## Support Kashmir decision, should have consulted Oppn: Hardik

EXPRESS NEWS SERVICE  
AHMEDABAD, AUGUST 6

A DAY after the union government changed the status of Jammu and Kashmir to a union territory and scrapped article 370, Congress leader Hardik Patel said that he completely supported the decision of the Modi-led NDA government. However, it should have taken the opposition into confidence before taking such a drastic step.

Speaking to *The Indian Express*, Patel said, "Whatever decision the government takes for benefit of the country, we support it - this is my official stand. We totally support that Kashmir and India are one. The question is, before taking such a big decision, why was the opposition not taken into confidence?"

Patel also took to Twitter on Tuesday afternoon to present his stance on the Kashmir issue and reminded the union government that it should have held a discussion with the main opposition party, since India is a free and democratic country. However, in his criticism, Patel minced words for

the Bharatiya Janata Party and said in undertones that "whenever government takes big decisions, opposition supports it but they should also keep in mind the role of opposition before taking such big steps."

Patel's tweet comes hours before erstwhile Congress leader Rahul Gandhi attacked the Modi government by calling the step an "abuse of executive power."

On Monday evening, a few supporters of the Patidar agitation circulated pictures on social media which claimed that Patel supported Narendra Modi's decision. It gave birth to speculations that Patel's stance might differ from that of the party on this issue.

"If there was a discussion held on the Kashmir issue with all opposition parties, then I am sure that the opposition would have had no issues with this step. However, if you won't even ask the opposition before taking such a step, then it is natural that they will think the government is behaving in a dictatorial manner. Tomorrow, the government can introduce a law to shoot anyone who speaks against them," said Patel.

## After alleging harassment by senior, forester goes missing

EXPRESS NEWS SERVICE  
RAJKOT, AUGUST 6

ALLEGING HARASSMENT by his immediate superior officer, a forester of Khambhatulshiyam range in Gir (east) forest division went missing from his official quarters soon after IMAGES OF a six-page note was posted on a social media group of forest employees early on Monday morning from his phone number. He was untraceable till Tuesday evening even as forest officers and police launched a search for him. Each of the pages posted on the group bear his signature.

Sandip Katara, Forester of Kothariya round in Khambhatulshiyam range, posted a six-page note in a WhatsApp group of forest employees around 2 am on Monday, and was reported missing from his official quarters at Dhokadva village in Gir Gadhadra taluka of Gir Somnath district. In the note, he alleged that Khambhatulshiyam range forest officer (RFO) Parimal Patel had been "harassing" him since the time he was given charge of Kothariya-II round seven months ago.

The note attributed to the forester said that he was leaving his home and if he were found dead, the RFO should be held guilty. "I want to convey to my family that RFO Parimal Patel is responsible for this step of mine. I was not to take such a step. But I am fed up with life (due to unnecessary harassment during duty) and therefore I am leaving home for, well, I don't know for what."

The note also reads: "With an objective to denigrate me, RFO would convene a meeting in my area when I would be on leave." "Such meetings would be held at the instance of some staff members on the agricultural farm of someone and (they) would allege that your forester is bad. Till the time he is there in your round, work of any type would not be done (they alleged) and that he is having bad character. By talk-

ing in this manner, he would defame me", the posted note said.

The note also says that the RFO would not grant him leave even for medical treatment of his wife, who was struggling to conceive a child. "It has been seven years since my marriage and I have no children. We are taking medical treatment for that but I would not get leave when requested," Katara's purported note reads. "With an objective to harass me mentally, (Parimal Patel) would tell in the presence of forest staff that it was none of his concern if I manage to have children or not and that I would not get leave."

Katara, who is a tribal native of Panchmahal district, had joined the Gujarat forest department as a beat guard. He served as a guard in Mitiyala Wildlife Sanctuary in Savarkunda range for more than six years, and was promoted as a forester around seven months ago and transferred to Kothariya round. His wife Jyotsana works in the state reserve police and is presently posted in Ahmedabad.

Gir forest and other protected areas spread across Junagadh, Gir Somnath, Amreli and Bhavnagar districts in Saurashtra region are the only natural habitat of the endangered Asiatic lions, and the protection regime there is considered among the best in the state, and the staff among the most efficient ones.

The purported note by the forester further alleged that the RFO would not send additional staff when he made a request, to prevent illegal fishing in Raval and Zamari dams falling in his jurisdiction, but promptly proceeded to arrest those accused of stealing the nails of lions within hours of Katara proceeding on leave. Some people were arrested for illegal fishing in Raval dam also in this manner. "Thus, to defame me, he would come to my area in my absence and then stage a drama of seeking clarifications from me with an objective to

tarnish my career," the note alleged. He also said that the RFO favoured a farmer in laying an illegal pipeline.

The forester's note also reads: "Whatever I have written in page-1 to page-6 is the fact and reality. Irrespective of whether I get respect or not, if my body is found on some road or in the jungle, it should be first presented to RFO Patel saheb and then be handed over to my family."

At 5:15 pm on Monday, Assistant Conservator of Forests of Una, Nikunkumar Parmar and Jasadhhar RFO JG Pandya lodged a complaint at Gir Gadhadra police station saying Katara had gone missing between 11 pm on Sunday and 6 am on Monday. "He was living in forest quarters in Dhokadva but left it without informing anybody after writing a suicide note," their complaint reads.

Chief conservator of forests (CCF) of Junagadh wildlife circle, Dushyant Vasavada said while the forester had not lodged any formal complaint, the forest department had taken the initiative to inform the police after Katara's purported social media post. "He has put up a six-page note on social media-WhatsApp to somebody else... There is no official communication to us... We took an initiative and informed the police that he is missing," Vasavada told *The Indian Express*. The CCF said that after the claws of a lion that had died in Kothariya round a few months ago were found missing, one beat guard of that round had been dismissed from service and Katara was also punished; his two salary increments were stopped. The forest department later recovered the lion claws from an agricultural field and arrested two persons.

Meanwhile, police said that their search for the forester has led nowhere. "We are searching the area where he was posted. We are also trying to locate him by tracing the location of his mobile phone but to no avail so far," Police SI Kalpana Aghera said.

## TIPPING POINT

FORMER IPS officer Sanjiv Bhatt, who is lodged in the Palanpur sub-jail and was recently convicted in a 29-year-old case, vented his angst in an open letter to his family and friends reportedly written on August 2 where he talked about India being at a "tipping point". The public letter on Twitter says, "The choices we make today will determine our fate for the next few decades... We've got to be in the fight. We may avoid politics, but politics will not avoid us. We will have to make some difficult choices but in the end, we're only the sum of the choices we make. If people like you and I aren't willing to take risks for what we believe in, nothing will ever change". The letter intimately addresses his family where he compares his daughter with Game of Thrones character Arya Stark and talks about his wife Shweta's struggles.

## SETTING AN EXAMPLE

IN ONE of the recent seminars organised by the government agencies, Dholera Special Investment Region Development Authority (DSIRDA) and the Delhi-Mumbai Industrial Corridor Development Corporation (DMICDC), water was served in returnable glass bottles instead of the usual plastic bottles, which are usually discarded after use. The idea to use glass bottles came from DSIRDA, an arm of the state government which claimed to have stopped using plastic bottles in their Gandhinagar office too. HerbalH2O, the brand behind the water in these glass bottles, said they had used "natural botanical extract" of Basil (tulsi) as a flavour in the water.

## 40 industrial units affected by floodwaters, GIDC survey to assess damage

AVINASH NAIR  
AHMEDABAD, AUGUST 6

Sources said the losses are likely to run into crores of rupees as several units had to halt production.

**Damage to infrastructure, including roads and walls of Dahej SEZ has also been reported.**

"We have received complaints of water-logging from big companies like Reliance Industries Limited (RIL), Deepak Nitrite, Gujarat Fluorochemicals Limited (GFL) and Gujarat Alkalies and Chemicals Limited (GACL) about flood water entering their campuses," an official of the GIDC

told *The Indian Express* on condition of anonymity.

Most of the industrial units located in GIDC Phase-I are chemical and engineering units. "We are presently conducting a survey of all the units that have been affected by the flood. Only once the survey is complete, can we arrive at an estimate of the losses," the official said.

The area does have storm water drains, yet the flood water entered the industrial units. "About 25-40 industrial units were affected when water suddenly gushed into their campuses on Sunday night," General secretary of

the Dahej Industries Association Sunil Bhatt said. "There was a power failure too. This forced some of the units to immediately shut down. These affected units are in GIDC Phase-I and the SEZ-I and SEZ-II."

GFL, which has an integrated chemical complex at Dahej that produces caustic soda and chloromethane, also had to partially shut down, while some affected industrial units of other companies had to cancel a few shifts.

Damage to the infrastructure, including roads and walls of the SEZ has also been reported.

*The Indian Express* on Monday re-

ported that GACL, one of the largest caustic soda producers in the country, faced a daily loss of Rs 6 crore after it was forced to shut down seven of its eight plants in the Dahej complex.

"The flooding was a result of the heavy rains on Sunday evening. It continued till Monday morning," Bhatt said, adding that the association is yet to independently assess the losses caused by the flooding. "The losses will be in crores of rupees as some of the plants had to be shut down," he said, adding that the flood water was receding and the industries were cleaning up the debris and muck left behind.

## Water level in Ukai dam goes up by 39ft

KAMAAL SAIYED  
SURAT, AUGUST 6

THE WATER level in Ukai dam has gone up by 39 feet and crossed 319.55 feet with an inflow of 87,308 cusecs from the catchment areas of Madhya Pradesh and Maharashtra that has been receiving heavy rainfall for 12 days.

On Tuesday afternoon, the water level touched 319.55 feet in the dam in Tapi district with a total volume of 3,565.48 MCM (million cubic metre). Dam authorities said that the dam is filled to 48.12 per cent of its capacity.

The water level in the dam, which receives water only during monsoon season, was 279 feet on July 26. With heavy rain in 39 catchment areas spread across Maharashtra and Madhya Pradesh, the water level started increasing, dam authorities said.

In 2018, the maximum water level in the dam measured on September 25 was 319 feet when the rainfall in the upper catchment areas in Madhya Pradesh and Maharashtra was below average.

SR Mahakaal, superintendent engineer of irrigation department of Surat,

A flooded street in Surat. Hanif Malek

said, "Ukai dam supplies water for irrigation, drinking and industrial uses to districts like Tapi, Bharuch, Surat, Valsad and Navsari. For irrigation, a total of 3,500 MCM water is supplied in the entire year. We supply 475 MCM water for drinking purpose to all five districts and 250 MCM for industrial purposes."

The water level in the dam on May 21 was 279.64 feet, amounting to 335 MCM, which was 16 feet less than the level on the same date last year when 639 MCM of water stood at 263 feet. Surat Municipal Corporation is a major consumer with an average daily consumption of 1,150 MLD (million litres per day).

Due to the water shortage in the dam, the dam authorities had on 21 May, 2019, intimated the Surat Municipal Corporation to cut short the water usage. Multinational companies and GIDC were also informed of the same.

"This year, though initial days of monsoon were not good, later the scene changed and Ukai dam started receiving water due to heavy rainfall in the upper catchment areas in MP and Maharashtra. The present level in the dam is good compared to past two years. In 2018, the maximum water level in the dam was 319 feet, while in 2017 the maximum water level in the dam was 324 feet. We are hopeful that with the rainfall in August, September and October, the dam would be filled to 345 feet. The top level of the dam is 356 feet. If the dam is filled, there would be no shortage of water for irrigation, drinking, and industrial use," said Mahakaal.
