Sub: Business Update - MOU with IIT Bombay

We are pleased to announce a business development at Vantage Knowledge Academy Ltd. This is to inform you that our Company has entered into a Memorandum of Understanding (MoU) with **IIT Bombay** (Indian Institute of Technology, Mumbai) for its **Spoken Tutorial IT/Software Training Program** (IIT Bombay-ST). This collaboration seeks to promote knowledge sharing and skill-based education through its certificate programs in higher education.

The key aspects of this collaboration include:

- Spoken Tutorial IT/Software Training Program, IIT Bombay, will offer unlimited Training Workshops & Certification Tests for our Company's participating Institute's students and staff for a fixed fee.
- Distance education method development and delivery of training sessions by Vantage with consultation & support of Spoken Tutorial IT/Software Training Program, IIT Bombay.
- Issuance of "Completion Certificates" and "Participation Certificates" by IIT Bombay-ST.
- Collaboration on joint projects including Trainings, Conferences, Symposia, Seminars, and Workshops.
- Cooperation and promotion of education and training in areas of mutual interest.

This MoU reflects our commitment to foster genuine collaboration for educational and socio-economic development. It will remain in effect until July 31, 2024. We are excited about this partnership and believe it will lead to meaningful interactions, cooperation, and the exchange of knowledge, ideas, and experiences.

This is for your information & records.

Sincerely,

For Vantage Knowledge Academy Ltd.
