Independent Auditors' Review Report

To the Board of Directors of TV Vision Limited

1. We have reviewed the accompanying Statement of Unaudited Standalone Financial Results of **TV Vision Limited** ("the Company") for the quarter and nine months ended September 30, 2021. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.
2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Basis of Qualified Conclusion

- i) *Due to defaults in repayment of loans taken from the Banks, the Account of the Company has been classified as Non-Performing Asset by the banks in the previous financial years and the banks have not charged the interest / reversed the unpaid interest charged from the date the account has been classified as Non-Performing. No provision has been made in the books of accounts maintained by the Company for interest / penal interest, if any, on these term loans amounting to about Rs. 3,46,70,409 /- (exact amount cannot be ascertained) for the quarter ending September 30, 2021, hence to that extent, finance cost, total loss and current financial liabilities is estimated to be understated by about Rs. 3,46,70,409 /- (exact amount cannot be ascertained) for the quarter ending September 30, 2021. Further, no provision for interest / penal interest, if any, on such term loans has been made in books of accounts, from the date the account of the Company has been classified as Non-Performing in the books of those banks. Also, such loan outstanding balances as per books of accounts are subject to confirmation / reconciliation with the balance as per banks as on September 30, 2021.*
- ii) *No provision for diminution in value of investment is made in books of accounts as on September 30, 2021 even though the fair value of Investment of the Company of Rs. 3,00,00,000/- in Equity Shares of the Company's Subsidiary Companies i.e. HHP Broadcasting Services Private Limited, MPCR Broadcasting Service Private Limited, UBJ Broadcasting Private Limited and Rs. 30,12,00,000/- in Company's Associate Company i.e. Krishna Showbiz Services Private Limited, is lower than their cost*

of acquisition. The loss for the quarter and nine months ended September 30, 2021 is understated and non-current investments of the Company as on September 30, 2021 are overstated to that extent.

- iii) The aggregate carrying value of Business and Commercial Rights and Channel Development Cost in the books of the Company as on September 30, 2021 is Rs. 89,09,34,066 /-. There is no revenue generation from monetization of these assets during the quarter and nine months ended September 30, 2021 and in previous financial years due to which the Company has incurred substantial losses during the quarter and nine months ended September 30, 2021 and in previous financial years. There is a strong indication of impairment in the value of these Business and Commercial Rights and Channel Development Cost and therefore we are of the opinion that the impairment loss of Rs. 89,09,34,066 /- should be provided on all such assets in the books of accounts of the Company as on September 30, 2021. The assets of the Company are overstated and net loss for the quarter and nine months ended September 30, 2021 is understated to that extent.
- iv) The Company has not provided for loss allowances on financial guarantee contracts amounting to Rs.11,59,80,252 /- (excluding interest / penalty charges, if any) given by the Company on behalf of its related group companies to its secured lenders which is to be recognized as required by Indian Accounting Standard (IND-AS 109). The financial liabilities of the Company and net loss for the quarter and nine months ended September 30, 2021 is understated to that extent.
- v) The Company has not accounted the lease transactions as per requirements of Indian Accounting Standard (IND AS-116) which is applicable from April 1, 2020. The impact, if any, of such non-compliance of IND-AS 116 on the financials of the Company for the quarter and nine months ended September 30, 2021 is unascertainable.
- vi) The Company has not provided for Interest expenses on late payment of Carriage Fees and other Operational Cost payable to various vendors whose balances are outstanding as on September 30, 2021 which needs to be accounted as per the applicable Indian Accounting Standards as the same is payable to the vendors as per the agreements entered into with them. Further, the working for such interest expenses on late payment of such expenses has not been made by the Company, due to which the exact amount of provision for interest cannot be ascertained as on September 30, 2021. The financial liabilities of the Company and net loss for the quarter and nine months ended September 30, 2021, due to non-accounting of provision for interest, are understated to that extent.

Based on our review conducted as above and except for the possible effects of the matters, as described in the Basis of Qualified Conclusion section and Material Uncertainty relating to Going Concern paragraph below, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in

accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Material Uncertainty relating to Going Concern

- i) The results are prepared on going concern basis notwithstanding the fact that loans have been recalled back by secured lenders, current liabilities are substantially higher than the current assets, issue of notices under Securitization and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002, recovery proceedings initiated with debt recovery tribunal, symbolic possession of mortgaged property provided as collateral by promoters, invocation of part of the shares pledged as collaterals by bank, invocation of corporate guarantees from guarantors of the loan by the secured lenders of the Company and substantial losses incurred by the Company during the quarter and nine months ending September 30, 2021 and negative Other Equity of Rs. 30,87,18,414 /- as on September 30, 2021. All of the above conditions indicate that a material uncertainty exists that may cast significant doubt on the company's ability to continue as a going concern.

1. We have reviewed the accompanying Statement of Consolidated Unaudited Financial Results of TV Vision Limited ("the Parent") and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group"), for the quarter and nine months ended September 30, 2021, being submitted by the Parent pursuant to the requirement of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
2. This Statement, which is the responsibility of the Parent's Management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

4. The Statement includes the results of the following entities :-
 - i) TV Vision Limited (Holding Company)
 - ii) HHP Broadcasting Services Private Limited (Subsidiary Company)
 - iii) MPCR Broadcasting Service Private Limited (Subsidiary Company)
 - iv) UBJ Broadcasting Private Limited (Subsidiary Company)

5. Basis of Qualified Conclusion for accounts of Holding Company (i.e. TV Vision Limited)

- i) Due to defaults in repayment of loans taken from the Banks, the Account of the Company has been classified as Non-Performing Asset by the banks in the previous financial years and the banks have not charged the interest / reversed the unpaid interest charged from the date the account has been classified as Non-Performing. No provision has been made in the books of accounts maintained by the Company for interest / penal interest, if any, on these term loans amounting to about Rs. 3,46,70,409 /- (exact amount cannot be ascertained) for the quarter ending September 30, 2021, hence to that extent, finance cost, total loss and current financial liabilities is estimated to be understated by about Rs. 3,46,70,409 /- (exact amount cannot be ascertained) for the quarter ending September 30, 2021. Further, no provision for interest / penal interest, if any, on such term loans has been made in books of accounts, from the date the account of the Company has been classified as Non-Performing in the books of those banks. Also, such loan outstanding balances as per books of accounts are subject to confirmation / reconciliation with the balance as per banks as on September 30, 2021.
- ii) No provision for diminution in value of investment is made in books of accounts as on September 30, 2021 even though the fair value of Investment of the Company of Rs. 3,00,00,000/- in Equity Shares of the Company's Subsidiary Companies i.e. HHP Broadcasting Services Private Limited, MPCR Broadcasting Service Private Limited, UBJ Broadcasting Private Limited and Rs. 30,12,00,000/- in Company's Associate Company i.e. Krishna Showbiz Services Private Limited, is lower than their cost of acquisition. The loss for the quarter and nine months ended September 30, 2021 is understated and non-current investments of the Company as on September 30, 2021 are overstated to that extent.
- iii) The aggregate carrying value of Business and Commercial Rights and Channel Development Cost in the books of the Company as on September 30, 2021 is Rs. 89,09,34,066 /-. There is no revenue generation from monetization of these assets during the quarter and nine months ended September 30, 2021 and in previous financial years due to which the Company has incurred substantial losses during the quarter and nine months ended September 30, 2021 and in previous financial years. There is a strong indication of impairment in the value of these Business and Commercial Rights and Channel Development Cost and therefore we are of the opinion that the impairment loss of Rs. 89,09,34,066 /- should be provided on all such assets in the books of accounts of the Company as on September 30, 2021. The assets of the Company are overstated and net loss for the quarter and nine months ended September 30, 2021 is understated to that extent.
- iv) The Company has not provided for loss allowances on financial guarantee contracts amounting to Rs.11,59,80,252 /- (excluding interest / penalty charges, if any) given by the Company on behalf of its related group companies to its secured lenders which is to be recognized as required by Indian

Accounting Standard (IND-AS 109). The financial liabilities of the Company and net loss for the quarter and nine months ended September 30, 2021 is understated to that extent.

- v) *The Company has not accounted the lease transactions as per requirements of Indian Accounting Standard (IND AS-116) which is applicable from April 1, 2020. The impact, if any, of such non-compliance of IND-AS 116 on the financials of the Company for the quarter and nine months ended September 30, 2021 is unascertainable.*
- vi) *The Company has not provided for Interest expenses on late payment of Carriage Fees and other Operational Cost payable to various vendors whose balances are outstanding as on September 30, 2021 which needs to be accounted as per the applicable Indian Accounting Standards as the same is payable to the vendors as per the agreements entered into with them. Further, the working for such interest expenses on late payment of such expenses has not been made by the Company, due to which the exact amount of provision for interest cannot be ascertained as on September 30, 2021. The financial liabilities of the Company and net loss for the quarter and nine months ended September 30, 2021, due to non-accounting of provision for interest, are understated to that extent.*

Based on our review conducted as above and except for the possible effects of the matters, as described in the Basis of Qualified Conclusion section and Material Uncertainty relating to Going Concern paragraph below, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Material Uncertainty relating to Going Concern

- i) *The results are prepared on going concern basis notwithstanding the fact that loans have been recalled back by secured lenders, current liabilities are substantially higher than the current assets, issue of notices under Securitization and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002, recovery proceedings initiated with debt recovery tribunal, symbolic possession of mortgaged property provided as collateral by promoters, invocation of part of the shares pledged as collaterals by bank, invocation of corporate guarantees from guarantors of the loan by the secured lenders of the Company and substantial losses incurred by the Company during the quarter and nine months ending September 30, 2021 and negative Other Equity of Rs. 64,36,66,839 /- as on September 30, 2021.*

Basis of Adverse Conclusion for accounts of Associate Company (i.e. Krishna Showbiz Services Private Limited):

- i) *The aggregate carrying value of Business and Commercial Rights and Channel Development Cost in the books of the Company as on September 30, 2021 is Rs. 69,52,53,270 /-. There is no revenue generation from monetization of these assets during the quarter and nine months ended September 30, 2021 and in previous financial years due to which the Company has incurred substantial losses during the quarter ended September 30, 2021 and in previous financial years. There is a strong indication of impairment in the value of these Business and Commercial Rights and Channel Development Cost and therefore we are of the opinion that the impairment loss of Rs. 69,52,53,270 /- should be provided on all such assets in the books of accounts of the Company as on September 30, 2021. The assets of the Company are overstated and net loss for the quarter ended September 30, 2021 is understated to that extent.*
- ii) *No provision has been made in the books of accounts maintained by the Company for interest / penal interest, if any, on these term loans amounting to about Rs. 4,49,71,036 /- (exact amount cannot be ascertained) for the quarter ended September 30, 2021 as the loan statement as on September 30, 2021 has not been received from the bank, hence to that extent, finance cost, total loss and current financial liabilities is estimated to be understated by about Rs. 4,49,71,036 /- (exact amount cannot be ascertained) for the quarter ending September 30, 2021. Further, no provision for interest / penal interest, if any, on such term loans has been made in books of accounts, from the date the account of the Company has been classified as non-performing in the books of those banks. Also, such loan outstanding balances as per books of accounts are subject to confirmation / reconciliation with the balance as per banks as on September 30, 2021.*

- i) *The results are prepared on going concern basis notwithstanding the fact that loan accounts are classified as non-performing by bank, loans have been recalled back by secured lenders, current liabilities are substantially higher than the current assets, symbolic possession of mortgaged property provided as collateral by promoters, invocation of part of the shares pledged as collaterals by bank, further as discussed in the Basis of Adverse Conclusion paragraph, the carrying value of non-current assets has been fully impaired and also that there is no business activity has been carried out during the quarter under review and*
