CRISIL's consolidated income from operations for the quarter ended December 31, 2020, rose 28.6% to Rs 597.2 crore, compared with Rs 464.3 crore in the corresponding quarter of 2019. Consolidated total income for the quarter ended December 31, 2020, was up 26.4% to Rs 612.2 crore, compared with Rs 484.3 crore in the corresponding quarter of the previous year. The appreciating rupee had an impact on the quarter. Profit after tax for the quarter ended December 31, 2020, was Rs 110.0 crore, compared with Rs 95.3 crore in the corresponding quarter of the previous year.

Results for the quarter includes Greenwich Associates LLC (Greenwich) acquired in Q1 2020. Excluding Greenwich, consolidated income from operations for the quarter ended December 31, 2020, was higher by 2.6% and profit after tax higher by 16.2% compared with the corresponding quarter of the previous year.

For the year ended December 31, 2020, consolidated income from operations was up 14.4% to Rs 1,981.8 crore, compared with Rs 1,731.7 crore in the corresponding period of 2019. Consolidated income from operations for the year ended December 31, 2020, was higher by 1.4% and profit after tax up by 17.8% compared with the previous year, excluding the financials of Greenwich.

During 2020, the company paid three interim dividends totaling Rs 19 per equity share of face value of Re 1 each. The Board of Directors has recommended a final dividend of Rs 14 per share (of Re 1 face value). The total dividend for the year works out to Rs 33 per share.

Says Ashu Suyash, Managing Director & CEO, CRISIL, "Through a year like none other, CRISIL's businesses demonstrated resilience serving all its clientele with best in class insights, opinions and analytics. This coupled with our proactive pandemic response has enabled continued growth through 2020. The differentiated positioning and high quality of our offerings, global client delivery capabilities and strong client relationships will enable our businesses benefit from the expected economic recovery across the markets we operate. Our thrust on investments in technology, talent and new offerings over the years positions CRISIL well for the future."

During the year, corporate bond market issuances rose by 7.9% by value year-on-year, while by volume they fell 8.1%. In this environment, our differentiated positioning and quality of ratings enabled significant client wins. Constrained credit growth impacted the mid-corporate group, which offset growth in the Ratings segment. Global Analytical Center (GAC) increased surveillance delegation and coverage on research

and criteria support, and partnered S&P Global Ratings for ESG products. The Ratings segment registered healthy growth of 6.5% in Q4 and 3.7% for the whole 2020.

CRISIL also completed the segregation of its credit ratings business into a wholly owned subsidiary, CRISIL Ratings Ltd, during Q4. This is pursuant to changes in the Securities and Exchange Board of India (SEBI) regulations, which required segregation of the ratings and non-ratings businesses of credit rating agencies. The segregation also follows the scheme of arrangement approved by the National Company Law Tribunal, and has no impact on the company's businesses and its stakeholders.

In the Research segment, the Global Research & Analytics business saw client wins and continued to grow through Q4. In addition to traditional areas such as model and traded risk, the business witnessed traction in non-financial and credit risk. India Research introduced new analytics (www.crisil.com/covid19-insights) and district-level risk tracking dashboards to aid decision making as the pandemic unfolded. The business also launched India's first AIF benchmarks. Greenwich saw good performance and was a key contributor to the segment's growth. But weak performance of Coalition, which saw headwinds due to cost pressures faced by global banks, offset this. The segment's year-on-year revenue growth was 40.9% in Q4 and 22.8% for 2020. Excluding Greenwich, revenue was lower by 1.0% in Q4 and higher by 1.2% for 2020.

The Advisory segment saw good traction during Q4. New mandates were won in the areas of regulatory reporting, credit risk and select city infrastructure projects. However, delays in clients' decision making and implementation affected business. Overall, the segment grew a healthy 16.9% during the quarter, although the full year revenue was lower by 5.9%.

Towards ensuring minimal impact on clients and people, the company moved to a mandatory work from home for employees in late March, which continued through 2020 across most locations. This year, CRISIL launched a host of health and safety initiatives, and employee engagement and wellness sessions. Information security, governance and technology support also saw enhanced emphasis. Because of proactive investments in people and technology, all businesses remained fully functional through 2020 and continued to deliver seamlessly to clients and stakeholders. The company has put in place a work from office resumption plan that would be implemented based on location-specific considerations.

The company won recognitions including Great Workplace™, 100 Best Companies for Women, the Most Ethical Business Group, and the Fair Business Practices Award. It was also recognised at the India Workplace Equality Index Employers 2020 Summit for diversity and inclusion and at the FICCI CSR Excellence Awards 2019 in the category of 'Women Empowerment'.

The year saw greater emphasis on franchise activity and thought-leadership that enabled stakeholders to decrypt volatile trends across markets. Through 2020, over 70 virtual events and roundtables were hosted, over 50 publications and over 25 whitepapers were released. During Q4, the fifth edition of our flagship NBFC seminar, and the first edition of India Investment Research Conclave were held, which saw very good response. Ratings Analytica, a personalised portal and mobile application (app) enabling a one-stop platform for the ratings requirements of clients, was also launched.

Apart from continued expansion of Mein Pragati, our financial inclusion program, and CRISIL Re, our environmental conservation initiative, CRISIL Foundation focused on serving the needs of the society arising from the pandemic. It served over 500,000 meals to migrant workers and labourers in Mumbai, as also extended treatment support through contribution for oxygen cylinders and personal protection equipment kits across several locations. More than 40,000 trees were also planted by CRISIL Foundation towards reducing carbon footprint which translates to over 800 MT of CO₂ emissions saved annually.

- The Group's operations predominantly relate to providing rating, research and advisory services. Accordingly, revenues earned through rendering of these services represent the primary basis of segment information set out above. Assets and liabilities used interchangeably between segments has been classified as unallocable. The Group believes that it is currently not practicable to allocate all assets and liabilities since a meaningful segregation of the available data is not feasible. In accordance with Ind AS 108 - 'Operating Segments', the Company has presented segment information along with the consolidated financial results of the Group.
- In compliance with Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, an audit of the above results has been carried out by the Statutory Auditors of the Company.

The figures of the quarter ended December 31, 2020 and December 31, 2019 are the balancing figures between audited figures of the full year ended December 31, 2020 and December 31, 2019 and unaudited published year to date figures up to the period ended September 30, of the respective years.

- The Group has adopted Ind AS 116 effective January 1, 2020, using the modified retrospective method and has applied the standard to its leases with the cumulative impact recognized on the date of initial application i.e. January 1, 2020. Accordingly, previous period information has not been restated. The lease expenses which were recognized as rent expense in previous periods is now recognized as depreciation expense for the right-of-use asset and finance cost for interest accrued on lease liability. The Group has elected not to recognize right-to-use assets and lease liabilities for short term leases (lease term of 12 months or less) and leases of low-value and has recognized the lease payments for such leases as an expense over the lease term. The transition has resulted in recognition of Right-of-Use (ROU) assets of ₹ 155.80 crores and ₹ 222.64 crores and Lease Liability of ₹ 151.05 crores and ₹ 221.67 crores in standalone and consolidation books respectively. The cumulative effect of applying the standard resulted in ₹ 6.90 crores and ₹ 11.45 crores being debited to retained earnings (net of taxes) in audited standalone and consolidation financial results respectively.
- CRISIL completed the acquisition of 100% stake in Greenwich Associates LLC (USA) and its subsidiaries ('GA'), on February 26, 2020, at a total value of USD 40 million, which includes upfront and deferred consideration. The results attributable to GA includes a revenue of ₹ 121.01 crores and post-tax loss of ₹ 0.77 crores for the quarter ended December 31, 2020 and a revenue of ₹ 225.71 crores and post-tax loss of ₹ 50.58 crores for the period from February 26, 2020 to December 31, 2020.

In order to simplify the holding structure, Greenwich Associates International LLC (subsidiary of Greenwich Associates LLC) was merged with Greenwich Associates LLC w.e.f December 22, 2020 and the Group has decided to close Greenwich Associates UK (Holdings) Ltd (subsidiary of Greenwich Associates LLC). The merger/closure will have no material impact on the operations/financials of the Group.

- The Group has considered internal and external information and has performed sensitivity analyses based on current estimates, in assessing the recoverability of receivables, unbilled revenues, goodwill, intangible assets, other financial assets (including cash liquidity), and the profitability of the Group. Whilst the situation continues to be extremely dynamic, at present the Group does not see any material impact on the above. However, the actual impact of the pandemic on the Group's financial performance may differ from what is estimated, and the Group continues to monitor changes to future economic conditions.
- Securities and Exchange Board of India (SEBI) notifications dated May 30, 2018 and September 19, 2018, under the SEBI (Credit Rating Agencies) Regulations, 1999, have mandated segregation of Ratings and Non-Ratings businesses of Credit Rating Agencies. Pursuant to, and in order to comply with these notifications, CRISIL Limited's Board of Directors approved transfer of the Ratings business to CRISIL Ratings Limited, (incorporated on June 3, 2019), a wholly owned subsidiary of the CRISIL Limited. This transfer has been undertaken through a 'Scheme of arrangement in terms of Section 230 to 232 of the Companies Act, 2013 ('Scheme') which has been approved by Stock Exchanges. The Scheme has been sanctioned by the National Company Law Tribunal (NCLT) with appointed date as January 1, 2020 and the certified copy of the Order dated June 8, 2020 has been received on July 7, 2020 which has been filed with Registrar of Companies on July 20, 2020. Further SEBI and Reserve Bank of India (RBI) has given necessary approval on December 4, 2020 and December 31, 2020, respectively, to CRISIL Ratings Limited to act as a Credit Rating Agency. On receipt of approval, the Scheme became effective on December 31, 2020 with the appointed date of January 1, 2020. The whole of the assets and liabilities of the transferred business became the assets and liabilities of the resulting company (i.e CRISIL Ratings Limited) and were transferred at their book value as per the Order, as appearing in the books of the CRISIL Limited with effect from the appointed date. The effect of transfer of assets, liabilities, income and expense has been considered in current quarter thereby impacting the net profit of discontinued operations and total net profit of current quarter in standalone financial results.

CRISIL Limited

Independent Auditor's Report on Standalone Annual Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

Emphasis of Matter – Demerger of rating business

4. We draw attention to Note 10 of the accompanying Statement in respect of a Scheme of Arrangement between the Company and CRISIL Ratings Limited (transferee company) and their respective shareholders for demerger of the ratings business of the Company, pursuant to SEBI (Credit Rating Agencies) Regulations, 1999 (as amended from time to time), which mandates the segregation of ratings and non-ratings businesses of Credit Rating Agencies, and vesting thereof in the Transferee Company, with effect from the Appointed Date of 1 January 2020, as approved by the National Company Law Tribunal, vide its order dated 8 June 2020. Our conclusion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Statement

5. This Statement has been prepared on the basis of the standalone annual audited financial statements and has been approved by the Company's Board of Directors. The Company's Board of Directors is responsible for the preparation and presentation of the Statement that gives a true and fair view of the net profit/loss and other comprehensive income and other financial information of the Company in accordance with the accounting principles generally accepted in India, including Ind AS prescribed under Section 133 of the Act, read with relevant rules issued thereunder and other accounting principles generally accepted in India, and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that gives a true and fair view and is free from material misstatement, whether due to fraud or error.
6. In preparing the Statement, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern, and using the going concern basis of accounting, unless the Board of Directors either intends to liquidate the Company or to cease operations or has no realistic alternative but to do so.
7. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Statement

8. Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing, specified under section 143(10) of the Act, will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Statement.
9. As part of an audit in accordance with the Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing ('SAs') specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Statement section of our report. We are independent of the Group, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('the ICAI'), together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act, and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us and that obtained by the other auditors in terms of their reports referred to in paragraph 12 of the Other Matter section below is sufficient and appropriate to provide a basis for our opinion.

Auditor's Responsibilities for the Audit of the Statement

7. Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing, specified under section 143(10) of the Act, will always detect a material misstatement, when it exists. Misstatements can arise from fraud or error, and are considered material if, individually, or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Statement.
8. As part of an audit in accordance with the Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to the financial statements in place and the operating effectiveness of such controls.
