Equities in Europe were trading on a positive note in mid-session deals. Indian markets started on a positive note following positive Asian markets cues as US Fed's tightening fears cool off following disappointing jobs data and Fed Chairman comments emphasising the need for stronger jobs data before the central bank would start to unwind its rate-bond-buying programme.

"During the after-noon session, markets continued to trade in the positive zone as US Fed's tightening fears cool off following disappointing jobs data and Fed Chairman comments emphasising the need for stronger jobs data before the central bank would start to unwind its rate-bond-buying programme."

Similarly, the broader NSE Nifty climbed 54.20 points or 0.31 per cent to its new closing record of 17,377.80. During the session, it touched an all-time peak of 17,429.55.

HCL Tech was the top gainer in the Sensex package, rising over 2 per cent, followed by Infosys, Reliance Industries, Tech Mahindra, Bajaj Auto and M&M.

On the other hand, Indus Bank, Kotak Bank, Power Grid, Sun Pharma and Asian Paints were among the laggards. In Asia, bourses in Shanghai, Seoul, Tokyo and Hong Kong ended with significant gains.

Working at fast pace to restore air traffic to pre-Covid-19 levels: Scindia

PTI ■ INDORE

Union Civil Aviation Minister Jyoti Bhatt Scindia on Monday said the Centre was working at a fast pace to bring air traffic to pre-Covid-19 levels by restoring domestic and international flights and enhancing the number of services in each state.

He was speaking to reporters at the Ahiyabai Holkar Airport here en route to Ujjain to take part in the 'Shahi Savaari' ritual of Lord Mahakal.

Queried on the MP Government's decision to teach MBBS students in English, Scindia said that he had written to the Union Health Minister to review the decision. He said, "You can ask me about my department (civil aviation), I will answer your queries. But I will not reply on any issue about which I am not having full knowledge."

Trair's suggestion to waive RoW charges for 5 yrs to significantly reduce network rollout cost: COAI

PTI ■ NEW DELHI

Telecom regulator Trair recommended to waive RoW charges for the next five years will significantly reduce the overall cost of network rollout for companies, industry body COAI said on Monday.

The Telecom Regulatory Authority of India (Trair) had on August 31 recommended to the Government to coordinate with state governments to waive right of way (RoW) charges for next five years (2022-23 to 2027-28) for expedited laying of common ducts and poles.

"TRA's thrust on resolution of RoW issues is much needed. The recommendation for exemption of RoW charges for the next five years - from FY 2022-23 to FY 2027-28 - will significantly reduce the overall cost of roll-out for TSPs (telecom service providers)."

India's July-Sep GDP growth seen at 7-8%

IANS ■ MUMBAI

The growth rate of India's GDP for the July-September quarter is likely to remain in the range of 7-8 per cent. In the first quarter of financial year 2021-22, India's GDP witnessed a growth of 20.1 per cent compared to the same period of the last fiscal year. As reported by the Economic Advisory Council of India (EACI), the GDP/GVA due to the underlying differences, our composite indices move in sync with the official real GDP (ex-discrepancies) and real GVA estimates, it said.

Looking ahead, we expect real GVA growth of 7-8 per cent YoY in 2QFY22 vs 20.1 per cent YoY growth in 1QFY22. As per Mottifal QoY estimates, real GDP (Temp. assumption) grew 5.1 per cent in June 2021 and -12.1 per cent in July 2020.
