the Pune-Mumbai Expressway, Union Transport Minister Nitin Gadkari said on Saturday after reviewing various road projects in Pune and western Maharashtra.

Addressing a press conference after inspecting the under-construction multi-level flyover project at Chandni Chowk in Pune, Gadkari said he had instructed officials concerned, contractors and local civic bodies to prepare a plan to ensure that the work gets completed during the next one year.

The BJP MP also reiterated that motorists would have to pay road tax if they need "good services". "The Delhi-Mumbai Expressway work is going on. (Once completed), it will ease the traffic load on Pune-Mumbai Expressway as a bulk of traffic between northern and southern states currently pass through the Mumbai-Pune expressway," he told reporters.

The Delhi-Mumbai Expressway is a proposed 1,250-km long controlled-access highway connecting the national capital with the commercial capital of the country. Gadkari said the main reason behind heavy traffic on the Pune-Mumbai expressway is that vehicles coming from northern states pass through this highway to travel further towards southern states. "But the proposed 12-lane

Delhi-Mumbai Expressway will ease the traffic congestion on Mumbai-Pune expressway and other westerly highways," he said. Gadkari said once the Delhi-Mumbai Expressway reaches Surat in Gujarat, the south-bound traffic can be diverted using a new alignment (Surat - Nashik - Ahmednagar- Solapur).

"This will ease the traffic load on Pune-Mumbai Expressway and other highways, and also bring down vehicular pollution," he added. Talking about the development and four-laning of the route from Pune that is used for walking palkhis or palanquins of Sant Dnyaneshwar and Sant Tukaram by devotees of Lord Vitthal, Gadkari said the work was going on at high speed. "Since the project is close to my heart, I think that beautification of the route should be done with the help of putting the couplets from 'abhangs' and songs devoted to Lord Vitthal along this route," he said.

He said devotees can also suggest some ideas which can be implemented for beautifying the palkhi road. After inspecting the multi-level flyover project at Chandni Chowk, Gadkari said, "I was told that the deadline to complete this project is 2023, but looking at the hardships and inconvenience caused to the public due to the ongoing work, it is not feasible to wait till 2023". ONGC reports Q3 net profit of ₹1,378 crore

NEW DELHI: State-owned Oil and Natural Gas Corporation (ONGC) on Saturday reported its standalone net profit in October-December quarter at Rs 1,378 crore as compared Rs 4,226 crore net profit in the same quarter of the previous year, the company said in a statement here.

The company realised \$43.9 on every barrel of crude oil it produced and sold in the third quarter of the current fiscal, down from \$58.24 a barrel it had realised in the same period a year back.

Government-mandated gas price dropped to \$1.79 per million British thermal unit from \$3.23 per mmbtu rate it got in October-December 2019.

Turnover was down 28 per cent at Rs 17,024 crore.

The company board at its meeting on Saturday approved interim dividend of 35 per cent - Rs 1.75 on each equity share of Rs 5.

"The total payout on this account will be Rs 2,201.55 crore," the statement said.

Also, the board approved formation of a new wholly-owned subsidiary company for focusing on gas and LNG business value chain subject to necessary approvals.

"The company is being formed with the objective of sourcing, marketing and trading of natural gas, LNG business, Hydrogen enriched CNG

(HCNG), gas to power business, bio-energy/ bio-gas/ bio methane/ other biofuels business, etc," the statement said.

ONGC said its board has also approved acquisition of 5 per cent equity in Indian Gas Exchange Ltd (IGX) as strategic investment.

IGX is a subsidiary of IEX, India's first and leading power exchange.

IGX Ltd is presently India's first and only authorized gas exchange, which provides an automated platform for trading of natural gas, covering a wide range of products.

"As an important stakeholder in the gas sector, it would be critical for ONGC to participate at the gas exchange for development of the gas sector. ONGC's interests towards realizing maximum value from its gas marketing efforts may be substantiated through this first gas trading platform in the country," it said.

This partnership, ONGC said, is expected to play a role in achieving the Government of India's vision for increasing the share of natural gas from 6 per cent to 15 per cent in India's energy basket.

ONGC declared a total of eight discoveries (3 in onland, 5 in offshore) during FY2020-21 in its operated acreages. Out of these, 4 are prospects (1 in onland, 3 in offshore) and 4 are pools (2 in onland, 2 in offshore). MPOST

NEW DELHI: The Ministry of Skill Development and Entrepreneurship on Saturday said it is rolling out the Mahatma Gandhi National Fellowship (MGNF) programme in all the districts of the country.

So far the programme was working across 69 districts, and the ministry "is now expanding MGNF to all remaining districts in the country," the ministry said in a statement.

Fellows under MGNF will acquire academic expertise and technical competency in understanding the overall skill ecosystem along with being attached to District Skill Committees, it added.

The ministry has also partnered with Kerala Institute of Local Administration to conduct capacity building programmes for district officials from Kerala, Tamil Nadu, Puducherry and Lakshadweep.

"Our partnerships going forward will be more focused on strengthening the overall quality of skill training. क्रिकेट : टीम इंडिया ने 6 विकेट के नुकसान पर बनाए 300 रन

'हितमैन' रोहित के 7वें शतक से दर्शक गदगद, कप्तान कोहली ने 11वीं बार शून्य पर आउट होकर किया निराश

रोहित शर्मा की 161 रन की दर्शनीय पारी की मदद से भारत ने इंग्लैंड के खिलाफ दूसरे क्रिकेट टेस्ट के पहले दिन शनिवार को चंपक स्टेडियम की टर्न लेती पिच पर छह विकेट पर 300 रन बना लिए। रोहित का बखूबी साथ निभाते हुए अजिंक्य रहाणे ने 149 गेंद पर 67 रन बनाए। दोनों ने चौथे विकेट के लिए 162 रन की साझेदारी करके मैदान पर पहली बार जमा 12,000 दर्शकों का भरपूर मनोरंजन किया। कोरोना महामारी के बीच इस मैच के लिए भारत में क्रिकेट के मैदान पर दर्शकों की वापसी हुई है। इस पिच पर 350 का स्कोर भी अच्छा माना जाएगा। पहले दिन का खेल समाप्त होने पर ऋषभ पंत 33 और अक्षर पटेल पांच रन बनाकर खेल रहे थे। रोहित ने अपना 7वां टेस्ट शतक जमाते हुए 231 गेंदों का सामना करके 18 चौकों और दो छक्कों की मदद से 161 रन बनाए। पहला टेस्ट 227 रन से हारने के बाद भारत की शुरुआत यहां भी अच्छी नहीं रही लेकिन रोहित ने पारी के सूत्रधार की भूमिका बखूबी निभाई।

रोहित ने घर में ही बनाए सातों शतक

रोहित का पिछले 9 मैच में यह चौथा शतक रहा। उन्होंने पिछला शतक अक्टूबर, 2019 में साउथ अफ्रीका के खिलाफ रांची में लगाया था। रोहित ने करियर की सातों संचुरी भारत में ही लगाई हैं। चेन्नई में उनका यह पहला शतक रहा। रोहित करियर के पहले 7 शतक अपने देश में लगाते वाले पहले भारतीय क्रिकेटर हैं। उनसे पहले मोहम्मद अजहरुद्दीन ने करियर के पहले 6 शतक भारत में बनाए थे। रोहित ने चौथी बार टेस्ट में 150+ रन बनाए। इससे पहले उन्होंने वेस्टइंडीज के खिलाफ 2013 में एक बार (177 रन) और साउथ अफ्रीका के खिलाफ 2019 में दो बार (176 और 212 रन) यह मुकाम हासिल किया था।

अक्षर ने किया पदार्पण

भारतीय टीम में तीन बदलाव किए गए हैं और रिचन गेंडबाजी हरफनमौला अक्षर पटेल ने टेस्ट क्रिकेट में पदार्पण किया। सीनियर तेज गेंदबाज जसप्रीत बुमराह को आराम देकर मोहम्मद सिराज को टीम में जगह मिली है। वहीं वाशिंगटन सुंदर की जगह कलाई के स्पिनर कुलदीप यादव खेलेंगे जो दो साल में उनका पहला टेस्ट होगा। इंग्लैंड टीम में डोम बेस की जगह मोईन अली, जेम्स एंडरसन की जगह स्टुअर्ट बॉड और चोटिल जोफ्रा आर्चर को जगह ओली स्टोन को शामिल किया गया है। विकेटकीपर जोस बटलर की जगह डेन फोक्स ने ली।

कोहली 11वीं बार शून्य पर आउट

कोहली कुल 11वीं बार शून्य पर आउट हुए। वे भारत में पहली बार लगातार 2 इनिंग्स में वहीन बॉल्ड हुए। पहले टेस्ट की दूसरी पारी में स्टोकस ने कोहली को 72 रन पर बॉल्ड किया था। कोहली ने भारत में 63 पारियां खेली हैं। इसमें वे कुल 4 बार बॉल्ड हुए हैं।
