Ajit Pawar to Push Maha Navnirman Sena's Case with Congress

Our Political Bureau
Mumbai: A day after Nationalist Congress Party leader Ajit Pawar had a hush-hush meeting with Maharashtra Narmada Trust's chief Raj Thackeray, the NCP leadership on Thursday decided that it will speak to the alliance partner Congress to get them on board for a possible alliance with MNS.

showed his will to defeat the ruling BJP government at the Centre, and I will come here to support us in the elections. NCP leaders believe that the MNS will give it the additional heft needed to take on the BJP-Shiv Sena combine in the elections as Thackeray and his party enjoy considerable influence in a number of pockets in the state. NCP leaders re-

sioned that having Thackeray in the alliance also gives them the advantage of ensuring that the anti-BJP votes don't get split. "We feel that if the MNS is in an alliance with us, then the Marathi votes that the Sena is banking on, especially in Mumbai and Thane, will no longer be assured, and, secondly, Raj is a good orator and will be able to take on the BJP," said an NCP leader.

There are a couple of obstacles to the partnership though: the MNS has been asking for three seats, but the NCP is ready to offer them one. The other big issue is that the Congress needs to be convinced about the alliance: when talks began between the NCP and MNS, Congress leaders like Sanjay Nirupam opposed it saying that the party would not like to be part of such an alliance. The Congress doesn't want to associate with the MNS because of its past record of attacking north Indian migrants.

CM Meets Uddhav for Alliance Talks

Mumbai: Maharashtra Chief Minister Devendra Fadnis on Thursday met Shiv Sena president Uddhav Thackeray to persuade the estranged ally to come together for the Lok Sabha polls. He was accompanied by revenue minister Chandrakant Patil for the talks at Sena president's home 'Matsoshree' in Bandra.

Debt Facility Priced at 12-15%
The debt facility is priced at 12.15% and could cover most of the existing debt, which is secured by the cement business as well as property. Cement is a group entity that is separate from the listed Emami entity. However, the terms of the debt facility are under-protected via fixed interest rates.
KKR and Emami declined to comment.
In 1974 in Kolkata, Emami is one of India's leading consumer goods companies with more than 300 products and operations in 60 countries. The company employs nearly 3,200 people and is present in four million retail outlets through a network of 3,150 distributors.
Since 2008, the group has acquired at least eight companies or brands within the country and abroad. These include a buyout of the Kish King brand for ₹1,500 crore and the acquisition of Eco Cement in Bihar. In addition, the group has invested ₹1,000 crore in three greenfield cement plants.
While the consumer goods business is profitable and has low leverage over time the promoters have taken on debt for various diversification exercises from mutual funds and non-banking finance companies (NBFCs).
KKR operates its credit business in India through two NBFCs and credit funds. It has invested over \$9 billion in India through private equity, structured credit and real estate. In 2018 alone, KKR India Financial Services (KIFS), the consumer credit business, underwrote more than ₹8,100 crore in financing, while KKR India Asset Finance, the real estate credit business, did so to the tune of over ₹4,200 crore.
