**Auditor's Report on Audited standalone Quarterly Financial Results and Year to Date Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015**

**TO THE BOARD OF DIRECTORS OF "KAVVERI TELECOM PRODUCTS LIMITED"**

**I. Qualified Opinion**

We have audited the accompanying standalone quarterly financial results of **KAVVERI TELECOM PRODUCTS LIMITED** ("the company") for the quarter ended 31<sup>st</sup> March, 2021 and the year to date results for the period from 1<sup>st</sup> April 2020 to 31<sup>st</sup> March, 2021 attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, these standalone financial results:

- i. are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- ii. give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable accounting standards and other accounting principles generally accepted in India of the net loss and other comprehensive income and other financial information for the quarter ended **31<sup>st</sup> March, 2021** as well as the year to date results for the period from **1<sup>st</sup> April 2020 to 31<sup>st</sup> March, 2021**

**II. Basis for Opinion**

- i. **Material uncertainty related to Going Concern:** During the year the company has incurred a Net Loss of Rs. 1,626.15 Lakhs resulting into accumulated losses of Rs. 10,487.78 Lakhs. The Company has obligations towards fund based borrowings from banks aggregating to Rs. 19,389.83 Lakhs. There is significant decrease in revenue over the past few years. These conditions indicate the existence of a material uncertainty that may cast a significant doubt on the Company's ability to continue as going concern and therefore may be unable to realize its assets and discharge its liabilities in the normal course of business. The ultimate outcome of these matters is at present not ascertainable. Accordingly we are unable to comment on the consequential impact, if any, on the accompanying standalone financial results.

- ii. In relation to carrying value of investments held in by the company to its subsidiaries, which have been incurring losses and in some of these companies, net worth was fully or substantially eroded. Taking into account the management internal assessment and initiatives to be implemented to improve the profitability in the medium to long term, the management of the company is of the view that carrying value of investments are realizable at the value stated in the books. In the absence of fair valuation of these investments, we are unable to comment upon the carrying value and thus, we are unable to comment whether any provision for impairment in the value of investments is required.
- iii. The Company has defaulted in repayment of dues to Banks for the year ended 31st March, 2021. All the loans outstanding were classified as NPA by the Banks. The balance outstanding as at 31.03.2021 is Rs. 19,389.83 Lakhs (Including Principal and Interest Provisions on the loans but excluding Penal Interest if any) as per books of account. In the absence of confirmation of balances from banks, we are unable to ascertain the actual dues to Banks as at 31.03.2021.
- iv. In the absence of proof of physical verification of inventories during the year by the management, we are unable to comment on the discrepancies, if any, between the book records and physical stocks of inventories (Value of inventories as per books of account as at 31.03.2021 is Rs.5609.63 Lakhs).
- v. In the absence of proof of physical verification of Property, Plant and Equipment during the year by the management, we are unable to comment on the discrepancies, if any, between the book records and physical stocks (Net Block of PPE of Rs.631.14 lakhs as per books of account as at 31.03.2021).
- vi. The Company has long pending undisputed statutory dues towards ESI, PF & TDS (Net Payable of Rs.161.41Lakhs as per books of account as at 31.03.2021)
- vii. In the absence of confirmations of Trade Receivables and various advances, we are unable to comment on the extent to which such balances are recoverable.
- viii. In the absence of confirmations of Trade Payables and various advances/borrowings, we are unable to comment on the extent to which such balances are payable.
- ix. The company has recognised deferred tax assets on account of carried forward unused tax losses and other taxable temporary differences for the year amounting to Rs. 1,984.44 Lakhs. The management of the company is confident that sufficient future taxable income will be available against which such deferred tax assets would get adjusted. However, in our opinion, in absence of convincing evidence that sufficient future taxable income will be available against which such deferred tax assets would get adjusted, such recognition is not in accordance with Indian Accounting Standard 12 "Income Taxes" (Ind AS 12).

*Our opinion is not modified in respect of this matter".*

### **IV. Management's Responsibilities for the Standalone Financial Results**

matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### **V. Auditor's Responsibilities for the Audit of the Standalone Financial Results**

Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- ❖ Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ❖ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- ❖ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- ❖ Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the

## II. Basis for Qualified Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Results section of our report. We are independent of "The Group", in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

1. In the consolidated financial results, the results of following subsidiaries are not included for the quarter and Year ended 31st March, 2021.

  - II. EAICOM India Private Limited
  - III. Kavveri Technologies Americans Inc.
  - IV. New England Communications Systems Inc.
  - V. Quality Communications Systems Inc.
  - VI. Spotwave Wireless Ltd.

As the results/ financial information of the above mentioned subsidiaries are not considered in consolidation for the year ended 31.03.2021, the current year figures are not comparable to previous year.

2. The ultimate outcome of these matters is at present not ascertainable. Accordingly, we are unable to comment on the consequential impact, if any, on the accompanying consolidated financial statements.

**"II. Basis for Qualified Opinion**

- i. *Material uncertainty related to Going Concern: During the year the company has incurred a Net Loss of Rs. 1,626.15 Lakhs resulting into accumulated losses of Rs. 10,487.78 Lakhs. The Company has obligations towards fund- based borrowings from banks aggregating to Rs. 19,389.83 Lakhs. There is significant decrease in revenue over the past few years. These conditions indicate the existence of a material uncertainty that may cast a significant doubt on the Company's ability to continue as going concern and therefore may be unable to realize its assets and discharge its liabilities in the normal course of business. The ultimate outcome of these matters is at present not ascertainable. Accordingly we are unable to comment on the consequential impact, if any, on the accompanying standalone financial results.*
- ii. *In relation to carrying value of investments held in by the company to its subsidiaries, which have been incurring losses and in some of these companies, net worth was fully or substantially eroded. Taking into account the management internal assessment and initiatives to be implemented to improve the profitability in the medium to long term, the management of the company is of the view that carrying value of investments are realizable at the value stated in the books. In the absence of fair valuation of these investments, we are unable to comment upon the carrying value and thus, we are unable to comment whether any provision for impairment in the value of investments is required.*
- iii. *The Company has defaulted in repayment of dues to Banks for the year ended 31st March, 2021. All the loans outstanding were classified as NPA by the Banks. The balance outstanding as at 31.03.2021 is Rs. 19,389.83 Lakhs (Including Principal and Interest Provisions on the loans but excluding Penal Interest if any) as per books of account. In the absence of confirmation of balances from banks, we are unable to ascertain the actual dues to Banks as at 31.03.2021*
- iv. *In the absence of proof of physical verification of inventories during the year by the management, we are unable to comment on the discrepancies, if any, between the book records and physical stocks of inventories (Value of inventories as per books of account as at 31.03.2021 is Rs.5609.63 Lakhs).*
- v. *In the absence of proof of physical verification of Property, Plant and Equipment during the year by the management, we are unable to comment on the discrepancies, if any, between the book records and physical stocks (Net Block of PPE of Rs.631.14 lakhs as per books of account as at 31.03.2021).*
- vi. *The Company has long pending undisputed statutory dues towards ESI, PF & TDS (Net Payable of Rs.161.41Lakhs as per books of account as at 31.03.2021)*

- ix. *The company has recognised deferred tax assets on account of carried forward unused tax losses and other taxable temporary differences for the year amounting to Rs. 1,984.44 Lakhs. The management of the company is confident that sufficient future taxable income will be available against which such deferred tax assets would get adjusted. high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- ❖ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.

If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause "the Group" to cease to continue as a going concern.
- ❖ Evaluate the overall presentation, structure and content of the consolidated financial results, including the disclosures, and whether the consolidated financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- ❖ Obtain sufficient appropriate audit evidence regarding the financial results/financial information of the entities within "the Group" to express an opinion on the consolidated Financial Results.
