Limited Review Report for the Quarter ended on 30th June, 2023

Review Report to
The Board of Directors
Advance Syntex Ltd.
Vadodara.

- 1) We have reviewed the accompanying statement of unaudited financial results of **M/s. Advance Syntex Limited, Vadodara** for the quarter ended 30th June, 2023 and year to date results for the period 1st April, 2023 to 30th June, 2023. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.
- 2) We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
- 3) **Basis for Adverse Conclusion**
 - Refer to Note No 4 of the unaudited quarterly financial results, the company has defaulted in repayment of certain loans and interest to the banks and other financial institutions during the year and such banks or financial institutions have categorised dues from the company as a Non-performing Assets. Consequently, the company has not recognized interest expense on borrowing from such banks and other financial institutions.
 - Refer to Note No 5 of the unaudited quarterly financial results, the bank has taken over the possession of Factory Land and Building of the company according to the order of Hon. Chief Judicial Magistrate, Vadodara under the provisions of the Securitization and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 on 11th July, 2023. In view of this action taken by the bank the company is not able to carry out its manufacturing activity onwards which affect the "Going Concern" of the company.
 - Refer to note No 6 of the unaudited quarterly financial results, the NBFC has taken over the possession of property held by one of the guarantor which was given as security against the loan granted to the company.

As a result, finance cost, liabilities on account of interest and total comprehensive loss is understated.

- The accounts of trade receivable, trade payables and advances are subject to reconciliation /confirmation / impairment / provision. The management has not initiated any legal action against such old outstanding trade receivables. The management has not provided any information about this old outstanding trade receivables. Hence, we are unable to quantify the amount for provision or impairment of such trade receivables.
- The inventory consists of many slow-moving items which is resulted to cash liquidity problem to the company. As the inventory consist of many slow -moving items, the

company is required to assess the NRV of such slow – moving inventory and derive the value of inventory accordingly. The company's management is not able to derive NRV of such slow – moving items, hence we are unable to quantify the impaired value of such slow- moving items.

As a result, the inventory and trade receivable are required to be impaired. Hence, total comprehensive loss is understated.

- 4) Based on our review as stated in para 2 above, and for reason stated above in para 3 of basis for adverse conclusion , the accompanying statement of unaudited financial results has not been prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

5) **Emphasis of Matter**

We draw your attention below:

- i. The company has continued to incur losses resulting in reduction in Net-worth, and severe Liquidity Constraints; Some Banks or financial institutions have recalled their loans.
- ii. That the Company cannot be categorised as a Going Concern in view of the accounting standards generally accepted in India.
- iii. **The accounts of trade receivable, trade payables and advances are subject to reconciliation /confirmation / impairment / provision. The management has not initiated any legal action against such old outstanding trade receivables. The management has not provided any information about this old outstanding trade receivables. Hence, we are unable to quantify the amount for provision or impairment of such trade receivables.**
- iv. **The inventory consists of many slow-moving items which is resulted to cash liquidity problem to the company. As the inventory consist of many slow -moving items, the company is required to assess the NRV of such slow – moving inventory and derive the value of inventory accordingly. The company's management is not able to derive NRV of such slow – moving items, hence we are unable to quantify the impaired value of such slow- moving items.**
- v. Majority of the lenders of the Company have not charged interest on outstanding loan dues, since the dues from the Company were categorised as a Non-performing Asset with certain Banks and financial institutions. Accordingly, the Company has not provided for accrued interest on outstanding Loans of such Banks and financial institutions for the period ended on 30th June, 2023 and we are unable to quantify the amount of interest to be provided on such borrowing due to non-availability of confirmation of balances form such banks and other financial institutions.

Our conclusion is not modified in respect of these matters.
