Breakdown in Pakistan

T C A Raghavan
 India's former High Commissioner to Pakistan

Nirupama Subramanian
 National Editor (Strategic Affairs) The Indian Express

In conversation with

What does this mean for the country's seven-decade long struggle with nation-building and democracy? Who is Khan, and what politics does he represent, and how is he different from other political leaders who have taken on the Army before him? Is this just one more in Pakistan's never-ending cycle of crises? Or is this a turning point? If so, what might be the outcome? What does the chaos in South Asia's second biggest country which also has nuclear weapons, mean for the region and for India? Could it lead to a worsening or improvement in relations?

To discuss these and other questions, Express Explained's guest this time is T C A Raghavan, India's former High Commissioner to Pakistan, and the author of People Next Door, an acclaimed book on Pakistan.
