The Chairman welcomed the Members who attended the 49th Annual General Meeting of the Company through Video Conferencing and introduced the Directors and confirmed the presence of the Auditors and the Key Managerial Personnel of the Company.

The requisite quorum having present, the Chairman declared the meeting to order and the proceedings of the meeting commenced.

The Chairman delivered his brief speech stating that the India's GDP has reached \$3.75 trillion in 2023, from around \$2 trillion in 2014; moving from 10th largest to 5th largest economy in the world. India is now being called a bright spot in the global economy and has been forecasted to be one of the fastest growing economies in 2023-24 despite strong global headwinds and tighter domestic monetary policy, Indian economy is expected to grow in a range of 6.5-6.7 % in the Financial year 2023-24 supported by strong domestic drivers and robust momentum in capital expenditure, growth in private consumption and sustained pick up in private investment. A range of pragmatic and transformational policies of the government, which continued through the pandemic, helped catalyse a sharp economic recovery and resilience in the growth that India is currently witnessing.

The Chairman while outlining the outlook of the Company stated that the demand for warehouses in the Country rose to 24 per cent compared to the previous year and the top eight cities reached a record high of 51.3 million square feet (MSF) area in 2023. The demand was primarily driven by a surge in activities from the third-party logistics, manufacturing and retail sectors. This growth has also extended to secondary markets, supported by enhanced infrastructure such as highway networks, rail systems and air transportation. Indeed, there has been a noticeable shift in the occupier groups within the warehousing market. The third-party logistics providers and manufacturing companies have emerged as the primary players, indicating their increasing importance in the industry. The warehousing industry in India is currently experiencing remarkable growth and

presents an attractive investment opportunity in 2023 predicted to grow at 15.64% in the next 5 years. Bengaluru warehouse market is witnessing a surge in investment and being the hub for e-commerce and third-party logistics, inevitably supports the demand for warehousing space of the Company in Hosur. Considering the future opportunities your Company is planning further additions to the Warehousing capacity in Hosur.

The Chairman said that steps have been taken to increase supply of Spares and Accessories of Weaving & Textile Machines to overseas and domestic consumers by identifying new supply areas during the Financial Year 2023-24. The business for supply of Machinery Parts, Tool Holders, Spares and Accessories of 'C' type Looms to overseas and domestic consumers, will tend to increase.

The Chairman also expressed that the Indian automotive market is poised to reach a capex of about USD 3 billion in 2023 and the Indian auto component industry is set to become the 3rd largest globally by 2025. The emerging trends and the use of modern technologies in the automotive sector have opened up huge investment opportunities and the auto spare parts and components market is no exception. There are a multitude of trends such as technology advancements, shift towards electric and autonomous vehicles, increased focus on sustainability, and the rise of e-commerce and digitalization that are set to impact the market. Hence the Company is exploring the opportunities by identifying the prospects in the Auto parts and components market and to make in-roads in the business by entering into a product line / acquisitions etc to achieve growth in revenue of the Company.

The Chairman highlighted the Company's performance, future outlook and after considering the financial performance of the Company and said that the Board of Directors were pleased to recommend a dividend of Rs.10/- (Rupees ten) (10%) per Equity Share for the Financial year 2022-23 for approval of the Shareholders.

The Chairman thanked the Shareholders for their continued support and trust reposed in the Management, Indian Bank for their continued support, Members of the Board for their valuable guidance and co-operation and to the employees for their continued dedication and support.

As the Company enters into Golden year, the Chairman foresees opportunities for growth over the years and looks forward for an optimistic future and prays to Goddess Lakshmi to continue to guide and bless your Company's prosperity.

The Chairman informed that the Notice of the 49th AGM of the Shareholders containing the business had been emailed and with the approval of Shareholders would take it as read.

The Chairman on referring to Note No.17 appended to the Notice of the Annual General Meeting stated that no queries from the Members requiring any clarifications on accounts or operations of the Company were received.
