Gujarat govt submits affidavit in SC over uniform parking policy

EXPRESS NEWS SERVICE VADODARA. SEPTEMBER 10

THE GUJARAT Additional Chief Secretary for the Urban Development and Urban Development Department has submitted an affidavit in the Supreme Court in the ongoing Special Civil Leave Petition over the issue of a uniform parking policy in Gujarat.

ACS Mukesh Puri has told the top court that seven municipal corporations in Gujarat will soon have a uniform parking policy, and the Surat Municipal Corporation (SMC) has already implemented its parking policy in 2018. Puri has also said that the Gandhinagar since Municipal Corporation (GMC) is under the Model Code of Conduct due to local body polls, the process to frame a parking policy for the state capital can only be initiated later.

The 90-page affidavit, submitted to the apex court Thursday, includes annexures of the laws governing urban planning and corporation laws in Gujarat as well as the parking policy of SMC, which the government has asked the other six municipal corporations to use as a model, and a status list of how far the corporations have come in planning the policy, which was first initiated in 2019, when Ruchi Malls in Ahmedabad had challenged the Ahmedabad Municipal Corporation (AMC) decision of free parking in commercial spaces and malls.

The affidavit says, "The government of Gujarat has already

directed the seven Municipal (Vadodara, Corporations Ahmedabad, Gandhinagar, Bhavnagar, Jamnagar, Rajkot, and Junagadh) on December 31, 2018, to adopt the parking policv of SMC with suitable modification by considering the geographical area, availability of parking area of their respective city in accordance with the General Development Control Regulations (GDCR) rules, GPMC Act and to send it to the government for necessary confirmation. The state government will closely monitor that the finalisation of the parking policy is done at an early date, after following

According to the affidavit, SMC has implemented a parking policy approved by the state government since December 5, 2018, while AMC has prepared a draft of the policy, which has been approved by its standing committee and general board, and has invited objections from the public on April 24.

the due process laid down in

The VMC, on September 4, has submitted the final draft of the parking policy, previously approved by its standing committee and general board after inviting objections, for a final assent of the standing committee. The draft will then be sent to the state government for approval.

In Rajkot, the municipal corporation has framed a draft of the parking policy framed and invited objections from the public, which "are under consideration", while Jamnagar and Bhavnagar Municipal

Corporations have submitted

their drafts for the approval of their respective standing committees in September 2 and August 27, respectively. Junagadh, on September 3, invited objections from the public to the draft policy approved by the standing committee and the

general board.

A letter issued by the UDD department on December 31, 2018 to all municipal corporations had stated that the state government was complying with an order of the Gujarat High Court delivered in October 2018 that directed the department to "at the earliest, take a decision in the parking policy to rationalise and regulate the parking fees being collected at the commercial complex, malls, multiplex and also at public premises, roads, streets and amend the GDCR appropriately if necessary to do

On September 1, a Supreme Court division bench of Justices MR Shah and Aniruddha Bose had observed, "It cannot be disputed that traffic problem in the metropolitan cities in the State of Guiarat is a very serious issue because of non-availability of public parking and even sufficient parking spaces in the malls and other markets. The citizens are compelled to park on the road. There is no uniform policy and/or guidelines and/or notifications issued by the State Government."

The apex court had given the state government "a last chance" on September 14" to come out with common guidelines or notifications under the Town Planning Act or under GDCR.

Real estate firm files plea against AMC in HC over cancelled auction for plot

EXPRESS NEWS SERVICE AHMEDABAD. SEPTEMBER 10

A REAL estate firm has taken Ahmedabad Municipal Corporation's municipal commissioner and estate department to court after the civic body abruptly cancelled the process for the sale of a commercial plot worth over Rs 151 crore in a prime area of the city, after the firm's bid was declared to be 'approved for

The Gujarat High Court on September 8 issued notice to the state and the civic body authorities, asking the respondents to reply by September 14.

The case relates to a commercial plot at Sindhu Bhavan Road in the Bodakdev area of the city measuring 8,060 square metres. The AMC had floated a tender in April, offering for the plot for sale and subsequently, the sale was approved in favour of city-based Shresth Infraspace, However, this process was then cancelled, according to the petitioner, "as per their (AMC's) whims and

The upset price — the minimum base price — for the plot was fixed at Rs 1.88 lakh per

square metre and Shresth Infraspace had made the highest bid at Rs 1,88,300 per square metre, whereafter, the firm's bid was declared 'approved for sale'.

However, according to the petitioner, on July 2, upon inquiry by the firm, AMC communicated that the tender for the sale of the plot has been cancelled/suspended by way of an order of June 29, issued by the municipal commissioner. The petition says, "In the said impugned order (by the municipal commissioner)...he has noted that, only Rs 300 more per square metre is offered by the petitioner than the upset price fixed and that there were only two bidders who came forward for bidding in the e-auction. In view of the same, (municipal commissioner)...had passed an order stating in the financial interest of the AMC, the said tender was suspended till fresh auction is con-

The petition points out that during a similar auction of a plot in the Bodakdev area in 2019, the minimum base price had been set at Rs 1,58,100 per square metre and the highest bid received was of Rs 1,58,400, that is, a difference of Rs 300 per square metre, yet the bid was accepted.
