9. BACKGROUND OF THE SCHEME

9.1. The Scheme provides for the following:

- i. Amalgamation of Expleo India Infosystems Private Limited (hereinafter referred to as the

“Transferor Company 1” or “EIIPL”) with Expleo Solutions Limited (hereinafter referred to as the “Transferee Company” or “ESL”) and consequent issue of equity shares by the Transferee Company to the shareholders of the Transferor Company 1;

- ii. Amalgamation of Expleo Technologies India Private Limited (hereinafter referred to as the “Transferor Company 2” or “ETIPL”) and Expleo Engineering India Private Limited (hereinafter referred to as the “Transferor Company 3” or “EEIPL”) with the Transferee Company;
- iii. Amalgamation of Silver Software Development Centre Private Limited (hereinafter referred to as the “Transferor Company 4” or “SSDCPL”) with the Transferee Company;
- iv. Various other matters consequential or otherwise integrally connected herewith.

10. RATIONALE OF THE SCHEME

To consolidate all the Indian businesses of Group in a Single entity to enhance business focus, improve synergies and focus on long term value creation, and to simplify the Corporate Structure. The amalgamation of the Transferor Companies (as defined hereinafter) with the Transferee Company would inter alia have the following benefits:

- a) The Transferor Companies and the Transferee Company are part of the Expleo Group. Expleo Technology Germany, GmbH holds 56.17% the shares of the Transferee Company. The business of the Transferor Companies is synergistic to the business of the Transferee Company. Upon the Scheme coming into effect, the synergistic benefits arising from the amalgamation of the Transferor Companies into the Transferee Company would result in even more effective business strategy for the Transferee Company and shall result in greater efficiency, integration of technologies, capabilities and cost effectiveness in the functioning and operation of the Transferee Company. Further, the Scheme will result in the entire business of the Transferor Companies being transferred to the Transferee Company, thereby resulting in the shareholders of the Transferor Companies and the Transferee Company having participation in, and deriving benefits from, the growth and prospects of the combined business operations of the Transferor Companies and the Transferee Company.
- b) The Scheme will make available assets, financial, managerial and technical resources, personnel, capabilities, skills, expertise and technologies of the Transferor Companies to the Transferee Company leading to synergistic benefits, enhancement of future business potential, cost reduction and enhance efficiencies, productivity gains and logistical advantages, thereby contributing to future growth and enhancement of shareholder value.
- c) The Scheme will result in economies of scale and consolidation of opportunities offered by the Scheme, which will contribute to make the Transferee Company, pursuant to the sanctioning of the Scheme, more profitable, thereby further enhancing the overall shareholder value.
- d) The amalgamation would motivate employees of the Transferor Companies by providing better opportunities to scale up their performance with a larger corporate entity having large revenue base, resources, asset base etc. which will boost employee morale and provide better corporate performance ultimately enhancing shareholder value.

In view of the aforesaid, the Board of Directors of the Transferor Companies and the Transferee Company have considered and proposed this Scheme of Amalgamation under the provisions of Sections 230 to 232 of the Companies Act, 2013 and other applicable provisions of the Companies Act, 2013.

11. SALIENT FEATURES OF THE SCHEME

3. **DATE OF TAKING EFFECT AND OPERATIVE DATE**

The Scheme set out herein in its present form with or without any modification(s), approved or imposed or directed by the Hon'ble Tribunal or any other competent authority, or made as per the Scheme, shall be effective from the Appointed Date but shall be operative from the Effective Date.

PART B

4. **TRANSFER AND VESTING OF UNDERTAKING 1 FROM TRANSFEROR COMPANY 1 TO TRANSFEE COMPANY**

4.1 **Transfer of Undertaking 1**

Upon the coming into effect of this Scheme and with effect from the Appointed Date, the Undertaking 1 of the Transferor Company 1 shall be transferred to and vested in the Transferee Company as a going concern without any further act, instrument or deed so as to become, as and from the Appointed Date, the undertaking of the Transferee Company by virtue of and in the manner provided in this Scheme. The provisions of this Scheme as they relate to the amalgamation of the Transferor Company 1, and the Transferee Company, have been drawn up to comply with the conditions relating to "amalgamation" as defined under Section 2(1B) of the Income tax Act, 1961. If any terms or provisions of the Scheme are found or interpreted to be inconsistent with the provisions of the said Section of the Income tax Act, 1961, at a later date including resulting from an amendment of Applicable Law or for any other reason whatsoever, the provisions of the said Section of the Income tax Act, 1961, shall prevail and the Scheme shall stand modified to the extent determined necessary to comply with Section 2(1B) of the Income tax Act, 1961. Such modification will, however, not affect the other parts of the Scheme.

18. **CONSIDERATION**

18.1 Upon Part B of this Scheme becoming effective, the Transferor Company 2 and Transferor Company 3 shall become wholly-owned subsidiaries of the Transferee Company.

18.2 Since the entire issued, subscribed and paid-up share capital of the Transferor Company 2 and Transferor Company 3 would be held by the Transferee Company and/or its nominee/s, no consideration shall be payable pursuant to the amalgamation. Accordingly, there shall be no issue of shares by the Transferee Company upon coming into effect of this Part of the Scheme, and the shares of the Transferor Company 2 and Transferor Company 3, whether held in physical form or in electronic form, shall automatically stand cancelled and extinguished without any further act, deed, instrument, matter, or thing.

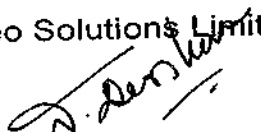

19. **ACCOUNTING TREATMENT IN THE BOOKS OF THE TRANSFEEE COMPANY**

19.1 Notwithstanding anything to the contrary contained herein, upon the Scheme becoming effective, the Transferee Company shall give effect to the accounting treatment in relation to the amalgamation in its books of account in accordance with Ind AS 103 – ‘Business Combinations’ read with Appendix C to Ind AS 103 – ‘Business Combinations’.

19.2 The Transferee Company shall, record all the assets, liabilities and reserves of Transferor Company 2 and Transferor Company 3 vested in it pursuant to the Scheme, at their book values and in the same form as appearing in the books of Transferor Company 2 and Transferor Company 3, as on the Appointed Date, by applying the principles as set out in Appendix C to Ind AS 103 – ‘Combinations’ and prescribed under Companies (Indian Accounting Standards) Rules, 2015, as amended.

19.3 No adjustments shall be made to reflect fair values or recognise any new assets or liabilities except as required under Paragraph 19.4 below.

- 19.4 The financial statements of the Transferor Company 2 and Transferor Company 3 have been prepared under Indian GAAP or IGAAP following the Accounting Standards specified under Section 133 of the Companies Act, 2013 read with the Companies (Accounting Standards) Rules, 2021. The financial statements of the transferee entity are prepared using Indian Accounting Standards specified under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015, as amended. The different accounting frameworks used would result in different accounting policies. Thus, an adjustment shall be required to harmonise the differences between IGAAP and Ind AS in the assets, liabilities and reserves of the Transferor Company 2 and Transferor Company 3. The only adjustments made in the Assets, Liabilities and Reserves, will be made so as to harmonise the GAAP Differences/ accounting policies of the Transferor Company 2 and Transferor Company 3 with that of the Transferee Company.
- 19.5 The balance of the retained earnings appearing in the financial statements of the Transferor Company 2 and Transferor Company 3 shall be aggregated with the corresponding balance appearing in the financial statements of the Transferee Company.
- 19.6 The identity of the reserves shall be preserved and shall appear in the financial statements of the Transferee Company in the same form in which they appeared in the financial statements of the Transferor Company 2 and Transferor Company 3.
- 19.7 Pursuant to the amalgamation of the Transferor Company 2 and Transferor Company 3 with the Transferee Company, inter-company balances, investments between Transferee Company, the Transferor Company 2 and Transferor Company 3, appearing in the books of the Transferee Company shall stand cancelled.
- 19.8 The difference, if any, between the value of investments held by the Transferee Company in the Transferor Company 2 and Transferor Company 3 of the carrying amounts of assets, liabilities, and reserves of the Transferor Company 2 and Transferor Company 3 as per clause 19 above shall be adjusted in the capital reserve.

- (1) Expleo India Infosystems Private Limited
- (2) Expleo Technologies India Private Limited
- (3) Expleo Engineering India Private Limited**
- (4) Silver Software Development Centre Private Limited

(the “Transferor Companies”)

and

Expleo Solutions Limited **(the “Company/Transferee Company”)** and their respective shareholders under the provisions of Sections 230 to 232 and other applicable provisions of the Companies Act, 2013 (“Scheme”) involving amalgamations in the order mentioned below:

- a) Amalgamation of Expleo India Infosystems Private Limited (“EIPL”) with the Company and consequent issue of equity shares by the Company to the shareholders of EIPL;
- b) Amalgamation of Expleo Technologies India Private Limited (“ETIPL”) and Expleo Engineering India Private Limited (“EEIPL”) with the Company; and
- c) Amalgamation of Silver Software Development Centre Private Limited (“SSDCPL”) with the Company.

EIPL, ETIPL, EEIPL and SSDCPL shall together be referred to as the “Transferor Companies”.

The Appointed Date for the Amalgamation under the Scheme is April 1, 2022 or such other date, as may be approved by the National Company Law Tribunal (NCLT).

The Board was further informed that ETIPL and EEIPL are wholly owned subsidiaries of EIPL and SSDCPL is the wholly owned subsidiary of ETIPL. The shares of EIPL are held entirely by Expleo Technology Germany GmbH, who also hold 56.17% of the Company.

The Board was informed of the rationale and objective behind the proposed consolidation and amalgamation of the Companies into ESL and the advantages and benefits therefrom to ESL and other stakeholders. The Board was also apprised of the timelines for implementation of the Scheme. The Board as per the requirements of Section 232(2)(c) of the Companies Act, 2013 also considered the effect of the Scheme on each class of the shareholders, key managerial personnel, promoters and non-promoter shareholders, the valuation and consideration payable pursuant to the Scheme to the shareholders of EIPL by a separate Board Report.

The Chairman also placed before the Board the following documents, amongst others:

- a) Draft Scheme of Amalgamation, duly initialled by the Company Secretary of the Company, for the purpose of identification;
- b) Equity Share Exchange Ratio as mentioned in valuation report dated July 9, 2021 issued by M/s. BDO Valuation Advisory LLP, Mumbai – a registered valuer, pursuant to Section 247 of the Act, stipulating inter alia, the methodology adopted and the valuation arrived at in relation to the shares to be issued to shareholders of EIPL (“**Valuation Report**”);
- c) Fairness opinion dated July 9, 2021 issued by M/s. IDBI Capital Markets & Securities Limited, a Category I SEBI registered Merchant Banker, providing its opinion on the fairness of the valuation of the share entitlement ratio recommended in the Valuation Report (“**Fairness Opinion**”);
- d) Pricing Certificate of M/s. Kalyaniwalla & Mistry LLP, Chartered Accountants, statutory auditors of the Company dated July 8, 2021, certifying the price of the shares of the Company as on the relevant date i.e., July 9, 2021, in accordance with the pricing requirements under SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018;
- e) Certificate dated July 1, 2021 from M/s. Kalyaniwalla & Mistry LLP, Chartered Accountants, statutory auditors of the Company, confirming that the accounting treatment contained in the Scheme is in compliance with the accounting standards specified by the Central Government under Section 133 of the Companies Act, 2013 read with the rules framed thereunder or the Accounting Standards issued by Institute of Chartered Accountants of India as applicable in terms of Para (5)(a) and (b) of the SEBI Master Circular dated December 22, 2020 (“**Master Circular**”) and Section 232(3) of the Companies Act, 2013 (“**Auditor’s Certificate**”);
- f) Reports of the Audit Committee and Committee of Independent Directors recommending the Scheme after taking into consideration, *inter alia*, the Valuation Report, the Fairness Opinion, the cost benefit analysis of the Scheme and impact of Scheme on the shareholders;
- g) The report explaining effect of the Scheme on each class of shareholders, key managerial personnel, promoters and non-promoter shareholders laying out in particular the share exchange ratio under the provisions of Section 232(2)(c) of Act;
- h) Pre amalgamating shareholding pattern of the Transferor Companies and pre and post amalgamating shareholding pattern of the Transferee Company; and
- i) Audited Financial statements of last 3 years of the Transferor Companies and the Transferee Company.

In this relation, the Board took note of the following:

j) **Valuation Report:**

The following swap ratio was recommended as consideration for amalgamation of EIPL with the Company:

The Company shall issue its equity shares to the shareholders of EIPL in accordance with a share entitlement ratio of:

“459 fully paid-up equity shares of INR 10 (Indian Rupees Ten) each of the Company for every 10 equity shares of INR 10 (Indian Rupees Ten) each held in EIPL.” (“**Share Entitlement Ratio**”).

On amalgamation of EIPL with the Company, ETIPL and EEIPL shall become wholly owned subsidiaries of the Company. No shares shall be issued by the Company to the shareholders of ETIPL and EEIPL pursuant to the Amalgamation. Subsequently, on amalgamation of ETIPL with the Company, SSDCPL shall become wholly owned subsidiaries of the Company. Therefore, no shares shall be issued by the Company to the shareholders of SSDCPL pursuant to the Amalgamation.

k) Rationale of the Scheme:

To consolidate all the Indian businesses of Group in a Single entity to enhance business focus, improve synergies and focus on long term value creation and to simplify the Corporate Structure. The amalgamation of the Transferor Companies (as defined hereinafter) with the Transferee Company would inter alia have the following benefits:

- (i) The Transferor Companies and the Transferee Company are part of the Expleo Group. Expleo Technology Germany GmbH holds 56.17% the shares of the Transferee Company. The business of the Transferor Companies is synergistic to the business of the Transferee Company. Upon the Scheme coming into effect, the synergistic benefits arising from the amalgamation of the Transferor Companies into the Transferee Company would result in even more effective business strategy for the Transferee Company and shall result in greater efficiency, integration of technologies, capabilities and cost effectiveness in the functioning and operation of the Transferee Company. Further, the Scheme will result in the entire business of the Transferor Companies being transferred to the Transferee Company, thereby resulting in the shareholders of the Transferor Companies and the Transferee Company having participation in, and deriving benefits from, the growth and prospects of the combined business operations of the Transferor Companies and the Transferee Company.
- (ii) The Scheme will make available assets, financial, managerial and technical resources, personnel, capabilities, skills, expertise and technologies of the Transferor Companies to the Transferee Company leading to synergistic benefits, enhancement of future business potential, cost reduction and enhance efficiencies, productivity gains and logistical advantages, thereby contributing to future growth and enhancement of shareholder value.
- (iii) The Scheme will result in economies of scale and consolidation of opportunities offered by the Scheme, which will contribute to make the Transferee Company, pursuant to the sanctioning of the Scheme, more profitable, thereby further enhancing the overall shareholder value.
- (iv) The amalgamation would motivate employees of the Transferor Companies by providing better opportunities to scale up their performance with a larger corporate entity having large revenue base, resources, asset base etc. which will boost employee morale and provide better corporate performance ultimately enhancing shareholder value.

The Board discussed on the above proposal and approved the Scheme and the terms and conditions as contained in the draft Scheme placed before the Board and passed the following resolutions:

“RESOLVED THAT pursuant to the provisions of Sections 230 to 232 of the Companies Act, 2013 and other applicable provisions of the Companies Act, 2013 read with rules made thereunder including any statutory modification(s) or re-enactment(s) thereof, for the time being in force, and enabling provisions in Memorandum of Association and Articles of Association of the Company, pursuant to and in compliance with SEBI Master Circular dated December 22, 2020, and other applicable laws and subject to requisite approvals as may be necessary from all concerned persons and authorities including the approval of the shareholders and the approval of the jurisdictional benches of National Company Law Tribunal and based on the recommendation of the Audit Committee of the Company, Valuation Report issued by M/s. Dear Sir(s)/ Madam(s),

Sub: Recommendation of Fair Equity Share Exchange Ratio in relation to the Proposed Scheme of Amalgamation (as defined below)

We, BDO Valuation Advisory LLP (‘BDO Val’ or ‘We’ or ‘Us’), have been appointed by Expleo Solutions Limited (“the Client”) vide letter dated February 26, 2021 bearing reference number MG/Feb261/2021 to recommend the fair equity share exchange ratio for :

- i. Amalgamation of Expleo India Infosystems Private Limited (‘EI IPL’ or ‘Transferor Company 1’) with Expleo Solutions Limited (‘ESL’ or ‘Transferee Company’) (‘Amalgamation 1’)
- ii. Amalgamation of Expleo Technologies India Private Limited (‘ETI PL’ or ‘Transferor Company 2’) and Expleo Engineering India Private Limited (‘EEI PL’ or ‘Transferor Company 3’) with the Transferee Company (‘Amalgamation 2’); and
- iii. Amalgamation of Silver Software Development Centre Private Limited (‘SSDCPL’ or ‘Transferor Company 4’) with the Transferee Company (‘Amalgamation 3’);

on a going concern basis, as per the Proposed Scheme of Amalgamation between EI IPL, ETI PL, EEI PL, SSDCPL and ESL and their respective shareholders under sections 230 to 232 of the Companies Act, 2013 (‘the Act’) and other applicable provisions of the Act (‘the Proposed Scheme’).

EI IPL, ETI PL, EEI PL and SSDCPL shall be collectively referred as ‘Unlisted Companies’. ESL and the Unlisted Companies shall be collectively referred as ‘Companies’.

We are pleased to present herewith our report (‘Report’) on the same. We have determined the fair equity share exchange ratio for the Proposed Scheme as at the Report date (‘Valuation Date’).

A summary of the analysis is presented in the accompanying Report, as well as description of the methodology and procedure we used, and the factors we considered in formulating our opinion.

We believe that our analysis must be considered as a whole. Selected portions of our analysis or the factors we considered, without considering all factors and analysis together could create a misleading view of the process underlying the valuation conclusions. The preparation of valuation is a complex process and is not necessarily susceptible to partial analysis or summary description. Any attempt to do so could lead to undue emphasis on any particular factor or analysis.

This letter should be read in conjunction with the attached report.

4. Caveats, Limitations and Disclaimers

- 4.1. This Report is to be read in totality, and not in parts, in conjunction with the relevant documents referred to therein.
- 4.2. This Report, its contents, and the analysis herein are specific to (i) the purpose of valuation agreed as per the terms of our engagement, (ii) the Report date and (iii) based on the data detailed in the section - Sources of Information. The management of the Companies have represented that the business activities of the Companies have been carried out in the normal and ordinary course till the Report date and that no material changes are expected in their respective operations and financial position to occur upto the Report date.
- 4.3. We were provided with sufficient information and time to make our opinion for this valuation exercise. However, our opinion may change if any material information is not disclosed / hidden from us during our valuation exercise.
- 4.4. The scope of the assignment did not include performing audit tests for the purpose of expressing an opinion on the fairness or accuracy of any financial or analytical information that was used during the course of the work. Accordingly, we express no audit opinion or any other form of assurance on this information on behalf of the Companies. The assignment did not involve us to conduct the financial or technical feasibility study. We have not done any independent technical valuation or appraisal or due diligence or legal title search of the assets or liabilities of the Companies and have considered them at the value as disclosed by the Companies in their regulatory filings or in submissions, oral or written, made to us.
- 4.5. Further, this valuation Report is based on the extant regulatory environment and the financial, economic, monetary and business/market conditions, and the information made available to us or used by us up to the date hereof, which are dynamic in nature and may change in future, thereby impacting the valuation of the Companies. Subsequent developments in the aforementioned conditions may affect this Report and the assumptions made in preparing this Report and we shall not be obliged to update, review or reaffirm this Report if the information provided to us changes. Further events occurring after the date hereof may affect this Report and the assumptions used in preparing it, and we do not assume any obligation to update, revise or reaffirm this Report.
- 4.6. We have no present or planned future interest in the Companies or any of their group entities.
- 4.7. The recommendation contained herein is not intended to represent value at any time other than the Valuation Date.
- 4.8. This Report is subject to the laws of India.
- 4.9. The fee for this engagement is not contingent upon the outcome of the Report.
- 4.10. In rendering this Report, we have not provided legal, regulatory, tax, accounting or actuarial advice and accordingly we do not assume any responsibility or liability in respect thereof.

- 4.11. This Report is based on the information received from the sources mentioned herein and discussions with the representatives of the Companies. We have assumed that no information has been withheld that could have influenced the purpose of our Report.
- 4.12. We have assumed and relied upon the truth, accuracy and completeness of the information, data and financial terms provided to us or used by us, we have assumed that the same are not misleading and do not assume or accept any liability or responsibility for any independent verification of such information or any independent technical valuation or appraisal of any of the assets, operations or liabilities of the Companies. Nothing has come to our knowledge to indicate that the material provided to us was mis-stated or incorrect or would not afford reasonable grounds upon which to base our Report.
- 4.13. For the present valuation exercise, we have also relied upon information available in the public domain; however, the accuracy and timeliness of the same has not been independently verified by us.
- 4.14. In addition, we do not take any responsibility for any changes in the information used by us to arrive at our conclusion as set out here in which may occur subsequent to the date of our Report or by virtue of fact that the details provided to us are incorrect or inaccurate.
- 4.15. We have arrived at a relative value based on our analysis. Any transaction price may however be significantly different and would depend on the negotiating ability and motivations of the respective buyers and sellers in the transaction.
- 4.16. Our scope is limited to recommendation of fair equity share exchange ratio. The Report should not be construed as, our opinion or certifying the compliance of the Proposed Scheme of Amalgamation with the provisions of any law including the Companies Act 2013, Foreign Exchange Management Act, 1999, taxation related laws, capital market related laws, any accounting, taxation or legal implications or issues arising from Proposed Scheme of Amalgamation.
- 4.17. The Report assumes that the Companies comply fully with relevant laws and regulations applicable in all their areas of operation unless otherwise stated and that the Companies will be managed in competent and responsible manner. Further, except as specifically stated to the contrary, this Report has given no consideration to matters of legal nature, including issues of legal title and compliance with local laws, litigation and other contingent liabilities that are not recorded in the financial statements of the Companies.
- 4.18. This Report does not look into the business/commercial reasons behind the Proposed Scheme of Amalgamation nor the likely benefits arising out of the same. Similarly, it does not address the relative merits of the Proposed Scheme of Amalgamation as compared with any other alternative business transaction or any other alternatives, whether or not such alternatives could be achieved or are available. The assessment of commercial and investment merits in the Companies is sole responsibility of the investors of the Companies and we don't express opinion on the suitability or otherwise of entering into any financial or other transactions with the Companies.

- 4.19. Valuation and determination of a fair equity share exchange ratio is not a precise science and the conclusions arrived at in many cases will be subjective and dependent on the exercise of individual judgment. There is therefore no indisputable single value. While we have provided an assessment of the value based on an analysis of information available to us and within the scope of our engagement, others may place a different opinion.
- 4.20. Valuation is based on estimates of future financial performance or opinions, which represent reasonable expectations taking into consideration the economic, social and market patterns existing at that point in time but such information, estimates or opinions are not offered as predictions or as assurances that a particular level of income or profit will be achieved, a particular event will occur or that a particular price will be offered or accepted. Actual results achieved during the period covered by the prospective financial analysis will vary from these estimates and the variations may be material.
- 4.21. Whilst all reasonable care has been taken to ensure that the factual statements in the Report are accurate, neither us, nor any of our partners, officers or employees shall in any way be liable or responsible either directly or indirectly for the contents stated herein. Accordingly, we make no representation or warranty, express or implied, in respect of the completeness, authenticity or accuracy of such factual statements. We expressly disclaim any and all liabilities, which may arise based upon the information used in this Report.
- 4.22. We owe responsibility to only the Board of Directors of the Client and nobody else. We will not be liable for any losses, claims, damages or liabilities arising out of the actions taken, omissions of or advice given by any other party to the Companies. In no event shall we be liable for any loss, damages, cost or expenses arising in any way from fraudulent acts, misrepresentations or willful default on part of the Companies, their directors, employees or agents. In the particular circumstances of this case, our liability, if any (in contract or under statute or otherwise) for any economic loss or damage arising out of or in connection with this engagement, howsoever the loss or damage caused, shall be limited to the amount of fees actually received by us from the Client as laid out in the engagement letter, for such valuation work.
- 4.23. We do not accept any liability to any third party in relation to the issue of this Report. It is understood that this analysis does not represent a fairness opinion. This Report is not a substitute for the third party's own due diligence/ appraisal/ enquiries/ independent advice that the third party should undertake for his purpose.
- 4.24. This Report does not in any manner address the prices at which equity shares of ESL will trade following the announcement and/or implementation of the Proposed Scheme and we express no opinion or recommendation as to how the shareholders of the Companies should vote at the shareholders' meeting(s) to be held in connection with the Proposed Scheme.
- 4.25. The recommendation(s) rendered in this report only represent our recommendation(s) based upon information furnished by the Companies (or its representatives) and other sources and the said recommendation(s) shall be considered to be in the nature of non-binding advice, (our

recommendation will however not be used for advising anybody to take buy or sell decision, for which specific opinion needs to be taken from expert advisors).

- 4.26. Client has informed us that IDBI Capital Markets & Securities Ltd. has been appointed to provide fairness opinion on the recommended Fair Equity Share Exchange Ratio for the purpose of aforementioned Proposed Scheme of Amalgamation. Further at the request of the Companies, we have had discussions with the Fairness Opinion provider on the valuation approach adopted and assumptions made by us.
- 4.27. Further, after declaration of COVID-19 as a pandemic by World Health Organization had caused a widespread disruption in businesses as well as on financial markets in India and globally alike. Our assumptions for the valuation is surrounded by this unprecedented uncertainty across all the industries and sectors including the time period over which these circumstances could prevail. The valuation assumptions, the underlying projections and the outcome of the valuation analysis could materially change as a result of the continued or increased uncertainty around the prevalence of COVID-19 circumstances and hence a reliance on our valuation must be placed considering these unprecedented circumstances.

5. Sources of Information

- 5.1. For the purpose of undertaking this valuation exercise, we have relied on the following sources of information provided by the management and representatives of the Companies:
- Detailed business profile and information of current business operations of the Companies;
 - Audited financial statements of the Companies for the year ended March 31, 2021;
 - Unaudited financial statement of EIPL for 1 month period ended April 30, 2021;
 - Latest Shareholding pattern of the Companies as at March 31, 2021;
 - Projected financial statements of EIPL for the period starting from May 1, 2021 to March 31, 2024;
 - Income Tax Return (ITR) of EIPL for FY20;
 - Share Purchase Agreement dated June 28, 2021 for purchase of shares of EEIPL by EIPL;
 - Share Purchase Agreement dated June 28, 2021 for purchase of shares of ETIPL by EIPL;
 - Relevant data and information provided to us by the management and representatives of the Client either in written or oral form or in form of soft copy and information available in public domain;
 - Information provided by leading database sources (proprietary databases subscribed by us or our network firm), market research reports and other published data (including the Stock Exchanges); and
 - Draft of Proposed Scheme of Amalgamation.
- 5.2. We have also obtained the explanations, information and representations, which we believed were reasonably necessary and relevant for our exercise from the Management of the Companies. Client has been provided with the opportunity to review the draft Report (excluding the recommended Fair Equity Share Exchange Ratio) as part of our standard practice to make sure that factual inaccuracies/ omissions are avoided in our final Report.
- 5.3. The management of Companies has informed us that there would be no significant variation between the draft Scheme and the final scheme approved and submitted with the relevant authorities.

6. Procedures Adopted

6.1. Procedures used in our analysis included such substantive steps as we considered necessary under the circumstances, including but not limited to the following:

- Requested and received financial information;
- Obtained data available in public domain;
- Undertook industry analysis such as researching publicly available market data including economic factors and industry trends that may impact the valuation;
- Detailed analysis of Comparable Companies for the business;
- Discussions (over call/emails/conferences) with the management of the Companies to understand the business and fundamental factors that could affect its earning-generating capability including strengths, weaknesses, opportunity and threats analysis and historical financial performance;
- Selection of valuation methodology/(ies) as per internationally accepted valuation methodologies;
- Determined the fair equity share exchange ratio based on the selected methodology.

For the purpose of arriving at the valuation of the Companies we have considered the valuation base as 'Fair Value' and the premise of value is 'Going Concern Value'. Any change in the valuation base, or the premise could have significant impact on our valuation exercise, and therefore, this report.

7. Valuation Approaches

- 7.1. It is pertinent to note that the valuation of any company or its assets is inherently imprecise and is subject to certain uncertainties and contingencies, all of which are difficult to predict and are beyond our control. In performing our analysis, we made numerous assumptions with respect to industry performance and general business and economic conditions, many of which are beyond the control of the companies. In addition, this valuation will fluctuate with changes in prevailing market conditions, and prospects, financial and otherwise, of the companies/businesses, and other factors which generally influence the valuation of the companies, its businesses and assets.
- 7.2. The application of any particular method of valuation depends on the purpose for which the valuation is done. Although different values may exist for different purposes, it cannot be too strongly emphasized that a valuer can only arrive at one value for one purpose. Our choice of methodology of valuation has been arrived at using usual and conventional methodologies adopted for transactions of a similar nature and our reasonable judgment, analysis of businesses, in an independent and bona fide manner based on our previous experience of assignments of a similar nature.
- 7.3. It may be noted that BDO Val is enrolled with IOV Registered Valuers Foundation, which has recommended to follow International Valuation Standards (“IVS”) for undertaking valuation and accordingly we have considered the International Valuation Standards issued by International Valuation Standards Council (‘IVSC’) in carrying out the valuation exercise.
- 7.4. The Report Date is the valuation date (**Valuation Date**). For valuation exercise, market parameters have been considered up to and including July 8, 2021.
- 7.5. There are three generally accepted approaches to valuation:
 - (a) “Asset” / “Cost” Approach
 - (b) “Income” Approach
 - (c) “Market” Approach

Within these three basic approaches, several methods may be used to estimate the value. An overview of these approaches is as follows:

Asset / Cost Approach

Summation Method

The summation method, also referred to as the underlying asset method, is typically used for investment companies or other types of assets or entities for which value is primarily a factor of the values of their holdings.

This valuation approach is mainly used in case where the assets base dominates earnings capability.

Income Approach

The income approach is widely used for valuation under "Going Concern" basis. It focuses on the income generated by the company in the past as well as its future earning capability. The Discounted Cash Flow Method under the income approach seeks to arrive at a valuation based on the strength of future cash flows.

Discounted Cash Flow Method

Under the Discounted Cash Flow ('DCF') method, the value of the undertaking is based on expected 'cash flows for future, discounted at a rate, which reflects the expected returns and the risks associated with the cash flows as against its accounting profits. The value of the undertaking is determined as the present value of its future free cash flows.

Free cash flows are discounted for the explicit forecast period and the perpetuity value thereafter. Free cash flows represent the cash available for distribution to both, the owners and creditors of the business.

Discount rate is the Weighted Average Cost of Capital ('WACC'), based on an optimal vis-à-vis actual capital structure. It is appropriate rate of discount to calculate the present value of future cash flows as it considers equity-debt risk and also debt-equity ratio of the firm.

The perpetuity (terminal) value is calculated based on the business's potential for further growth beyond the explicit forecast period. The "constant growth model" is applied, which implies an expected constant level of growth (for perpetuity) in the cash flows over the last year of the forecast period.

The discounting factor (rate of discounting the future cash flows) reflects not only the time value of money, but also the risk associated with the business's future operations.

The Business/Enterprise Value so derived, is further reduced by value of debt, if any, (net of cash and cash equivalents) to arrive at value to the owners of business. The surplus assets / non-operating assets are also adjusted.

In case of free cash flows to equity, the cash available for distribution to owners of the business is discounted at the Cost of Equity and the value so arrived is the Equity Value before surplus/ non-operating assets. The surplus assets / non-operating assets are further added to arrive at the Equity Value.

Market Approach

Under the Market approach, the valuation is based on the market value of the company in case of listed companies and comparable companies trading or transaction multiples for unlisted companies. The Market approach generally reflects the investors' perception about the true worth of the company.

i. Market Price Method

Under this method, the market price of an equity shares of the company as quoted on a recognized stock exchange is normally considered as the fair value of the equity shares of that company where such quotations are arising from the trading. The market value reflects the investors' perception about the true worth of the company.

ii. Comparable Companies Multiple Method

Under the Comparable Companies Multiple ('CCM') method, the value is determined on the basis of multiples derived from valuations of comparable companies, as manifest through stock market valuations of listed companies. This valuation is based on the principle that market valuations, taking place between informed buyers and informed sellers, incorporate all factors relevant to valuation. Relevant multiples need to be chosen carefully and adjusted for differences between the circumstances.

To the value of the business so arrived, adjustments need to be made for the value of contingent assets/liabilities, surplus Asset and dues payable to preference shareholders, if any, in order to arrive at the value for equity shareholders.

iii. Comparable Transactions Multiple Method

Under the Comparable Transactions Multiple ('CTM') method, the value of a company can be estimated by analyzing the prices paid by purchasers of similar companies under similar circumstances. This is a valuation method where one will be comparing recent market transactions in order to gauge current valuation of target company. Relevant multiples have to be chosen carefully and adjusted for differences between the circumstances. This valuation approach is based on the principle that market valuations, taking place between informed buyers and informed sellers, incorporate all factors relevant to valuation.

8. Conclusion on Valuation Approach

- 8.1. In order to consider reasonable methods for the valuation exercise, we have referred to the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulation 2018 as amended from time to time ('ICDR Regulations') and the specific information/explanations available of ESL. We have considered the following respective methods for the valuation:

ESL

- 8.2. Market Price Method under the Market Approach have been considered for valuation of ESL as ESL is listed on Indian stock exchange. We considered ICDR Regulations which provide guidelines to estimate the market price.

In the present case, the share price of ESL on the NSE has been considered, as the trading volumes are higher at NSE as compared to BSE as per the requirements of the ICDR Regulations and Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeover) Regulations 2011 guidelines, as applicable, on a recognized stock exchange during the twelve calendar months preceding the Relevant Date (being the date of the meeting in which the Board of Directors of ESL to adopt the Proposed Scheme).

Attention may also be drawn to Regulation 158 of ICDR Regulations which specifies that issue of equity shares to shareholders of an unlisted entity pursuant to a National Company Law Tribunal approved scheme shall conform with the pricing provisions of preferential issue specified under Regulation 164 of the said regulations. Further it may be noted that Regulation 164 specifies the minimum price for issue of shares on a preferential basis.

The Pricing Formula provided in Regulations 164 (1) has been considered for arriving at the minimum value per equity share of ESL under the Market Price Method. The market price is considered as higher of following:

- (a) average of the weekly high and low of the volume weighted average price during the 26 weeks preceding July 9, 2021; or
- (b) average of weekly high and low of the volume weighted average price during the 2 weeks preceding July 9, 2021.

Comparable Companies Multiple Method ("CCM") is also used for determining and arriving at the fair value of ESL, since there are comparable companies operating in a similar segment in India. Further, due to paucity of comparable transaction, CTM method has not been considered.

In a going concern scenario, the earning power, as reflected under the Income and Market approaches, is of greater importance to the basis of merger, than the values arrived at on the net asset basis being of limited relevance. Therefore, we have not considered Asset / Cost approach for valuation since the asset / cost approach does not reflect the intrinsic value of the business in a "going concern scenario".

Further, Discounted Cash Flow Method under the Income Approach has not been considered as ESL is a listed entity and the management has not provided us the information related to future profit and loss account, balance sheet and cash flows being price sensitive.

EIPL

CCM under market approach is used for determining and arriving at the fair value of EIPL, since there are comparable companies operating in a similar segment in India. Since EIPL is not listed on any stock exchange, market price method is not considered. Further, due to paucity of comparable transaction, CTM method has not been considered.

In a going concern scenario, the earning power, as reflected under the Income and Market approaches, is of greater importance to the basis of merger, than the values arrived at on the net asset basis being of limited relevance. Therefore, we have not considered Asset / Cost approach for valuation since the asset / cost approach does not reflect the intrinsic value of the business in a “going concern scenario”.

We have considered the Discounted Cash Flow Method under Income Approach to value EIPL as the true worth of the EIPL’s business would be reflected in its future earnings potential.

Values of ETIPL and EEIPL have been considered at their acquisition cost and added to the value of EIPL under each of the aforesaid adopted method.

Summary of Valuation Approaches Considered:

Name of the Companies	Methods Adopted
ESL	Market Price Method
	CCM Method
EIPL	DCF Method
	CCM Method

9. Basis of Fair Equity Share Exchange Ratio

- 9.1. The basis of the fair equity share exchange ratio for the Proposed Scheme would have to be determined after taking into consideration all the factors and methods mentioned hereinabove and to arrive at a final value for the shares of each company. It is, however, important to note that in doing so, we are not attempting to arrive at the absolute values of the Companies, but at their relative values to facilitate the determination of the fair equity share exchange ratio.
- 9.2. We have independently applied methods discussed above, as considered appropriate, and arrived at their assessment of value per share of the Companies. To arrive at the consensus on the fair equity share exchange ratio for the Amalgamation 1, rounding off have been done in the values.
- 9.3. The fair equity share exchange ratio has been arrived at on the basis of a relative valuation based on the various approaches/methods explained herein earlier and various qualitative factors relevant to each Company and the business dynamics and growth potentials of the businesses, having regard to information base, key underlying assumptions and limitations. For this purpose, we have assigned appropriate weights to the values arrived at under each approach/method.
- 9.4. Further in respect of Amalgamation 2 and Amalgamation 3, wholly owned subsidiaries are merged into holding company. Accordingly, no equity shares are required to be issued on such amalgamation.

10. Major factors that were considered during the valuation

- 10.1. The equity shares of ESL are listed;
- 10.2. Key operating/ financial parameters of the Companies;
- 10.3. Financial Projections of EIPL provided to us;
- 10.4. Acquisition of EEIPL and ETIPL by EIPL vide SPA ; and
- 10.5. Discussion with the management of the Companies on future business aspects.

<<<This space has been intentionally left blank>>>

11. Conclusion

11.1. In the ultimate analysis, valuation will have to involve the exercise of judicious discretion and judgment taking into account all the relevant factors. There will always be several factors, e.g. present and prospective competition, yield on comparable securities and market sentiments etc. which are not evident from the face of the balance sheets, but which will strongly influence the worth of a share. This concept is also recognized in judicial decisions. For example, Viscount Simon Bd in Gold Coast Selection Trust Ltd. vs. Humphrey reported in 30 TC 209 (House of Lords) and quoted with approval by the Honorable Supreme Court of India in the case reported in 176 ITR 417 as under:

"If the asset takes the form of fully paid shares, the valuation will take into account not only the terms of the agreement but a number of other factors, such as prospective yield, marketability, the general outlook for the type of business of the company which has allotted the shares, the result of a contemporary prospectus offering similar shares for subscription, the capital position of the company, so forth. There may also be an element of value in the fact that the holding of the shares gives control of the company. If the asset is difficult to value, but is nonetheless of a money value, the best valuation possible must be made. Valuation is an art, not an exact science. Mathematical certainty is not demanded, nor indeed is it possible".

11.2. As discussed earlier, we have used Market Price method and Comparable Companies Multiple method for valuation of ESL and Discounted Cash Flow method and Comparable Companies Multiple method for valuation of EIPL and arrived at the recommended fair equity share exchange ratio for amalgamation of EIPL into ESL as follows:

Valuation Approach	Valuation Method	EIPL		ESL	
		Value Per Share (INR)	Weights	Value Per Share (INR)	Weights
Cost Approach ¹	Summation Method	NA	NA	NA	NA
Income Approach ²	DCF Method	36,722.57	50%	NA	NA
Market Approach ³	MP Method	NA	NA	833.58	50%
Market Approach ⁴	CCM Method	40,181.35	50%	840.81	50%
Value Per Share		38,451.96		837.19	
Share Exchange Ratio (Rounded Off)		10		459	

NA means Not Adopted / Not Applicable.

1. *Summation Method under Cost Approach has not been considered since the net asset value does not reflect the intrinsic value of the business in a going concern scenario.*
2. *Discounted Cash Flow Method under Income Approach has been considered for valuing EIPL based on projections made available by the Companies. DCF Method has not been considered for ESL as it is a listed entity and the management has not provided us the information related to future profit and loss account, balance sheet and cash flows being price sensitive.*
3. *EIPL is not listed on any Indian Stock Exchange; hence Market Price Method under Market Approach is not used. ESL is listed on BSE and NSE. Hence, we have considered market price method for valuing ESL.*
4. *We have used CCM Method for valuing EIPL and ESL based on comparable companies having business similar to the Companies.*

11.3. Following is the recommended Fair Equity Share Exchange Ratio for Amalgamation 1:

459 equity shares of Expleo Solutions Limited (of INR 10/- each fully paid up) for every 10 equity shares held in Expleo India Infosystems Private Limited (of INR 10/- each fully paid up) for Amalgamation 1.

2. Brief Background of the Proposed Scheme

Brief Background

The Transferor Companies and the Transferee Company are part of the Expleo Group. Expleo Technology Germany GmbH holds 56.17% shares of the Transferee Company. The business of the Transferor Companies is synergistic to the business of the Transferee Company and will enhance business focus, improve synergies and focus on long term value creation and will simplify the Corporate Structure. In view of the aforesaid, the Board of Directors of the Transferor Companies and the Transferee Company have considered and proposed Scheme of Amalgamation under the provisions of

Sections 230 to 232 of the Companies Act, 2013 and other applicable provisions of the Companies Act, 2013.

Proposed Scheme

Amalgamation of Transferor Company 1 with the Transferee Company

- Part B of the Proposed Scheme deals with the amalgamation of the Transferor Company 1 with the Transferee Company.
- Upon Part B of the Proposed Scheme becoming effective and upon the amalgamation of Transferor Company 1 with the Transferee Company in terms of Proposed Scheme, the Transferee Company shall issue and allot, on a proportionate basis to each shareholder of the Transferor Company 1 or to their respective heirs, executors, administrators or other legal representatives or the successors-in-title, as the case may be, fully paid-up equity share of INR 10 (Indian Rupees Ten) each of the Transferee Company by virtue of and in the manner provided in Proposed Scheme.

Amalgamation of Transferor Company 2 & Transferor Company 3 with the Transferee Company

- Part C of the Proposed Scheme deals with the amalgamation of the Transferor Company 2 & Transferor Company 3 with the Transferee Company.
- Upon Part B of the Proposed Scheme becoming effective, the Transferor Company 2 and Transferor Company 3 shall become wholly-owned subsidiaries of the Transferee Company. Since the entire issued, subscribed and paid-up share capital of the Transferor Company 2 and Transferor Company 3 would be held by the Transferee Company and/or its nominee/s, no consideration shall be payable pursuant to the amalgamation. Accordingly, there shall be no issue of shares by the Transferee Company upon coming into effect of Part C of the Proposed Scheme, and the shares of the Transferor Company 2 and Transferor Company 3, whether held in physical form or in electronic form, shall automatically stand cancelled and extinguished without any further act, deed, instrument, matter, or thing in the manner provided in Proposed Scheme.

Amalgamation of Transferor Company 4 with the Transferee Company

- Part D of the Proposed Scheme deals with the amalgamation of the Transferor Company 4 with the Transferee Company.
- Upon Part C of Proposed Scheme becoming effective, the Transferor Company 4 shall become a wholly-owned subsidiary of the Transferee Company. Scheme of Amalgamation amongst 1) Expleo India Infosystems Private Limited (“Transferor Company 1” or “EI IPL”) (2) Expleo Technologies India Private Limited (“Transferor Company 2” or “ETIPL”) (3) Expleo Engineering India Private Limited (“Transferor Company 3” or “EEIPL”) (4) Silver Software Development Centre Private Limited (“Transferor Company 4” or “SSDCPL”) and Expleo Solutions Limited (“Transferee Company” or “ESL”) and their respective shareholders.

Rationale of the Scheme:

To consolidate all the Indian businesses of Group in a Single entity to enhance business focus, improve synergies and focus on long term value creation, and to simplify the Corporate Structure. The amalgamation of the Transferor Companies (*as defined hereinabove*) with the Transferee Company would inter alia have the following benefits:

- a) The Transferor Companies and the Transferee Company are part of the Expleo Group. Expleo Technology Germany, GmbH holds 56.17% the shares of the Transferee Company. The business of the Transferor Companies is synergistic to the business of the Transferee Company. Upon the Scheme coming into effect, the synergistic benefits arising from the amalgamation of the Transferor Companies into the Transferee Company would result in even more effective business strategy for the Transferee Company and shall result in greater efficiency, integration of technologies, capabilities and cost effectiveness in the functioning and operation of the Transferee Company. Further, the Scheme will result in the entire business of the Transferor Companies being transferred to the Transferee Company, thereby resulting in the shareholders of the Transferor Companies and the Transferee Company having participation in, and deriving benefits from, the growth and prospects of the combined business operations of the Transferor Companies and the Transferee Company.
- b) The Scheme will make available assets, financial, managerial and technical resources, personnel, capabilities, skills, expertise and technologies of the Transferor Companies to the Transferee Company leading to synergistic benefits, enhancement of future business potential, cost reduction and enhance efficiencies, productivity gains and logistical advantages, thereby contributing to future growth and enhancement of shareholder value.
- c) The Scheme will result in economies of scale and consolidation of opportunities offered by the Scheme, which will contribute to make the Transferee Company, pursuant to the sanctioning of the Scheme, more profitable, thereby further enhancing the overall shareholder value.
- d) The amalgamation would motivate employees of the Transferor Companies by providing better opportunities to scale up their performance with a larger corporate entity having large revenue base, resources, asset base etc. which will boost employee morale and provide better corporate performance ultimately enhancing shareholder value.

REPORT ADOPTED BY THE BOARD OF DIRECTORS OF EXPLEO INDIA INFOSYSTEMS PRIVATE LIMITED (EIPL or COMPANY) AT ITS MEETING HELD ON FRIDAY JULY 09, 2021 EXPLAINING THE EFFECT OF THE SCHEME ON EQUITY SHAREHOLDERS, DIRECTORS, KEY MANAGERIAL PERSONNEL, PROMOTERS AND NON PROMOTER SHAREHOLDERS

REPORT ON EFFECT OF SCHEME OF AMALGAMATION

1. **Background:**

1.1 The Board of Directors of Expleo India Infosystems Private Limited at its meeting held on Friday, July 09, 2021 approved the scheme of amalgamation between (1) Expleo India Infosystems Private Limited (“Transferor Company 1”) / (“Company”), Expleo Technologies India Private Limited (“Transferor Company 2”), Expleo Engineering India Private Limited (“Transferor Company 3”), Silver Software Development Centre Private Limited (“Transferor Company 4”), collectively referred to as “Transferor Companies” with Expleo Solutions Limited (“Transferee Company”) under Sections 230 to 232 and other applicable provisions of the Companies Act, 2013 (‘Companies Act’), the Companies (Compromises, Arrangements and Amalgamations) Rules, 2016, and other rules and regulations framed thereunder (‘Scheme’).

1.2 As per the provisions of Section 232(2)(c) of the Companies Act, the Directors of the Transferor Company 1 are required to adopt a report explaining the effect of the Scheme on equity shareholders, directors, key managerial personnel (KMPs), promoters and non-promoter shareholders, laying out, in particular the share exchange ratio, and the same is required to be circulated to the equity shareholders and creditors along with the notice convening the meeting, if the Tribunal does not dispense with calling such meeting. This report has, accordingly been made for adoption by the Board, in pursuance of the requirements under Section 232(2)(c) of the Companies Act.

1.3 The following documents were placed before the Board:

a) Draft Scheme of Amalgamation;

b) Valuation Report dated **09th July, 2021** issued by **Anushkumar Shivaraman**, Registered Valuer, prescribing the Share Entitlement Ratio (*defined below*) with respect to the amalgamation of EIPL with Expleo Solutions Limited (“**Valuation Report**”);

c) Last 3 years audited financials of the Transferor Companies and Expleo Solutions Limited.

2. **Effect of Scheme of Amalgamation and share exchange ratio:**

2.1 The Scheme contemplates amalgamation of the Transferor Companies into the

Transferee Company pursuant to the provisions of Sections 230 to 232 and other applicable provisions of the Companies Act, and dissolution without winding up of the Transferor Companies pursuant thereto. It does not contemplate any compromise or arrangement with any other class of persons, apart from the shareholders of the respective companies.

2.2 Upon the Scheme becoming effective, the existing equity share capital of the Transferor Companies shall stand cancelled and in consideration of the amalgamation of the Transferor Companies in the Transferee Company, the Transferee Company shall, without any further application, act or deed, issue and allot to the shareholders of the Transferor Company 1, **459 fully paid-up equity shares of INR 10 (Indian Rupees Ten) each of the Transferee Company for every 10 equity shares of INR 10 (Indian Rupees Ten) each held in the Transferor Company 1** as stipulated in clause 10 of Part B of the Scheme. Other than the shareholders of the Transferor Company 1, no consideration shall be payable to the shareholders of the remaining Transferor Companies pursuant to the Scheme. This is so since upon the Scheme coming into effect sequentially in the manner set out in the Scheme, the remaining Transferor Companies become the wholly owned subsidiaries of the Transferee Company.

2.3 The effect of the proposed Scheme on the stakeholders of the Company would be as follows:

(a) Shareholders:

Under the Scheme, an arrangement is sought to be entered into between the Transferor Company 1 and its equity shareholders. Upon the coming into effect of Part B of the Scheme and in consideration of the transfer and vesting of the Transferor Companies, the Transferee Company shall issue and allot to the equity shareholders of the Transferor Company 1 only, as explained above, New Equity Shares of the Transferee Company in the ratio as enumerated in Clause 10 of Part B of the Scheme. Further, the authorised share capital of the Transferor Companies shall stand transferred to and be amalgamated/combined with the authorised share capital of the Transferee Company in the manner as stipulated in Clause 39 of Part E of the Scheme.

(b) Creditors:

Under the Scheme, there is no arrangement proposed with the creditors of the Company. No compromise is offered under the Scheme to any of the creditors of the Company. The liability of the creditors of the Company, under the Scheme, is neither being reduced nor being extinguished. The creditors of the Company would in no way be affected by the Scheme and upon the Scheme becoming effective, the Transferee Company will meet the liabilities of the said creditors.

(c) Directors, key managerial personnel and employees:

Under Clause 8 of Part B, Clause 16 of Part C and Clause 24 of Part D of the Scheme, and with effect from the Effective Date, the Transferee Company undertakes to engage all the staff and employees of the Transferor Companies on the same terms and conditions (and which are not less favourable than those) on which they are currently engaged by the Transferor Companies, without any interruption or break in service. In the circumstances, the rights of the employees of the Transferor Companies would in no way be affected by the Scheme.

The directors, key managerial personnel of the Transferor Companies and their respective relatives may have an interest in the Scheme to the extent of the equity shares held by them in the Transferee Company and/or to the extent that 1 (one) of the directors of the Transferee Company, [namely, Mr. Ralph Franz Gillessen is also the director in one of the Transferor Companies]¹ and/or to the extent the said director(s), key managerial personnel and their respective relatives are the director(s) and/or members of the company that holds shares in the Companies parties to the Scheme. Save as aforesaid, none of the director(s), key managerial personnel of the Transferor Companies or their respective relatives have any material interest in the Scheme.

(d) Promoters Shareholding

The shares to be issued based on the Valuation Report dated **09th July, 2021** issued by **Anushkumar Shivaraman**, Registered Valuer, prescribing the Share Entitlement Ratio, to the Promoters of the Transferor Company 1 as they hold 100% shares in the Transferor Company 1. This will result in increase of promoters' shareholding in the Transferee Company to that extent.

(e) Non-Promoter Shareholding

Not applicable as the entire share capital is held by Promoters.

3. Valuation

No special valuation difficulties were reported by the valuers.

REPORT ADOPTED BY THE BOARD OF DIRECTORS OF EXPLEO TECHNOLOGIES INDIA PRIVATE LIMITED (ETIPL or COMPANY) AT ITS MEETING HELD ON FRIDAY JULY 09, 2021 EXPLAINING THE EFFECT OF THE SCHEME ON EQUITY SHAREHOLDERS, DIRECTORS, KEY MANAGERIAL PERSONNEL, PROMOTERS AND NON PROMOTER SHAREHOLDERS

REPORT ON EFFECT OF SCHEME OF AMALGAMATION

1. **Background:**

- 1.1 The Board of Directors of Expleo India Infosystems Private Limited at its meeting held on Friday, July 09, 2021 approved the scheme of amalgamation between (1) Expleo India Infosystems Private Limited (“Transferor Company 1”), Expleo Technologies India Private Limited (“Transferor Company 2” / “Company”), Expleo Engineering India Private Limited (“Transferor Company 3”), Silver Software Development Centre Private Limited (“Transferor Company 4”), collectively referred to as “Transferor Companies” with Expleo Solutions Limited (“Transferee Company”) under Sections 230 to 232 and other applicable provisions of the Companies Act, 2013 (‘Companies Act’), the Companies (Compromises, Arrangements and Amalgamations) Rules, 2016, and other rules and regulations framed thereunder (‘Scheme’).
- 1.2 As per the provisions of Section 232(2)(c) of the Companies Act, the Directors of the Transferor Company 2 are required to adopt a report explaining the effect of the Scheme on equity shareholders, directors, key managerial personnel (KMPs), promoters and non-promoter shareholders, laying out, in particular the share exchange ratio, and the same is required to be circulated to the equity shareholders and creditors along with the notice convening the meeting, if the Tribunal does not dispense with calling such meeting. This report has, accordingly been made for adoption by the Board, in pursuance of the requirements under Section 232(2)(c) of the Companies Act.
- 1.3 The following documents were placed before the Board:
- a) Draft Scheme of Amalgamation;
 - b) Valuation Report dated **09th July, 2021** issued by **Anushkumar Shivaraman**, Registered Valuer, prescribing the Share Entitlement Ratio (*defined below*) with respect to the amalgamation of EIPL with Expleo Solutions Limited (“**Valuation Report**”);
 - c) Last 3 years audited financials of the Transferor Companies and Expleo Solutions Limited.

2. Effect of Scheme of Amalgamation and share exchange ratio:

2.1 The Scheme contemplates amalgamation of the Transferor Companies into the Transferee Company pursuant to the provisions of Sections 230 to 232 and other applicable provisions of the Companies Act, and dissolution without winding up of the Transferor Companies pursuant thereto. It does not contemplate any compromise or arrangement with any other class of persons, apart from the shareholders of the respective companies.

2.2 Upon the Scheme becoming effective, the existing equity share capital of the Transferor Companies shall stand cancelled and in consideration of the amalgamation of the Transferor Companies in the Transferee Company, the Transferee Company shall, without any further application, act or deed, issue and allot to the shareholders of the Transferor Company 1, **459 fully paid-up equity shares of INR 10 (Indian Rupees Ten) each of the Transferee Company for every 10 equity shares of INR 10 (Indian Rupees Ten) each held in the Transferor Company 1** as stipulated in clause 10 of Part B of the Scheme. Other than the shareholders of the Transferor Company 1, no consideration shall be payable to the shareholders of the remaining Transferor Companies pursuant to the Scheme. This is so since upon the Scheme coming into effect sequentially in the manner set out in the Scheme, the remaining Transferor Companies become the wholly owned subsidiaries of the Transferee Company.

2.3 The effect of the proposed Scheme on the stakeholders of the Company would be as follows:

(a) Shareholders:

Under the Scheme, an arrangement is sought to be entered into between the Transferor Company 1 and its equity shareholders, Upon the coming into effect of Part B of the Scheme and in consideration of the transfer and vesting of the Transferor Companies, the Transferee Company shall issue and allot to the equity shareholders of the Transferor Company 1 only, as explained above, New Equity Shares of the Transferee Company in the ratio as enumerated in Clause 10 of Part B of the Scheme. Further, the authorised share capital of the Transferor Companies shall stand transferred to and be amalgamated/combined with the authorised share capital of the Transferee Company in the manner as stipulated in Clause 39 of Part E of the Scheme.

On amalgamation of EIPL with the Transferee Company, ETIPL shall become wholly owned subsidiary of the Transferee Company. No shares shall be issued by the Transferee Company to the shareholders of ETIPL pursuant to the Amalgamation.

(b) Creditors:

Under the Scheme, there is no arrangement proposed with the creditors of the Company. No compromise is offered under the Scheme to any of the creditors of the Company. The liability of the creditors of the Company, under the Scheme, is neither being reduced nor being extinguished. The creditors of the Company would in no way be affected by the Scheme and upon the Scheme becoming effective, the Transferee Company will meet the liabilities of the said creditors..

(c) Directors, key managerial personnel and employees:

Under Clause 8 of Part B, Clause 16 of Part C and Clause 24 of Part D of the Scheme, and with effect from the Effective Date, the Transferee Company undertakes to engage all the staff and employees of the Transferor Companies on the same terms and conditions (and which are not less favourable than those) on which they are currently engaged by the Transferor Companies, without any interruption or break in service. In the circumstances, the rights of the employees of the Transferor Companies would in no way be affected by the Scheme.

(d) Promoters Shareholding

No Shares will be issued to the Promoter of ETIPL. Upon the scheme becoming effective, the Company will be dissolved without winding up.

(e) Non-Promoter Shareholding

Not applicable as the entire share capital is held by Transferor Company 1 along with its nominees.

INDEPENDENT AUDITOR'S REPORT

TO THE BOARD OF DIRECTORS OF EXPLEO SOLUTIONS LIMITED

Report on the audit of the Standalone Financial Results

Opinion

We have audited the accompanying standalone quarterly and annual Financial Results of Expleo Solutions Limited ("the Company") for the quarter ended March 31, 2022 and the year to date results for the period from April 01, 2021 to March 31, 2022 ("the Statement" or the "standalone financial results"), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us these standalone financial results:

- i. are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- ii. give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act 2013 ("the Act") read with relevant rules issued thereunder and other accounting principles generally accepted in India of the net profit and other comprehensive income and other financial information for the for the quarter ended March 31, 2022 as well as the year to date results for the period from April 01, 2021 to March 31, 2022.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Results* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the financial results under the provisions of the Act and the Rules thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial results.

Management's Responsibilities for the Standalone Financial Results

These quarterly as well as year to date standalone financial results have been prepared on the basis of the annual standalone financial statements. The Company's Board of Directors are responsible for the preparation of these financial results that give a true and fair view of the net profit and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standard prescribed under Section 133 of the Act

read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial results, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.

- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

The Standalone Financial Results include the results for the quarters ended March 31, being the balancing figures between audited figures in respect of the full financial year and the published unaudited year to date figures up to the third quarter of the respective financial years which were subject to limited review by us.

Our opinion is not modified in respect of the above matter.

INDEPENDENT AUDITOR'S REPORT

TO THE BOARD OF DIRECTORS OF EXPLEO SOLUTIONS LIMITED

Report on the Audit of Consolidated Financial Results

Opinion

We have audited the accompanying consolidated quarterly and annual financial results of **Expleo Solutions Limited** (hereinafter referred to as the "Holding Company") and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group"), for the quarter and year ended March 31, 2022, ("the Statement" or the "consolidated financial results"), attached herewith, being submitted by the Holding Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial results:

- (i) includes the quarterly and annual financial results of the following entities:
 - a) Expleo Solutions Limited, India
 - b) Expleo Solutions Inc., USA
 - c) Expleo Solutions UK Ltd., UK
 - d) Expleo Solutions Pte. Ltd., Singapore
 - e) Expleo Solutions FZE, UAE
- (ii) are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- (iii) give a true and fair view in conformity with the recognition and measurement principles laid down in the Indian Accounting Standards and other accounting principles generally accepted in India, of the net profit and other comprehensive income and other financial information of the Group for the quarter and year ended March 31, 2022.

Basis for Opinion

We conducted our audit in accordance with Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013 ("Act"). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Results* section of our report. We are independent of the Group, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Board of Directors' Responsibilities for the Consolidated Financial Results

These consolidated financial results have been prepared on the basis of the consolidated financial statements. The Holding Company's Board of Directors are responsible for the preparation and presentation of these consolidated financial results that give a true and fair view of the net profit and other comprehensive income and other financial

information of the Group in accordance with the recognition and measurement principles of Indian Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations.

The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial results by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial results, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group is responsible for overseeing the financial reporting process of each Company.

Auditor's Responsibilities for the Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the consolidated financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that

- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial results, including the disclosures, and whether the consolidated financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/ financial information of the entities within the Group to express an opinion on the consolidated financial results. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial results. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the Listing Regulations, as amended, to the extent applicable.

Other Matter

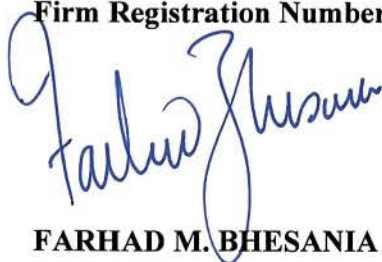

The Consolidated Financial Results include the results for the quarters ended March 31, being the balancing figure between the audited figures in respect of the full financial years and the published unaudited year to date figures up to the third quarters of the respective financial years, which were subject to limited review by us.

Our opinion is not modified in respect of the above matter.

EXPLEO TECHNOLOGIES INDIA PRIVATE LIMITED

Significant Accounting Policies and Notes forming part of the Financial Statements for the year ended 31 March 2022

1 Corporate Information:

Expleo Technologies India Private Limited "the Company" incorporated on 25th June 2008 (CIN:U72900KA2008FTC046904) is a subsidiary of Expleo India Infosystems Private Limited (w.e.f 28 June 2021) (Silver Atena Limited, United Kingdom (upto 28 June 2021)) (also refer note 3.3) and a part of Expleo Group, France. The company is primarily into the business of providing software development and engineering consultancy services related to Aerospace, Automotive, Defense and Rail Industry.

During the year the Board of Directors of the Company at their meeting held on July 09, 2021 have approved the Scheme of Amalgamation ('Scheme') between Expleo India Infosystems Private Limited, Expleo Technologies India Private Limited, Expleo Engineering India Private Limited, Silver Software Development Centre Private Limited and Expleo Solutions Limited and their respective shareholders and the draft scheme is pending necessary approvals from competent authority in terms of section 230 to 237 of the Companies Act 2013.

2 Significant Accounting Policies

2.1 Basis of Preparation of Financial Statements

These financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (IGAAP) under the historical cost convention on the accrual basis. IGAAP comprises mandatory accounting standards as prescribed under Section 133 of the Companies Act, 2013 ('Act') read with Rule 7 of the Companies (Accounts) Rules, 2014 and the other provisions of the Act. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use. These financial statements are presented in Indian Rupees with amounts being rounded off to millions pursuant to Schedule III of the Act.

All assets and liabilities have been classified as current and non-current as per the companies' normal operating cycle and other criteria set out in schedule III to the Act. Based on the nature of services rendered and their realisation in cash and cash equivalent the company has ascertained its operating cycle as twelve months for the purpose of current and non current classification of assets and liabilities.

2.2 Use of Estimates

The preparation of the financial statements in conformity with Accounting Standards requires the management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the year. The application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements have been disclosed in the ensuing Notes. Accounting estimates could change from year to year, also the actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the year in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

2.3 Cash Flow

The cash flow statement comprises cash from operating, financing and investing activities. The Cash flow statement is prepared in accordance with the Accounting Standard – 3 using indirect method to determine cash flow from operating activities. Cash and Cash equivalent comprises of cash, bank balances and deposit with less than 3 months maturity as at the reporting date.

2.4 Property, Plant and Equipment ("PPE")

PPE's are carried at cost of acquisition or construction less accumulated depreciation. The cost of PPE includes freight, duties, taxes and other incidental expenses related to the acquisition or construction of the respective "PPE". Depreciation on PPE is provided on the straight-line method, based on estimated useful lives of assets as prescribed under Part C of Schedule II of the Companies Act 2013, which is considered appropriate by the management.

Pro-rata depreciation is provided on all assets purchased from the date an asset is ready to use and up to date of sale in respect of assets sold during the year. The estimated useful lives of the different class of PPE are as under:

PPE Description	Estimated Useful lives
Computers	3 years
Computer networks/ Servers	6 years
Other Plant and Equipments	5 years
Vehicles	8 years
Office Equipments	5 years
Furniture & Fittings	10 years
Leasehold Improvements	Primary lease period

2.5 Intangible Assets

Intangible assets comprising of computer software are capitalised where it is expected to provide future enduring economic benefit. Capitalisation costs include license fee, cost of development and implementation services. The costs are capitalised in the year in which the relevant intangible assets is deployed for its intended use.

Software License fees comprising of perpetual licences are amortised over a period of three years and other licences are amortised over license period or 3 Years, whichever is lower.

2.6 Revenue Recognition

a. Sale of Services:

Revenue from engineering consultancy and software development and verification services is recognised as and when services performed are reliably measured and no uncertainty exists as to its realisation. Revenue from the contracts that are based on time and material model is recognised as and when the service are rendered and related costs are incurred as per the agreed terms.

Revenue from the contracts based on fixed price/ delivery model are recognised in the statement of profit and loss proportionately with the degree of completion of services under a contract based on internal technical assessment, while anticipated losses are provided for all. Revenue in excess of billings on service contracts is recorded as 'unbilled revenue' and is included under 'other current assets'. Billing in excess of revenue is recorded as 'income invoiced but not accrued' and is included under 'Current Liabilities'.

Claims are recognised only when it is reasonably certain that the ultimate collection will be made and where the ability to assess the ultimate collection with reasonable certainty is lacking at the time of raising any claim, revenue recognition is postponed to the extent of uncertainty involved.

b. Sale of Goods:

Revenue from sale of goods is recognised on transfer of significant risks and rewards of ownership to the customers which coincides with dispatch of goods. An essential criterion for the recognition of revenue is that the consideration receivable for the sale of goods is reasonably determinable. When such consideration is not determinable within reasonable limits, the recognition of revenue is postponed.

c. Other Income:

Interest income is recognised using the time proportion basis taking into account the amount outstanding and the interest rate applicable and other income are recognised as and when they are realised or when there is no uncertainty as to its realisation.

2.7 Foreign currency transactions

Foreign currency transactions during the year are recorded on the basis of exchange rate followed by the group which approximates the rate on the day of transaction. The Exchange differences arising on foreign exchange transactions settled during the year are recognized in the Profit and Loss Statement of the year.

Monetary assets and liabilities denominated in foreign currencies are translated into rupees at the rates of exchange prevailing at the date of the balance sheet; the resultant exchange differences are recognized in the Profit and Loss Statement.

2.8 Investments

Current investments are valued at lower of cost and fair value as on the date of balance sheet. Long term investments are valued at cost. Provision is made for diminution in the value of long term investments which are other than temporary.

2.9 Employee Benefits

a. Short - Term Employee Benefits:

Recognised as an expense at the undiscounted amount in the Profit and Loss Statement for the year in which the related service is rendered

b. Post Employment and Other Long Term Employee Benefits:

The Company has Defined Benefit Plans namely Gratuity and Long term service award and Other Long Term Employee Benefits i.e. Leave Encashment / Compensated Absences, the liability for which is determined on the basis of an actuarial valuation at the end of the year based on the Projected Unit Credit Method. Gains and losses arising out of actuarial valuations are recognised immediately in the Profit and Loss Statement as income or expense.

c. Defined contribution plans - Employee Provident Funds

The Company has defined contribution plans for its employees comprising of provident fund. The contributions paid/payable to these plans during the year are charged to the Profit and Loss Statement for the year. The Company has no other obligation in this regard.

2.10 Borrowing Costs

Borrowing costs attributable to acquisition and construction of qualifying assets are capitalized as part of the cost of such asset up to the date when such assets are ready for its intended use.

Other borrowing costs are charged to Profit and Loss Statement.

2.11 Leases

Leases under which the Company assumes substantially all the risks and rewards of ownership are classified as finance leases.

Leases where significant portion of risks and rewards of ownership are retained by the lessor are classified as operating leases. The operating lease payments are recognized as expense in the Profit and Loss Statement on a systematic basis which is considered appropriate by the management.

2.12 Segment Reporting

The principles adopted for segment reporting are in conformity with the accounting policies adopted for the Company. The entire operations of the company relate only to single reportable segment, viz, "software development and engineering consultancy services related to Aerospace, Automotive, Defense and Rail Industry ". Accordingly, the Company's sales by geographical markets and segment assets which can be attributed to customers in such markets are reported as Primary Segment.

2.13 Income Taxes

Current tax is determined as the amount of tax payable in respect of taxable income for the year. Deferred tax is recognised for all the timing differences, subject to the consideration of prudence in respect of deferred tax assets. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date. Deferred tax assets are recognised and carried forward only to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situations where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits.

2.14 Impairment of Assets

The Company periodically assesses whether there is any indication that an asset or a group of assets comprising a cash generating unit may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. For an asset or group of assets that does not generate largely independent cash inflows, the recoverable amount is estimated for the cash-generating unit to which the asset belongs. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the profit and loss statement. If, at the balance sheet date, there is an indication that a previously assessed impairment loss may no longer exist, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciable historical cost. An impairment loss is reversed only to the extent that the carrying amount of asset does not exceed the net book value that would have been determined, if no impairment loss had been recognised.

2.15 Provisions and Contingencies

The Company recognises a provision when there is a present obligation as a result of an obligating event that probably requires outflow of resources and a reliable estimate can be made of the amount of the obligation.

The disclosure of contingent liability is made when, as a result of obligating events, there is a possible obligation or a present obligation that may, but probably will not, require outflow of resources. No provision or disclosure is made when, as a result of obligating events, there is a possible obligation or a present obligation where the likelihood of outflow of resources is remote.

Provision for onerous contracts, i.e. contracts where the expected unavoidable cost of meeting the obligations under the contract exceed the economic benefits expected to be received under it, are recognised when it is probable that an outflow of resources embodying economic benefits will be required to settle a present obligation as a result of an obligating event based on a reliable estimate of such obligation.

2.16 Earnings per share

The Basic earnings per share is computed by dividing the net profit or loss attributable to equity shareholders for the year by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the year is adjusted for the effects of all dilutive potential equity shares.

2.17 Inventories

Inventories as at the year end represents cost of material, engineering, design and other services required and incurred in relation to goods that would be fabricated / assembled by an external party. These are stated at lower of cost or net realisable value.

14.2 Input Tax Credit of Goods and Services Tax (ITC) carried in the books of account includes certain refunds of Input tax credits aggregating to Rs. 5.17 million (31 March 2021 - Nil) which were rejected by the tax authorities and in respect which the Company has filed applications reclaiming the same as ITC credits and are pending recredit. This also includes certain input tax credits aggregating to Rs.8.24 million (31 March 2021 - 19.61 million) which will be claimed in returns when they are eligible for credit. The amount of ITC available as per the returns filed by the Company Rs.175.57 million (31 March 2021: Rs.58.04 million).

14.3 The application for refund of service tax filed in an earlier year is not yet processed by the Department and the same is expected to be realised in full without any material adjustment and hence no provision is considered necessary at this stage, which is considered appropriate by the Management.

14.4 This represents goods and services tax on credit notes issued in the earlier year that could not be adjusted in the monthly returns filed by the Company. The refund application filed by the company, was rejected by the GST authorities, however the Company intends to adjust the same against the future output tax liability and accordingly no provision is considered necessary at this stage.

EXPLEO TECHNOLOGIES INDIA PRIVATE LIMITED

Notes forming part of the Financial Statements for the year ended 31 March 2022

(All amounts are in Indian Rupees, unless otherwise stated)

29 In the opinion of the Board of Directors of the Company none of the assets have a value lower on realisation in the ordinary course of business than the amount at which they are stated in the financial statements.

30 Taxation

a. Income Tax:

The provision for income tax comprising of current tax and deferred tax has been recognised in the books of account on the basis of tax estimated by the management pursuant to the applicable tax laws and tax rates prevalent in India.

b. Transfer Pricing

The Management is of the view that its international transactions are at arm's length. For the tax year ended 31 March 2022, the Company will carry out and complete a study within the stipulated date to comply with the Transfer pricing regulations. The Company does not envisage any adjustment particularly on the amount of tax expense and that of provision for taxation, arising out of this study as the said regulations will be fully complied with.

31 Employee Benefits

31.1 Defined Contribution Plans: The Company has recognized the following amount in the profit and loss statement;

Particulars	31 March 2022	31 March 2021
Contribution to provident fund	30.25	16.88
Social Security contribution in respect of employees based outside India	3.28	3.98

31.2 Defined Benefit Plan and other long term benefit obligation

a. **Gratuity:** The Company provides for gratuity, a defined benefit obligation, to its employees. The plan provides payment to employees at retirement or termination of employment, an amount based on the respective employee's last drawn salary and years of employment with the Company. The measurement of such obligation is based on actuarial valuation as at the balance sheet date carried out by an independent actuary under the projected unit credit method. The employee's gratuity is an unfunded obligation.

- (iii) There has been improved debt collection during the year.
- (iv) As stated in Note 2.17 and Note 18 the inventory represents stock held with the sub contractor's site at year end for fabrication / assembly. These are not regular inventory and will vary with order accepted by the Company.

39.1 Other notes on ratios

The calculation for above key financial ratios is in accordance with formula prescribed in the Guidance note on Schedule III issued by the Institute of Chartered Accountants of India. The same is detailed as under.

- Current Ratio** - The Current Ratio indicates a Company's overall liquidity position. It measures a Company's ability to pay short-term obligations or those due within one year. It is calculated by dividing the current assets by current liabilities.
- Debt Equity Ratio** - Debt Equity ratio is used to evaluate a Company's financial leverage. It is a measure of the degree to which a Company is financing its operations through debt versus wholly owned funds. It is calculated by dividing total debt by shareholder's equity.
- Debt Service Coverage Ratio** - Debt Service coverage ratio is used to analyse the firm's ability to pay-off current interest and instalments. It is calculated by dividing earnings available for debt service by debt service.
- Return on Net Worth** - is a measure of profitability of a Company expressed in percentage. It is calculated by dividing net profit after tax by average shareholder's equity.

EXPLEO TECHNOLOGIES INDIA PRIVATE LIMITED**Notes forming part of the Financial Statements for the year ended 31 March 2022**

(All amounts are in Indian Rupees, unless otherwise stated)

- e. **Debtors Turnover** - Debtors Turnover measures the efficiency at which the firm is managing the receivables. The ratio shows how well a Company uses and manages the credit it extends to customers and how quickly that is collected. It is calculated by dividing turnover by average trade receivables.
- f. **Inventory Turnover** - Inventory Turnover measures the efficiency with which a Company utilises or manages its inventory. It establishes the relationship between sales and average inventory held during the period. It is calculated by dividing turnover by average inventory.
- f. **Trade payables turnover ratio** - It indicates the number of times sundry creditors have been paid during the period. It is calculated to judge the requirement of cash for paying sundry creditors. It is calculated by dividing the direct and other expense by average creditors.
- g. **Net capital turnover ratio** - It indicates the Company's effectiveness in using its working capital. It is calculated by dividing the net sales by average working capital during the same period.
- h. **Net Profit Margin (%)** - The net profit margin is equal to how much net profit is generated as a percentage of revenue. It is calculated by dividing net profit by turnover
- i. **Return on Capital Employed** - It indicates the ability of a Company's management to generate returns for both the debt holders and the equity holders. It measures a Company's profitability and the efficiency with which its capital is used. It is calculated by dividing profit before exceptional items, interest and tax by capital employed. Capital Employed = tangible net worth + total debt + deferred tax liability.
- k. **Return on Investment** - It is a financial ratio used to calculate the benefit an investor will receive in relation to their investment cost.

When we read the Board of Directors' report, if, we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance. In case of uncorrected material misstatement, we are required to communicate to other stakeholders as appropriate as well as to take action applicable under applicable laws and regulations, if any.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern or otherwise, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting or otherwise and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained upto the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. ANNEXURE – B TO THE INDEPENDENT AUDITORS’ REPORT

(Referred to in Paragraph (2)(f) under the heading ‘Report on Other Legal and Regulatory Requirements’ of our Independent Auditors Report of even date on the financial statements of Expleo Technologies India Private Limited for the year ended 31 March 2022)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Expleo Technologies India Private Limited** (“the Company”) as of 31 March 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that;

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Emphasis of Matter

Attention is invited to Note 41 to the financial statements for the year ended 31 March 2022 on Internal controls over financial reporting regarding the internal control system in place and its operation.

Our opinion is not modified in respect of the above matter

9 CORPORATE INFORMATION:

Expleo Engineering India Private Limited ("the Company") was incorporated on 23 April 2003 under the provisions of Companies Act with its registered office in Bengaluru, Karnataka. The Company changed its name to Expleo Engineering India Private Limited with effect from 29 March 2019. The principal activities of the company include providing engineering consultancy services to its clients.

During the year, the Board of Directors of the Company at their meeting held on July 09, 2021 have approved the Scheme of Amalgamation ('Scheme') between Expleo India Infosystems Private Limited, Expleo Technologies India Private Limited, Expleo Engineering India Private Limited, Silver Software Development Centre Private Limited and Expleo Solutions Limited and their respective shareholders and the draft scheme is pending necessary approvals from competent authority in terms of section 230 to 237 of the Companies Act 2013.

10 SIGNIFICANT ACCOUNTING POLICIES

10.1 Basis of Preparation of the Financial Statements

These financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (IGAAP) under the historical cost convention on the accrual basis. IGAAP comprises mandatory accounting standards as prescribed under Section 133 of the Companies Act, 2013 ('Act') read with Rule 7 of the Companies (Accounts) Rules, 2014, and the provisions of the Act. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of services, the Company has ascertained its operating cycle as 12 months for the purpose of current – non current classification of assets and liabilities.

The Company is a Small and Medium Sized Company (SMC) as defined in the General instructions in respect of Accounting Standards notified under the Companies Act, 1956, which is also made applicable under section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (accounts) Rules, 2014. Accordingly, the Company has complied with the Accounting Standards as applicable to a SMC.

Going Concern

The Company had sold its business on a slump sale on a going concern to Expleo Technology India Private Limited w.e.f 1st November 2015 based on the approval accorded at the extra-ordinary general meeting of the Company. The company is yet to decide on the future course of business and accordingly these financial statements have not been prepared on a going concern basis which is considered appropriate by the Management of the company.

10.2 Use of Estimates

The preparation of financial statements in conformity with IGAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities as on the date of financial statements and the result of operations during the reporting period. Actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in current and future periods as applicable.

10.3 Cash Flow

The Cash flow statement is prepared in accordance with Accounting Standard – 3 issued by the Institute of Chartered Accountants of India using indirect method to determine cash flow from operating activities.

10.4 Revenue Recognition

a. During the year and in the immediately preceding year the Company had not generated any operating income. Interest Income on deposits held with bank are recognised on time proportion basis.

b. Revenue from delivery based engineering consultancy services contracts are recognized in accordance with the terms of the contracts with customers as the service is performed by the proportionate completion method and when it is reasonably certain that the ultimate collection will be made. Unbilled revenue represents services provided and not yet billed to the customer.

There were no operations during the year and immediately preceding financial year.

c. Other Income

Interest is recognised using the time proportion basis taking into account the amount outstanding and the interest rate applicable.

EXPLEO ENGINEERING INDIA PRIVATE LIMITED
Notes forming part of the financial statements for the year ended 31 March 2022

10.5 Foreign exchange transactions

Foreign exchange transactions are recorded using the exchange rates prevailing on the dates of the respective transactions. Exchange differences arising on foreign exchange transactions settled during the year are recognised in the Profit and Loss Statement for the year.

Monetary assets and liabilities denominated in foreign currencies as at the balance sheet date are translated at the closing exchange rate on that date, the resultant exchange differences are recognised in the Profit and Loss Statement.

10.6 Provisions and contingent liabilities

The Company recognises a provision when there is a present obligation as a result of an obligating event that probably requires outflow of resources and a reliable estimate can be made of the amount of the obligation.

The disclosure of contingent liability is made when, as a result of obligating events, there is a possible obligation or a present obligation that may, but probably will not, require outflow of resources.

No provision or disclosure is made when, as a result of obligating events, there is a possible obligation or a present obligation where the likelihood of outflow of resources is remote.

Provision for onerous contracts, i.e. contracts where the expected unavoidable cost of meeting the obligations under the contract exceed the economic benefits expected to be received under it, are recognised when it is probable that an outflow of resources embodying economic benefits will be required to settle a present obligation as a result of an obligating event based on a reliable estimate of such obligation.

10.7 Taxation

Tax expense comprising of current tax and deferred tax are recognised in Profit and Loss statement for the year. Current tax is the amount of income tax determined to be payable in respect of taxable income for the year, computed under the tax laws.

Certain items of income and expenditure are not reported in tax returns and financial statements in the same year. The net tax effect calculated at the current enacted tax rates on these timing differences and also that relating to carry forward unabsorbed depreciation and business loss at end of the year is reported as deferred tax asset/liability. Deferred tax assets are recognized only if there is a reasonable certainty of their realisation except in the case of deferred tax asset arising on unabsorbed depreciation or carried forward business losses which are recognized only if there is virtual certainty of their realisation.

10.8 Earnings per share

The basic earnings per share is computed by dividing the net profit or loss attributable to equity shareholders for the year by the weighted average number of equity shares outstanding during the year.

Diluted earning per share is calculated by dividing the adjusted net profit for the year attributable to equity shareholders by weighted average number of shares adjusted for effects of dilutive potential equity shares.

INDEPENDENT AUDITORS' REPORT

To,
The Members of,
Expleo Engineering India Private Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Expleo Engineering India Private Limited ("the Company"), which comprise the balance sheet as at 31 March 2022, the Profit and Loss statement, and cash flow statement for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting standards prescribed under section 133 of the Act and the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2022, its loss, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Emphasis of Matter

We draw attention to Note 10.1 of the financial statements for the year ended 31 March 2022. As stated therein, the Company had sold its business on slump sale on a going concern to Expleo Technology India Private Limited in an earlier year. The company is yet to decide on the future course of business. Accordingly, these financial statements have not been prepared on a going concern basis which is considered appropriate by the Management.

Our opinion is not modified in respect of the above matter.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board of Directors report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern or otherwise, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting or otherwise and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained upto the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

- (1) As required by the Companies (Auditor's Report) Order, 2020 (" the Order ") issued by the Central Government of India in terms of Section 143 (11) of the Companies Act, 2013, we give in the Annexure A, a statement on the matters specified in Paragraphs 3 and 4 of the said Order to the extent applicable.
- (2) As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- (c) The Balance Sheet, the Profit and Loss Statement, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) The going concern matter described under the Emphasis of Matters paragraph above, in our opinion, may have an adverse effect on the functioning of the Company
- (f) On the basis of the written representations received from the directors as on 31 March 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
- (g) As per the notification of the Ministry of Corporate Affairs G.S.R. 464(E) dated 5th June, 2015 read with amended notification G.S.R. 583(E) dated 13th June, 2017 the reporting requirement on Internal Financial Control under section 143(3)(i) of the Act is not applicable to the company since the turnover of the company is less than the prescribed threshold of rupees fifty crores as per last audited financial statements and the aggregate outstanding borrowings (excluding Non-fund based facilities) from banks or financial institutions or anybody corporate at any point of time during the financial year is less than the prescribed threshold of rupees twenty five crores.
- (h) In our opinion and to the best of our information and according to the explanation given to us, the provisions of section 197 of the Act is not applicable to the company for the year under audit.
- (i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company does not have any pending litigations which would impact its financial position.
 - (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - (iii) There were no amounts which were required to be transferred, to the Investor Education and Protection Fund by the Company.
 - (iv)
 - a) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- b) The Management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any person or entity, including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representation under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- (v) As per the information and explanations given to us by the Company, the Company has not declared or paid any dividend during the year ended 31 March 2022. Accordingly reporting under Rule 11(f) of the Companies (Audit and Auditors) Rules, 2014 is not applicable.

9 SIGNIFICANT ACCOUNTING POLICIES

9.1 Basis of preparation of Financial Statements:

These financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (IGAAP) under the historical cost convention on the accrual basis. IGAAP comprises mandatory accounting standards as prescribed under Section 133 of the Companies Act, 2013 ('Act') read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act (to the extent notified). Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The Company is a Small and Medium Sized Company (SMC) as defined in the General instructions in respect of Accounting Standards notified under the Companies Act, 1956, which is also made applicable under section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (accounts) Rules, 2014. Accordingly, the Company has complied with the Accounting Standards as applicable to a SMC.

9.2 Going Concern

The company did not have any operations during the year and immediately preceding financial year. The Company does not have any firm business plans and is yet to decide on the future course of business. Accordingly these financial statements have not been prepared on a going concern basis which is considered appropriate by the Management of the company.

9.3 Use of Estimates

The preparation of the financial statements in conformity with Indian GAAP requires that the management makes estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements and reported amounts of revenue and expenses during the reported period. Actual results could differ from these estimates and such differences are recognized in the period in which the results are ascertained.

9.4 Cash flow statement

The Cash flow statement is prepared in accordance with Accounting Standard – 3 on Cash Flow Statements. Cash flow from operating activities determined using indirect method.

9.5 Revenue Recognition

During the year and in the immediately preceding year the Company had not earned any operating income. Interest Income on deposits held with bank are recognised on time proportion basis.

9.6 Taxes on Income

Tax expense comprising of current tax and deferred tax are recognized in the Profit and Loss Statement for the year. Current Tax is the amount of tax determined to be payable in respect of taxable income computed in accordance with the tax laws prevalent India.

The deferred tax is recognized using the tax rates that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets are recognized only to the extent there is reasonable certainty that the assets can be realized in future. However, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognized only when there is a virtual certainty of realization of such assets. The deferred tax assets are reviewed as at each balance sheet.

9.7 Provisions and Contingencies

A provision is recognized when the Company has present obligations as a result of any past event, where it is probable that an outflow of resources will be required to settle the obligations, in respect of which reliable estimate can be made. Provisions are not discounted to its present value and are determined based on the best estimates required to settle the obligations at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect a current best estimate.

Liabilities which are material and whose future outcome cannot be ascertained with reasonable certainty are treated as contingent and disclosed by way of notes to the financial statements.

9.8 Earnings per share

Annualised earnings per equity share (basic and diluted) is arrived at based on Net Profit/ (Loss) after taxation to the weighted average number of equity shares outstanding during the year. The effect of potential equity shares are considered only if they are dilutive.

10 OTHER NOTES TO THE FINANCIAL STATEMENTS

10.1 Corporate Information

The Company was incorporated on 20 February 2008 with its registered office in Bengaluru, India and is primarily engaged in the business of software development. The Company is a wholly owned subsidiary of Expleo Technologies India Private Limited, India. There was no operating income for the year ended 31 March 2022 and immediately preceding financial year.

INDEPENDENT AUDITORS REPORT

To The Members of Silver Software Development Centre Private Limited.

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Silver Software Development Centre Private Limited (“the Company”), which comprise the balance sheet as at 31 March 2022, the Profit and Loss statement of, and cash flow statement for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the accounting standards prescribed under section 133 of the Act and the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2022, its loss, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Emphasis of Matter

We draw attention to Note 9.2 of the financial statements for the year ended 31 March 2022. As stated therein, the Company does not have any firm business plans and is yet to decide on the future course of business. Accordingly, these financial statements have not been prepared on a going concern basis which is considered appropriate by the Company.

Our opinion is not modified in respect of the above matter.

Other Information

The Company’s Board of Directors is responsible for the other information. The other information comprises the information included in the Board of Directors report but does not include the financial statements and our auditor’s report thereon.

Our opinion on the financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern or otherwise, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting or otherwise and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. Since the paid-up capital and reserves and surplus of the company is not more than Rs 1 crore, the total borrowings from banks / financial institutions at any time during the financial year is not exceeding Rs 1 crore and the total revenue of the company during the financial year is not exceeding Rs 10 crores, the Companies (Auditor's Report) Order, 2020 issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act is not applicable to the company.
2. As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, the Profit and Loss Statement, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e. On the basis of the written representations received from the directors as on 31 March 2022 and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. The going concern matter described under the Material Uncertainty Related to Going Concern paragraph above, in our opinion, may have an adverse effect on the functioning of the Company.
 - g. As per the notification of the Ministry of Corporate Affairs G.S.R. 464(E) dated 5th June, 2015 read with amended notification G.S.R. 583(E) dated 13th June, 2017 the reporting requirement on Internal Financial Control under section 143(3)(i) of the Act is not applicable to the company since the turnover of the company is less than the prescribed threshold of rupees fifty crores as per last audited financial statements and the aggregate outstanding borrowings (excluding Non-fund based facilities) from banks or financial institutions or anybody corporate at any point of time during the financial year is less than the prescribed threshold of rupees twenty five crores.
 - h. In our opinion and to the best of our information and according to the explanations given to us, the provisions of section 197 of the Act are not applicable to the company.

- i. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company did not have any pending litigations having impact on its financial statements for the year ended 31 March 2022.
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred, to the Investor Education and Protection Fund by the Company.
- iv.
- a) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- b) The Management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representation under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. As per the information and explanations given to us by the Company, the Company has not declared or paid any dividend during the year ended 31 March 2022. Accordingly reporting under Rule 11(f) of the Companies (Audit and Auditors) Rules, 2014 is not applicable.

Independent Auditor's Report**To the Members of Expleo India Infosystems Private Limited****Report on the Audit of the Standalone Financial Statements****Opinion**

1. We have audited the accompanying standalone financial statements of **Expleo India Infosystems Private Limited** ('the Company'), which comprise the Balance Sheet as at **31 March 2022**, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view, in conformity with the Accounting Standards specified under section 133 of the Act, read with the Companies (Accounting Standards) Rules, 2021 and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2022, and its profit and its cash flows for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

4. We draw attention to the matter stated in Note 32 of the accompanying standalone financial statements which describes that the Board of Directors of the Company have approved the Scheme of Amalgamation ('Scheme') of the Company as a going concern i.e. dissolution of the Company without winding up with Expleo Solutions Limited (ESL) in its meeting held on 09 July 2021 and have filed an application with National Company Law Tribunal (NCLT) seeking regulatory approval which is currently pending. Our opinion is not modified in respect of this matter

Information other than the Financial Statements and Auditor's Report thereon

5. The Company's Board of Directors are responsible for the other information. Other information does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

The Annual Report is not made available to us at the date of this auditor's report. We have nothing to report in this regard.

Responsibilities of Management for the Standalone Financial Statement

6. The accompanying standalone financial statements have been approved by the Company's Board of Directors. The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards specified under section 133 of the Act, read with the Companies (Accounting Standards) Rules, 2021 and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
7. In preparing the financial statements, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
8. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

9. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
10. As part of an audit in accordance with Standards on Auditing specified under section 143(10) of the Act, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. Expleo India Infosystems Private Limited
Independent Auditor's Report on the Audit of the Standalone Financial Statements

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system with reference to financial statements in place and the operating effectiveness of such controls;
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
 - Conclude on the appropriateness of Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
11. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

12. Based on our audit, we report that the provisions of section 197 read with Schedule V to the Act are not applicable to the Company since the Company is not a public company as defined under section 2(71) of the Act. Accordingly, reporting under section 197(16) is not applicable.
13. As required by the Companies (Auditor's Report) Order, 2020 ('the Order') issued by the Central Government of India in terms of section 143(11) of the Act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
14. Further to our comments in Annexure A, as required by section 143(3) of the Act, based on our audit, we report, to the extent applicable, that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the accompanying standalone financial statements;
 - b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The standalone financial statements dealt with by this report are in agreement with the books of account;
 - d) in our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2021;
 - e) On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2022 from being appointed as a director in terms of section 164(2) of the Act;
 - f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company as on 31 March 2022 and operating effectiveness of such controls, refer to our separate Report in Annexure B wherein we have expressed an unmodified opinion;

- g) With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us :
- i. the Company, as detailed in note 15A to the standalone financial statements, has disclosed the impact of pending litigations on its financial position as at 31 March 2022;
 - ii. the Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31 March 2022;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended 31 March 2022;
 - iv.
 - a. The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or kind of funds) by the Company to or in any person or entity, including foreign entities ('the intermediaries'), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ('the Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf the Ultimate Beneficiaries;
 - b. The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person or entity, including foreign entities ('the Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - c. Based on such audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the management representations under sub-clauses (a) and (b) above contain any material misstatement.
 - v. The Company has not declared or paid any dividend during the year ended 31 March 2022.

Expleo India Infosystems Private Limited
Independent Auditor's Report on the Audit of the Standalone Financial Statements

Annexure A referred to in Paragraph 13 of the Independent Auditor's Report of even date to the members of Expleo India Infosystems Private Limited on the standalone financial statements for the year ended 31 March 2022

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment.
- (B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) The Company has a regular program of physical verification of its property, plant and equipment under which the assets are physically verified in a phased manner over a period of three years, which in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. In accordance with this program, certain property, plant and equipment were verified during the year and no material discrepancies were noticed on such verification.
- (c) The title deeds of all the immovable properties held by the Company (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) are held in the name of the Company.
- (d) The Company has not revalued its Property, Plant and Equipment or intangible assets during the year.
- (e) No proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder. Accordingly, reporting under clause 3(i)(e) of the Order is not applicable to the Company.
- (ii) (a) The Company does not hold any inventory. Accordingly, reporting under clause 3(ii)(a) of the Order is not applicable to the Company.
- (b) The Company has not been sanctioned working capital limits by banks or financial institutions on the basis of security of current assets during any point of time of the year. Accordingly, reporting under clause 3(ii)(b) of the Order is not applicable to the Company.
- (iii) (a) The Company has not provided any loans or provided any advances in the nature of loans, or guarantee, or security to any other entity during the year. Accordingly, reporting under clauses 3(iii)(a) of the Order is not applicable to the Company.
- (b) The Company has not provided any guarantee or given any security or granted any loans or advances in the nature of loans during the year. However, the Company has made investment in two entities amounting to INR 1336.11 Million (year-end balance INR 1336.11 Million) and in our opinion, and according to the information and explanations given to us, such investments made are, prima facie, not prejudicial to the interest of the Company.
- (c) The Company has not granted any loans or advances in the nature of loans during the year. Accordingly, reporting under clauses 3(iii)(c), 3(iii)(e) and 3(iii)(f) of the Order is not applicable to the Company.
- (iv) In our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of sections 185 and 186 of the Act in respect of loans, investments, guarantees and security, as applicable.

Annexure A (Contd)

- (v) In our opinion, and according to the information and explanations given to us, the Company has not accepted any deposits or there is no amount which has been considered as deemed deposit within the meaning of sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, reporting under clause 3(v) of the Order is not applicable to the Company.
- (vi) The Central Government has not specified maintenance of cost records under sub-section (1) of section 148 of the Act, in respect of Company's products/business activity. Accordingly, reporting under clause 3(vi) of the Order is not applicable.
- (vii) (a) In our opinion, and according to the information and explanations given to us, the Company is regular in depositing undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, with the appropriate authorities. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us, there are no statutory dues referred in sub-clause (a) which have not been deposited with the appropriate authorities on account of any dispute except for the following:

Name of the Statute	Nature of Dues	Amount (₹ in Million)	Amount paid under Protest (₹ in Million)	Period to which the amount relates	Forum where dispute is pending
Finance Act, 1994	Service Tax	33.80	-	FY 2014-15 FY 2015-16 FY 2016-17 FY 2017-18	Additional Commissioner CGST, Audit-I Commissioner ate, Pune
Finance Act, 1994	Service Tax	7.26	-	FY 2015-16	Principal Commissioner CGST, Pune

Income Tax Act, 1961	Income Tax	1.19	-	FY 2018-19	Assistant Director of Income Tax, CPC

- (viii) According to the information and explanations given to us, no transactions were surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961) which have not been recorded in the books of accounts.

Annexure A (Contd)

- (ix) (a) According to the information and explanations given to us, the Company has not defaulted in repayment of its loans or borrowings or in the payment of interest thereon to any lender.
- (b) According to the information and explanations given to us including representations received from the management of the Company and on the basis of our audit procedures, we report that the Company has not been declared a willful defaulter by any bank or financial institution or other lender.
- (c) In our opinion and according to the information and explanations given to us, money raised by way of term loans were applied for the purposes for which these were obtained.
- (d) In our opinion and according to the information and explanations given to us, the Company has not raised any funds on short term basis during the year or in any previous year. Accordingly, reporting under clause 3(ix) (d) of the Order is not applicable to the Company.
- (e) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.

Annexure B to the Independent Auditor's Report of even date to the members of Expleo India Infosystems Private Limited on the standalone financial statements for the year ended 31 March 2022

Independent Auditor's Report on the internal financial controls with reference to the standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. In conjunction with our audit of the standalone financial statements of **Expleo India Infosystems Private Limited** ('the Company') as at and for the year ended **31 March 2022**, we have audited the internal financial controls with reference to financial statements of the Company as at that date.

Responsibilities of Management for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Financial Statements

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India ('ICAI') prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as

Annexure B (Contd)

necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such controls were operating effectively as at 31 March 2022, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

**Expleo India Infosystems Private Limited
(Formerly known as 'SQS India Infosystems Private Limited')**

Summary of significant accounting policies and other explanatory information

1. Expleo India Infosystems Private Limited ('the Company') (Formerly known as 'SQS India Infosystems Private Limited') incorporated in Pune, India, is principally engaged in the business of software testing and is a subsidiary of Expleo Technology Germany AG (Formerly known as SQS Software Quality Systems AG, Germany). The Company is registered under Special Economic Zone scheme of the government.

2. Significant accounting policies

a) Basis of accounting

The financial statements which have been prepared under historical cost convention on the accrual basis of accounting, are in accordance with the applicable requirements of the Companies Act, 2013 ("the Act") and comply in all material aspects with the accounting principles generally accepted in India including the Accounting Standards specified under section 133 of the Act, read with the Companies (Accounting Standards) Rules, 2021. The accounting policies have been consistently applied, unless otherwise stated.

b) Use of estimates

The preparation of the financial statements in conformity with generally accepted accounting principles requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of financial statements and the reported amounts of revenue and expense for the year. Key estimates made by the Company in preparing these financial statements comprise unbilled revenue, accrual for expenses, retirement benefits, useful lives of assets, outcome of litigations and realisability of MAT credit entitlement. Estimates and underlying assumptions are reviewed on ongoing basis. Actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in the year in which such revisions are made.

c) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and impairment losses, if any. Cost of Property, plant and equipment comprises purchase price and any attributed cost for bringing the asset to its location and working condition for its intended use.

Capital work-in-progress comprises cost of Property, plant and equipment that are not yet ready for their intended use at the balance sheet date.

Property, plant and equipment are eliminated from financial statements, or disclosed separately, as the case may be, on disposal or transfer or when retired from active use.

d) Depreciation/ Amortization

Depreciation is provided from the date of capitalization of Property, plant and equipment, which is the later of the date of purchase or date when the asset is ready for use. Depreciation is provided on straight line basis using the estimated useful life of Property, plant and equipment which are also aligned with those specified under Schedule II of the Companies Act, 2013. Leasehold land is amortized over the period of lease.

Expleo India Infosystems Private Limited
(Formerly known as 'SQS India Infosystems Private Limited')

Summary of significant accounting policies and other explanatory information

e) Impairment of assets

The Company assesses at each Balance Sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. Recoverable amount is the higher of the asset's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs, as the case maybe, is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Statement of Profit and Loss. If at the Balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

f) Leases

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased asset are classified as operating leases. Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight line basis over the non-cancellable lease term.

g) Revenue recognition

a) Revenue from software testing services:

Arrangements with customers for software testing services are either in the nature of fixed price contracts or time and material contracts. Revenue on time and material contracts is recognised as and when related services are performed whereas revenue from fixed price contracts is recognised on proportionate completion method. Revenue is recognised only when there is no uncertainty as to measurement or collectability of consideration. When there is uncertainty as to measurement or ultimate collectability, revenue recognition is postponed until such uncertainty is resolved. Revenue from fixed price maintenance contracts is recognised ratably over the period of rendering service.

The Company presents revenues net of Goods and services tax in its Statement of Profit and Loss.

b) Other income:

The Company recognizes interest income on time proportion basis at the rates implicit in the transaction.

h) Foreign currency transactions

- Initial Recognition

Transactions denominated in foreign currencies are recorded at the rates of exchange prevailing on the date of the transaction.

- Conversion

Monetary assets and liabilities denominated in foreign currency are converted at the rate of exchange prevailing on the date of the balance sheet. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or

(Formerly known as 'SQS India Infosystems Private Limited')**

Summary of significant accounting policies and other explanatory information

other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

- Exchange Differences

All exchange differences on monetary items arising on settlement or conversion of foreign currency transactions/ balances are included in the Statement of Profit and Loss in the year in which they arise.

The reporting currency of the Company is Indian Rupee (₹).

i) Employee benefits

Employee benefits provided by the Company include contributions to Provident fund, Gratuity and Compensated absences.

- Defined contribution plan - Provident fund

All the employees are entitled to receive benefits under the provident fund, which is a defined contribution plan, in accordance with Employees Provident Fund and Miscellaneous Provisions Act, 1952. Both, the employee and the employer make monthly contributions to the plan at a predetermined rate of the employees' applicable salary components. The Company has no further obligations under the plan beyond its monthly contributions. These contributions are made to the fund administered and managed by the Government of India. The Company's contribution to the above fund is recognised in the Statement of Profit and Loss on accrual basis.

- Defined benefit plan - Gratuity

Employees are entitled to benefits under the Payment of Gratuity Act, 1972, a defined benefit retirement plan covering eligible employees of the Company. The Plan provides a lump-sum payment to eligible employees on retirement or on termination of employment. The Company provides for liability towards a Gratuity Plan on the basis of actuarial valuation using the Projected Unit Credit Method as at the Balance Sheet date. Gratuity liability is funded with the Life Insurance Corporation of India to the extent determined by the management based on past performance and best estimates.

- Defined benefit plan – Long term service award

Long term service award are other long-term benefits to all eligible employees, as per Company's policy. The cost of providing benefit under Long term service award scheme is determined on the basis of actuarial valuation using the projected unit credit method at the reporting date. Remeasurement, comprising of actuarial gains and losses are recognized in full in the statement of profit and loss.

- Defined benefit plan – Compensated absences

All eligible employees are entitled to receive benefits under the compensated absences policy. The Company provides for liability towards compensated absences on the basis of actuarial valuation for leaves standing to the credit of each employee as at the year end.

The Company presents the entire Compensated absences liability as a short-term provision in the balance sheet since it does not have an unconditional right to defer its settlement beyond twelve months after the reporting date.

**Expleo India Infosystems Private Limited
(Formerly known as 'SQS India Infosystems Private Limited')**

Summary of significant accounting policies and other explanatory information

j) Taxation

Tax expense comprises current and deferred taxes. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income tax Act, 1961 and the Rules framed there under.

Minimum Alternate Tax ('MAT') paid in accordance with tax laws, which gives rise to future economic benefits in the form of adjustment of future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay tax as per regular provisions after the tax holiday period. The Company reviews the same at each Balance Sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that Company will be able to utilize that credit during the specified period.

Deferred tax is recognised for all the timing differences, subject to the consideration of prudence in respect of deferred tax assets. Deferred tax assets are recognised and carried forward only to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date. In situations, where the Company has unabsorbed depreciation or carry forward losses under tax laws, all deferred tax assets are recognised only to the extent that there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits. At each Balance Sheet date, the Company re-assesses unrecognised deferred tax assets, if any.

k) Provisions and contingent liabilities

A provision is recognised when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on best estimate of the amount required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed by the occurrence or non-occurrence of one or more uncertain future events, not wholly within the control of the Company.

l) Earnings per share

Basic earnings per share is calculated by dividing the net profit after tax for the year, taking into account the post-tax effects of extraordinary and/ or prior period items, if any, attributable to equity shareholders by weighted average number of equity shares outstanding during the period. There are no potential equity shares. Hence no adjustments are made for calculation of diluted earnings per share.

- (i) The Honourable Supreme Court, has passed a judgement on 28th February, 2019 in relation to inclusion of certain allowances within the scope of "Basic wages" for the purpose of determining contribution to provident fund under the Employees' Provident Funds & Miscellaneous Provisions Act, 1952. The Company, based on legal advice, is awaiting further clarifications in this matter in order to reasonably assess the impact on its financial statements, if any. Accordingly, the applicability of the judgement to the Company, with respect to the period and the nature of allowances to be covered, and resultant impact on the past provident fund liability, cannot be reasonably ascertained, at present.
- (ii) In the year 2019-20, the Company had received a show cause notice from the Additional Commissioner of Central Goods and Service Tax Audit-I Commissioner at Pune towards non-payment of service tax with regards to imports of services on reverse charge basis (as a recipient of service) in respect of the onsite service received by Company from Non-taxable territory for the period from FY 2014-15 to FY 2017-18. The Company, based on the legal advice, believes that the claim of the department is not tenable. Accordingly, no provision towards potential liability has been considered necessary in the financial statements.
- (iii) During the year 2020-21, the Company had received a demand notice from State Tax Officer at Pune in which it had disallowed the credit utilised on tax paid on intra-state purchases for FY 2015-16 and FY 2016-17 under Rule 54 of the Maharashtra Value Added Tax Act, 2005. The Company has preferred an appeal with the Deputy Commissioner of State Tax against these notices and has secured a stay order against the said notice. In the current year, the Company has received similar demand notice from State Tax Officer at Pune in which it has disallowed the credit utilised on tax paid on intra-state purchases for FY 2017-18. The Company is in the process of filing an appeal against the notice received for FY 2017-18. The Company, based on the legal advice, believes that the claim of the department is not tenable. Accordingly, no provision towards potential liability has been considered necessary in the financial statements.
- (iv) During the year 2020-21, the Company had received a show cause notice under Section 143(3) of the Income Tax Act, 1961 in which the assessing officer has disallowed deductions claimed under section 10AA and has issued a demand notice under section 156 of the Income Tax Act, 1961 for AY 2018-19. The Company has preferred an appeal with the Commissioner of Income-Tax (Appeals) against the order of Assessing officer. The Company, based on the legal advice, believes that the claim of the department is not tenable. Accordingly, no provision towards potential liability has been considered necessary in the financial statements.
- (v) Trade Payable Balances of the Company as at 31 March 2022 includes INR 50 Millions (31 March 2021 :- Nil) pending for settlement due to financial difficulties/liquidity problems and have resulted in delays in remittance of payments beyond the timeline stipulated by the FED Master Direction No. 17/2016-17, under the Foreign Exchange Management Act, 1999. The Company is in discussion with the Authorised Dealer banker (AD) for making the payments by necessary applications with the appropriate authority for condonation of delays and clearance of payments. AD has power to condone the delay with satisfactory reasons up to a period of three years from the date of transaction. The Company is confident that there would not be any penalty / interest levied on delayed payments. Pending conclusion of the aforesaid matter, the accompanying financial statements do not include any adjustments that may arise due to such delay/default.

Summary of significant accounting policies and other explanatory information

- 30 In the opinion of the management, all international transactions with associated enterprises are undertaken at negotiated, contracted prices on usual commercial terms. The Company has appointed an independent accountant for conducting a Transfer Pricing Study in accordance with the provisions of the Income tax Act, 1961. The study for the financial year ended 31 March 2022 is currently in progress and adjustments if any, arising subsequent to completion of such study are not expected to significantly impact the financial statements.
- 31 The Capital work in progress represents new office building under construction on the adjoining land to the existing premises of the Company. The work on the office building is in advanced stage of completion but was temporarily suspended due to onset of Covid pandemic during the year 2019-2020. However, considering the improvement in pandemic situation and business growth plans, the Company has decided to complete the pending activities and use the office facility for business purposes. Based on the current plans, the office facility is likely to be ready and put to use in the year 2022-23.
- 32 The Board of Directors of the Company and its subsidiaries (Expleo Technologies India Private Limited , Expleo Engineering India Private Limited and Silver Software Development Centre Private Limited) have approved the scheme of amalgamation of the Company and respective subsidiary companies (the 'Transferor Company') with Expleo Solutions limited (the 'Transferee Company') in their respective meetings held on 09 July 2021. The Company and subsidiary companies have filed application with the respective jurisdictional bench of National Company Law Tribunal (NCLT) for approval on scheme of amalgamation. The applications filed by these entities are pending at various stages wherein final NCLT approval for amalgamation is pending. As per the Scheme, no adjustments are required to be made in the standalone financial statements of the Company for the year ended 31 March 2022 as the Company would legally stand dissolved without winding up
- 33 The Company is in the process of amalgamation with Expleo Solutions Limited (transferee company). The amalgamation is subject to approval by regulatory authorities, Shareholders and National Company law Tribunal (NCLT). However, consequent to the proposed amalgamation, the MAT credit would not be eligible for carry forward and further utilization as the transferee company is following lower tax rate specified under section 115BAA of the Income Tax Act, 1961. Accordingly, an amount of Rs. 124.02 Million has been written off towards unutilized MAT Credit. Further, the amount of MAT credit adjustment also includes credit utilized during the year of Rs. 19.17 Million.

Note:

- The current ratio in previous year was on higher side due to increased balances of 'Trade receivables' and 'Bank balances'. The trade receivables were at higher level on account of delay in realization of proceeds from group companies due to Covid-19 which have been collected in current year. Further, the liquid funds have been utilized for acquiring stake in subsidiary companies. Accordingly, the current ratio have moved to normal levels in current year.
- Due to negligible level of debts, this ratio is not considered as relevant.
- There is reduction in amounts of loan and interest obligation due over next twelve months. This has resulted in significant improvement of this ratio. The amounts of debts servicing are not significant in absolute terms.
- The reduction in return on equity is due to reduction in 'Net profit after tax' in current year. The profits have reduced in current year due to write-off of MAT credit balance and relatively higher increase in payroll costs of the Company.
- During the previous year, the trade receivables were at higher level on account of delay in realization of proceeds from group companies due to Covid-19 which have been collected in current year. This has resulted in improvement of this ratio.

Independent Auditor's Report**To the Members of Expleo India Infosystems Private Limited****Report on the Audit of the Consolidated Financial Statements****Opinion**

1. We have audited the accompanying consolidated financial statements of **Expleo India Infosystems Private Limited** ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), as listed in Annexure 1, which comprise the Consolidated Balance Sheet as at **31 March 2022**, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on separate financial statements and on the other financial information of the subsidiaries the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Accounting Standards specified under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2021 and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March 2022, and their consolidated profit, and consolidated cash flows for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained together with the audit evidence obtained by the other auditors in terms of their reports referred to in paragraph 12 of the Other Matter section below, is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

4. We draw attention to the matter stated in Note 36 of the accompanying consolidated financial statements which describes that the Board of Directors of the Holding Company and its subsidiary companies have approved the Scheme of Amalgamation ('Scheme') of the Holding Company and its subsidiary companies as a going concern i.e. dissolution of the Group without winding up with Expleo Solutions Limited (ESL) in its meeting held on 09 July 2021 and has filed an application with National Company Law Tribunal (NCLT) seeking regulatory approval which is currently pending. As per the Scheme, no adjustments are required to be made for such proposed Scheme in the consolidated financial statements of the Group for the year ended 31 March 2022. Our opinion is not modified in respect of this matter.

Information other than the Consolidated Financial Statements and Auditor's Report thereon

5. The Holding Company's Board of Directors are responsible for the other information. The other information does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

The Annual Report is not made available to us at the date of this auditor's report. We have nothing to report in this regard.

Responsibilities of Management for the Consolidated Financial Statements

6. The accompanying consolidated financial statements have been approved by the Holding Company's Board of Directors. The Holding Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the Accounting Standards specified under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2021 and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Board of Directors of the Holding Company, as aforesaid.

Expleo India Infosystems Private Limited
Independent Auditor's Report on the Audit of the Consolidated Financial Statements

7. In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate the Group or to cease operations, or has no realistic alternative but to do so.
8. Those respective Board of Directors are also responsible for overseeing the financial reporting process of the companies included in the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

9. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.
10. As part of an audit in accordance with Standards on Auditing specified under section 143(10) of the Act we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls system with reference to financial statements in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.;
 - Conclude on the appropriateness of Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern;
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Independent Auditor's Report on the Audit of the Consolidated Financial Statements

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial statements of such entities included in the financial statements, of which we are the independent auditors. For the other entities included in the financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.
11. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Other Matter

12. We did not audit the financial statements of three subsidiaries, whose financial statements reflects total assets of ₹ 1,186.02 million and net assets of ₹ 443.33 million as at 31 March 2022, total revenues of ₹ 1,481.54 million and net cash outflows amounting to ₹ 37.90 million for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of sub-section (3) of section 143 of the Act in so far as it relates to the aforesaid subsidiaries, are based solely on the reports of the other auditors.

Our opinion on the above consolidated financial statements, and our report on other legal and regulatory requirements below, are not modified in respect of the above matters with respect to our reliance on the work done by and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

13. Based on our audit and on the consideration of the reports of the other auditor, referred to in paragraph 12 on separate financial statements of the subsidiaries, we report that the provisions of section 197 read with Schedule V to the Act are not applicable to the Holding Company, its subsidiary companies, incorporated in India whose financial statements have been audited under the Act since none of such companies is a public company as defined under section 2(71) of the Act. Accordingly, reporting under section 197(16) is not applicable.
14. Annexure A to the Independent Auditor's Report of even date to the members of Expleo India Infosystems Private Limited on the consolidated financial statements for the year ended 31 March 2022

Independent Auditor's Report on the internal financial controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. In conjunction with our audit of the consolidated financial statements of **Expleo India Infosystems Private Limited** ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), as at and for the year ended **31 March 2022**, we have audited the internal financial controls with reference to financial statements of the Holding Company and its subsidiary company, which are companies covered under the Act, as at that date.

Responsibilities of Management for Internal Financial Controls

2. The respective Board of Directors of the Holding Company and its subsidiary company which are companies covered under the Act, are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the "Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Financial Statements

3. Our responsibility is to express an opinion on the internal financial controls with reference to financial statements of the Holding Company and its subsidiary company as aforesaid, based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India ('ICAI') prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matter paragraph below is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to financial statements of the Holding Company, its subsidiary company as aforesaid.

Annexure A (Contd)

Meaning of Internal Financial Controls with Reference to Financial Statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion and based on the consideration of the reports of the other auditors on internal financial controls with reference to financial statements of the subsidiary company, the Holding Company and its subsidiary company, which are companies covered under the Act, has in all material respects, adequate internal financial controls with reference to financial statements and such controls were operating effectively as at 31 March 2022, based on the internal financial control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India (the 'ICAI').

Other Matter

9. We did not audit the internal financial controls with reference to financial statements in so far as it relates to a subsidiary company, which is company covered under the Act, whose financial statements reflect total assets of ₹ 1,169.97 million and net assets of ₹ 428.06 million as at 31 March 2022, total revenues of ₹1,481.54 million and net cash outflows amounting to ₹ 42.92 million for the year ended on that date, as considered in the consolidated financial statements. The internal financial controls with reference to financial statements in so far as it relates to such subsidiary company have been audited by other auditors whose report has been furnished to us by the management and our report on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements for the Holding Company and its subsidiary company, as aforesaid, under Section 143(3)(i) of the Act in so far as it relates to such subsidiary company is based solely on the reports of the auditors of such company. Our opinion is not modified in respect of this matter with respect to our reliance on the work done by and on the reports of the other auditor.

Expleo India Infosystems Private Limited
(Formerly known as 'SQS India Infosystems Private Limited')

Summary of significant accounting policies and other explanatory information

1. Background of the Group:

Expleo India Infosystems Private Limited ('the Company') (Formerly known as 'SQS India Infosystems Private Limited') incorporated in Pune, India, is subsidiary of Expleo Technology Germany AG (Formerly known as SQS Software Quality Systems AG, Germany). The consolidated financial statements comprise financial statements of Company and its subsidiaries (collectively referred to as 'the Group'). The group is engaged in the business of Software testing, software development and engineering consultancy services.

Name of Subsidiary Companies	Country of Incorporation	Percentage of Ownership	Holding Company
Expleo Technologies India Private Limited	India	100%	Expleo India Infosystems Private Limited
Expleo Engineering India Private Limited	India	100%	Expleo India Infosystems Private Limited
Silver Software Development Centre Private Limited	India	100%	Expleo Technologies India Private Limited

The Holding Company has acquired shares of abovementioned subsidiary companies on 28 June 2021.

2. Significant accounting policies

a) Basis of preparation of Consolidated financial statements:

The consolidated financial statements which have been prepared under historical cost convention on the accrual basis of accounting, are in accordance with the applicable requirements of the Companies Act, 2013 ("the Act") and comply in all material aspects with the accounting principles generally accepted in India including the Accounting Standards specified under Section 133 of the Act, read with the Companies (Accounting Standards) Rules, 2021.

b) Principles of consolidation:

The consolidated financial statements of the group are prepared in accordance with the principles and procedures for the preparation and presentation of the consolidated financial statements as laid down under Accounting Standard 21- Consolidated Financial Statements. All inter group transactions and accounts are eliminated in consolidation.

The financial statements of the Holding Company and its subsidiaries have been combined on a line by line basis by adding together the book values of like items of costs, liabilities, income and expenses after eliminating intra-group balances/transactions and resulting unrealized profits/ losses in full. The excess of the cost to the Holding company of its investment in a subsidiaries over the Holding Company portion of equity of the subsidiaries, at the date on which investment in the subsidiary is made, is recognised as 'goodwill on consolidation' in the consolidated financial statements.

Goodwill arising on consolidation/ acquisition of assets is not amortised. It is tested for impairment on a periodic basis and written off to the extent of impairment, if any.

Consolidated financial statements are prepared using uniform accounting policies for transactions and other events in similar circumstances.

The financial statements of all entities used for the purpose of consolidation are drawn upto the same reporting date as that of the Parent Company i.e 31 March 2022.

Summary of significant accounting policies and other explanatory information

c) Use of estimates:

The preparation of the consolidated financial statements in conformity with generally accepted accounting principles requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of consolidated financial statements and the reported amounts of revenue and expense for the year. Key estimates made by the Group in preparing these financial statements comprise unbilled revenue, accrual for expenses, retirement benefits, useful lives of assets, outcome of litigations and realisability of MAT credit entitlement. Estimates and underlying assumptions are reviewed on ongoing basis. Actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in the year in which such revisions are made.

d) Cash Flow:

The cash flow statement comprises cash from operating, financing and investing activities. The Cash flow statement is prepared in accordance with the Accounting Standard – 3 using indirect method to determine cash flow from operating activities. Cash and Cash equivalent comprises of cash, bank balances and deposit with less than 3 months maturity as at the reporting date.

e) Property, plant and equipment:

Property, plant and equipment are stated at cost less accumulated depreciation and impairment losses, if any. Cost of Property, plant and equipment comprises purchase price and any attributed cost for bringing the asset to its location and working condition for its intended use.

Capital work-in-progress comprises cost of Property, plant and equipment that are not yet ready for their intended use at the balance sheet date.

Property, plant and equipment are eliminated from consolidated financial statements, or disclosed separately, as the case may be, on disposal or transfer or when retired from active use.

f) Intangible Asset:

Intangible assets acquired separately are measured on initial recognition at cost. The cost of an intangible asset comprises its purchase price, including any import duties and other taxes (other than those subsequently recoverable by the enterprise from the taxing authorities), and any directly attributable expenditure on making the asset ready for its intended use. Following initial recognition, intangible assets are carried at cost less accumulated amortisation and accumulated impairment losses, if any. Intangible assets are amortised on a straight-line basis over their estimated useful life of 3 years, which reflect the pattern in which the asset's economic benefits are consumed. The amortization period and the amortization method are reviewed at least at each financial year end. Gains or losses arising from disposal of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the consolidated Statement of profit and loss when the asset is disposed of.

g) Depreciation/ Amortization:

Depreciation is provided from the date of capitalization of Property, plant and equipment, which is the later of the date of purchase or date when the asset is ready for use. Depreciation is provided on straight line basis using the estimated useful life of Property, plant and equipment which are also aligned with those specified under Schedule II of the Companies Act, 2013. Leasehold land is amortized over the period of lease.

Summary of significant accounting policies and other explanatory information

h) Impairment of assets:

The Group assesses at each consolidated Balance Sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Group estimates the recoverable amount of the asset. Recoverable amount is the higher of the asset's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs, as the case maybe, is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Statement of Profit and Loss. If at the Balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

i) Inventories:

Inventories are stated at lower of cost and net realisable value. Cost is determined using the First in first out (FIFO) method. Cost includes direct materials, attributable overheads and taxes paid/payables on such goods..

j) Leases:

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased asset are classified as operating leases. Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight line basis over the non-cancellable lease term.

k) Revenue recognition:

(i) Revenue from services:

Arrangements with customers are either in the nature of fixed price contracts or time and material contracts. Revenue on time and material contracts is recognised as and when related services are performed whereas revenue from fixed price contracts is recognised on proportionate completion method. Revenue is recognised only when there is no uncertainty as to measurement or collectability of consideration. When there is uncertainty as to measurement or ultimate collectability, revenue recognition is postponed until such uncertainty is resolved. Revenue from fixed price maintenance contracts is recognised ratably over the period of rendering service.

(ii) Sale of Goods:

Revenue from sale of goods is recognised on transfer of significant risks and rewards of ownership to the customers which coincides with dispatch of goods. An essential criterion for the recognition of revenue is that the consideration receivable for the sale of goods is reasonably determinable. When such consideration is not determinable within reasonable limits, the recognition of revenue is postponed.

(iii) Other income:

The Group recognizes interest income on time proportion basis at the rates implicit in the transaction.

l) Foreign currency transactions

- Initial Recognition

Transactions denominated in foreign currencies are recorded at the rates of exchange prevailing on the date of the transaction.

- Conversion

Monetary assets and liabilities denominated in foreign currency are converted at the rate of exchange prevailing on the date of the consolidated balance sheet. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

- Exchange Differences

All exchange differences on monetary items arising on settlement or conversion of foreign currency transactions/ balances are included in the consolidated Statement of Profit and Loss in the year in which they arise.

The reporting currency of the Group is Indian Rupee (₹).

m) Employee benefits:

Employee benefits provided by the Group include contributions to Provident fund, Gratuity and Compensated absences.

- Defined contribution plan - Provident fund

All the employees are entitled to receive benefits under the provident fund, which is a defined contribution plan, in accordance with Employees Provident Fund and Miscellaneous Provisions Act, 1952. Both, the employee and the employer make monthly contributions to the plan at a predetermined rate of the employees' applicable salary components. The Group has no further obligations under the plan beyond its monthly contributions. These contributions are made to the fund administered and managed by the Government of India. The Groups contribution to the above fund is recognised in the consolidated Statement of Profit and Loss on accrual basis.

- Defined benefit plan - Gratuity

Employees are entitled to benefits under the Payment of Gratuity Act, 1972, a defined benefit retirement plan covering eligible employees of the Group. The Plan provides a lump-sum payment to eligible employees on retirement or on termination of employment. The Group provides for liability towards a Gratuity Plan on the basis of actuarial valuation using the Projected Unit Credit Method as at the Balance Sheet date. Gratuity liability of Parent Company is funded with the Life Insurance Corporation of India to the extent determined by the management based on past performance and best estimates.

- Defined benefit plan – Long term service award

Long term service award are other long-term benefits to all eligible employees, as per Groups policy. The cost of providing benefit under Long term service award scheme is determined on the basis of actuarial valuation using the projected unit credit method at the reporting date. Remeasurement, comprising of actuarial gains and losses are recognized in full in the consolidated statement of profit and loss.

Summary of significant accounting policies and other explanatory information

- Defined benefit plan – Compensated absences

All eligible employees are entitled to receive benefits under the compensated absences policy. The Group provides for liability towards compensated absences on the basis of actuarial valuation for leaves standing to the credit of each employee as at the year end.

n) Taxation:

Tax expense comprises current and deferred taxes. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income tax Act, 1961 and the Rules framed there under.

Minimum Alternate Tax ('MAT') paid in accordance with tax laws, which gives rise to future economic benefits in the form of adjustment of future income tax liability, is considered as an asset if there is convincing evidence that the Group will pay tax as per regular provisions after the tax holiday period. The Group reviews the same at each consolidated Balance Sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that Group will be able to utilize that credit during the specified period.

Deferred tax is recognised for all the timing differences, subject to the consideration of prudence in respect of deferred tax assets. Deferred tax assets are recognised and carried forward only to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date. In situations, where the Company has unabsorbed depreciation or carry forward losses under tax laws, all deferred tax assets are recognised only to the extent that there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits. At each Balance Sheet date, the Company re-assesses unrecognised deferred tax assets, if any.

The entities within the Group offset, on a year on year basis, the current tax assets and liabilities, where it has a legally enforceable right and where it intends to settle such assets and liabilities on a net basis.

o) Provisions and contingent liabilities:

A provision is recognised when the group has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on best estimate of the amount required to settle the obligation at the consolidated balance sheet date. These are reviewed at each consolidated balance sheet date and adjusted to reflect the current best estimates.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed by the occurrence or non-occurrence of one or more uncertain future events, not wholly within the control of the group.

p) Earnings per share:

Basic earnings per share is calculated by dividing the net profit after tax for the year, taking into account the post-tax effects of extraordinary and/ or prior period items, if any, attributable to equity shareholders by weighted average number of equity shares outstanding during the period. There are no potential equity shares. Hence no adjustments are made for calculation of diluted earnings per share.

The Capital work in progress represents new office building under construction on the adjoining land to the existing premises of the Parent Company. The work on the office building is in advanced stage of completion but was temporarily suspended due to onset of Covid pandemic during the year 2019-2020. However, considering the improvement in pandemic situation and business growth plans, the Group has decided to complete the pending activities and use the office facility for business purposes. Based on the current plans, the office facility is likely to be ready and put to use in the year 2022-23.

- (i) The Honourable Supreme Court, has passed a judgement on 28th February, 2019 in relation to inclusion of certain allowances within the scope of "Basic wages" for the purpose of determining contribution to provident fund under the Employees' Provident Funds & Miscellaneous Provisions Act, 1952. The group, based on legal advice, is awaiting further clarifications in this matter in order to reasonably assess the impact on its financial statements, if any. Accordingly, the applicability of the judgement, with respect to the period and the nature of allowances to be covered, and resultant impact on the past provident fund liability, cannot be reasonably ascertained, at present.
- (ii) In the year 2019-20, the Parent Company had received a show cause notice from the Additional Commissioner of Central Goods and Service Tax Audit-I Commissioner at Pune towards non-payment of service tax with regards to imports of services on reverse charge basis (as a recipient of service) in respect of the onsite service received by Company from Non-taxable territory for the period from FY 2014-15 to FY 2017-18. The Company, based on the legal advice, believes that the claim of the department is not tenable. Accordingly, no provision towards potential liability has been considered necessary in the financial statements.
- (iii) During the year 2020-21, the Parent Company had received a demand notice from State Tax Officer at Pune in which they have disallowed the credit utilised on tax paid on intra-state purchases for FY 2015-16 and FY 2016-17 under Rule 54 of the Maharashtra Value Added Tax Act, 2005. The Company has filed an appeal with the Deputy Commissioner of State Tax for notice received for FY 2015-16 & 2016-17 and has obtained a stay order against the said notice. Also, in the current year the Company has received a demand notice from State Tax Officer at Pune in which they have disallowed the credit utilised on tax paid on intra-state purchases for FY 2017-18 and the Company is in the process of filing an appeal against the notice received for FY 2017-18. The Company, based on the legal advice, believes that the claim of the department is not tenable. Accordingly, no provision towards potential liability has been considered necessary in the financial statements.
- (iv) During the year 2020-21, the Parent Company had received a show cause notice under Section 143(3) of the Income Tax Act, 1961 in which the assessing officer has disallowed deductions claimed under section 10AA and has issued a demand notice under section 156 of the Income Tax Act, 1961 for AY 2018-19. The Company has preferred an appeal with the Commissioner of Income-Tax (Appeals) against the order of Assessing officer. The Company, based on the legal advice, believes that the claim of the department is not tenable. Accordingly, no provision towards potential liability has been considered necessary in the financial statements.
- (v) Bond (B-17) executed in favour of and furnished to the Customs Department.
- (vi) In respect of Expleo Technologies India Private Limited (ETPL), the Income Tax department has not accepted the transfer price adopted by the management and had made adjustments to the prices charged by the subsidiary company for the financial year 2009-10 and 2016-17. This resulted in additional tax demand including penalty for the said years which is contested by the subsidiary company. The Management of ETPL is confident that the above matter will be ultimately settled in its favour and there will not be any material adjustment on completion of the appeal proceedings. In respect of tax demands for the financial year 2009-10, the Company has paid ₹ 2.50 million under protest. The Department has adjusted tax refunds of other years aggregating to ₹ 24.55 million against this demand, which also includes excess adjustment of ₹ 5.45 million against which ETPL has filed rectification applications.
- (vii) The subsidiary company had received demand towards short deduction and Interest thereon for defaults under section 201 of Income Tax Act, 1961. The subsidiary company is in the process of filing application with respective authorities. Considering the underlying facts and circumstances, it expects the same to be resolved in the favour of the group.
- (viii) Trade Payable Balances of the group as at 31 March 2022 includes ₹ 69 Million pending for settlement due to financial difficulties/liquidity problems and have resulted in delays in remittance of payments beyond the timeline stipulated by the FED Master Direction No. 17/2016-17, under the Foreign Exchange Management Act, 1999. The Company is in discussion with the Authorised Dealer banker (AD) for making the payments by necessary applications with the appropriate authority for condonation of delays and clearance of payments. AD has power to condone the delay with satisfactory reasons upto a period of three years from the date of transaction. The Company is confident that there would not be any penalty / interest levied on delayed payments. Pending conclusion of the aforesaid matter, the accompanying financial statements do not include any adjustments that may arise due to such delay/default.

Notes forming part of Consolidated Financial Statements

- 34** In the opinion of the management, all international transactions with associated enterprises are undertaken at negotiated, contracted prices on usual commercial terms. The Group has appointed an independent accountant for conducting a Transfer Pricing Study in accordance with the provisions of the Income tax Act, 1961. The study for the financial year ended 31 March 2022 is currently in progress and adjustments if any, arising subsequent to completion of such study are not expected to significantly impact the financial statements.
- 35** The Board of Directors of the Parent Company and its subsidiaries (Expleo Technologies India Private Limited , Expleo Engineering India Private Limited and Silver Software Development Centre Private Limited) have approved the amalgamation of the Company and respective subsidiary companies (the 'Transferor Company') with Expleo Solutions limited (the 'Transferee Company') in their respective meetings held on 09 July 2021. The Company and subsidiary companies have filed application with the respective jurisdictional bench of National Company Law Tribunal (NCLT) for approval on scheme of amalgamation. The applications filed by these entities are pending at various stages wherein final NCLT approval for amalgamation is pending. As per the Scheme, no adjustments are required to be made in the consolidated financial statements of the Group for the year ended 31 March 2022 as the Group would legally stand dissolved without winding up.
- 36** The Parent Company is in the process of amalgamation with Expleo Solutions Limited (transferee company). The amalgamation is subject to approval by regulatory authorities, Shareholders and National Company law Tribunal (NCLT). However, consequent to the proposed amalgamation, the MAT credit available with Parent Company would not be eligible for carry forward and further utilization as the transferee company is following lower tax rate specified under section 115BAA of the Income Tax Act, 1961. Accordingly, an amount of ₹ 124.02 Million has been written off towards unutilized MAT Credit. Further, the amount of MAT credit adjustment also includes credit utilized during the year of ₹ 19.17 Million.
