NOTES:-

1. In view of the ongoing Covid-19 pandemic, the Ministry of Corporate Affairs ('MCA') has vide its General Circular Nos. 14/2020, 17/2020, 20/2020, 02/2021, 21/2021 and 02/2022 dated April 8, 2020, April 13, 2020, May 5, 2020, January 13, 2021, December 14, 2021 and May 05, 2022 respectively (collectively referred to as 'MCA Circulars') and Securities and Exchange Board of India ('SEBI') vide its Circular Nos. SEBI/HO/CFD/CMD1/CIR/P/2020/79, SEBI/HO/CFD/CMD2/CIR/P/2021/11 and SEBI/HO/CFD/CMD2/CIR/P/2022/62 dated May 12, 2020, January 15, 2021 and May 05, 2022 respectively (collectively referred to as 'SEBI Circulars'), permitted the holding of the AGM through VC/OAVM, without physical presence of the Members at a common venue. In compliance with the provisions of the Companies Act, 2013, the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, the MCA Circulars and the SEBI Circulars, the 50th AGM of the Company is being held through VC/OAVM. The Registered Office of the Company shall be the deemed to be the venue for the AGM.
2. Further, pursuant to the provisions of Section 108 of the Companies Act, 2013 read with the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) and the MCA and SEBI Circulars, the Company is holding its Annual General Meeting (AGM) through Video Conferencing ('VC')/Other Audio-Visual Means ('OAVM'), without the physical presence of the Members at a common venue. For the said purpose the Company has engaged the services of Skyline Financial Services Private Limited (Skyline) for conducting AGM through VC/OAVM. Further, NSDL has been engaged for facilitating e-voting to enable the members to cast their votes electronically using remote e-voting system as well as e-voting during the AGM. The procedure for participating in the meeting through VC/OAVM is explained in the notes below.
3. An Explanatory Statement, pursuant to Section 102 of the Companies Act, 2013, relating to the special business to be transacted at the 6th Annual General Meeting ('AGM') is annexed hereto. Information and facts as specified in the Regulations 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standard-2 (SS-2) on "General

Meetings" issued by the Institute of Company Secretaries of India, in respect of Director seeking re-appointment at this AGM are also annexed to this Notice.

4. The relevant documents referred to in the accompanying Notice and the Statement pursuant to Section 102 of the Act, shall be available for inspection by the members at the Registered Office and the copies thereof at the Corporate Office of the Company during normal business hours (between 11.00 A.M. to 1.00 P.M.) on all working days, from the date of circulation of this Notice upto the date of the AGM. The relevant documents will also be made available on the website of the Company during the abovementioned period. Members seeking to inspect such documents can also send an email to apmfinvestltd@gmail.com.

The Register of Directors and Key Managerial Personnel and their shareholding, maintained under Section 170 of the Companies Act, 2013 ("Act"), the Register of Contracts or Arrangements in which the directors are interested, maintained under Section 189 of the Act, will be available electronically for inspection by the members during the AGM. Further, members seeking any information with regard to the accounts or any other matter to be placed at the AGM, are requested to write to the Company latest by September 22, 2022 through email on apmfinvestltd@gmail.com. Such questions shall be taken up during the meeting or replied by the Company suitably.

5. Pursuant to the Section 105 of the Companies Act, 2013, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote at the meeting on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA and SEBI circulars through VC/OAVM, the requirement of physical attendance of members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for this AGM and hence the Proxy Form is not annexed hereto. Since, the AGM will be held through VC, the route map, and attendance slip are also not annexed to this Notice.
6. Pursuant to the abovementioned Circulars the Company will send the Annual Report for the financial year 2021- 22 and AGM notice in electronic form only. The Notice of AGM and Annual Report for the financial year 2021- 22 are also placed on the website of the Company i.e. www.apmfinvest.com and the website of National Securities Depository Limited i.e. www.evoting.nsdl.com and at the relevant sections of the websites of the stock exchanges on which the shares of the Company are listed i.e. BSE Ltd. (www.bseindia.com).
7. The Notice is being sent only through electronic mode to all the Members/Beneficiaries, whose names appear on the Register of Members/ Record of Depositories as on Friday, September 02, 2022 and who have registered their email addresses with the Company/RTA or Depository/ Depository Participant, in accordance with the provisions of the Companies Act, 2013, read with Rules made thereunder and the MCA Circulars & SEBI Circulars.
8. The Register of Members and Shares Transfer Books of the Company shall remain closed from **Thursday, September 22, 2022 to Wednesday, September 28, 2022** (both days inclusive) for the purposes of the AGM.
9. The remote e-voting period begins on **Sunday, September 25, 2022 at 09.00 A.M. (IST) and ends on Tuesday, September 27, 2022 at 5.00 P.M.(IST)**. During this period, members of the Company holding equity shares either in physical form or in dematerialised form, as on the cut-off date i.e., **Wednesday, September 22, 2022**, may cast their vote electronically. The remote e-voting will not be allowed beyond the aforesaid date and time as the same shall be disabled by NSDL for voting thereafter.

The facility for electronic voting system, shall also be made available at the AGM. The Members attending the AGM, who have not cast their votes through remote e-voting and are otherwise not barred from doing so, shall be able to exercise their voting rights at the AGM. The Members who have already cast their votes through remote e-voting may attend the meeting but shall not be entitled to cast their votes again at the AGM.

Once the vote on a resolution is cast by the shareholder, the shareholder shall not be allowed to change it subsequently. There will be one e-vote for every Folio/ Client ID irrespective of the number of joint holders. Voting Rights shall be reckoned on the paid-up value of shares registered in the name of the Member(s) as on cutoff date and any person who is not a member as on that date should treat this Notice for information purposes only.

10. Members may join the AGM through VC/OAVM Facility by following the procedure as mentioned below which shall be kept open for the Members from 02.00 p.m. (IST) i.e. 30 minutes before the time scheduled to start the AGM and the Company may close the window for joining the VC/OAVM facility, 15 minutes after the scheduled time to start the AGM. The facility of participation at the General Meeting through VC/OAVM will be made available for at least 1000 members on first come first served basis. However, the said restriction on account of first come first served principle shall not be applicable on large shareholders (shareholders holding 2% or more shareholding), promoters, institutional investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship and Customer Experience Committee, Auditors, etc.
11. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
12. Members who would like to express their views or ask questions during the AGM may register themselves as speaker by sending their request from their registered email address mentioning their name, DP ID and client ID/ Folio no, No. of shares, PAN, mobile number at apmfinvestltd@gmail.com on or before September 22, 2022. Only those Members who have registered themselves as a speaker will be allowed to express their views, ask questions during the AGM. The Company reserves the right to restrict the number of speakers as well as the speaking time depending upon the availability of time at the AGM.
13. The Board of Directors have appointed Mr. Abhay Kumar (Certificate of Practice no. 22630) Company Secretary, as the Scrutiniser to scrutinize the remote e-voting process and voting through electronic voting system at the AGM in a fair and transparent manner. The Scrutiniser have communicated their willingness to be appointed for the said purpose.
14. The Scrutiniser will, after the conclusion of e-voting at the Meeting, scrutinise the votes cast at the Meeting and votes cast through remote e-voting, make a consolidated Scrutiniser's Report and submit the same to the Chairman or a person authorised by him, who shall countersign the same and declare results (consolidated) within two working days from the conclusion of the meeting and the same, along with the consolidated Scrutiniser's Report, will be placed on the website of the Company (www.apmfinvest.com) and the website of NSDL (www.nsdl.com) immediately after the declaration of result by the Chairman and in his absence, any Director/Officer of the Company authorised by the Chairman and the same will also be communicated to BSE Limited. It shall also be displayed on the Notice Board at the Registered Office and the Corporate office of the Company.
15. Members wishing to claim unclaimed dividends are requested to correspond with the Registrar and Share Transfer Agent (RTA) of the Company i.e. Skyline Financial Services Private Limited. or the Company Secretary of the Company.
16. The Final Dividend for the Financial Year 2021-22, as recommended by the Board of Directors, if approved at the AGM, would be paid Within 30 Days, subject to deduction of tax at source, to the Shareholders or their mandates:
 - (a) whose names appear as Beneficial Owners as at the end of the business hours on **Thursday, September 22, 2022**, in the list of Beneficial Owners to be furnished by National Securities Depository.
 - (b) whose names appear as Shareholders in the Register of Members of the Company after giving effect to valid share transfers in physical form lodged with the Company / Skyline on or before **Thursday, September 22, 2022**.
17. Compulsory Transfer of Equity Shares to Investor Education and Protection Fund ("IEPF") Account:

Pursuant to the provisions of Sections 124 and 125 of the Companies Act, 2013 and the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 (as amended), all Equity Shares on which dividend has not been paid or claimed for 7 (Seven) consecutive years or more shall be transferred to the Investor Education and Protection Fund (IEPF) authority after complying with the procedure laid down under the said Rules.

Pursuant to the provisions of Sections 124 and 125 of the Act, there is no amount of Dividend remaining unclaimed / unpaid for a period of 7 (Seven) years and/or unclaimed Equity Shares which are required to be transferred to the Investor Education and Protection Fund (IEPF).

- 18.** Shareholders may note that the Income Tax Act, 1961, as amended by the Finance Act, 2020, mandates that dividends paid or distributed by a Company after April 1, 2020 shall be taxable in the hands of the Shareholders. The Company shall, therefore, be required to deduct Tax at Source (TDS) at the time of making payment of Final Dividend, if declared by the Shareholders. In order to enable the Company to determine the appropriate TDS rate as applicable, Members are requested to submit the documents in accordance with the provisions of the Income Tax Act, 1961.

- a) For Resident Shareholders, TDS shall be deducted under Section 194 of the Income Tax Act, 1961, at rate in force on the amount of Dividend declared and paid by the Company during Financial Year 2022-23, provided Permanent Account Number (PAN) is registered by the Shareholder. If PAN is not registered or if they are specified person (non-filers) as per Section 206AB of the Income Tax Act, 1961, TDS would be deducted at rate in force (at present 20%) as per provisions of the Income Tax Act, 1961 and/or the Rules framed thereunder.

However, no tax shall be deducted on the Dividend payable to a resident individual if the total dividend to be received by such resident individual during the Financial Year 2022-23 does not exceed Rs.5,000/-. Please note that this includes future dividends, if any, which may be declared by the Company during the Financial Year 2022-23.

Separately, in cases where a Shareholder provides Form 15G (applicable to any resident person other than a company or a firm) / Form 15H (applicable to a resident individual above the age of 60 years), provided that the eligibility conditions are being met, no TDS shall be deducted.

- b) For Mutual Fund Shareholders, TDS is exempt under Section 10(23D), provided Mutual Funds provide SEBI Registration / Central Board of Direct Taxes (CBDT) notification and declaration that their income is exempt under Section 10 (23D) of the Income Tax Act, 1961.
- c) For Foreign Institutional Investors (FII) / Foreign Portfolio Investors (FPI), tax will be deducted under Section 196D of the Income Tax Act, 1961, at applicable rate, including surcharge and cess.
- d) For Other Non-resident Shareholders, taxes are required to be withheld in accordance with, the provisions of Section 195 of the Income Tax Act, 1961 at the rates in force. MANAGEMENT DISCUSSION AND ANALYSIS REPORT

[Schedule V – Regulation 34(3) of SEBI (LODR) Regulations, 2015]

Introduction

Management Discussion and Analysis mainly comprise of the statements which, inter-alia, involve predictions based on perceptions and may, therefore, be prone to uncertainties. It is the sum total of the Company's expectations, beliefs, estimates and projections which are forward looking within the meaning of applicable laws and regulations. The actual results could differ materially from those expressed herein specifically or impliedly.

OVERVIEW OF INDIAN ECONOMY FY 2021-22

The beginning of financial year 2021-22 (FY2022) was once again dominated by the COVID-19 pandemic as new waves of infection swept across the world. In India, the second wave (called 'Delta') proved far more lethal than the first that struck in 2020. It was fairly a year of recovery from the adverse impacts of COVID-19 pandemic. After a shaky start, the Indian economy successfully faced the challenges posed by the second and third waves of the pandemic, thanks to successful implementation of vaccination program, untiring services of the front-line warriors, fiscal and monetary policies, stimulus measures of Reserve Bank of India, central and state governments which gave a much-needed cushion for the stability of the economy.

a) INDUSTRY STRUCTURE AND DEVELOPMENTS

Over the past few years, Non-Banking Financial Companies (NBFCs) have played a prominent role in the Indian financial system. They provide financial inclusion to the underserved section of the society that does not have easy access to credit. NBFCs have revolutionized the Indian lending system and have efficiently leveraged digitization to drive efficiency and provide customers with a quick and convenient financing experience. The plethora of services include vehicle financing, MSME financing, home financing, microfinance and other retail segments. The Government has consistently worked on the governance measures to strengthen the systemic importance of the NBFCs.

The pandemic tested the resilience of the NBFC sector, leading to decline in disbursements across the sectors. However, the support and focus of the Government through various liquidity measures such as repo rate cut, targeted long-term repo operations, special liquidity scheme and partial credit guarantee scheme, kept the sector afloat. The total credit outstanding from the NBFCs for Financial Year 2020-21 stood at Rs.23.75 trillion which grew by 6-7% in the Financial Year 2021-22. This growth was mainly led by growth in the housing, auto, gold and other retail segments which stood resilient even in the previous fiscal year. The disbursement growth would have to remain healthier for a sustained AUM growth. Besides, bank credit growth to the NBFC sector improved significantly to 14.6% in February 2022 from 7% a year ago.

Pursuant to RBI circular RBI/2021-22/125 DOR/STR/ REC.68/21.04.048/2021-22 dated November 12, 2021, on Prudential norms on Income Recognition, Asset Classification and Provisioning pertaining to Advances – Clarifications, the Company has revised its process of NPA classification to flagging of the borrower accounts as overdue as part of the day-end processes for the due date.

b) THE COMPANY

Mufin Green Finance Limited (formerly, known as APM Finvest Ltd.), is 100% focused on Environment & Social Governance focused financing products, with a strong focus on India's fastest growing electric vehicle industry. The company has its presence in 7 states across India with 112 locations and Company exploring for more location to operate in others states. EV market in India is estimated to be US\$206 billion opportunity by 2030 and is growing at booming rate of 36% CAGR year on year. Mufin Green intend to contribute to 4-5% market share of the business by 2030.

Mufin Green will enable the growth of this EV ecosystem by financing electric vehicles, electric charging infra and energy storage/swapping systems. Mufin Green is currently live in the major EV markets of the country with 5.3% of Markets share in operating market of the business. Mufin Green plans scale up its monthly disbursement from 16Cr to 50Cr month on month by spreading across India and more financing products 2Wheelers, 3 Wheel-Auto, 4 Wheelers, Electric Trucks and charging infrastructure to its portfolio over next 12 months.

c) OPPORTUNITIES & THREATS

While EVs have been around for some time, the growth has accelerated over past couple of years

- Large potential:
 - India's EV market to grow at CAGR of 90% to touch ~USD 160 Bn by 2030
 - India is a unique automobile market - 84% of vehicles sold in India are 2W/3Ws. These smaller vehicles are easier to electrify, since they need smaller and simpler batteries and are much closer to economic parity vs ICE
 - India expects 25-35% 2W penetration and 65-75% 3Ws by 2030

- Government's push for EV – Faster Adoption and Manufacturing of Electric Vehicles (FAME) subsidy scheme, Central Motor Vehicle Act, EV certification and registration has fostered growth
 - Commitment to the EV30@30 initiative- to reach 30% sales share of EV by 2030
 - Demand side focussed- incentive to reduce the upfront cost
 - State policies focusses on supply side to attract investment, Development Commission (DDC) of Delhi has prepared a roadmap for achieving 100% electrification of last-mile delivery service fleets by 2030

Digital ecosystem development pushed by the government as well as regulators and other market participants offer opportunities to provide better customer experience and become more efficient. With the increase in usage of smartphone across various geographies and continuous growth in data connectivity adoption, the Company foresees a big opportunity to understand customers better and offer more personalized services and offerings in a cost-efficient way. In addition, the need for finance and new investment opportunities in a growing economy like India are positives for the Company.

d) SEGMENT-WISE PERFORMANCE

The Company has only one line of business, i.e., Financing and Investment Activities during the year under review, hence no segment wise information is required. The Company has no activity outside India. Therefore, there is no geographical segment.

e) OUTLOOK

The NBFCs are being recognised as being vital for the growth of Indian economy. NBFCs are here to stay and play an important role in economic growth and financial inclusion. As India's economy grows, the requirement for credit will rise more than proportionately. We need both Banks and NBFCs to rise to the occasion and power the economy with free flowing credit lines. NBFCs with robust business models, strong liquidity mechanisms and governance & risk management standards are poised to reap the benefit of the market opportunity. NBFCs that are well prepared with their business continuity and contingency plans can quickly bounce back in the post COVID-19 era. With proper planning and strategic initiatives, NBFCs can limit and overcome the impact of this disruption.

f) RISKS & CONCERNS

The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company risk management framework. Company is exposed to specific risks that are particular to its business and the environment within which it operates including economic cycle, market risk, interest rate risk, liquidity risk, regulatory & compliance risk and credit risks. Managing risk effectively also helps in achieving the desired outcome, while fixing responsibility and accountability. The Company is especially focused on improving sensitivity to assessment of risks and improving methods of computation of risk weights.

g) INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has appointed M/s J Mandal & Co., Chartered Accountants, an outside agency as its Internal Auditors, who conduct internal audit for various activities. The Company has developed adequate internal control system commensurate to its size and business. Personnel of the Internal Auditor conduct periodic audits in all the areas to ensure that the Company's control mechanism is properly followed and all statutory requirements are duly complied with. The reports of Internal Auditors are submitted to the Audit Committee which further reviews the adequacy of Internal Control System.

h) DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATING PERFORMANCE

The operating performance of the Company has been discussed in the Directors Report under the head financial summary and state of Company affairs/operations. The Profit/(Loss) Before Tax for the year 2021-22 was Rs. 1,267.90 lakhs as against 2,255.13 lakhs in the year 2020-21. This has been a down fall in the year for our Company. Our directors are expecting to maintain the good performance of the Company in coming years.

The Company has a judicious balanced portfolio of Debt and Equity which has given good returns during the year. The Portfolio is constantly reviewed and adjusted as per market trends and expectations.

i) MATERIAL DEVELOPMENTS IN HUMAN RESOURCES / INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED

The Company attaches importance to the dignity of employee irrespective of position and highly values the cultural diversities of employees. Human Resource is valued as an extremely important and strategic resource and your Company believes in employee empowerment across the entire organization in order to achieve organizational effectiveness. As on March 31, 2022, the Company had 3 employees.

j) LONG TERM AND SHORT TERM STRATEGY

Our Company is continuously reviewing the evolving situation in the light of COVID-19 and playing a responsible role in minimising the adverse impact of the pandemic on its businesses and the stakeholders' interests. Company continued to focus on sustainability of performance with steady margins, stable asset quality and focused growth by increasing the proportion of our existing good profile customer.

Our Company will continue to allocate its capital between Equity and Debt. Management will evaluate and select investments based on high quality governance, sustainability and strength of the investee company's balance sheets.

k) FINANCIAL AND OPERATIONAL PERFORMANCE

Independent Auditor's Report

To The Members of APM Finvest Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **APM Finvest Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and notes to the financial statements including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022 and its profit, total comprehensive income, cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements Section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the year ended March 31, 2022. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matter described below to be the key audit matter to be communicated in our report: -

Key audit matter	How the matter was addressed in our audit
Impairment of loans (Expected Credit Loss)	
<p>In case of the Company, the loans to the customers form a major portion of the its assets. As per Indian Accounting Standard (Ind AS) 109 – Financial Instruments, the Company is required to provide for impairment loss on its loan assets using the Expected Credit Loss (ECL) approach. The calculation of impairment loss or ECL involves an estimation of probability of weighted loss on financial instruments over their life, considering reasonable and supportable information about past events, current conditions, forward looking analysis to the extent possible and other factors which impact the credit quality of the Company’s loan assets.</p> <p>In the process of calculation of ECL, a significant degree of judgement and estimates are applied by the management for:</p> <ul style="list-style-type: none"> • Grouping of borrowers • Staging of loans • Determination of exposure at default • Calculation of probability of default/loss given default • Consideration of probability weighted scenarios and forward looking macro-economic factors <p>The application of ECL model requires several data inputs which increases the risk of completeness and accuracy of the data that has been used to create assumptions in the model.</p> <p>In view of the high degree of management’s judgement involved in estimation of ECL and the overall significance of ECL to the financial statements, it is considered a key audit matter.</p> <p>The Company’s disclosures are included in Notes 2.5.2.6, 7 and 33 to the financial statements, which outline the accounting policy for loans and ECL and details of loans and ECL.</p>	<p>Our audit procedures included the following:</p> <ul style="list-style-type: none"> • Evaluated appropriateness of the impairment principles used by management based on the requirements of Ind AS 109. • Assessed the design and implementation of key internal financial controls over loan impairment process used to calculate the impairment charge. • Evaluated management’s controls over collection of relevant information used for determining estimates for management overlays. • Assessed the accuracy of the system generated reports of ageing and defaults. • Performed substantive procedures over validating completeness and correctness of the data. • Tested assumptions used by the management in determining the overlay for macro-economic and other factors. • Performed cut off procedures on a sample basis relating to the recoveries at year end that would impact staging of loans. • Tested the arithmetical accuracy of computation of ECL provision. • Obtained management representations wherever considered necessary. • Evaluated the disclosures made in the financial statements in respect of ECL.

Information Other than the Financial Statements and Auditor’s Report thereon

The Company’s Board of Directors are responsible for preparation of the other information. The other information comprises the information included in the Board’s Report and its annexures, but does not include the financial statements and our auditor’s report thereon. The other information is expected to be made available to us after the date of this Auditor’s Report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit, or otherwise appears to be materially misstated.

When we read the other information, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance as required under SA 720 'The Auditor's Responsibilities Relating to Other Information'.

Management's Responsibility for the Financial Statements

The Company's Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable to the Company, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.

- Obtain an understanding of internal financial controls relevant to the audit in Order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to the financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable to the Company, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year ended March 31, 2022 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

We draw attention to Note 45 to the financial statements in which the Company describes the uncertainties arising from the Covid-19 pandemic. Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in Annexure "A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable to the Company.

2. As required by Section 143(3) of the Act, based on our audit, we report that:
- a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) the Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - d) in our opinion, the aforesaid financial statements comply with the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, as applicable to the Company;
 - e) on the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164(2) of the Act;
 - f) with respect to the adequacy of the internal financial controls with reference to these financial statements and the operating effectiveness of such controls, refer to our separate Report in Annexure "B" to this report;
 - g) with respect to the other matters to be included in the Auditor's Report under Section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the company has not paid/ provided any managerial remuneration covered under Section 197 of the Act to its directors during the year.
 - h) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations as at March 31, 2022 having impact on its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There was no amount which was required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2022.
 - iv. (a) The management of the Company has represented that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from the borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any person or entity including foreign entity ("intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(b) The Management of the Company has represented that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Party") with the understanding, whether recorded in writing or otherwise, that the Company

shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, performed by us on the Company, nothing has come to our notice that has caused us to believe that the representations under sub-Clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

- v. The Company has not paid any dividend during the year. As stated in Note 49 to the financial statements, the Board of Directors of the Company have proposed dividend for the year ended March 31, 2022, which is subject to the approval of the members of the Company at the ensuing Annual General meeting. The dividend proposed is in accordance with Section 123 of the Act, to the extent it applies to declaration of dividend by the Company.

- (ii) (a) The Company does not have any inventory. Accordingly, the clause 3(ii)(a) of the Order is not applicable to the Company.
- (b) In our opinion and according to the information and explanations given to us, the Company has not been sanctioned working capital limit in excess of Rs. 5 crore, in aggregate, at any point of time of the year, from banks or financial institutions on the basis of security of current assets. Accordingly, the clause 3(ii)(b) of the Order is not applicable to the Company.
- (iii) The Company being a Non-Banking Finance Company having principal business to give loans and make investments,
 - (a) the clause 3(iii)(a) of the Order is not applicable to the Company.
 - (b) In our opinion and according to the information and explanations given to us, the investments made and the terms and conditions of the grant of loans/advances in the nature of loans, prima facie, are not prejudicial to the Company's interest. There are no guarantees provided or security given by the Company during the year.
 - (c) In respect of the loans/advances in the nature of loans, the schedule of repayment of principal and payment of interest has been stipulated and repayments or receipts have been regular as per stipulations except in case of 1370 loan accounts having aggregate overdue amount Rs. 95.95 lakhs as at March 31, 2022 and delays ranging from 1 to 60 days.
 - (d) In our opinion and according to the information and explanations given to us, there are no amounts overdue for more than 90 days as at March 31, 2022 in respect of loans/advances in the nature of loans.

- (e) The clause 3(iii)(e) of the Order is not applicable to the Company.
- (f) In our opinion and according to the information and explanations given to us, the Company has granted loans/advances in the nature of loans repayable on demand as detailed below:

(Rs. in lakhs)

	Promoters	Related Parties	Other Parties	Total
Aggregate amount of loans/advances in the nature of loans:				
- Repayable on demand (A)	-	641.00	1504.16	2145.16

- (a) the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year;
- (b) the Company has not been declared willful defaulter by any bank or financial institution or other lender;
- (c) the term loans were applied by the Company during the year for the purposes for which the loans were obtained;

- (d) there are no transactions of funds raised by the Company on short term basis and utilized, prima facie, for long term purposes during the year;
 - (e) the Company does not have any subsidiary or associate or joint venture during the year. Accordingly, the clause 3 (ix)(e) of the Order is not applicable to the Company;
 - (f) the Company does not have any subsidiary or joint venture or associate company during the year. Accordingly, the clause 3(ix)(f) of the Order is not applicable to the Company.
- (x)
- (a) In our opinion and according to the information and explanations given to us, the Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the clause 3(x)(a) of the Order is not applicable to the Company.
 - (b) According to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally convertible) during the year. Accordingly, the clause 3(x)(b) of the Order is not applicable to the Company.
- (xi)
- (a) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or on the Company has been noticed or reported during the year.
 - (b) According to the information and explanations given to us, no report under Section 143(12) of the Act has been filed by the auditors in form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
 - (c) According to the information and explanations given to us, no whistleblower complaint has been received by the Company during the year.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, the clause 3(xii) of the Order is not applicable to the Company.
- (xiii) In our opinion and according to the information and explanations given to us and on the basis of the records examined by us, all transactions with the related parties are in compliance with Section 177 and 188 of the Act, where applicable and the details have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv)
- (a) In our opinion and based on our examination, the Company has an internal audit system commensurate with the size and nature of its business.
 - (b) During the course of our audit, we have considered the reports of the Internal Auditor issued for the period under audit.
- (xv) In our opinion and according to the information and explanations given to us and on the basis of the records examined by us, the Company has not entered into any non-cash transactions with its directors or persons connected with them during the year.
- (xvi)
- (a) According to the information and explanations given to us, the Company is required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934 and the registration has been obtained by the Company.
 - (b) According to the information and explanations given to us, the Company has a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934 to conduct the Non-Banking financial activities.

Annexure 'B' to the Independent Auditor's Report

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' Section of our report of even date to the members of **APM Finvest Limited** on the Financial Statements for the year ended March 31, 2022)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub- Section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls Over financial reporting of **APM Finvest Limited** ("the Company") as of March 31, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('the ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to these financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate or for other reasons.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Notes forming part of the Financial Statements

1. Corporate information

APM Finvest Limited (the Company) is incorporated under the provisions of the Companies Act, 2013 ("the Act") and is registered under Section 45-IA of Reserve Bank of India Act, 1934 to carry on the business of a Non-Public Deposit Accepting Non-Banking Finance Company vide Certificate of Registration number B-10.00247. The Company holds a valid Certificate of Registration (CoR) from the Reserve Bank of India. The registered office of the company is located at SP-147, RIICO Industrial Area, Bhiwadi, District Alwar, Rajasthan-301019. The Company is engaged in the business of Finance and Investments. The Company Equity shares are listed in Bombay Stock Exchange.

2. Basis of Preparation and Significant accounting policies

2.1 Statement of Compliance and Basis of Preparation and Presentation

The Balance Sheet, the Statement of Profit and Loss and the Statement of Changes in Equity are prepared and presented in the format prescribed in the Division III of Schedule III to the Companies Act, 2013 (the "Act"). The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash Flows". The Balance Sheet, Statement of Profit and Loss, Statement of Cash Flows and Statement of Changes in Equity are together referred as the financial statements of the Company.

The financial statements of the Company are prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 under Section 133 of Act and relevant amendment rules issued thereafter("Ind AS").

The financial statements are prepared and presented on going concern basis and the relevant provisions of Act and the guidelines and directives issued by the Reserve Bank of India (RBI) or any other authority, to the extent applicable.

Amounts in the financial statements are presented in Indian Rupees in lakhs rounded off to two decimal places as permitted by Schedule III to the Act. Per share data is presented in Indian Rupee to two decimal places. The Company presents its Balance Sheet in the order of liquidity. An analysis regarding maturity of assets and liabilities within 12 months after the reporting date and more than 12 months after the reporting date is presented in Note 39.

Accounting policies are consistently applied except where a newly-issued Ind AS initially adopted or a revision to an existing Ind AS requires a change in the accounting policy.

2.2 Functional and Presentation Currency

The financial statements are presented in Indian Rupees (Rs.) which is the functional and the presentation currency of the Company and all values are rounded to the nearest lakhs with two decimals, except when otherwise indicated.

2.3 Basis of Measurement

The financial statements have been prepared on historical cost basis except for certain financial instruments that are measured at fair values.

A historical cost is a measure of value used for accounting in which the price of an asset on the balance sheet is based on its historical cost, it is generally fair value of consideration given in exchange for goods and services at the time of transaction or original cost when acquired by the Company.

Fair value is the price that likely to be received on sell of an asset or paid to transfer a liability in an orderly transaction between market participants on the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability that market participants would take into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in the financial statements is determined on such a basis, except for leasing transactions that are within the scope of Ind AS 116 Leases.

Notes forming part of the Financial Statements

Fair value measurements under Ind AS are categorised into fair value hierarchy based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company can access on measurement date;
- Level 2 inputs, other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 where unobservable inputs are used for the valuation of assets or liabilities.

2.4 Use of Estimates and Judgements

The preparation of the financial statements in conformity with Indian Accounting Standards ("Ind AS") requires the management to make estimates, judgements and assumptions. These estimates, judgements and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the year. Accounting estimates could change from period to period. Actual results could differ from those estimates. Revisions to accounting estimates are recognised prospectively. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise. Some of the areas involving significant estimation / judgement are determination of Expected Credit Loss, fair valuation of Investments, Income taxes and employee benefits.

2.5 Significant Accounting Policies

2.5.1 Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured and there exists reasonable certainty of its recovery.

2.5.1.1 Interest

Interest income on financial instruments is recognised on a time proportion basis taking into account the amount outstanding and the effective interest rate ("EIR") applicable.

The EIR is the rate that exactly discounts estimated future cash flows of the financial instrument through the expected life of the financial instrument or, where appropriate, a shorter period, to the net carrying amount. The future cash flows are estimated taking into account all the contractual terms of the instrument.

The calculation of the EIR includes all fees paid or received between parties to the contract that are incremental and directly attributable to the specific lending arrangement, transaction costs, and all other premiums or discounts. For financial assets measured at fair value through profit and loss ("FVTPL"), transaction costs are recognised in the statement of profit and loss at initial recognition.

Interest income/expenses is calculated by applying the EIR to the gross carrying amount of non-credit impaired financial assets/liabilities (i.e. at the amortised cost of the financial asset before adjusting for any expected credit loss allowance). For credit-impaired financial assets, interest income is calculated by applying the EIR to the amortised cost of the credit-impaired financial assets (i.e. the gross carrying amount less the allowance for expected credit losses).

2.5.1.2 Dividend Income

Dividend income is recognised when the Company's right to receive dividend is established.

Notes forming part of the Financial Statements

2.5.1.3 Fee and Commission Income

Fee and commission income include fees other than those that are an integral part of EIR. The Company recognises the fee and commission income in accordance with the terms of the relevant contracts / agreement and when it is probable that the Company will collect the consideration.

2.5.1.4 Other Income

Other Income represents income earned from the activities incidental to the business and is recognised when the right to receive the income is established as per the terms of the contract.

2.5.2 Financial Instruments

2.5.2.1 Fair Valuation of Investments

Some of the Company's Investments are measured at fair value. In determining the fair value of such Investments, the Company uses quoted prices (unadjusted) in active markets for identical assets or based on inputs which are observable either directly or indirectly. However in certain cases, the Company adopts valuation techniques and inputs which are not based on market data. When Market observable information is not available, the Company has applied appropriate valuation techniques and inputs to the valuation model.

2.5.2.2 Recognition and Initial Measurement

All financial assets and liabilities, with the exception of loans and borrowings are initially recognised on the trade date, i.e., the date that the Company becomes a party to the contractual provisions of the instrument.

Loans are recognised when fund transfer is initiated or disbursement cheque is issued to the customer. The Company recognises borrowings (other than debt securities) when funds are received by the Company.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs and revenues that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities measured at FVTPL) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs and revenues directly attributable to the acquisition of financial assets or financial liabilities measured at FVTPL are recognised immediately in the statement of profit and loss.

2.5.2.3 Classification and Subsequent Measurement of Financial Assets and Liabilities

2.5.2.3.1 Financial Assets

The Company classifies and measures all its financial assets based on the business model for managing the assets and the asset's contractual terms, either at:

- Amortised cost
- Fair Value through other comprehensive income
- Fair Value through Profit and Loss

2.5.2.3.1.1 Amortised Cost

The Company classifies and measures cash and bank balances, Loans, Trade receivable, certain debt investments and other financial assets at amortised cost if the following condition is met:

Financial Assets that are held within a business model whose objective is to hold financial assets in order to collect the contractual cash flows, and that have contractual cash flows that are SPPI;

Notes forming part of the Financial Statements

2.5.2.3.1.2 Fair Value through Other Comprehensive Income ("FVOCI")

The Company classifies and measures certain debt instruments at FVOCI when the investments are held within a business model, the objective of which is achieved by both, collecting contractual cash flows and selling the financial instruments and the contractual terms of the financial instruments meet the Solely Payment of Principal and Interest on principal amount outstanding ('SPPI') test.

The Company measures all equity investments at fair value through profit or loss, unless the investments is not for trading and the Company's management has elected to classify irrevocably some of its equity instruments at FVOCI, when such instruments meet the definition of Equity under Ind AS 32 Financial Instruments: Presentation and are not held for trading. Such classification is determined on an instrument- by-instrument basis.

2.5.2.3.1.3 Fair Value through Profit and Loss ("FVTPL")

Financial assets at FVTPL are:

- assets with contractual cash flows that are not SPPI; and/or
- assets that are held in a business model other than held to collect contractual cash flows or held to collect and sell; or
- assets designated at FVTPL using the fair value option.

These assets are measured at fair value, with any gains/losses arising on remeasurement is recognised in the statement of profit and loss.

2.5.2.4 Evaluation of Business Model

Classification and measurement of financial instruments depends on the results of the Solely Payments of Principal and Interest on the principal amount outstanding ("SPPI") and the business model test (refer note 2.5.2.4.1). The Company determines the business model at a level that reflects how the Company's financial instruments are managed together to achieve a particular business objective.

The Company monitors financial assets measured at amortised cost or fair value through other comprehensive income that are derecognised prior to their maturity to understand the reason for their disposal and whether the reasons are consistent with the objective of the business for which the asset was held. Monitoring is part of the Company's continuous assessment of whether the business model for which the remaining financial assets are held continues to be appropriate and if it is not appropriate whether there has been a change in business model and so a prospective change to the classification of those instruments.

2.5.2.4.1 Business Model Test

An assessment of business model for managing financial assets is fundamental to the classification of a financial asset. The Company determines the business model at a level that reflects how financial assets are managed together to achieve a particular business objective. The Company's business model does not depend on management's intentions for an individual instrument, therefore the business model assessment is performed at a higher level of aggregation rather than on an instrument-by-instrument basis.

The Company considers all relevant information and evidence available when making the business model assessment such as:

- how the performance of the business model and the financial assets held within that business model are evaluated and reported to the Company's key management personnel;
- the risks that affect the performance of the business model (and the financial assets held within that business model) and, in particular, the way in which those risks are managed; and
- how managers of the business are compensated (e.g. whether the compensation is based on the fair value of the assets managed or on the contractual cash flows collected).

Notes forming part of the Financial Statements

At initial recognition of a financial asset, the Company determines whether newly recognised financial assets are part of an existing business model or whether they reflect a new business model. The Company reassesses its business model at each reporting period to determine whether the business model has changed since the preceding period. For the current and prior reporting period the Company has not identified a change in its business model.

Solely Payments of Principal and Interest (“SPPI”) on the principal amount outstanding

For an asset to be classified and measured at amortised cost or at FVOCI, its contractual terms should give rise to cash flows that meet SPPI test.

For the purpose of SPPI test, principal is the fair value of the financial asset at initial recognition. That principal amount may change over the life of the financial asset (e.g. if there are repayments of principal). Interest consists of consideration for the time value of money, for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs, as well as a profit margin.

Contractual terms that introduce exposure to risks or volatility in the contractual cash flows that are unrelated to a basic lending arrangement, such as exposure to changes in equity prices or commodity prices, do not give rise to contractual cash flows that are SPPI, such financial assets are either classified as fair value through profit & loss account or fair value through other comprehensive income.

2.5.2.4.1.1 Subsequent Measurement and Gain and Losses

Financial Assets at Amortised Cost

These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income and impairment loss are recognised in statement of profit and loss. Any gain or loss on derecognition is recognised in statement of profit and loss.

Debt Instrument at FVOCI

These assets are subsequently measured at fair value. Interest income and impairment loss are recognised in statement of profit and loss. Any gain or loss on subsequent measurement is recognised in OCI and on derecognition the cumulative gain or loss recognised in OCI will be recycled to statement of profit and loss.

Equity Instrument at FVOCI

Gains and losses on equity instruments measured at FVOCI are recognised in other comprehensive income and never recycled to the statement of profit and loss. Dividends are recognised in profit or loss as dividend income when the right to receive payment has been established, except when the Company benefits from such proceeds as a recovery of whole or part of the cost of the instrument, in which case, such gains are recorded in OCI. Equity instruments at FVOCI are fair valued at each reporting date and not subject to an impairment assessment.

Financial Assets at FVTPL

These assets are subsequently measured at fair value. Net gain or losses, including any interest or dividend income, are recognised in the statement of profit and loss.

2.5.2.4.1.2 Reclassifications

If the business model under which the Company holds financial assets changes, the financial assets affected are reclassified. The classification and measurement requirements related to the new category apply prospectively from the first day of the first reporting period following the change in business model that result in reclassifying the Company's financial assets.

Notes forming part of the Financial Statements

2.5.2.4.2 Financial Liabilities and Equity Instruments

2.5.2.4.2.1 Classification as Debt or Equity

Debt and equity instruments that are issued are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangement.

A financial liability is a contractual obligation to deliver cash or another financial asset or to exchange financial assets or financial liabilities with another entity under conditions that are potentially unfavourable to the Company or a contract that will or may be settled in the Company's own equity instruments and is a non-derivative contract for which the Company is or may be obliged to deliver a variable number of its own equity instruments, or a derivative contract over own equity that will or may be settled other than by the exchange of a fixed amount of cash (or another financial asset) for a fixed number of the Company's own equity instruments.

2.5.2.4.2.2 Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the face value and proceeds received in excess of the face value are recognised as Securities Premium.

2.5.2.4.2.3 Subsequent Measurement and Gain and Losses

Financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense is recognised in statement of profit and loss. Any gain or loss on derecognition is recognised in statement of profit and loss.

2.5.2.5 Impairment and Write-off

The Company recognises loss allowances for Expected Credit Losses on the following financial instruments that are not measured at FVTPL:

- Loans and advances to customers;
- Other financial assets;
- Loan commitments

Equity instruments are measured at fair value and not subject to an impairment loss.

ECL is required to be measured through a loss allowance at an amount equal to:

- 12-month ECL, i.e., loss allowance on default events on the financial instrument that are possible within 12 months after the reporting date, (referred to as Stage 1); or
- Lifetime ECL, i.e. lifetime ECL that results from all possible default events over the life of the financial instrument, (referred to as Stage 2 and Stage 3).

A loss allowance for lifetime ECL is required for a financial instrument if the credit risk on that financial instrument has increased significantly since initial recognition. For all other financial instruments, ECL is measured at an amount equal to the 12-month ECL.

The Company has established a policy to perform an assessment at the end of each reporting period whether a financial instrument's credit risk has increased significantly since initial recognition by considering the change in the risk of default occurring over the remaining life of the financial instruments.

Based on the above process, the Company categorises its loans into Stage 1, Stage 2 and Stage 3 as described below:

Stage 1: When loans are first recognised, the Company recognises an allowance based on 12 months ECL. Stage 1 loans also include facilities where the credit risk has improved and the loan has been reclassified from Stage 2 to Stage 1.

Notes forming part of the Financial Statements

Stage 2: When a loan has shown a significant increase in credit risk since origination, the Company records an allowance for the life time expected credit losses. Stage 2 loans also include facilities, where the credit risk has improved and the loan has been reclassified from Stage 3 to Stage 2.

Stage 3: When loans are considered credit-impaired, the Company records an allowance for the life time expected credit losses.

For financial assets for which the Company has no reasonable expectations of recovering either the entire outstanding amount, or a proportion thereof, the gross carrying amount of the financial asset is reduced. This is considered a (partial) derecognition of the financial asset.

2.5.2.6 Determination of Expected Credit Loss ("ECL")

The measurement of impairment losses (ECL) across all categories of financial assets requires judgement.

In particular, the estimation of the amount and timing of future cash flows based on Company's historical experience and collateral values when determining impairment losses along with the assessment of a significant increase in credit risk. These estimates are driven by a number of factors, changes in which can result in different levels of allowances.

Elements of the ECL models that are considered accounting judgments and estimates include:

- Bifurcation of the financial assets into different portfolios when ECL is assessed on a collective basis.
- Company's criteria for assessing if there has been a significant increase in credit risk.
- Development of ECL models, including choice of inputs / assumptions used.

The various inputs used and the process followed by the Company in measurement of ECL has been detailed below.

2.5.2.6.1 Measurement of Expected Credit Losses

The Company calculates ECL based on probability-weighted scenarios to measure expected cash shortfalls, discounted at an approximation to the portfolio. A cash shortfall is a difference between the cash flows that are due to the Company in accordance with the contract and the cash flows that the Company expects to receive.

When estimating ECL for undrawn loan commitments, the Company estimates the expected portion of the loan commitment that will be drawn down over its expected life. The ECL is then based on the present value of the expected shortfalls in cash flows if the loan is drawn down. The expected cash shortfalls are discounted at an approximation to the Interest rate on the loan.

The Company measures ECL on an individual basis, or on a collective basis for portfolios of loans that share similar economic risk characteristics. The measurement of the loss allowance is based on the present value of the asset's expected cash flows using the asset's original EIR, regardless of whether it is measured on an individual basis or a collective basis.

The mechanics of the ECL calculations are outlined below and the key elements are, as follows:

Exposure at Default (EAD) is based on the amounts the Company expects to be owed at the time of default. For a revolving commitment, the Company includes the current drawn balance plus any further amount that is expected to be drawn up to the current contractual limit by the time of default, should it occur.

Probability of Default (PD) represents the likelihood of a borrower defaulting on its financial obligation (as per "Definition of default and credit-impaired") either over the next 12 months (12 months PD), or over the remaining lifetime (Lifetime PD) of the obligation.

Notes forming part of the Financial Statements

Loss Given Default (LGD) represents the Company's expectation of the extent of loss on a defaulted exposure. LGD varies by type of counterparty, type and preference of claim and availability of collateral or other credit support.

Forward-looking economic information (including management overlay) is included in determining the 12-month and lifetime PD, EAD and LGD. The assumptions underlying the expected credit loss are monitored and reviewed on an ongoing basis.

2.5.2.6.2 Significant Increase in Credit Risk

The Company monitors all financial assets, including loan commitments contracts issued that are subject to impairment requirements, to assess whether there has been a significant increase in credit risk since initial recognition. If there has been a significant increase in credit risk the Company measures the loss allowance based on lifetime rather than 12-month ECL. The Company monitors all financial assets, issued loan commitments and financial guarantee contracts that are subject to impairment for a significant increase in credit risk.

In assessing whether the credit risk on a financial instrument has increased significantly since initial recognition, the Company compares the risk of a default occurring on the financial instrument at the reporting date based on the remaining maturity of the instrument with the risk of a default occurring that was anticipated for the remaining maturity at the current reporting date when the financial instrument was first recognised. In making this assessment, the Company considers both quantitative and qualitative information that is reasonable and supportable, including historical experience that is available without undue cost or effort.

The quantitative factors that indicate a significant increase in credit risk are reflected in PD models on a timely basis. However, the Company still considers separately some qualitative factors to assess if credit risk has increased significantly. For corporate lending, there is a particular focus on assets that are included on a 'watch list'. Given an exposure is on a watch list once, there is a concern that the credit worthiness of the specific counterparty has deteriorated. ECL assessment for watch list accounts is done on a case by case approach after considering the probability of weighted average in a different recovery scenario. For individual loans the Company considers the expectation of forbearance, payment holidays, and events such as unemployment, bankruptcy, divorce, or death.

Given that a significant increase in credit risk since initial recognition is a relative measure, a given change, in absolute terms, in the PD is more significant for a financial instrument with a lower initial PD than compared to a financial instrument with a higher PD.

As a back-stop when a financial asset becomes past due but not Stage 3; the Company considers that a significant increase in credit risk has occurred and the asset is classified in stage 2 of the impairment model, i.e. the loss allowance is measured as the lifetime ECL.

2.5.2.6.3 Credit-Impaired Financial Assets

A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred. Credit-impaired financial assets are referred to as Stage 3 assets. Evidence of credit-impairment includes observable data about the following events:

- significant financial difficulty of the borrower or issuer;
- a breach of contract such as a default or past due event;
- restructuring of loans due to financial difficulty of the borrowers;
- the disappearance of an active market for a security because of financial difficulties; or
- the purchase of a financial asset at a deep discount that reflects the incurred credit losses.

Notes forming part of the Financial Statements

It may not be possible to identify a single discrete event. Instead the combined effect of several events may have caused financial assets to become credit-impaired. The Company assesses whether debt instruments that are financial assets measured at amortised cost are credit-impaired at each reporting date. To assess if corporate debt instruments are credit impaired, the Company considers factors such as bond yields, credit ratings and the ability of the borrower to raise funds.

A loan is considered credit-impaired when a concession is granted to the borrower due to deterioration in the borrower's financial condition. The definition of default includes unlikelihood to pay indicators and a back-stop if amounts are overdue for more than 90 days.

2.5.2.6.4 Definition of Default

The definition of default is used in measuring the amount of ECL and in the determination of whether the loss allowance is based on 12-month or lifetime ECL.

The Company considers the following as constituting an event of default:

- the borrower is past due more than 90 days + Accounts Identified by the Company as NPA as per regulatory guidelines + Objective Evidence for impairment (Qualitative Overlay); or
- the borrower is unlikely to pay its credit obligations to the Company.

When assessing if the borrower is unlikely to pay its credit obligation, the Company takes into account both qualitative and quantitative indicators. The information assessed depends on the type of the asset, for example in corporate lending a qualitative indicator used is the breach of covenants, which is not as relevant for individual lending. Quantitative indicators, such as overdue status and non-payment on another obligation of the same counterparty are key inputs in this analysis.

2.5.2.6.5 Write-off

Loans are written off when the Company has no reasonable expectations of recovering the financial asset (either in its entirety or a portion of it). This is the case when the Company determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. A write-off constitutes a derecognition event. The Company may apply enforcement activities to financial assets written off/ may assign / sell loan exposure to ARC / Bank / a financial institution for a negotiated consideration. Recoveries resulting from the Company's enforcement activities could result in impairment gains.

2.5.2.7 Modification and Derecognition of Financial Assets

A modification of a financial asset occurs when the contractual terms governing the cash flows of a financial asset are renegotiated or otherwise modified between the initial recognition and maturity of the financial asset. A modification affects the amount and/or timing of the contractual cash flows either immediately or at a future date. In addition, the introduction or adjustment of existing covenants of an existing loan would constitute a modification even if these new or adjusted covenants do not yet affect the cash flows immediately but may affect the cash flows depending on whether the covenant is or is not met (e.g. a change to the increase in the interest rate that arises when covenants are breached).

The Company renegotiates loans to customers in financial difficulty to maximize collection and minimize the risk of default. Loan forbearance is granted in cases where although the borrower made all reasonable efforts to pay under the original contractual terms, there is a high risk of default or default has already happened and the borrower is expected to be able to meet the revised terms. The revised terms in most of the cases include an extension of the maturity of the loan, changes to the timing of the cash flows of the loan (principal and interest repayment), reduction in the amount of cash flows due (principal and interest forgiveness) and amendments to covenants.

Notes forming part of the Financial Statements

When a financial asset is modified the Company assesses whether this modification results in derecognition. In accordance with the Company's policy, a modification results in derecognition when it gives rise to substantially different terms. To determine if the modified terms are substantially different from the original contractual terms the Company considers the following:

Qualitative factors, such as contractual cash flows after modification, are no longer SPPI, change in currency or change of counterparty, the extent of change in interest rates, maturity, covenants, if these do not clearly indicate a substantial modification, then; a quantitative assessment is performed to compare the present value of the remaining contractual cash flows under the original terms with the contractual cash flows under the revised terms, both amounts discounted at the original EIR. If there is a significant difference in present value, the Company deems the arrangement substantially different, leading to derecognition.

In the case where the financial asset is derecognised the loss allowances for ECL is remeasured at the date of derecognition to determine the net carrying amount of the asset at that date. The difference between this revised carrying amount and the fair value of the new financial asset with the revised terms may lead to a gain or loss on derecognition. The new financial asset may have a loss allowance measured based on 12-month ECL except where the new loan is considered to be originated-credit impaired. This applies only in the case where the fair value of the new loan is recognised at a significant discount to its revised par amount because there remains a high risk of default which has not been reduced by the modification. The Company monitors the credit risk of modified financial assets by evaluating qualitative and quantitative information, such as if the borrower is in past due status under the new terms.

When the contractual terms of a financial asset are modified and the modification does not result in derecognition, the Company determines if the financial asset's credit risk has increased significantly since initial recognition by comparing:

- The remaining lifetime PD estimated based on data at initial recognition and the original contractual terms;
- The remaining lifetime PD at the reporting date based on the modified terms.

For financial assets modified, where modification does not result in derecognition, the estimate of PD reflects the Company's ability to collect the modified cash flows taking into account the Company's previous experience of similar forbearance action, as well as various behavioural indicators, including the borrower's payment performance against the modified contractual terms. If the credit risk remains significantly higher than what was expected at initial recognition, the loss allowance is continued to be measured at an amount equal to lifetime ECL. The loss allowance on forborne loans is generally measured based on 12-month ECL when there is evidence of the borrower's improved repayment behaviour following modification leading to a reversal of the previous significant increase in credit risk.

Where a modification does not lead to derecognition, the Company calculates the modification gain/loss comparing the gross carrying amount before and after the modification (excluding the ECL allowance). Then the Company measures ECL for the modified asset, where the expected cash flows arising from the modified financial asset are included in calculating the expected cash shortfalls from the original asset.

The Company derecognises a financial asset only when the contractual rights to the asset's cash flows expire (including expiry arising from a modification with substantially different terms), or when the financial asset and substantially all the risks and rewards of ownership of the asset are transferred to another entity. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the

Notes forming part of the Financial Statements

cumulative gain/loss that had been recognized in OCI and accumulated in equity is recognised in the statement of profit and loss, with the exception of equity investment designated as measured at FVOCI, where the cumulative gain/loss previously recognised in OCI is not subsequently reclassified to the statement of profit and loss.

On derecognition of a financial asset other than in its entirety (e.g. when the Company retains an option to repurchase part of a transferred asset), the Company allocates the previous carrying amount of the financial asset between the part it continues to recognise under continuing involvement, and the part it no longer recognises on the basis of the relative fair values of those parts on the date of the transfer. The difference between the carrying amount allocated to the part that is no longer recognised and the sum of the consideration received for the part no longer recognised and any cumulative gain/loss allocated to it that had been recognised in OCI is recognised in the statement of profit and loss. A cumulative gain/loss that had been recognised in OCI is allocated between the part that continues to be recognised and the part that is no longer recognised on the basis of the relative fair values of those parts. This does not apply for equity investments designated as measured at FVOCI, as the cumulative gain/loss previously recognised in OCI is not subsequently reclassified to the statement of profit and loss.

2.5.2.8 Derecognition of Financial Liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the statement of profit and loss.

2.5.3 Property, Plant and Equipment ("PPE")

PPE held for use are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses.

PPE is recognised when it is probable that future economic benefits associated with the item is expected to flow to the Company and the cost of the item can be measured reliably. PPE is stated at original cost net of tax/duty credits availed, if any, less accumulated depreciation and cumulative impairment, if any. Administrative and other general overhead expenses that are specifically attributable to acquisition of PPE are allocated and capitalised as a part of the cost of the PPE.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the statement of profit and loss.

2.5.4 Intangible Assets

Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the asset will flow to the Company and the cost of the asset can be measured reliably. Intangible assets are stated at original cost net of tax/duty credits availed, if any, less accumulated amortisation and cumulative impairment. Administrative and other general overhead expenses that are specifically attributable to acquisition of intangible assets are allocated and capitalised as a part of the cost of the intangible assets.

Intangible assets not ready for the intended use on the date of Balance Sheet are disclosed as "Intangible assets under development".

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains and losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the assets are recognised in the statement of profit and loss when the asset is derecognised.

Notes forming part of the Financial Statements

2.5.5 Capital work-in-progress

Capital work in progress includes assets not ready for the intended use and is carried at cost, comprising direct cost and related incidental expenses.

2.5.6 Depreciation and Amortisation

Depreciation is recognised using written down value method so as to write off the cost of the assets less their residual values over their estimated useful lives specified in Schedule II to the Act. Depreciation method is reviewed at each financial year end to reflect expected pattern of consumption of the future economic benefits embodied in the asset. The estimated useful life and residual values are also reviewed at each financial year end with the effect of any change in the estimates of useful life/residual value is recognised on prospective basis.

Depreciation for additions to/deductions from, owned assets is calculated pro rata to the period of use.

The useful life of the property, plant, equipment and Intangible Assets held by the Company is as follows:

Class of Assets	Useful Life
Laptop	3 years
Server	6 years
Computer Software	3 years

Intangible assets with finite useful lives are amortised on written down value basis over the estimated useful life. The method of amortisation and useful life are reviewed at the end of each accounting year with the effect of any changes in the estimate being accounted for on a prospective basis.

The company has changed the method of calculation of depreciation on Intangible Assets (having written down value of Rs.0.09 lakh as at March 31, 2021) from straight line method to written down value method. The impact of this change on the net profit before tax of the Company is Rs. 0.03 lakh.

Intangible assets with indefinite useful lives are tested for impairment by comparing its recoverable amount with its carrying amount annually and whenever there is an indication that the intangible asset may be impaired.

2.5.7 Impairment of Assets other than Financial Instruments

As at the end of each accounting year, the Company reviews the carrying amounts of its PPE and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If such indication exists, the PPE and intangible assets are tested for impairment so as to determine the impairment loss, if any.

2.5.8 Employee Benefits

Short term Employee Benefits

Employee benefits falling due within twelve months of rendering the service are classified as short term employee benefits and are expensed in the period in which the employee renders the related service. Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

Defined Contribution Plans

Contributions to defined contribution schemes such as employees' state insurance, employee provident fund and employee pension scheme etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. Company's provident fund contribution is made to a government administered

Notes forming part of the Financial Statements

fund and charged as an expense to the Statement of Profit and Loss. The above benefits are classified as Defined Contribution Schemes as the Company has no further defined obligations beyond the monthly contributions.

Post-employment Benefits

The Company operates defined benefit plan in the form of gratuity and compensated absence. The liability or asset recognised in the balance sheet in respect of its defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method. The present value of the said obligation is determined by discounting the estimated future cash out flows, using market yields of government bonds that have tenure approximating the tenures of the related liability. The interest expenses are calculated by applying the discount rate to the net defined benefit liability or asset. The net interest expense on the net defined benefit liability or asset is recognised in the Statement of Profit and loss. Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other items of other comprehensive income. They are included in Other Equity in the Statement of Changes in Equity and in the Balance Sheet. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

2.5.9 Leases

The Company as Lessee

The Company's lease asset classes primarily consist of leases for office premises. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- (i) the contract involves the use of an identified asset
- (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and
- (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee.

Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

Notes forming part of the Financial Statements

2.5.10 Dividends on Equity Shares

The Company recognises a liability to make cash distributions to equity shareholders of the Company when the dividend is authorised and the distribution is no longer at the discretion of the Company and a corresponding amount is recognised directly in equity. As per the corporate laws in India, an interim dividend is authorised when it is approved by the Board of Directors and final dividend is authorised when it is approved by the shareholders.

2.5.11 Cash and Cash Equivalents

Cash comprises of cash on hand and demand deposits with banks. Cash equivalents are short-term deposits with banks (with an original maturity of three months or less from the date of placement) and cheques on hand. Short term and liquid investments being subject to more than insignificant risk of change in value, are not included as part of cash and cash equivalents.

2.5.12 Securities Premium Account

Securities premium is credited when shares are issued at premium. It can be used to issue bonus shares, to provide for premium on redemption of shares and issue expenses of securities which qualify as equity instruments.

2.5.13 Finance Costs

Finance costs include interest expense calculated using the EIR on respective financial instruments and borrowings is measured at amortised cost, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

2.5.14 Foreign Currencies

- (i) Functional currency of the Company and foreign operations has been determined based on the primary economic environment in which the Company and its foreign operations operate considering the currency in which funds are generated, spent and retained.
- (ii) Transactions in currencies other than the Company's functional currency are recorded on initial recognition using the exchange rate at the transaction date. At each Balance Sheet date, foreign currency monetary items are reported at the rates prevailing at the year-end. Non-monetary items that are measured in terms of historical cost in foreign currency are not retranslated.

Exchange differences that arise on settlement of monetary items or on reporting of monetary items at each Balance Sheet date at the closing spot rate are recognised in the Statement of Profit and Loss in the period in which they arise.

2.5.15 Segments

Operating segments are those components of the business whose operating results are regularly reviewed by the Chief Operating Decision making body in the Company to make decisions for performance assessment and resource allocation. Operating Segment are reported in a manner consistent with the internal reporting provided to accounting policies are in line with the internal reporting provided to the Chief Operating Decision maker.

2.5.16 Earnings Per Share

Basic earnings per share is computed by dividing profit or loss attributable to ordinary equity holders by the weighted average number of shares outstanding during the year. Diluted earnings per share is computed using the weighted average number of shares and dilutive potential shares, except where the result would be anti-dilutive.

Notes forming part of the Financial Statements

2.5.17 Taxes on Income

The Company's tax jurisdiction is in India. Significant judgements are involved in determining the provision for income taxes, including amount expected to be paid/recovered for certain tax positions.

Income tax expense comprises current and deferred taxes. Income tax expense is recognized in the statement of profit and loss except when they relate to items that are recognized outside statement of profit and loss (whether in other comprehensive income or directly in equity), in which case tax is also recognized outside statement of profit and loss.

Deferred tax assets and liabilities are recognized for the future tax consequences of temporary differences between the carrying values of assets and liabilities and their respective tax bases, and unutilized business loss and depreciation carry-forwards. Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses and depreciation carry-forwards could be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date, and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured based on the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

The Company provides for current tax liabilities at the best estimate that is expected to be paid to the tax authorities where an outflow is probable.

2.5.18 Goods and Services Tax Input Credit

Goods and Services tax input credit is recognised in the books of account in the period in which the supply of goods or service received is recognised and when there is no uncertainty in availing/utilising the credits.

2.5.19 Provisions, Contingent Liabilities and Contingent Assets

(a) Provisions are recognised only when:

- (i) The Company has a present obligation (legal or constructive) as a result of a past event; and
- (ii) It is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- (iii) A reliable estimate can be made of the amount of the obligation.

Provision is measured using the cash flows estimated to settle the present obligation and when the effect of time value of money is material, the carrying amount of the provision is the present value of those cash flows.

(b) Contingent Liability is disclosed in case of:

- (i) A present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation; or
- (ii) A present obligation arising from past events, when no reliable estimate is possible.

Notes forming part of the Financial Statements

Where the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under such contract, the present obligation under the contract is recognised and measured as a provision.

(c) Contingent Assets:

- (i) Contingent assets are not recognised in the financial statements.
- (ii) Contingent assets are disclosed where an inflow of economic benefits is probable.

Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date.

2.5.20 Commitments

Commitments are future liabilities for contractual expenditure, classified and disclosed as follows:

- a) Estimated amount of contracts remaining to be executed on capital account and not provided for;
- b) Uncalled liability on shares and other investments partly paid;
- c) Funding related commitment to associate and joint venture companies; and
- d) Other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of management.

2.5.21 Statement of Cash Flows

Statement of Cash Flows is prepared segregating the cash flows into operating, investing and financing activities. Cash flow from operating activities is reported using indirect method adjusting the net profit for the effects of:

- i. changes during the period in operating receivables and payables transactions of a non-cash nature;
- ii. non-cash items such as depreciation, provisions, deferred taxes, unrealised foreign currency gains and losses; and
- iii. All other items for which the cash effects are investing or financing cash flows.

Cash and cash equivalents (including bank balances) shown in the Statement of Cash Flows exclude items which are not available for general use as on the date of Balance Sheet.

3. Recent Accounting Developments

3.1 Law enacted but not effective

The Code on Social Security, 2020 ('Code') relating to employee benefits during employment and post-employment benefits received Indian Parliament's approval and Presidential assent in September 2020. The Code has been published in the Gazette of India and subsequently, on November 13, 2020, draft rules were published and stakeholders' suggestions were invited. However, the date on which the Code will come into effect has not been notified. The Company will assess the impact of the Code when it comes into effect and will record any related impact in the period the Code becomes effective.

3.2 Amendments in Ind AS

Ministry of Corporate Affairs (MCA), vide notification dated March 23, 2022, has made the following amendments to Ind AS which are effective from April 01, 2022:

- (a) Ind AS 109 – Annual Improvements to Ind AS (2021)
The amendment clarifies which fees are to be included by an entity when it applies the '10 percent' test of Ind AS 109 in assessing whether to derecognise a financial liability. The Company does not expect the amendment to have any significant impact in its financial statements.

Notes forming part of the Financial Statements

- (b) Ind AS 37 – Onerous Contracts - Costs of Fulfilling a Contract
The amendments specify that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts. The amendment is essentially a clarification and the Company does not expect the amendment to have any significant impact in its financial statements.
- (c) Ind AS 16 – Proceeds before intended use
The amendments mainly prohibit an entity from deducting from the cost of property, plant and equipment amounts received from selling items produced while the entity is preparing the asset for its intended use. Instead, an entity will recognise such sales proceeds and related cost in profit or loss. The Company does not expect the amendments to have any impact in its financial statements.
- (d) Ind AS 103 – Reference to Conceptual Framework
The amendments specify that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired and liabilities assumed must meet the definitions of assets and liabilities in the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India at the acquisition date. The Company does not expect the amendment to have any significant impact in its financial statements.

37. Financial Risk Management

The Company is mainly engaged in Investment and Finance Activities. The Company's principal financial liabilities comprise borrowings and other payables. The main purpose of these financial liabilities is to finance and support Company's operations. The Company's principal financial assets include loans, Investments, cash and cash equivalents and receivables.

The risk management policies of the Company are established to identify and analyses the risks faced by the Company, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

The Company is exposed to credit risk, market risk and liquidity risk. The Company's management oversees the management of these risks to ensure the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with Company's policies and risk objectives. The major risks are summarized below:

37.1 Credit Risk

Credit risk is the risk that the counterparty will not meet its obligations under a financial instrument or a customer contract, leading to financial loss. The Company is exposed to credit risk from its financing activities towards Loans to various clients. The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. Credit risk has always been managed by the company through credit approvals, establish credit limits and continuous monitoring the credit worthiness of customers to which the company grants credit terms in the normal course of business.

Financial assets are written off when there is no reasonable expectation of recovery, such as a borrower failing to engage in a repayment plan with the Company. Where loans/interest have been written off, the Company continues to engage in enforcement activity to attempt to recover the loans/receivable due. Where recoveries are made, these are recognized as income in the statement of profit and loss.

Notes forming part of the Financial Statements

The Company measures the expected credit loss of trade receivables/loans based on historical trend, available external and internal credit risk factors such as financial condition, ageing of accounts receivable etc., industry practices and the business environment in which the entity operates. Loss rates are based on actual credit loss experience and past trends.

As at March 31, 2022, the company did not consider there to be any significant concentration of credit risk, which had not been adequately provided for. 38.2.2 Measurement of fair values

The above table provides an analysis of financial instruments that are measured subsequent to initial recognition at fair value, grouped into Level 1 to Level 3, as described below:

- Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 - Input other than quoted prices included within Level 1 that are observable for the assets or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3- Inputs for the assets or the liabilities that are not based on observable market data (unobservable Inputs)

Valuation Methodologies of financial instruments measured at fair value

- Listed Equity shares are measured on the basis of closing rate of the stock exchange where equity shares are listed.
- Mutual Funds are measured based on the published net asset value (NAV) by AMFI and are classified as Level 1.
- Alternative Investments Funds and Fixed Maturity Plan are measured on the latest NAV provided by the fund house and are classified as level 3.

(i) Fair value of financial assets and liabilities measured at amortised cost :-

Particulars	(Rs. in lakhs)	
	March 31, 2022	March 31, 2021
Bonds	-	193.38
Lease liability	-	7.09

The fair value of the financial assets are included at amounts at which the instruments could be exchanged in a current transaction between willing parties other than in a forced or liquidation sale.

(ii) The following methods and assumptions are used to estimate the fair value:

(a) Fair value of cash and cash equivalents, trade and other receivables, other payables and other financial liabilities, approximate their carrying amounts largely due to the short-term maturities of these instruments.

(b) Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for the expected losses of these receivables.

43 Pursuant to the Share Purchase Agreement entered into between the Sellers ("Outgoing Promoters") and Hindon Mercantile Limited and Kapil Garg ("Acquirers") on November 27, 2021, the Acquirers have acquired entire stake from the Outgoing Promoters resulting in change in management control w.e.f March 09, 2022. Consequently, the Acquirers are the new Promoters of the Company and the Outgoing Promoters have ceased to (i) hold any shares in the Company, (ii) hold control of the Company and (iii) be the Promoters of the Company. In this regard, the Company has received "No objection" from the Reserve Bank of India. The application filed by the Company with the stock exchange for reclassification of outgoing promoters to public category is under process.

44 The Company's main business is Financing and Investing activities. All activities are carried out within India. As such there are no reportable segments as per Ind AS 108 - 'Operating Segments'.

45 The company does not see any challenge in the recoverability of the carrying values of its assets and to its liquidity position. The eventual outcome of impact of the COVID-19 pandemic may be different from those estimated as on the date of approval of these financial statements and the Company will continue to monitor any material changes to the future economic conditions.

46 Disclosure as per RBI Notifications / Circulars

46.1 Pursuant to RBI Circular RBI/2021-22/125 DOR.STR.REC.68/21.04.048/2021-22 dated November 12, 2021, on "Prudential Norms on Income Recognition, Asset Classification and Provisioning pertaining to Advances - Clarifications" the Company has taken necessary steps to revise its process of NPA classification to flag the borrower as overdue as part of the day-end process for the due date.

Further to this, on February 15, 2022, RBI allowed deferment of para 10 of the aforesaid circular till September 30, 2022 pertaining to upgrade of non performing accounts. However, the Company has not opted for the deferment.
