Notes:-
(1) The above consolidated & standalone financial results have been reviewed by the Audit Committee and approved by the Board of Directors at their respective meeting held on 13th Aug, 2021. On account of Covid-19 pandemic, the Govt. of India had imposed a complete nation-wide lockdown on March 24, 2020 leading to temporary shut down of company's manufacturing facilities and operation. Since then the Govt. of India progressively relaxed lockdown conditions and has allowed the industry to resume its operations in a phased manner. Again State Govt. of Uttar Pradesh imposed the lockdown April 2021 onwards due to 2nd wave of Covid-19 Pandemic. The Company's operations and financial results for the quarter ended June 30, 2021 have been adversely impacted. The results therefore, are not comparable with those for the previous quarters. Further, the Company has made assessment of its liquidity position from the previous recoverability and carrying value of its assets and liabilities as on June 30, 2021. The Company has considered internal and external sources of information for making said assessment. On the basis of said assessment, the Company expects to recover the carrying amount of those assets and no material adjustment is included in the financial results. The impact of any events and development occurring after the date of financial results for the quarter ended June 30, 2021 may differ from the estimates as at the date of approval of these financial results and will be recognized prospectively. Given the uncertainties associated with nature, present condition and longevity of Covid-19, the company will closely monitor any material changes arising out of prevailing economic conditions and impact of the same on the business of the company.
(2) This statement has been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 (Ind AS), prescribed under Section 133 of the Companies Act, 2013, and other recognized accounting practices and policies to the extent applicable. Beginning April 1, 2017 Company has for the first time adopted Ind AS. (4) The above is an extract of Unaudited Financial Results filed with the Stock Exchanges under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The Unaudited Financial Results are available on the Stock Exchange website (www.bseindia.com) and on the Company's website (www.pkrgroup.in). (5) Deferred Tax Asset has not been recognized during the quarter due to carried forward business loss/unabsorbed depreciation. (6) The figures of the last quarter ended March 31, 2021 are the balancing figures between the audited figures in respect of the full financial year ending March 31, 2021 and the unaudited published year to date figures ended Dec 31, 2020, being the date of the end of the third Quarter of the financial year which were subject to limited review.

Notes:-
(1) The above consolidated & standalone financial results have been reviewed by the Audit Committee and approved by the Board of Directors at their respective meeting held on 13th Aug, 2021. On account of Covid-19 pandemic, the Govt. of India had imposed a complete nation-wide lockdown on March 24, 2020 leading to temporary shut down of company's manufacturing facilities and operation. Since then the Govt. of India progressively relaxed lockdown conditions and has allowed the industry to resume its operations in a phased manner. Again State Govt. of Uttar Pradesh imposed the lockdown April 2021 onwards due to 2nd wave of Covid-19 Pandemic. The Company's operations and financial results for the quarter ended June 30, 2021 have been adversely impacted. The results therefore, are not comparable with those for the previous quarters. Further, the Company has made assessment of its liquidity position from the previous recoverability and carrying value of its assets and liabilities as on June 30, 2021. The Company has considered internal and external sources of information for making said assessment. On the basis of said assessment, the Company expects to recover the carrying amount of those assets and no material adjustment is included in the financial results. The impact of any events and development occurring after the date of financial results for the quarter ended June 30, 2021 may differ from the estimates as at the date of approval of these financial results and will be recognized prospectively. Given the uncertainties associated with nature, present condition and longevity of Covid-19, the company will closely monitor any material changes arising out of prevailing economic conditions and impact of the same on the business of the company.
(2) This statement has been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 (Ind AS), prescribed under Section 133 of the Companies Act, 2013, and other recognized accounting practices and policies to the extent applicable. Beginning April 1, 2017 Company has for the first time adopted Ind AS. (4) The above is an extract of Unaudited Financial Results filed with the Stock Exchanges under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The Unaudited Financial Results are available on the Stock Exchange website (www.bseindia.com) and on the Company's website (www.pkrgroup.in). (5) Deferred Tax Asset has not been recognized during the quarter due to carried forward business loss/unabsorbed depreciation. (6) The figures of the last quarter ended March 31, 2021 are the balancing figures between the audited figures in respect of the full financial year ending March 31, 2021 and the unaudited published year to date figures ended Dec 31, 2020, being the date of the end of the third quarter of the financial year which were subject to limited review.

Notes:-
(1) The above consolidated & standalone financial results have been reviewed by the Audit Committee and approved by the Board of Directors at their respective meeting held on 13th Aug, 2021. On account of Covid-19 pandemic, the Govt. of India had imposed a complete nation-wide lockdown on March 24, 2020 leading to temporary shut down of company's manufacturing facilities and operation. Since then the Govt. of India progressively relaxed lockdown conditions and has allowed the industry to resume its operations in a phased manner. Again State Govt. of Uttar Pradesh imposed the lockdown April 2021 onwards due to 2nd wave of Covid-19 Pandemic. The Company's operations and financial results for the quarter ended June 30, 2021 have been adversely impacted. The results therefore, are not comparable with those for the previous quarters. Further, the Company has made assessment of its liquidity position from the previous recoverability and carrying value of its assets and liabilities as on June 30, 2021. The Company has considered internal and external sources of information for making said assessment. On the basis of said assessment, the Company expects to recover the carrying amount of those assets and no material adjustment is included in the financial results. The impact of any events and development occurring after the date of financial results for the quarter ended June 30, 2021 may differ from the estimates as at the date of approval of these financial results and will be recognized prospectively. Given the uncertainties associated with nature, present condition and longevity of Covid-19, the company will closely monitor any material changes arising out of prevailing economic conditions and impact of the same on the business of the company.
(2) This statement has been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 (Ind AS), prescribed under Section 133 of the Companies Act, 2013, and other recognized accounting practices and policies to the extent applicable. Beginning April 1, 2017 Company has for the first time adopted Ind AS. (4) The above is an extract of Unaudited Financial Results filed with the Stock Exchanges under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The Unaudited Financial Results are available on the Stock Exchange website (www.bseindia.com) and on the Company's website (www.pkrgroup.in). (5) Deferred Tax Asset has not been recognized during the quarter due to carried forward business loss/unabsorbed depreciation. (6) The figures of the last quarter ended March 31, 2021 are the balancing figures between the audited figures in respect of the full financial year ending March 31, 2021 and the unaudited published year to date figures ended Dec 31, 2020, being the date of the end of the third Quarter of the financial year which were subject to limited review.

Notes:-
(1) The above consolidated & standalone financial results have been reviewed by the Audit Committee and approved by the Board of Directors at their respective meeting held on 13th Aug, 2021. On account of Covid-19 pandemic, the Govt. of India had imposed a complete nation-wide lockdown on March 24, 2020 leading to temporary shut down of company's manufacturing facilities and operation. Since then the Govt. of India progressively relaxed lockdown conditions and has allowed the industry to resume its operations in a phased manner. Again State Govt. of Uttar Pradesh imposed the lockdown April 2021 onwards due to 2nd wave of Covid-19 Pandemic. The Company's operations and financial results for the quarter ended June 30, 2021 have been adversely impacted. The results therefore, are not comparable with those for the previous quarters. Further, the Company has made assessment of its liquidity position from the previous recoverability and carrying value of its assets and liabilities as on June 30, 2021. The Company has considered internal and external sources of information for making said assessment. On the basis of said assessment, the Company expects to recover the carrying amount of those assets and no material adjustment is included in the financial results. The impact of any events and development occurring after the date of financial results for the quarter ended June 30, 2021 may differ from the estimates as at the date of approval of these financial results and will be recognized prospectively. Given the uncertainties associated with nature, present condition and longevity of Covid-19, the company will closely monitor any material changes arising out of prevailing economic conditions and impact of the same on the business of the company.
(2) This statement has been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 (Ind AS), prescribed under Section 133 of the Companies Act, 2013, and other recognized accounting practices and policies to the extent applicable. Beginning April 1, 2017 Company has for the first time adopted Ind AS. (4) The above is an extract of Unaudited Financial Results filed with the Stock Exchanges under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The Unaudited Financial Results are available on the Stock Exchange website (www.bseindia.com) and on the Company's website (www.pkrgroup.in). (5) Deferred Tax Asset has not been recognized during the quarter due to carried forward business loss/unabsorbed depreciation. (6) The figures of the last quarter ended March 31, 2021 are the balancing figures between the audited figures in respect of the full financial year ending March 31, 2021 and the unaudited published year to date figures ended Dec 31, 2020, being the date of the end of the third quarter of the financial year which were subject to limited review.
