#### 23. VOTING THROUGH ELECTRONIC MEANS:

#### A. INSTRUCTION FOR SHAREHOLDERS FOR VOTING THROUGH ELECTRONIC MEANS PRIOR TO AGM:

- i. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
  - The Company has engaged the services of Central Depository Services Limited (CDSL) as the Agency to provide e-voting facility. The detailed procedure to be followed in this regard has been given below. The members are requested to go through it carefully.
- ii. The Board of Directors of the Company has appointed Mr. Himank Desai, Chartered Accountant, Membership No.: 031602 as Scrutinizer to scrutinize the votes cast through remote e-voting and during AGM in a fair and transparent manner.
- iii. The members who have cast their vote by remote e-voting prior to the AGM may also attend/ participate in the AGM through VC/OAVM but shall not be entitled to cast their vote again.

- iv. Voting rights shall be reckoned on the paid up value of shares registered in the name of the member / beneficial owner (in case of electronic shareholding) as on the cut-off date i.e. September 16, 2022.
- v. A person, whose name is recorded in the register of members or in the register of beneficial owners maintained by the depositories as on the cut-off date, i.e. September 16, 2022 only shall be entitled to avail the facility of e-voting / remote e-voting.
- vi. Any person who becomes a member of the Company after dispatch of the Notice of the Meeting and holding shares as on the cut-off date i.e. September 16, 2022, may obtain the User ID and password from BIGSHARE SERVICES PRIVATE LIMITED (Registrar & Transfer Agent of the Company).
- vii The Scrutinizer, after scrutinizing the votes cast during the meeting and through remote e-voting, will, not later than two working days from the conclusion of the Meeting, make a consolidated scrutinizer's report and submit the same to the CHAIRMAN. The results declared along with the consolidated scrutinizer's report shall be placed on the website of the Company (i.e. www.whbrady.in) and on the website of CDSL https://www.evotingindia.com. The results shall simultaneously be communicated to the Stock Exchange.
- viii. Subject to receipt of requisite number of votes, the Resolutions shall be deemed to be passed on the date of the Meeting, i.e. September 23, 2022.

## The instructions for shareholders for remote e-voting and e-voting during AGM and joining meeting through VC/OAVM are as under:

- a. The voting period begins on September 20, 2022 at 9.00 a.m. (IST) and ends on September 22, 2022 at 5.00 p.m. (IST) During this period, shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of September 16, 2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- b. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the Meeting.
- c. Pursuant to SEBI Circular No. SEBI / HO / CFD/ CMD / CIR / P / 2020 / 242 dated December 9, 2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.
  - Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.
  - In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.
- d. In terms of SEBI circular no. SEBI/HO/CFD/CMD/ CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

### **ANNEXURE TO NOTICE**

EXPLANATORY STATEMENT IN RESPECT OF THE ORDINARY BUSINESS PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013, SECRETARIAL STANDARD-2 ON GENERAL MEETINGS AND REGULATION 36 OF THESECURITIES AND EXCHANGE BOARD OF INDIA (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015

#### **ITEM NO.: 03**

M/s. S. S. Rathi & Associates, Chartered Accountants, were appointed as Statutory Auditors of the Company at the 104<sup>th</sup> Annual General Meeting ('AGM') held on September 23, 2017 for a period of 5 years, i.e. up to the conclusion of 109<sup>th</sup> AGM and are retiring at the ensuing AGM completing a block of five years.

The Board of Directors of the Company at their meeting held on August 12, 2022, based on the recommendation of the Audit Committee, proposed for the approval of the members, the appointment of M/s. J. G. Verma & Co., Chartered Accountants, Mumbai (FRN. 111381W), as the Statutory Auditors of the Company for a period of five consecutive years from the conclusion of 109th AGM till the conclusion of the 114<sup>th</sup> AGM.

M/s. J. G. Verma & Co., Chartered Accountants, have given their consent for their appointment as Statutory Auditors of the Company and has also issued certificate confirming that their appointment, if made, will be within the limits prescribed under the provisions of Section 139 of the Companies Act, 2013 ('the Act') and the rules made thereunder.

The Board of Directors has decided to pay remuneration as recommended by the Audit Committee and as may be mutually agreed between the Board of Directors of the Company and the Statutory Auditors from time to time for conducting the audit for the financial year 2022-2023, excluding applicable taxes and reimbursement of out-of-pocket expenses on actuals. The remuneration proposed to be paid to the Statutory Auditors during this term would be in line with the existing remuneration paid and is commensurate with the services to be rendered by them during the said tenure.

The Board of Directors in consultation with the Audit Committee may alter and vary the terms and conditions of appointment, including remuneration, in such manner and extent as may be mutually agreed with the Statutory Auditors.

The Audit Committee considered various parameters like experience of the Auditors, operating segment, market standing of the firm, clientele served, technical knowledge etc., and decided to appoint them to handle the scale and complexity associated with the audit of the financial statements of the Company.

M/s. J. G. Verma & Co., Chartered Accountants, are registered with the Institute of Chartered Accountants of India and have confirmed that they are eligible for the proposed appointment under the Act, the Chartered Accountants Act, 1949 and the rules or regulations made thereunder. M/s J. G. Verma & Co., Chartered Accountants, hold the 'Peer Review' certificate as issued by 'ICAI'. As confirmed to Audit Committee, the Auditors have reported their independence from the Company according to the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') and the ethical requirements relevant to audit.

The Board recommends the resolution set out at Item No. 3 of the Notice for approval of the Members as an Ordinary Resolution.

None of the Directors or Key Managerial Personnel of the Company or their relatives are interested or concerned, financially or otherwise, in the resolution.

#### **ITEM NO.: 04**

Mr. Kaushik D. Shah (DIN: 00024305) Independent Director, was appointed on the Board of the company on August 3, 2018 in compliance of Section 149 of the Companies Act, 2013, and his re-appointment as an Independent Director of the company for a second term of 5 years was made at the Annual General Meeting held on September 29, 2018. His current term in the office of Independent Director is up to March 31, 2024.

Mr. Kaushik D. Shah is currently holding the Chairman position of Audit & Nomination and Remuneration Committee of the Board.

In terms of Regulation 17(1A) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

"No listed entity shall appoint a person or continue the directorship of any person as a non-executive director who has attained the age of seventy five years unless a special resolution is passed to that effect, in which case the explanatory statement annexed to the notice for such motion shall indicate the justification for appointing such a person."

He will attain the age of 75 years on January 24, 2023 and hence, as per the requirement of Regulation 17(1A) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, a special resolution needs to be passed seeking the approval of the shareholders for continuation of his directorship in the company.

The Board is of the opinion that the continued valuable contribution of Mr. Kaushik D. Shah. could be of great use for your company. He possesses required expertise as a Non-Executive Independent Director. He has diverse experience in the industry for last few years. His opinions and suggestions in the past have proven to be beneficial for the company.

Mr. Kaushik D. Shah is interested in the resolution set out at Item No. 4 of the Notice with regard to his re-appointment.

The relatives of Mr. Kaushik D. Shah may be deemed to be interested in the respective resolutions to the extent of their shareholding interest, if any, in the Company.

Save and except the above, none of the other Directors / Key Managerial Personnel of the Company / their relatives are, in any way, concerned or interested, financially or otherwise, in the aforementioned resolutions. This statement may also be regarded as an appropriate disclosure under the Listing Regulations.

The Board recommends the Special Resolution set out at Item No. 4 of the Notice for approval by the members.

#### **OPPORTUNITIES AND THREATS**

The competitive business environment, the Company operates in, makes innovation imperative for success of the business. Recognising the need to improve, expand and innovate, the Company is concentrating efforts on research and development of alternate materials and new products. The Company expects to take advantage of the growth opportunity provided by the Indian economy.

The domestic market continued to be affected by, Macro economic problems, high inflation, petroleum product prices, interest rates and poor consumer sentiments and volatility in foreign exchange rates, challenging market environment, slowing consumer demand, COVID-19 disruption towards the end of the year. In spite of all this, your company was able to sustain its market share.

#### **OUTLOOK**

COVID-19 will continue to have an impact; however, it will be smaller. Nevertheless, the Management is making all-out efforts to improve the Company's working in the Financial Year 2022–23.

#### **RISKS & CONCERNS**

The Company's business is exposed to many internal and external risks and it has consequently put in place robust systems and processes, along with appropriate review mechanisms to actively monitor, manage and mitigate these risks. The risks that may affect us include, but are not limited to:

- Economic Conditions.
- Inflation pressures and other factors affecting demand for our products.
- Increasing cost of Raw Material, transport and storage.

- Supplier and distributor relationships and retention of distribution channels.
- Competitive market conditions and new entrants to the market.
- Labour shortages and attrition of Key Staff.
- Compliance and regulatory pressure including changes to tax laws.
- Natural Calamity risks.

The Company is committed to manufacture and deliver quality products strictly as per requirement of the customers by ensuring safety and well-being of employees throughout the pandemic. Constant feedback from the customers is received and all efforts are made for continuous improvement in process performance and product quality wherever required. With established production, the Company is in a position to maintain production and supply of quality products smoothly. The Company has benefit of its long standing with its customers and can match the prices suitably as and when required. For the above reasons, no major threat is overseen and the Company is confident to face any threat from the competition.

### INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

Your Company maintains adequate Internal Control Systems commensurate with the nature of its business, size and complexity of its operations. The internal audit functions of the company are carried out by a firm of Chartered Accountants. The scope and authority of the Internal Audit function is defined by the Audit Committee. To ensure independence, the internal audit function has a reporting line to the Audit Committee of the Board. The Internal Auditors monitors and evaluates the efficiency and adequacy of internal control system in the Company, its compliance with operating systems, Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information.

The Audit Committee of the Board reviews the performance of the audit and the adequacy of internal control systems and compliance with regulatory guidelines. Significant deviations are brought to the notice of the Audit Committee of the Board of the respective companies and corrective measures are recommended for implementation. The Audit Committee of Board provides necessary oversight and directions to the internal audit function and periodically reviews the findings and ensures corrective measures are taken. This system enables us to achieve efficiency and effectiveness of operations, reliability and completeness of financial and management information and compliance with applicable laws and regulations.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters:

Sr. No.	Kay Audit Matter	How our audit addressed the key audit matter
1.	Non recognition of Deferred tax assets on carried forward tax losses  The Company's ability to recover deferred tax assets are assessed by management at the close of each financial year taking into account availability of sufficient future taxable income.	We have considered the recoverability of such deferred tax assets on tax losses carried forward as a key audit matters due to the importance of management's estimation and judgment and the materiality of amounts at stake.  We reviewed the evaluation process of deferred tax assets on tax losses carried forward implemented by the Management.
		We assessed the permanence of methods used, the relevance and consistency of underlying assumptions (like earnings growth and applicable tax rates) and tested the arithmetic accuracy.
		We assessed the probability that the company may not use in the future its deferred tax assets, particularly with regard to the ability of the Company
		To generate sufficient future taxable profits in a foreseeable future allowing the use of existing tax losses carried forward.

#### Other Information

The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report but does not include the standalone financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

#### **Emphasis of Matter**

We draw attention to Note No. 55 of the Financial Statements, which described the extent to which the COVID-19 pandemic will impact the Company's operations and financial performance which will depend on future developments, which are uncertain.

Our opinion is not qualified in respect of the above matter.

#### Management's and Board of Directors' Responsibility for the Standalone Financial Statements

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit and other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Management and Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the standalone financial statements made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting
  and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may

## W. H. BRADY & CO. LTD.

cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

• Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Report on Other Legal and Regulatory Requirements

- a) As required by the Companies (Auditors' Report) Order, 2020 ("the Order") issued by the Central Government in terms of section 143 (11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- b) As required by section 143(3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - c) The standalone balance sheet, the standalone statement of profit and loss (including other comprehensive income), the standalone statement of cash flows and the standalone statement of changes in equity dealt with by this Report are in agreement with the books of account;
  - d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under section 133 of the Act:
  - e) On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of section 164(2) of the Act;
  - f) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
  - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
  - h) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- The management has represented that, to the best of it's knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
  - The management has represented, that, to the best of it's knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
  - (iii) Based on audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11 (e) as provided under (a) and (b) above contain any material mis-statement.
- The Company has not declared nor proposed or paid any dividend during the year and therefore compliance under section 123 of the Companies Act, 2013 is not applicable to the company.

## ANNEXURE "B" TO THE INDEPENDENT AUDITORS' REPORT

The Annexure referred in our Report of even date to the members of **W. H. Brady & Co Ltd** on the standalone financial statements for the year ended March 31,2022.

Report on the Internal Financial Controls under Clause (I) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of W H Brady & Co Ltd ("the Company") as of March 31, 2022 in conjunction with our audit of standalone financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to standalone financial statements and such internal financial controls were operating effectively as at March 31, 2022, based on the internal financial controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

#### Management's Responsibility for Internal Financial Controls:

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as "the Act").

#### Auditors' Responsibility:

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to standalone financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to standalone financial statements.

## Meaning of Internal Financial Controls over Financial Reporting:

A company's internal financial controls with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to standalone financial statements include those policies and procedures that:

- 1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and

 provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

#### Inherent Limitations of Internal Financial Controls over Financial Reporting:

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial controls with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## W. H. BRADY & CO. LTD.

#### 1. Company overview

W. H. Brady & Co. Limited ('the Company') is a public company domiciled in India and incorporated under the provisions of The Indian Companies Act, 1882.

The Company has its registered office at, Mumbai, Maharashtra, India. The Company's Equity Shares are listed on Bombay Stock Exchange.

The company is in the business of Trading of Material handling equipment, aviation support service, general engineering item and Renting of Space Building.

#### 2. Summary of Significant accounting policies

#### (i) Basis of preparation of financial statements:

#### (a) Compliance with Ind AS

The Financial Statements have been prepared in accordance with Indian Accounting Standards (hereinafter referred to as 'Ind AS') notified under Section 133 of the Companies Act, 2013 ("Act") read with Companies (Indian Accounting Standards) Rules, 2015 and as amended and the other relevant provisions of the Act and Rules thereunder.

The Financial Statements have been prepared under historical cost convention basis, except for certain assets and liabilities measured at fair value such as financial instruments measured at FVTPL/FVTOCI.

The Financial Statements were authorized for issue by the Company's Board of Directors on May 28, 2022.

#### (b) Functional and Presentation Currency:

The financial statements are presented in Indian Rupees, rounded off to the nearest lakhs which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates.

#### (ii) Use of judgment and estimates:

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenue, expenses, assets, liabilities, and the accompanying disclosures along with contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require material adjustments to the carrying amount of assets or liabilities affected in future periods. The Company continually evaluates these estimates and assumptions based on the most recently available information.

Revisions to accounting estimates are recognized prospectively in the Statement of Profit and Loss in the period in which the estimates are revised and in any future periods affected and, if material, the effects of such changes are disclosed in the notes to financial statements.

## (iii) Current and non-current classification

All Assets and Liabilities are classified as Current and Non-Current.

An asset is classified as current when it is:

- a) Expected to be realised or intended to be sold in normal operating cycle
- b) Held primarily for the purpose of trading
- c) Expected to be realised within twelve months from reporting period
- d) Cash and Cash equivalents unless there are restrictions from being exchanged or used to settle a liability for at least twelve months after reporting period

All other assets are classified as Non-Current Assets

A liability is current when:

- a) It is expected to be settled in the normal operating cycle
- b) It is held primarily for trading

- c) It is due to be settled within twelve months from reporting period
- d) There is an unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as Non-Current Liabilities

#### (iv) Measurement of Fair value

The Company measures financial instruments, such as investments (other than investment in Subsidiaries) at fair values at each Balance Sheet date.

Certain accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in the principal or, in its absence, the most advantageous market to which the company has access at that date. The fair value of a liability also reflects its non-performance risk.

The best estimate of the fair value of a financial instrument on initial recognition is normally the transaction price – i.e. the fair value of the consideration given or received. If the Company determines that the fair value on initial recognition differs from the transaction price and the fair value is evidenced neither by a quoted price in an active market for an identical asset or liability nor based on a valuation technique that uses only data from observable markets, then the financial instrument is initially measured at fair value, adjusted to defer the difference between the fair value on initial recognition and the transaction price. Subsequently that difference is recognised in Statement of Profit and Loss on an appropriate basis over the life of the instrument but not later than when the valuation is wholly supported by observable market data or the transaction is closed out.

While measuring the fair value of an asset or liability, the Company uses observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation technique as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the assets or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices)
- Level 3: inputs for the assets or liability that are not based on observable market data (unobservable inputs)

When quoted price in active market for an instrument is available, the Company measures the fair value of the instrument using that price. A market is regarded as active if transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis.

If there are no quoted prices in an active market, then the Company uses a valuation technique that maximise the use of relevant observable inputs and minimise the use of unobservable inputs. The chosen valuation technique incorporates all of the factors that market participants would take into account in pricing a transaction.

The Company regularly reviews significant unobservable inputs and valuation adjustments. If the third-party information, such as broker quotes or pricing services, is used to measure fair values, then the Company assesses the evidence obtained from the third parties to support the conclusion that these valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which the valuations should be classified.

#### (v) Property, plant and equipment and depreciation

Property, plant and equipment is stated at acquisition cost net of accumulated depreciation and accumulated impairment losses, if any. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the Statement of Profit and Loss during the period in which they are incurred. Gains or losses arising on retirement or disposal of property, plant and equipment are recognised in the Statement of Profit and Loss.

Useful life considered for calculation of depreciation for various assets class are as follows:

Class of assets	Years
Building/ Godown / Bungalow/Ownership garage	60
Office equipment/Air conditioning machines	5
Furniture & fixtures	10
Vehicles	8
Electrical Installation	10
Computer Installation	3

Depreciation is calculated using the written down value method to allocate cost of the assets, net of their residual values over their estimated useful life as above.

#### (vi) Investment properties and depreciation

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as investment property. Investment property is measured at its cost, including related transaction costs and where applicable borrowing costs less depreciation and impairment, if any and repairs and maintenance cost are expensed when incurred. Depreciation on building is provided over its useful life using the written down value method. Estimated useful life considered for calculation of depreciation for building is 60 years.

#### (vii) Intangible assets and amortisation

Intangible fixed assets are recognised when it is probable that the future economic benefits that are attributable to the assets will flow to the Company and the cost of the assets can be measured reliably. Intangible assets are stated at cost less accumulated amortisation and impairment loss, if any.

Intangible assets are amortised uniformly over the best estimate of their useful lives. Estimated useful life considered for amortisation of Intangible assets is from 3 - 5 years from the date of acquisition.

#### (viii) Financial Assets

#### Initial recognition and measurement

All financial assets are recognised initially at fair value plus transaction costs that are attributable to the acquisition of the financial asset.

#### Subsequent measurement

Subsequent measurement is determined with reference to the classification of the respective financial assets. Based on the business model for managing the financial assets and the contractual cash flow characteristics of the financial asset, the Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit and loss

#### Financial Asset Other than Equity instrument at amortised cost

A 'Financial Asset' is measured at the amortised cost if both the following conditions are met:

The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss.

#### Financial Asset at Fair value through Other Comprehensive Income (FVTOCI)

'Financial Asset ' is measured at the fair value through Other Comprehensive Income if both the following conditions are met:

The asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and contractual terms of the asset give rise on specified dates to cash flows that are SPPI on the principal amount outstanding.

After initial measurement, these assets are subsequently measured at fair value. Interest income under effective interest method, foreign exchange gains and losses and impairment losses are recognised in the Statement of Profit and Loss. Other net gains and losses are recognised in other comprehensive Income.

### Financial Asset at Fair value through Profit or Loss (FVTPL)

Fair Value through Profit or Loss is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorisation at amortised cost or as FVTOCI, is classified as FVTPL.

After initial measurement, any fair value changes including any interest income, foreign exchange gain and losses, impairment losses and other net gains and losses are recognised in the Statement of Profit and Loss.

#### **Equity investments**

All equity investments within the scope of Ind-AS 109 are measured at fair value. Such equity instruments which are held for trading are classified as FVTPL. For all other such equity instruments, the Company decides to classify the same either as FVTOCI or FVTPL. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

For equity instruments classified as FVTOCI, all fair value changes on the instrument, excluding dividends, are recognized in Other Comprehensive Income (OCI). Dividends on such equity instruments are recognised in the Statement of Profit or Loss.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

#### De-recognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's Balance Sheet) when the rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either:

- The Company has transferred substantially all the risks and rewards of the asset, or
- The Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

On de-recognition, any gains or losses on all debt instruments (other than debt instruments measured at FVTOCI) and equity instruments (measured at FVTPL) are recognised in the Statement of Profit and Loss. Gains and losses in respect of debt instruments measured at FVTOCI and that are accumulated in OCI are reclassified to profit or loss on de-recognition. Gains or losses on equity instruments measured at FVTOCI that are recognised and accumulated in OCI are not reclassified to profit or loss on de-recognition.

#### Impairment of financial assets

In accordance with Ind-AS 109, the Company applies Expected Credit Loss ("ECL") model for measurement and recognition of impairment loss on the financial assets measured at amortised cost and debt instruments measured at FVTOCI.

Loss allowances on trade receivables are measured following the 'simplified approach' at an amount equal to the lifetime ECL at each reporting date. In respect of other financial assets such as debt securities and bank balances, the loss allowance is measured at 12 month ECL only if there is no significant deterioration in the credit risk since initial recognition of the asset or asset is determined to have a low credit risk at the reporting date.

#### (ix) Financial Liabilities

## Initial recognition and measurement

Financial liabilities are initially recognised when the company becomes a party to the contractual provisions of the instrument.

Financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss, transaction costs that are directly attributable to its acquisition or issue.

#### Subsequent measurement

Subsequent measurement is determined with reference to the classification of the respective financial liabilities.

#### Financial Liabilities at Fair Value through Profit or Loss (FVTPL)

Financial liability is classified as at Fair Value through Profit or Loss (FVTPL) if it is classified as held-for-trading or is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and changes therein, including any interest expense, are recognised in Statement of Profit and Loss.

#### Financial Liabilities at amortised cost

After initial recognition, financial liabilities other than those which are classified as FVTPL are subsequently measured at amortised cost using the effective interest rate ("EIR") method.

Amortised cost is calculated by taking into account any discount or premium and fees or costs that are an integral part of the EIR. The amortisation done using the EIR method is included as finance costs in the Statement of Profit and Loss.

#### De-recognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

#### Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

#### (x) Inventories:

Inventories are valued at the lower of cost and net realisable value.

Cost of inventories is computed on a First-in-First-Out basis.

#### (xi) Borrowing cost and finance charges:

Borrowing costs are interest and other costs incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period of time to get ready for their intended use are capitalised as part of the cost of that asset. Other borrowing costs are recognised as an expense in the period in which they are incurred.

#### (xii) Segment reporting:

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

#### (xiii) Revenue recognition:

(a) Sale of trading goods and services: Revenue from sales is recognised when significant risks and rewards of ownership have been transferred to the buyer which is normally on delivery of goods and is net of value added tax / Goods and Service Tax.

- (b) **Rental Income:** Rental income from investment Property and sub-letting of property is recognized on a time proportion basis over the term of the relevant leave and license agreement in accordance with the term and condition of the relevant lease agreements.
- (c) **Interest Income:** Interest income is accrued on a time proportionate basis by reference to the principal outstanding on effective internal rate applicable.
- (d) Dividend Income: Dividend income for inherent is recognized when the shareholder's right to receive payment have been established.

#### (xiv) Taxation:

Tax expense comprises of current tax and deferred tax.

- (a) **Current tax:** Income-tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, by the end of reporting period.
  - Current Tax items are recognised in correlation to the underlying transaction either in the Statement of Profit and Loss, other comprehensive income or directly in equity.
  - Current tax assets and liabilities are offset only if, the Company has a legally enforceable right to set off the recognised amounts; and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.
- (b) **Deferred tax:** Deferred tax is provided using the Balance Sheet method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted at the reporting date. Deferred Tax items are recognised in correlation to the underlying transaction either in the Statement of Profit and Loss, other comprehensive income or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and when the deferred taxes relate to the same taxable entity and the same taxation authority.

Deferred tax assets is not recognized considering prudence concept.

#### (xv) Leases:

A lessee measures right-of-use assets similarly to other non-financial assets (such as property, plant and equipment) and lease liabilities similarly to other financial liabilities. As a consequence, a lessee recognizes depreciation of the right-of-use asset and interest on the lease liability, and also classifies cash repayments of the lease liability into a principal portion and an interest portion. As the company do not have any leases as on reporting date, Ind AS 116 is not expected to impact them.

## W. H. BRADY & CO. LTD.

#### (xvi) Provisions, contingent liabilities and assets:

a) Provisions are recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period when the effect of time value is material. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Provisions are not discounted to present value and are determined based on best estimate of the expenditure required to settle the obligation at the Balance Sheet date when the effect of time value is not material. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimate.

b) Contingent Liabilities are disclosed in respect of possible obligations that arise from past events but their existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made.

A contingent asset is disclosed, where an inflow of economic benefits is probable. An entity shall not recognize a contingent asset unless the recovery is virtually certain.

#### (xvii)Cash and Cash Equivalents:

Cash and cash equivalents presented in the cash flow statement consist of cash on hand and balance with banks in current and deposit accounts with original maturity of less than 3 months.

For the purpose of the statement of cash flows, cash and cash equivalents consists of cash and short-term deposits, net of bank overdrafts as they are considered an integral part of the Company's cash management.

#### (xviii)Earnings Per Share:

The basic Earnings Per Share ("EPS") is computed by dividing the net profit / (loss) after tax for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, net profit / (loss) after tax for the year attributable to the equity shareholders and the weighted average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

#### (xix) Restatement of Previous year figures

#### 18.1 Nature and purpose of reserves

#### (i) General reserve

General Reserve is used from time to time to transfer profits from retained earnings for appropriation purposes. General Reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income.

#### (ii) Retained earnings

Retained earnings are the profits that the Group has earned till date, less any transfer to General Reserve, dividends or other distributions paid to the shareholders.

#### (iii) Equity instruments through other comprehensive income

The fair value change of the equity instruments measured at fair value through other comprehensive income is recognised in equity instruments through Other Comprehensive Income. Upon derecognition, the cumulative fair value changes on the said instruments are transferred to the retained earning.

#### (iv) Remeasurement of defined benefit plan

Differences between the interest income on plan assets and the return actually achieved, and any changes in the liabilities over the year due to changes in actuarial assumptions or experience adjustments within the plans, are recognised in other comprehensive income and are adjusted to retained earnings.

#### Financial risk management objectives

The Company's Corporate finance department monitors and manages the financial risks relating to the operations of the Company through internal risk reports which analyse the exposures by degree and magnitude of risks. These risks include market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk.

The risk management policies are established to ensure timely identification and evaluation of risks, setting acceptable risk thresholds, identification and mapping controls against these risks, monitor the risk and their limits, improve risk awareness and transparency. Risk management policies and systems are reviewed regularly to reflect changes in the market conditions and Company's activities to provide reliable information to the management and the Board to evaluate the adequacy of the risk management framework in relation to the risk faced by the Company. The Company's finance function reports quarterly to the Company's Board of Directors that monitors risks and policies implemented to mitigate risk exposures. The Board of Directors reviews and agrees policies for managing each of these risks which are summarized below:

#### Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate risk and currency risk. Financial instruments affected by market risk include loans and borrowings, deposits and derivative financial instruments.

The objective of market risk management is to avoid exposure in our foreign currency transactions and interest rate risk.

#### Interest rate risk management

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligations with floating interest rates. The Company manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings.

#### Interest rate sensitivity analysis

The sensitivity analyses below have been determined based on the exposure to interest rates for both fixed and floating rate borrowings at the end of the reporting period. For floating rate liabilities, the analysis is prepared assuming the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year. A 50 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.

The following table provides a break-up of the Company's fixed and floating rate borrowings and interest rate sensitivity analysis.

(Rs. in Lakhs)

	Particulars		ear Ended ch 31, 2022	Year Ended March 31, 2021		
		Gross amount	Interest rate sensitivity @0.50%	Gross amount	Interest rate sensitivity @0.50%	
(i)	Borrowings with fixed interest rate	77.02	NA	158.09	NA	
(ii)	Borrowings with variable interest rate	140.00	0.70	157.74	0.79	
	Total	217.02	0.70	315.83	0.79	

#### Credit risk management

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers, counterparties to the derivative contract, bank balances, investment securities and other receivables. Credit risk is managed through credit approvals and continuous monitoring in the normal course of business. The Company establishes an allowance for doubtful debts and impairment that represents its estimate of expected credit losses in respect of trade and other receivables. The maximum exposure to credit risk in case of all the financial instruments covered below is restricted to their respective carrying amount.

#### Trade receivables

The credit period ranges from 30 days to 180 days. Before accepting any new customer, the company assesses the potential customer credibility and define credit limits for each customer, such limits are reviewed annually.

#### Cash and bank balances

The credit risk on liquid funds and other bank deposits is limited because the counterparties are banks with high credit-ratings assigned by international credit-rating agencies.

#### Liquidity risk management

Liquidity risk refers to the risk of financial distress or extraordinary high financing costs arising due to shortage of liquid funds in a situation where business conditions unexpectedly deteriorate and requiring financing. Ultimate responsibility for liquidity risk management rests with the board of directors. The Company manages liquidity risk by maintaining reserves and banking facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

The following tables detail the Company's remaining contractual maturity for its financial liabilities with agreed repayment periods and its financial assets. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows.

To the extent that interest flows are floating rate, the undiscounted amount is derived from interest rate existing at the end of the reporting period.

#### 46 Ageing Analysis - Trade Payables

Steps have been taken to identify the suppliers who qualify under the definition of micro and small enterprises, as defined under the Micro, Small and Medium Enterprises Development Act 2006. Since no intimation has been received from the suppliers regarding their status under the said Act as at March 31, 2022, disclosures relating to amounts unpaid as at the year end, if any, have not been furnished. In the opinion of the management, the impact of interest, if any, that may be payable in accordance with the provisions of the Act, is not expected to be material.

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet.

#### 50 Income Taxes

The Company is subject to Indian income tax on a standalone basis. Entity is assessed to tax on taxable profits determined for each fiscal year beginning on April 1 and ending on March 31. For each fiscal year, the entity profit or loss is subject to the higher of the regular income tax payable or the Minimum Alternative Tax ("MAT").

Provision for tax is determined under generally accepted accounting principles and adjusted for, inter alia, the Company's assessment of allowable expenditure (as applicable), including exceptional items, set off of tax losses and unabsorbed depreciation. Statutory income tax is charged at 25% plus a Surcharge and Cess. MAT for the fiscal year 2021-22 is payable at 15% as increased by Surcharge and Cess. MAT paid in excess of regular income tax payable during a year can be carried forward and set off against regular income taxes payable within a period of fifteen years succeeding the fiscal year in which MAT credit arises.

- 54 Some of the debit and credit balance of trade receivable, payables, and loan given/taken are subject to confirmation. The aging of the trade receivable are made from bill date.
- 55 Due to outbreak of COVID-19 globally and in India, the Company's management had initially made assessment of impact on business and financial risks on account of this pandemic. Considering that the Company is in the business of Material handling equipment, aviation support service, general engineering item and Rental of Space Building, the management does not see any risks in the Company's ability to continue as a going concern and meeting its liabilities as and when they fall due. The Company will recognise the said impact in the financial statement in the year in which the said liabilities will accrue and arise.

The current "second wave" of COVID-19 pandemic has significantly increased the impact of outbreak. The Government of India has ruled out a nationwide lockdown for now, but regional lockdowns are being implemented in areas with significant number of COVID cases. The company is closely monitoring the situation and will continue to take all the necessary actions to ensure the health, safety and well being of its employees in the given scenario. The management has also assessed the impact of this pandemic on the recoverability of the carrying amounts of inventories, tangible assets, intangible assets, trade receivables, investments and other financial assets as at balance sheet date using various internal and external information available. The management has also performed sensitivity analysis on the assumptions used and based on present estimates it believes that the carrying amount is considered to be recoverable and accordingly no further adjustments are required in the financial statements.

However, the impact assessment of COVID-19 is a continuing process given the uncertainties associated with its nature and duration and the company continues to monitor the changes in future economic conditions. Further, the company has substantial working capital lines as on March 31, 2022 which are available, should the need arise. The actual impact of COVID-19 on the company's financial statement may differ from that estimated.

# **CONSOLIDATED FINANCIAL STATEMENTS**

OF

W. H. BRADY & CO. LTD.

# **Independent Auditors' Report**

To the Members of
W. H. Brady & Co. Limited
Report on the Audit of Consolidated Financial Statements

### Opinion

We have audited the consolidated financial statements of W. H. Brady & Co. Limited (hereinafter referred to as the "Holding Company") and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group") which comprise the consolidated balance sheet as at March 31, 2022, and the consolidated statement of profit and loss (including other comprehensive income), consolidated statement of cash flows and consolidated statement of changes in equity for the year then ended, and notes to the consolidated financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements")

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of other auditors on separate financial statements, as applicable, and on the other financial information of the subsidiary, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its joint venture as at March 31, 2022, of its consolidated profit and other comprehensive income, consolidated cash flows and consolidated changes in equity for the year ended on that date.

# **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in terms of the Code of Ethics issued by the Institute of Chartered Accountants of India and the relevant provisions of the Act, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence obtained by us along with the consideration of audit reports of the other auditors referred to in the "Other Matters" paragraph below, is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

### **Emphasis of Matter**

We draw attention to Note 61 of the consolidated financial statements, as regards to the management evaluation of COVID - 19 impacts on the future performance of the Company. Our opinion is not modified in respect of this matter.

### **Kev Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current year. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key matters to be communicated in our report.

# Other Information

The Holding Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Holding Company's annual report, but does not include the consolidated financial statements and our auditors' report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed and based on the work done/ audit report of other auditors, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

# Management's and Board of Directors' Responsibilities for the Consolidated Financial Statements

The Holding Company's Management and Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Act that give a true and fair view of the consolidated state of affairs, consolidated profit and other comprehensive income, consolidated cash flows and consolidated statement of changes in equityof the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards ("Ind AS") specified under section 133 of the Act. The respective Management and Board of Directors of the companies

# W. H. BRADY & CO. LTD.

included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of each company and for preventing and detecting frauds and other irregularities; theselection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Management and Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Management and Board of Directors of the companies included in the Group are responsible for assessing the ability of each company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Company's Management and the Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of each company.

### Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate
  in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on the internal
  financial controls with reference to the consolidated financial statements and the operating effectiveness of such controls
  based on our audit.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of Management and Board of Directors use of the going concern basis of accounting in preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Groupto cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in para (b) of the section titled 'Other Matters' in this audit report.

We believe that the audit evidence obtained by us along with the consideration of audit reports of the other auditors referred to in sub-paragraph (b) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial results of which we are the Independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### Other Matters

We did not audit the financial statements of Brady Entertainment Private limited, a subsidiary company whose financial statements reflect total assets (before consolidation adjustments) of Rs.10.23 Lakhs as at March 31, 2022, total revenues (before consolidation adjustments) Nil and net cash inflows amounting to Rs. (18.78) Lakhs for the year ended on that date, as considered in these consolidated financial statements. The consolidated financial statements also include the Group's share of net loss (and other comprehensive income) of Rs.(0.37) Lakh for the year ended March 31, 2022.

The independent auditors' reports on financial statements of above Subsidiary have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these entities, is based solely on the reports of the such auditors and conversion of said financial statements as per the requirement of Ind AS by the management.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the report of the other auditors and the financial statements certified by the Management.

# Annexure B to the Independent Auditors' report on the consolidated financial statements

(Referred to in paragraph A (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the internal financial controls with reference to the aforesaid consolidated financial statements under Clause (i) of sub-section 3 of section 143 of the Companies Act, 2013

# Opinion

In conjunction with our audit of the consolidated financial statements of W. H. Brady & Co. Limited(hereinafter referred to as "the Holding Company") as of and for the year ended 31 March 2022, we have audited the internal financial controls with reference to consolidated financial statements of the Holding Companyand its subsidiaries, as of that date.

In our opinion, the Holding Company have, in all material respects, adequate internal financial controls with reference to consolidated financial statements and such internal financial controls were operating effectively as at 31 March 2022, based on the internal financial controls with reference to consolidated financial statements criteria established by such companies considering the essential components of such internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

### Management's Responsibility for Internal Financial Controls

The respective company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls with reference to consolidated financial statements based on the criteria established by the respective company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as "the Act").

# Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to consolidated financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of the internal controls based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the relevant subsidiary in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements.

# Meaning of Internal Financial controls with Reference to Consolidated Financial Statements

A company's internal financial controls with reference to consolidated financial statements are a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A company's internal financial controls with reference to consolidated financial statements includes those policies and procedures that

- 1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- 3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

### Inherent Limitations of Internal Financial controls with Reference to consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial controls with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

# Other Matter

Our aforesaid report under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements insofar as it relates to the Holding Company and subsidiaries.

### 1. Group overview

W. H. Brady & Co. Limited (The Company) is a public Company domiciled in India and incorporated under the provisions of The Indian Companies Act, 1882. The Company along with its subsidiaries is referred to as "The Group".

The Company has its registered office at, Mumbai, Maharashtra, India. The Company's Equity Shares are listed on Bombay Stock Exchange.

The Group is in the business of Trading of Material handling equipment, manufacturing, aviation support service, general engineering item and Renting of Space Building.

# 2. Summary of Significant accounting policies

# (i) Basis of preparation of consolidated financial statements:

# (a) Compliance with Ind AS

The consolidated financial statements have been prepared in accordance with Indian Accounting Standards (hereinafter referred to as 'Ind AS') notified under Section 133 of the Companies Act, 2013 ("Act") read with Companies (Indian Accounting Standards) Rules, 2015 and as amended by the Companies (Indian Accounting Standards) (Amendment) Rules, 2016; and the other relevant provisions of the Act and Rules there under.

The consolidated financial statements have been prepared under historical cost convention basis, except for certain assets and liabilities measured at fair value, such as consolidated financial instruments and defined benefit plans which are measured at FVTPL/FVTOCI.

The accounting policies are applied consistently to all the periods presented in the financial statements. The financial statements of the Company, its subsidiaries, have been consolidated using uniform accounting policies.

The consolidated Financial Statements were authorized for issue by the Group's Board of Directors on May 28, 2022.

# (b) Functional and Presentation Currency:

The consolidated financial statements are presented in Indian Rupees, rounded off to the nearest lakhs which is the functional currency of the Group and the currency of the primary economic environment in which the Group operates.

### (ii) Basis of consolidation

The Company consolidates entities which it owns or controls. The consolidated financial statements comprise the financial statements of the Company and its subsidiaries. Control exists when the parent has power over the entity, is exposed, or has rights, to variable returns from its involvement with the entity and has the ability to affect those returns by using its power over the entity. Power is demonstrated through existing rights that give the ability to direct relevant activities, those which significantly affect the entity's returns. Subsidiaries are consolidated from the date control commences until the date control ceases.

The financial statements of the Group are consolidated on a line-by-line basis and intra-group balances and transactions including unrealized gain / loss from such transactions are eliminated upon consolidation. These financial statements are prepared by applying uniform accounting policies in use by the Group. Non-controlling interests which represent part of the net profit or loss and net assets of subsidiaries that are not, directly or indirectly, owned or controlled by the Company, are excluded.

# (iii) Use of judgment and estimates:

The preparation of consolidated financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenue, expenses, assets, liabilities and the accompanying disclosures along with contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require material adjustments to the carrying amount of assets or liabilities affected in future periods. The Group continually evaluates these estimates and assumptions based on the most recently available information.

Revisions to accounting estimates are recognized prospectively in the Statement of Profit and Loss in the period in which the estimates are revised and in any future periods affected and, if material, the effects of such changes are disclosed in the notes to financial statements.

The companies considered in the consolidated financial statements are listed below:

Name of the company	Country of incorporation	% Holding as on 31.3.2022	% Holding as on 31.3.2021
Subsidiary			
Brady & Morris Engg. Co. Ltd.	India	72.50%	72.50%
Brady Entertainment Pvt Ltd (formerly known as Brady Telesoft Pvt Ltd)	India	100.00%	100.00%
(With effect from 09th March 2019)			

# Estimation of uncertainties relating to the global health pandemic from COVID-19

Post declaration of COVID-19 as a pandemic by the World Health Organization, the Government in India have taken significant measures to curtail the wide spread of virus, including country wide lockdown and restriction in economic activities. In view of such lockdowns, operations at the Group's facilities have been scaled down from the end week of March 2020.

In view of the impact of COVID-19, the Group has assessed the carrying amounts of property, plant and equipment, intangible assets, inventories, trade receivables investments and other financial assets as well as liabilities accrued. In assessing the recoverable value of such assets, the Group has considered various internal and external information such as existing long-term arrangements with customer and vendor partners, long-term business plan, cash flow forecasts and possible future uncertainties in economic conditions because of the pandemic including lockdowns and supply chain disruptions.

As per the Group's current assessment of recoverability of these assets, no significant impact on carrying amounts of these assets is expected. The eventual outcome of the impact of the global health pandemic may be different from those estimated as on the date of approval of these financial statements and the group continues to closely monitor the situation including any material changes to future economic conditions and consequential impact on its financial statements

### (iv) Current and non-current classification

All Assets and Liabilities are classified as Current and Non-Current.

An asset is classified as current when it is:

- a) Expected to be realised or intended to be sold in normal operating cycle
- b) Held primarily for the purpose of trading
- c) Expected to be realised within twelve months from reporting period
- d) Cash and Cash equivalents unless there are restrictions from being exchanged or used to settle a liability for at least twelve months after reporting period

All other assets are classified as Non-Current Assets

A liability is current when:

- a) It is expected to be settled in the normal operating cycle
- b) It is held primarily for trading
- c) It is due to be settled within twelve months from reporting period
- d) There is a unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

# W. H. BRADY & CO. LTD.

All other liabilities are classified as Non-Current Liabilities

Deferred Tax assets and Liabilities are classified as Non-Current assets and Liabilities

The time between the acquisition of the asset and realisation in cash or cash equivalents is the operating cycle. The Group has identified 12 months as its operating cycle

# (v) Measurement of Fair value

The Group measures financial instruments, such as investments at fair values at each Balance Sheet date.

Certain accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in the principal or, in its absence, the most advantageous market to which the Group has access at that date. The fair value of a liability also reflects its non-performance risk.

The best estimate of the fair value of a financial instrument on initial recognition is normally the transaction price – i.e. the fair value of the consideration given or received. If the Group determines that the fair value on initial recognition differs from the transaction price and the fair value is evidenced neither by a quoted price in an active market for an identical asset or liability nor based on a valuation technique that uses only data from observable markets, then the financial instrument is initially measured at fair value, adjusted to defer the difference between the fair value on initial recognition and the transaction price. Subsequently that difference is recognised in Statement of Profit and Loss on an appropriate basis over the life of the instrument but not later than when the valuation is wholly supported by observable market data or the transaction is closed out.

While measuring the fair value of an asset or liability, the Group uses observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation technique as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the assets or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices)
- Level 3: inputs for the assets or liability that are not based on observable market data (unobservable inputs)

When quoted price in active market for an instrument is available, the Group measures the fair value of the instrument using that price. A market is regarded as active if transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis.

If there are no quoted prices in an active market, then the Group uses a valuation technique that maximise the use of relevant observable inputs and minimise the use of unobservable inputs. The chosen valuation technique incorporates all of the factors that market participants would take into account in pricing a transaction.

The Group regularly reviews significant unobservable inputs and valuation adjustments. If the third party information, such as broker quotes or pricing services, is used to measure fair values, then the Group assesses the evidence obtained from the third parties to support the conclusion that these valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which the valuations should be classified.

### (vi) Property, plant and equipment and depreciation

Property, plant and equipment is stated at acquisition cost net of accumulated depreciation and accumulated impairment losses, if any. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the Statement of Profit and Loss during the period in which they are incurred. Gains or losses arising on retirement or disposal of property, plant and equipment are recognised in the Statement of Profit and Loss.

Depreciation is provided on a WDV method on all assets based on useful life of the assets as prescribed in Part C of Schedule II to the Companies Act, 2013.

# (vii) Investment properties and depreciation

Property that is held for long-term rental yields, for capital appreciation, for both, and which is not occupied by the Group, is classified as investment property. Investment property was revalued in financial year 2006-07 and shown as revalued amount, including related transaction costs and wherever applicable the borrowing costs less depreciation and impairment if any, and repairs and maintenance cost are expensed when incurred. Depreciation on building is provided over it's useful life as prescribed in Part C of Schedule II to the Companies Act, using the written down value method.

### (viii) Intangible assets and amortisation

Intangible fixed assets are recognised when it is probable that the future economic benefits that are attributable to the assets will flow to the Group and the cost of the assets can be measured reliably. Intangible assets are stated at cost less accumulated amortisation and impairment loss, if any.

Intangible assets are amortised uniformly over the best estimate of their useful lives. Estimated useful life considered for amortisation of Intangible assets is from 3 - 5 years from the date of acquisition.

# (ix) Financial Assets

# Initial recognition and measurement

All financial assets are recognised initially at fair value plus transaction costs that are attributable to the acquisition of the financial asset.

### Subsequent measurement

Subsequent measurement is determined with reference to the classification of the respective financial assets. Based on the business model for managing the financial assets and the contractual cash flow characteristics of the financial asset, the Group classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit and loss.

# Financial Asset Other than Equity instrument at amortised cost

A 'Financial Asset' is measured at the amortised cost if both the following conditions are met:

The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium and fees or costs that are an integral part of the EIR. The gain on EIR amortisation is included in finance income and the losses arising from impairment are recognised in the Statement of Profit and Loss.

# Financial Asset at Fair value through Other Comprehensive Income (FVTOCI)

Financial Asset ' is measured at the fair value through Other Comprehensive Income if both the following conditions are met:

The asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and contractual terms of the asset give rise on specified dates to cash flows that are SPPI on the principal amount outstanding.

After initial measurement, these assets are subsequently measured at fair value. Interest income under effective interest method, foreign exchange gains and losses and impairment losses are recognised in the Statement of Profit and Loss. Other net gains and losses are recognised in other comprehensive Income.

# Financial Asset at Fair value through Profit or Loss (FVTPL)

Fair Value through Profit or Loss is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorisation at amortised cost or as FVTOCI, is classified as FVTPL.

After initial measurement, any fair value changes including any interest income, foreign exchange gain and losses, impairment losses and other net gains and losses are recognised in the Statement of Profit and Loss.

# **Equity investments**

All equity investments within the scope of Ind-AS 109 are measured at fair value. Such equity instruments which are held for trading are classified as FVTPL. For all other such equity instruments, the Group decides to classify the same either as FVTOCI. The Group makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

For equity instruments classified as FVTOCI, all fair value changes on the instrument, excluding dividends, are recognized in Other Comprehensive Income (OCI). Dividends on such equity instruments are recognised in the Statement of Profit or Loss.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

### De-recognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Group's Balance Sheet) when the rights to receive cash flows from the asset have expired or the Group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either:

- The Group has transferred substantially all the risks and rewards of the asset, or
- The Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

On de-recognition, any gains or losses on all debt instruments (other than debt instruments measured at FVTOCI) and equity instruments (measured at FVTPL) are recognised in the Statement of Profit and Loss. Gains and losses in respect of debt instruments measured at FVTOCI and that are accumulated in OCI are reclassified to profit or loss on de-recognition. Gains or losses on equity instruments measured at FVTOCI that are recognised and accumulated in OCI are not reclassified to profit or loss on de-recognition.

# Impairment of financial assets

In accordance with Ind-AS 109, the Group applies Expected Credit Loss ("ECL") model for measurement and recognition of impairment loss on the financial assets measured at amortised cost and debt instruments measured at FVTOCI.

Loss allowances on trade receivables are measured following the 'simplified approach' at an amount equal to the lifetime ECL at each reporting date. In respect of other financial assets such as debt securities and bank balances, the loss allowance is measured at 12 month ECL only if there is no significant deterioration in the credit risk since initial recognition of the asset or asset is determined to have a low credit risk at the reporting date.

# (x) Financial Liabilities

### Initial recognition and measurement

Financial liabilities are initially recognised when the Group becomes a party to the contractual provisions of the instrument.

Financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss, transaction costs that are directly attributable to its acquisition or issue.

# Subsequent measurement

Subsequent measurement is determined with reference to the classification of the respective financial liabilities.

### Consolidated financial Liabilities at Fair Value through Profit or Loss (FVTPL)

Consolidated financial liability is classified as at Fair Value through Profit or Loss (FVTPL) if it is classified as held-for-trading or is designated as such on initial recognition. Consolidated financial liabilities at FVTPL are measured at fair value and changes therein, including any interest expense, are recognised in Statement of Profit and Loss.

### Consolidated financial Liabilities at amortised cost

After initial recognition, consolidated financial liabilities other than those which are classified as FVTPL are subsequently measured at amortised cost using the effective interest rate ("EIR") method.

Amortised cost is calculated by taking into account any discount or premium and fees or costs that are an integral part of the EIR. The amortisation done using the EIR method is included as finance costs in the Statement of Profit and Loss.

# De-recognition

A consolidated financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing consolidated financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

# Offsetting of financial instruments

Financial assets and consolidated financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

### (xi) Inventories:

Inventories are valued at the lower of cost and net realisable value.

Cost of inventories is computed on a First-in-First-Out basis.

# (xii) Borrowing cost and finance charges:

Borrowing costs are interest and other costs incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period of time to get ready for their intended use are capitalised as part of the cost of that asset. Other borrowing costs are recognised as an expense in the period in which they are incurred.

### (xiii) Segment reporting:

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

# (xiv) Revenue recognition:

# Sale of trading goods and services:

Revenue from sales is recognised when significant risks and rewards of ownership have been transferred to the buyer which is normally on delivery of goods and is net of value added tax / Goods and Service Tax.

### Rental Income:

Rental income from investment Property and sub-letting of property is recognized on a time proportion basis over the term of the relevant leave and license agreement in accordance with the term and condition of the relevant lease agreements.

# **Dividend Income:**

Dividend income from investments is recognized when the Group's right to receive payment is established which is generally when shareholders approve the dividend.

### Other Income:

Other Income is recognised when no significant uncertainty as to its determination or realisation exists.

# Interest Income:

For all debt instruments measured either at amortized cost or at fair value through other comprehensive income [OCI], interest income is recorded using the effective interest rate [EIR]. EIR is the rate that exactly discounts the estimated

future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. When calculating the effective interest rate, the Group estimates the expected cash flows by considering all the contractual terms of the financial instrument [for example, prepayment, extension, call and similar options

### (xv) Taxation:

Tax expense comprises of current tax and deferred tax.

### Current tax:

Income-tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, by the end of reporting period.

Current Tax items are recognised in correlation to the underlying transaction either in the Statement of Profit and Loss, other comprehensive income or directly in equity.

Current tax assets and liabilities are offset only if, the Group has a legally enforceable right to set off the recognised amounts; and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

### Deferred tax

Deferred tax is provided using the Balance Sheet method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for Consolidated Financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted at the reporting date. Deferred Tax items are recognised in correlation to the underlying transaction either in the Statement of Profit and Loss, other comprehensive income or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and when the deferred taxes relate to the same taxable entity and the same taxation authority.

### (xvi) Leases:

### Company as Lessee

A lessee measures right-of-use assets similarly to other non-financial assets (such as property, plant and equipment) and lease liabilities similarly to other financial liabilities. As a consequence, a lessee recognizes depreciation of the right-of-use asset and interest on the lease liability, and also classifies cash repayments of the lease liability into a principal portion and an interest portion. As the company do not have any leases as on reporting date, Ind AS 116 is not expected to impact them.

# Company as Lessor

Leases for which the company is a lessor classified as finance or operating.

Lease income from operating leases where the Company is a lessor is recognized in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

# (xvii) Provisions, contingent liabilities and assets:

a) Provisions are recognised when the Group has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period when the effect of time value is material. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Provisions are not discounted to present value and are determined based on best estimate of the expenditure required to settle the obligation at the Balance Sheet date when the effect of time value is not material. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimate.

b) Contingent Liabilities are disclosed in respect of possible obligations that arise from past events but their existence will be confirmed by the occurrence or nonoccurrence of one or more uncertain future events not wholly within the control of the Group or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made.

A contingent asset is disclosed, where an inflow of economic benefits is probable. An entity shall not recognize a contingent asset unless the recovery is virtually certain.

### (xviii) Cash and Cash Equivalents:

The Cash flow statement is prepared under the "indirect method" and presents the cash flows by operating, investing and financing activities of the Group.

Cash and cash equivalents presented in the cash flow statement consist of cash on hand and balance with banks in current and deposit accounts with original maturity of less than 3 months.

For the purpose of the statement of cash flows, cash and cash equivalents consists of cash and short term deposits, net of bank overdrafts as they are considered an integral part of the Group's cash management

# (xix) Earnings Per Share:

The basic Earnings Per Share ("EPS") is computed by dividing the net profit / (loss) after tax for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, net profit / (loss) after tax for the year attributable to the equity shareholders and the weighted average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

# (xx) Restatement of Previous year figures

To comply with Ind AS 40 "Investment Property", during the year the group has changed its accounting policy in respect of valuation of Investment Property and recognise it at cost. To comply with the said change in accounting policy, the group has restated its previous year figures which is in consonance with Ind AS 8 " Accounting Policies, Changes in Accounting Estimates and Errors".

At each balance sheet date the group reviews the carrying amount of its fixed assets to determine whether there is any indication that those assets have suffered to which the assets belong is less than the carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as impairment loss and debited to the profit and loss account. If at the balance sheet date there is a indication of a previously assessed impairment loss no longer existing, then recoverable amount impairment loss. If any such indication exists the company estimates the recoverable amounts of such assets. If recoverable amount of the assets or cash generating unit is reassessed and the asset is reflected at the recoverable amount subject to maximum of depreciated historical cost. 3.3

# The Group obtains independent valuations for its investment properties.

The fair values of investment properties is based on the valuation by a registered valuer dated December 31, 2020 as defined under rule 2 of Companies (Registered Valuers and Valuation) Rules, 2017. The main inputs used are quantum, area, location, demand, restrictive entry to the complex, age of building and trend of fair market rent in that area. The fair value measurement is categorised in level 2 fair value hierarchy.

4.3 To comply with Ind AS 40 "Investment Property", during the year the group has changed its accounting policy in respect of valuation of Investment Property and recognise it at cost. To comply with the said change in accounting policy, the group has restated its previous year figures which is in consonance with Ind AS 8 " Accounting Policies, Changes in Accounting Estimates and Errors".

- 6.2 As reported in earlier years In respect of plot of land taken on lease (Capital Work In Progress) by the group from Industrial Development Corporation Limited of Orissa (IDCO) the lease was terminated for alleged non-compliance of the terms of the said lease, which is unlawful and the group has adopted appropriate legal proceedings in the matter and against such cancellation as an add interim major it has been directed by Orissa high court that the letter dated 25.2.2013 issued for Cancellation of lease shall not be given effect to till the next date which direction is still inforce. During the year the group has deposited its pending statutory dues amounting to Rs. 10.49 lakhs to IDCO.
- 6.3 At each balance sheet date the Group reviews the carrying amount of its fixed assets to determine whether there is any indication that those assets have suffered impairment loss. If any such indication exists the group estimates the recoverable amounts of such assets. If recoverable amount of the assets or cash generating unit to which the assets belong is less than the carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as impairment loss and debited to the profit and loss account. If at the balance sheet date there is a indication of a previously assessed impairment loss no longer existing, then recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to maximum of depreciated historical cost.

# 20.1 Nature and purpose of reserves

# (i) General reserve

General Reserve is used from time to time to transfer profits from retained earnings for appropriation purposes. General Reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income.

# (ii) Capital reserve

The excess of fair value of net assets acquired over consideration paid in a business combination is recognised as capital reserve on consolidation. The reserve is not available for distribution.

# (iii) Capital Redemption Reserve

Capital Redemption Reserve is created in accordance with the provisions of Section 55 of the Companies Act, 2013, where redemption of preference shares is made out of profits of the group. Whenever such redemption is made, an amount equal to nominal value of shares redeemed is transferred to a reserve called "Capital Redemption Reserve. (BME)

# (iv) Retained earnings

Retained earnings are the profits that the Group has earned till date, less any transfer to General Reserve, dividends or other distributions paid to the shareholders includes revaluation reserve in case of subsidiary(BME).

# (v) Equity instruments through other comprehensive income

The fair value change of the equity instruments measured at fair value through other comprehensive income is recognised in equity instruments through Other Comprehensive Income. Upon derecognition, the cumulative fair value changes on the said instruments are transferred to the retained earnings.

# (vi) Remeasurement of defined benefit plan

Differences between the interest income on plan assets and the return actually achieved, and any changes in the liabilities over the year due to changes in actuarial assumptions or experience adjustments within the plans, are recognised in other comprehensive income and are adjusted to retained earnings.

#### 42 Segment Information

The Group's operating segments are established on the basis of those components of the group that are evaluated regularly by the Executive Committee (the 'Chief Operating Decision Maker' as defined in Ind AS 108 - 'Operating Segments'), in deciding how to allocate resources and in assessing performance. These have been identified taking into account nature of products and services, the differing risks and returns and the internal business reporting systems.

The Group has three principal operating and reporting segments; viz. Rental (from investment property), Trading, Manufacturing and Entertainment. The accounting policies adopted for segment reporting are in line with the accounting policy of the Group with following additional policies for segment reporting.

- a) Revenue and Expenses have been identified to a segment on the basis of relationship to operating activities of the segment. Revenue and Expenses which relate to enterprise as a whole and are not allocable to a segment on reasonable basis have been disclosed as "Unallocable".
- b) Segment Assets and Segment Liabilities represent Assets and Liabilities in respective segments. Investments, tax related assets and other assets and liabilities that cannot be allocated to a segment on reasonable basis have been disclosed as "Unallocable".

#### Financial risk management objectives

The Company's Corporate finance department monitors and manages the financial risks relating to the operations of the Group through internal risk reports which analyse the exposures by degree and magnitude of risks. These risks include market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk.

The risk management policies are established to ensure timely identification and evaluation of risks, setting acceptable risk thresholds, identification and mapping controls against these risks, monitor the risk and their limits, improve risk awareness and transparency. Risk management policies and systems are reviewed regularly to reflect changes in the market conditions and Company's activities to provide reliable information to the management and the Board to evaluate the adequacy of the risk management framework in relation to the risk faced by the Company. The Company's finance function reports quarterly to the Company's Board of Directors that monitors risks and policies implemented to mitigate risk exposures. The Board of Directors reviews and agrees policies for managing each of these risks which are summarized below:

#### Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate risk and currency risk. Financial instruments affected by market risk include loans and borrowings, deposits and derivative financial instruments.

The objective of market risk management is to avoid exposure in our foreign currency transactions and interest rate risk

#### Interest rate risk management

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligations with floating interest rates. The Group manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings.

#### Interest rate sensitivity analysis

The sensitivity analyses below have been determined based on the exposure to interest rates for both fixed and floating rate borrowings at the end of the reporting period. For floating rate liabilities, the analysis is prepared assuming the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year. A 50 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.

`The following table provides a break-up of the Company's fixed and floating rate borrowings and interest rate sensitivity analysis.

(Rs. in Lakhs)

Particulars	Year Ended M	arch 31, 2022	Year Ended March 31, 2021		
	Gross amount	Interest rate sensitivity @0.50%	Gross amount	Interest rate sensitivity @0.50%	
Borrowings with fixed interest rate	77.02	NA	158.09	NA	
Borrowings with variable interest rate	516.91	2.58	221.55	1.11	
Total	593.93	2.58	379.64	1.11	

#### Credit risk management

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. The Group has adopted a policy of only dealing with credit worthy counterparties and obtaining sufficient collateral, where appropriate, as a means of mitigating the risk of financial loss from defaults.

Company's credit risk arises principally from the trade receivables, loans, cash and cash equivalents and other financial assets.

#### Trade receivables

The credit period ranges from 30 days to 180 days. Before accepting any new customer, the group assesses the potential customer credibility and define credit limits for each customer, such limits are reviewed annually.

#### Cash and bank balances

The credit risk on liquid funds and other bank deposits is limited because the counterparties are banks with high creditratings assigned by international credit-rating agencies.

#### Liquidity risk management

Liquidity risk refers to the risk of financial distress or extraordinary high financing costs arising due to shortage of liquid funds in a situation where business conditions unexpectedly deteriorate and requiring financing. Ultimate responsibility for liquidity risk management rests with the board of directors. The Group manages liquidity risk by maintaining reserves and banking facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

The following tables detail the Company's remaining contractual maturity for its financial liabilities with agreed repayment periods and its financial assets. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Group can be required to pay. The tables include both interest and principal cash flows.

To the extent that interest flows are floating rate, the undiscounted amount is derived from interest rate existing at the end of the reporting period.

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet.

#### 48 Income Taxes

Entities is the group are subject to Indian income tax on a standalone basis. Entity is assessed to tax on taxable profits determined for each fiscal year beginning on April 1 and ending on March 31. For each fiscal year, the entity profit or loss is subject to the higher of the regular income tax payable or the Minimum Alternative Tax ("MAT").

Provision for tax is determined under generally accepted accounting principles and adjusted for, inter alia, the Company's assessment of allowable expenditure (as applicable), including exceptional items, set off of tax losses and unabsorbed depreciation. Statutory income tax is charged at 25% plus a Surcharge and Cess. MAT for the fiscal year 2021-22 is 15% as increased by Surcharge and Cess. MAT paid in excess of regular income tax payable during a year can be carried forward and set off against regular income taxes payable within a period of fifteen years succeeding the fiscal year in which MAT credit arises.
