- The Buyback will help the Company to distribute surplus cash to its shareholders holding Equity Shares thereby enhancing the overall return for them;

The Company believes that this reservation for small shareholders would benefit a significant number of the Company's public shareholders, who would be classified as "Small Shareholders"(as defined below);
- The Buyback is generally expected to improve return on equity through distribution of cash and improve earnings per share by reduction in the equity base of the Company, thereby leading to long term increase in shareholders' value; and
- The Buyback gives an option to the Eligible Shareholders to either (A) participate in the Buyback and receive cash in lieu of their Equity Shares which are accepted under the Buyback, or (B) not to participate in the Buyback and get a resultant increase in their percentage shareholding in the Company post the Buyback, without additional investment. RECORD DATE AND SHAREHOLDER ENTITLEMENT

- As required under the Buyback Regulations, the Company has fixed Friday, August 25, 2023 ("Record Date"), as the Record Date for the purpose of determining the entitlement and the names of the Shareholders, who will be eligible to participate in the Buyback. Eligible Shareholders holding Equity Shares, as on the Record Date will receive a letter of offer in relation to the Buyback ("Letter of Offer") along with a tender offer form indicating the entitlement of the Eligible Shareholder for participating in the Buyback. Even if the Eligible Shareholder does not receive the Letter of Offer along with the tender form, the Eligible Shareholder may participate and tender shares in the Buyback. The dispatch of the Letter of Offer shall be through electronic mode via email to those shareholders whose email id is registered with the depositories/the Company and through registered post/speed post to those shareholders whose email id is not registered, within two working days from the Record Date and that in case any shareholder requires a physical copy of the Letter of Offer a request has to be sent to the Company or Registrar to the Buyback to receive a copy of
- the letter of offer in physical form and the same shall be provided. The Equity Shares proposed to be bought back by the Company shall be divided into two categories: (a) reserved category for small shareholders; and (b) general category for all other Eligible Shareholders.
- As defined in Regulation 2(i)(n) of the Buyback Regulations, a "Small Shareholder" is a shareholder of the Company who holds Equity Shares whose market value, on the basis of the closing price of the Equity Shares on the Stock Exchange having the highest trading volume as on the Record Date, is not more than ₹2,00,000/- (Rupees Two Lakh only).
- In accordance with Regulation 6 of the Buyback Regulations, 15% (fifteen percent) of the number of Equity Shares which the Company proposes to buyback or number of Equity Shares entitled as per the shareholding of Small Shareholders, whichever is higher, shall be reserved for the Small Shareholders as part of this Buyback.
- Based on the shareholding on the Record Date, the Company will determine the entitlement of each Eligible Shareholder, to tender their Equity Shares in the Buyback. This entitlement for each Eligible Shareholder will be calculated based on the number of Equity Shares held by the respective Eligible Shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such Eligible Shareholder belongs. The final number of Equity Shares that the Company will purchase from each Eligible Shareholder will be based on the total number of Equity Shares tendered by such Eligible Shareholder, Accordingly, the Company may not purchase all of the Equity Shares tendered by an Eligible Shareholder.
- 11.6 In order to ensure that the same shareholder with multiple demat accounts/ folios do not receive a higher entitlement under the small shareholder category, the Company proposes to club together the Equity Shares held by such shareholders with a common PAN for determining the category (Small Shareholder or General) and entitlement under Buyback. In case of joint shareholding, the Company will club together the Equity Shares held in cases where the sequence of PANs of the joint shareholders is identical. The shareholding of institutional investors i.e. mutual funds, pension funds/trusts, insurance companies etc. with common PAN will not be clubbed together for determining the category and will be considered separately, where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the Registrar and Transfer Agent as per the shareholder records received from the depositories.
- Shareholders' participation in Buyback will be voluntary. Eligible Shareholders holding Equity Shares of the Company can choose to participate and get cash in lieu of shares to be accepted under the Buyback or they may choose not to participate. Eligible Shareholders holding Equity Shares of the Company may also accept a part of their entitlement. Eligible Shareholders holding Equity Shares of the Company also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other shareholders, if any.
- 11.8 Further, the Equity Shares held under the category of "clearing members" or "corporate body margin account" or "corporate body - broker" as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients. Further, the Equity Shares held under the category of "clearing members" or "corporate body margin account" or "corporate body - broker" as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.
- left to be bought back, if any, in one category shall be first accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by Eligible Shareholders in that category, and thereafter from Eligible Shareholders who have tendered over and above their entitlement in the other category.

After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares

number of Equity Shares held by the shareholder as on the Record Date. In case the Eligible

Shareholder holds Equity Shares through multiple demat accounts, the tender through a

demat account cannot exceed the number of Equity Shares held in that demat account.

- 11.11 The Equity Shares tendered as per the entitlement by Eligible Shareholders holding Equity Shares of the Company as well as additional shares tendered, if any, will be accepted as per the procedure laid down in Buyback Regulations. If the Buyback entitlement for any shareholder is not a round number, then the fractional entitlement shall be ignored for computation of Buyback entitlement to tender Equity shares in Buyback. The settlement under the Buyback will be done using the 'Mechanisms for acquisition of shares through Stock Exchange" notified by SEBI Circulars.
- 11.12 Detailed instructions for participation in the Buyback (tender of Equity Shares in the Buyback) as well as the relevant time table will be included in the Letter of Offer to be sent to the Eligible Shareholder(s).
