INTRODUCTION

The legacy of Halder Venture dates back to the last century. Even before independence, Mr. Brindaban Chandra Halder played a stellar part in laying the foundation of B. C. Halder Rice and Oil Mill in Rampurhat, Indeed, in 1924, when communication and technology were not so developed, such far sighted investment from Mr. B. C. Halder was extra ordinary no doubt. Another sixty odd years later. Mr. Prabhat Kumar Halder patronized the next big leap, spearheading further development of the company by owning Shri Lalateswari in Naihati, Birbhum.

In the early 90's, Halder Venture witnessed further growth in its illustrious journey. Under Mr. Keshab Kumar Halder's effective leadership, the company further added Shri Jatadhari Rice Mill to its kitty in 1995. The year 2005 was another pivotal year as the company further laid the foundation of P. K. Cereals Private Limited under the camaraderie of Mr. Prabhat Kumar Halder and Mr. Keshab Kumar Halder.

In the year 2008, Halder Venture went another step ahead whether they incorporated P. K. Agri Link Private Limited. All credit goes to the trio : Mr. Keshab Kumar Halder, Mr. Prabha Kumar Halder and Mrs. Rekha Halder for yet another lucrative deal for the company in the long term. With such a long legacy of serious commitment and devotion to industry standards and timely delivery, Halder venture has become a benchmark on its own.

Be it business productivity or strategic assimilation, the company has evolved a long way since its inception in the last century, in its glorious path of creating milestones and accomplishments.

The success of Halder Venture lies in its strategy and prioritization over the years. When most other companies and ventures aim with a short term profit making approach, Halder Venture has always emphasized on implementing contemporary business strategy complementing the needs of the industry. With its state-of-the-art complex machineries, Halder Venture has always been able to have an extra edge over its competitors in the industry domain. The intelligent understanding of optimum levels of capacity utilization has been an added advantage to Halder Venture in framing policies and decision making. Thus, it has been efficient in maintaining steady increase in production level when other competitors have struggled to keep the pace and faltered in the run.

There is no denying the doubt that Halder Venture is way ahead than its close competitors' with regard to skilled human force. Day in and day out, the technically qualified and dedicated bunch of individuals at Halder Venture make it a point to give their best and they have remained pivotal to the success of the company. Be it technical acumen or ethical perspective, the work force of the company has played a stellar part in all these years in forming such a brand image for the company as a while. There has been no discrimination whatsoever as from top to bottom, there have been consistent efforts from all quarters to ensure better performance, leading consistent inflow of high quality agro products. Thus, Halder Venture has always been able to keep more consumer connect in the concerned area of work.

VISION

VISION

Halder Venture aims at building P K Agri Ltd., a National leading brand through quality delivery of its products to its customers and evolving as an important component of the industry through improved customer satisfaction and sustainable and enduring value to customers as well as stakeholders.

MISSION

MISSION

With a consistent and committed focus on quality and maintaining hygiene as per the international standard, P. K. Agri, dedicated in its tireless approach in providing customers with the best in taste. Side by side it also looks into the fact in the long run; its products will replace existing unhealthy alternatives. At the same time there will be an assurance that such agro based products will be made in hygienic conditions, without any lapse of compromise. On the other front, P K Agri will definitely ensure that vendors are also having substantial profit and with time they will have a sense of ownership and pride being integral aspect of this whole business approach.

THE JOURNEY

1924

The inception took place way back in the year in form of B. C. Halder Rice and Oil Mill.

1995

Shri Jatadhari Rice Mill Pvt. Ltd. established and started production.

2006

Acquired another rice mill P. K. Cereals Pvt. Ltd.

2008

P. K. Agri Link Pvt. Ltd. was incorporated

2011

P. K. Agri Link Pvt. Ltd. started its solvent unit production

2016

P. K. Agri Link Pvt. Ltd. started production in its refinery plant

2018

P. K. Agri Link Pvt. Ltd. started production in its Edible oil packaging unit.

MANAGEMENT

The success of any institution is based on its strong roots and Halder Venture is no exception to that. Ever since Mr. B. C. Halder founded Halder Venture in 1924, the company has stressed on giving maximum stress on entrepreneurship and far sighted approach in its journey.

A company, which will be completing centenary celebration after eight years has progressed by leaps and bounds and the stalwarts who have led with exemplary skill shouldn't be forgotten at all. In the history of Halder Venture, the role of Mr. Keshab Kumar Halder is also indeed significant who spearheaded the foundation of Shri Jatadhari Rice Mill in 1995. It was Mr. Keshab Kumar Halder only who laid the foundation of P. K. Cereal Private Limited in 2005. The trio comprising Mr. Keshab Kumar Halder, Mr. Prabhat Halder and Mrs. Rekha Halder played an outstanding role in incorporating P. K. Agri Private Limited to the Halder Venture family.

The decision to go along with a solvent plant having installed capacity of 250 TPD in the year 2011 was another strategic brilliance from the Halder Venture management authorities. Considering the huge Bengal market one can definitely say that crude rice bran manufactured from this solvent plant has paid rich dividends.

Interestingly P K Agri. Pvt. Ltd. has won laurels from many sectors for manufacturing crude oil. Not only the MNC's acknowledged such stellar approach from Halder Venture but also prompted Mr. Keshab Kumar Halder to set up a refinery. The good news is, the refinery with an installed capacity of 75 TPD has already started working since September (2016). One can only expect Halder Venture get bigger and bigger in the days to come carrying forward the legacy of founder Mr. B. C. Halder.

CERTIFICATION

Halder Venture aims at becoming a pioneer in Agro-based Business. No doubt, the company keeps a close eye to the rising market demand as well as new trends. Side by side, Halder Venture gives maximum stress on manufacturing high quality rice oil and other agro based products for the customers. No doubt, Halder Venture is equipped with a state of the art refinery and solvent plant, having contemporary infrastructure to deal with the rising demand. Time and again, it has been committed in supplying best quality refined rice bran oil.

We are holder of 3 certificates already like 1) Star Export House, 2) IOPEPC, 3) APEDA. Moreover very soon we will be an ISO - 9001:2015 and 14001:2004 Co. Apart from these certifications we will be an ISO22000, BRC, HALAL and QUSHER CHECK certified co very shortly. We believe that we will be one of the few cos from Bengal to have such certifications, Good news is, very soon Halder Venture will be accorded with an ISO certification along with BRC, HALAL and QUSHER CHECK certifications too. Certainly, not many companies have such certification in Bengal at least.

OUR PRODUCTS

PARABOILED RICE

We are producer of Parboiled Rice. Rice is easier to polish by hand (removal of the bran layer) after parboiling but mechanical processing is harder since the bran becomes somewhat oily and tends to clog machinery. Most parboiled rice is milled in the same way as white rice.

The starches in parboiled rice become gelatinized, and then retrograded after cooling. Through gelatinization, amylase molecules leach out of the starch granule network and diffuse into the surrounding aqueous medium outside the granules which, when fully hydrated are at maximum viscosity. The parboiled rice kernels should be translucent when wholly gelatinized. Cooling brings retro gradation whereby amylase molecules re-associate with each other and form a tightly packed structure. This increases the formation of type 3-resistant starch which can act as a prebiotic and benefit gut health in humans. However, this also makes the kernels harder and glassier. Parboiled rice takes less time to cook and it firmer and less sticky. In North America parboiled rice is either partially or fully precooked before sale. Minerals such as zinc or iron are added, increasing their potential bioavailability in the diet.

PUFFED RICE

Puffed rice is used for making breakfast cereals which is commonly known as Muri or Murmura in the eastern part of India. We are manufacturer of Pressure Parboiled Rice to make Muri – Puffed Rice. Puffed rice is a type of puffed grain made from rice, commonly used in breakfast cereal or snack foods, and served as a popular street food in India. It is usually made by heating rice kernels under high pressure in the presence of steam, though the method of manufacture varies widely. It is widely used in countries like India.

Puffed rice is an ingredient of Bhel Puri, a popular Indian chaat (snack). It is offered to Hindu gods and goddesses in all poojas in the South Indian states of Kerala and Tamil Nadu. Pilgrims of Sabarimala often puffed rice in their Irumudikettu along with jaggery meant to be offered to Lord ayyappan. Tamil saints say that Lord Ganesh loves Pori, so it should be offered to him without fail. Pori has been mentioned in various Tamil literatures as an offering to Hindu deities. Offerings of Pori and jaggery

made to Vinayagar (Lord Ganesh) are mentioned in the Tiruppugazh, a 15th century anthology of Tamil religious songs, written by Tamil poet Arunagirinathar.

A traditional puffed rice called muri is made by heating rice in a sand-filled oven. Muri is to rice as popcorn is to corn. The processing involved makes rice less perishable. Mandakki is a staple food in many parts of Rayalaseema, North Karnataka, Odisha, Tripura, West Bengal and Bangladesh. Jhalmuri or Masalemandakki is a very popular preparation made from mandakki (muri).

Puffed rice is formed by the reaction of both starch and moisture when heated within the shell of the grain. Unlike popcorn, rice kernels are naturally lacking in moisture and must first be conditioned with steam. Puffed rice can be created by heating the steam-conditioned kernels either with oil or in an oven. Rice puffed in this way is crisp, and known as "crisped rice". Oven-crisped is used to produce the Rice Krispies breakfast cereal as well as the crisped rice used in Lion Bars, Nestle Crunch, Crackle, and similar chocolate bars.

RICE BRAN OIL

Rice Bran Oil is the oil extracted from the hard outer brown layer of rice after chaff (rice husk). It is popular as cooking oil in several Asian countries, including Japan and China. Rice Bran Oil is rich in mono-saturated and poly-saturated fats and free of trans-fats. It is known as the heart friendly oil. Rice Bran Oil helps lower cholesterol because it contains the right amount of oryzanol which is antioxidant. Rice Bran Oil also contains Vitamin E.

Literature review shows rice bran oil and its active constituents improve blood cholesterol by reducing total plasma cholesterol and triglycerides, and increasing the proportion of HDL cholesterol. Results of an animal study (non-primary source needed) indicated a 42% decrease in total cholesterol with a 62% drop in LDL cholesterol, when researchers supplemented test subjects' diets with ractionated Vitamin E obtained from Rice Bran Oil.

It is rich in Vitamin E which is powerful antioxidant and has antimutagenic properties which prevent from cancer. Vitamin E also helps in boosting your immunity. It contains high levels of natural antioxidants which boost your metabolic rate and may help with weight loss. The high level of antioxidants not only makes this oil healthy but also makes it resist rancidity and spoilage. It has a long shelf life.

OUR PRODUCTS

DE-OIL RICE BRAN

DORB is one of the product of rice bran, which is widely used in the manufacture of cattle feed, poultry feed and fish feed in most countries, it is also used for manufacturing Sodium Silicate and Silica Gel. DORB sildenafil 100mg is one of the product of rice bran, which is widely used in the manufactures of cattle feed, poultry feed and fish feed in most countries, it is also used for manufacturing Sodium Silicate and Silica gel.

Rice Bran Wax, obtained from rice bran oil and palpanese extract, is used as a substitute for carnauba wax in cosmetics, confectionery, shoe creams and polishing compounds. It is edible oil which is used in the preparation of vegetable ghee. Rice bran might help lower cholesterol because the oil it contains has substances that might decrease cholesterol absorption and increase cholesterol elimination [medical citation needed] One of the substances in rice bran might decrease calcium absorption. This might help reduce the formation of certain types of kidney stones.

LECITHIN

Lecithin is used as an ingredient in chocolate. It is used to manufacture medicine and it heals diseases like Alzheimer's & Dementia.

RAW CASHEW NUT IN CELL

Raw Cashew is imported from African countries like Togo, Ivory Coast, Tanzania, and Benin. These countries are the main sources of raw cashew for us.

ANNEXURE - I

MANAGEMENT DISCUSSION & ANALYSIS REPORT

(A) INDUSTRY STRUCTURE AND DEVELOPMENT:

Halder Venture Limited is mainly engaged in Trading of rice as its principal business. Rice is the staple food of 65% of India's population and its cultivation is a major source of employment in South Asia. India, Bangladesh and Pakistan supply almost 30% of the world's paddy rice. India is one of the world's largest traders of rice, accounting for about 20% of all world rice trading where our Company is also primarily present. There is a cohesive focus on maintaining the demand supply balance in the country. The Company is expected to continue to be a dominant player in the agricultural sector with increasing demand for processed food in recent years with the growth of population, rapid urbanization and changing life styles.

(B) OPPORTUNITIES AND THREATS:

Favorable policy initiatives towards exports are encouraging the rice industry towards higher exports. Increasing popularity of rice-based snacks is increasing institutional demand. Growing popularity of large format retail is enabling marketers to launch and display more and more specialized varieties, leading to higher than usual off take off the shelves. Marketers' response with niche variants for restaurants is also adding to the growth. Indian prices of agriculture commodities are controlled by the Government. The Minimum Support Price for Paddy (Common) has increased from 1750 per quintal in 2018-19 to 1815 per quintal for the year 2019-20 and Paddy (Grade A) has increased from 1770 per quintal in 2018-19 to 1835 per quintal in 2019-20. The Company's main threat is competition from multinational giants and local entrepreneur who are also engaged in this industry.

(C) SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE:

The Company is a single segment company therefore details of segment-wise performance is not applicable.

(D) OUTLOOK:

Outlook for the current year remains strong.

(E) RISKS AND CONCERNS:

The Company's operations are subject to risks which can impact business performance essentially with regard to prices of basic materials. The management assesses such risks and takes measures to address the same. The fundamental of the rice industry appears to be better and is growing fast because of the improvement in the agricultural sector. The Company is committed to adhere to all applicable environment regulations and improve upon the environmental performance on a continued basis.

(F) INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The Company has an adequate system of internal control procedure as commensurate with the size and nature of business, which ensures that all assets are safeguarded and protected against loss and all transactions are recorded and reported correctly.

(G) DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE:

The Management is pleased to report that Company's business plan is progressing as per the Management's satisfaction. The year in review shows a moderate performance by the Company with respect to sluggish demand in the agricultural industry. The present order position is healthy and we are expecting the markets to improve both in terms of liquidity and also demand in the coming years.

(H) MATERIAL DEVELOPMENTS IN HUMAN RESOURCES / INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED

The Company believes that human assets constitute the driving force behind the Company's growth plans and has a healthy management and worker relationships and pledges to strengthen the same to improve quality of work culture and productivity. The human resource/ industrial relations remained cordial throughout the year.

Independent Auditors Report HVL_2019-20

To The Members of **Halder Venture Limited**

Report On the Audit of the Standalone Financial Statement

Opinion

We have audited the standalone financial statements of Halder Venture Limited ("the Company"), which comprise the Balance Sheet as at 31 March 2020, and the Statement of Profit and Loss (including other comprehensive income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements"). In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2020, and profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis on Matters

The Management has performed year end physical verification of inventories, March 31, 2020. On account of the COVID-19 related lock-down restrictions, we were not able to physically observe the verification of inventory that was carried out by the Management. Consequently, we have obtained and relied on the signed verification copies received from the Management.

Our opinion is not modified in respect of this matter.

Key Audit Matters

We have determined that there are no other key audit matters to communicate in our report.

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard

Management's Responsibility for the Standalone Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit / loss (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and

obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act 16, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements for the financial year ended March 31, 2020 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication

Report on Other Legal and Regulatory Requirements

1. As required by section 143 (3) of the Act, based on our audit we report that :
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- b. in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. the Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
 - d. in our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act.
 - e. on the basis of the written representations received from the directors of the Company as on March 31, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164(2) of the Act.
 - f. with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g. with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us :
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii. There were no amounts which required to be transferred by the Company to the Investor Education and Protection Fund.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE-A

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies' Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Halder Venture Limited** ("the Company") as of March 31, 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgments, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence I/we have obtained is sufficient and appropriate to provide a basis for my /our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal financial control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

NOTE-1 :

SCHEDULES & NOTES TO ACCOUNTS OF HALDER VENTURE LIMITED

A. SIGNIFICANT ACCOUNTING POLICIES

Corporate Information : Halder Venture Limited (the 'Company') is a public limited company domiciled in India, incorporated under the provisions of the Companies Act, 1956 and is listed at Bombay Stock Exchange. The Company is engaged in the trading activity (Including Export).

- I. **Statement of Compliance:** The financial statements of the Company have been prepared in accordance with and in compliance, in all material aspects with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued there under. These financial statements for the year ended 31st March, 2020 are the Ind AS compliant financial of the Company. The Company has adopted Ind-AS for preparation of financial statements for the year started from 1st April 2016 and onwards.
- II. **Basis of Preparation and Presentation :** The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015. (as amended) The financial statements have been prepared in accordance with the accounting policies, set out below and were consistently applied to all years presented unless otherwise stated.

For all periods, up to and including the year ended 31st March 2017, the Company prepared its financial statements in accordance with accounting standard notified under section 133 of Companies Act 2013 read with paragraph 7 of the Companies (Accounts) Rules 2014. Accordingly, financial statement for the year ended 31st March 2017 and opening Balance Sheet as at 1st April 2016 (Transition Date) had been restated in accordance with Ind-AS for comparative information purpose in preparation and of the Company's first Ind-AS compliant financial statements.

- III. **Basis of Measurement:** These financial statements have been prepared on a historical cost basis, Historical cost is generally based on the fair value of the consideration given in exchange for the goods and services
- IV. **Use of Estimates and Judgment:** The preparation of financial statements in conformity with Ind AS requires Management to make judgments, estimates and assumptions, that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Future and actual results could differ due to changes in these estimates. Appropriate revision is made in these estimates considering the change in the surrounding circumstances known to management. Any revision to accounting estimates is recognized in the period in which revision takes places.

All financial information is presented in Indian rupees (₹).

- V. Revenue Recognition:** Revenue is measured at the fair value of the consideration received or receivable. Revenue is reduced for trade discounts, rebates and other similar allowances Revenue exclude sales tax, value added tax, any other indirect taxes or amounts collected on behalf of third parties.

Revenue is recognized when the amount of revenue can be reliably measured; it is probable that the future economic benefits will flow to the Company.

Revenue from sale of goods:

Revenue from sale of goods is recognized when the Company transfers all significant risks and rewards of ownership to the buyer while the Company retains neither continuing managerial involvement nor effective control over the goods sold.

Interest income:

Interest income is included in the other income in the statement of Profit and Loss. Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate when there is a reasonable certainty as to realization.

- VI. Plant Property and Equipment:** Property, plant and equipment are stated at historical cost less depreciation and impairment losses, if any. Freehold land is not depreciated.

Historical Cost includes the acquisition cost or the cost of construction, including duties and taxes (other than those refundable), expenses directly related to the acquisition of assets and making them operational for their intended use.

Depreciation is provided prorata basis on written down value method at the rates determined based on estimated useful lives of tangible assets where applicable, specified in Schedule II to the Act. Intangible Assets are depreciated over the useful life of the asset without any residual value.

Name of Asset	Use full life	Remark
Computer	3 years	
Furniture and Fixture	5 Years	
Vehicle	10 Years	
Software	5 Years	No Residual Value

- VII. Intangible Asset:** Intangible assets purchased are measured at cost as of the date of acquisition less accumulated amortization and accumulated impairment, if any Amortization is recognized on a straight-line basis over their estimated useful lives. The estimated useful life and amortization method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

VIII. Foreign Currency Transactions and Translations:

Functional Currency: The functional currency of the Company is Indian Rupee (₹). These financial statements are presented in Indian Rupee (₹).

Transactions and translations: Foreign-Currency-denominated monetary assets and liabilities are translated into relevant functional currency at exchange rates in effect at the Balance Sheet Date. The gains or losses resulting from such translations are included in net profit in the Statement of Profit and Loss.

Transaction gains or losses realized upon settlement of foreign currency transaction are included in determining net profit for the period in which the transaction is settled. Revenue, expenses and cash-flow statement items denominated in foreign currency are translated into the relevant functional currencies using the exchange rate in effect on the date of the transaction.

IX. Inventories: Inventories are valued at cost or net realizable value, whichever is lower, cost being worked out on weighted average basis. Cost includes all charges for bringing the goods to their present location and condition, including octroi and other levies, transit insurance and receiving charges. Net realizable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale.

X. Taxes on Income:

Current Income Tax: Current Income tax is measured at the amount expected to be paid to the tax authorities in accordance with Income Tax Act, 1961.

Deferred Tax: Deferred Tax is provided using the Balance Sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized. The tax rates and tax laws used to compute the tax are those that are enacted or substantively enacted at the reporting date. Current income tax/deferred tax relating to items recognized directly in equity is recognized in equity and not in the Statement of Profit and Loss.

XI. Provision and Contingencies:

Provision: Provisions are recognized when there is a present obligation (legal or constructive) as a result of past event, where it is probable that there will be outflow of resources to settle the obligation and when a reliable estimate of the amount of the obligation can be made.

Contingencies: Contingent liabilities exist when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company, or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required or the amount cannot be reliably estimated. Contingent liabilities are appropriately disclosed unless the possibility of an outflow of resources embodying economic benefits is remote.

XII. Financial Instruments: Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instruments. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction

costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss.

Non-derivative financial instruments:

- i. **Cash and cash equivalents:** The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.
- ii. **Financial assets carried at amortized cost:** Financial assets are measured at amortized cost if these are held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- iii. **Financial assets at fair value through other comprehensive income:** Financial assets are measured at fair value through other comprehensive income (OCI) if it is held within a business model whose objective is achieved by both collecting contractual cash flows and by selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- iv. **Financial assets at fair value through profit or loss:** Financial assets are measured at fair value through profit or loss unless it is measured at amortized cost or at the fair value through other comprehensive income. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss.
- v. **Investments in subsidiaries, joint ventures and associates:** Investment in subsidiaries, joint ventures and associates are carried at cost in the financial statements.
- vi. **Financial liabilities:** Financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.
- vii. **Equity instrument:** An equity instrument is a contract that evidences residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments recognized by the Company are recognized at the proceeds received net off direct issue cost.

XIII. Impairment:

Non-financial assets: Property, plant and equipment and intangible assets Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are

largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs. If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognized in the Statement of Profit and Loss.

XIV. Operating Cycle: A portion of the Company's activities (primarily long-term project activities) has an operating cycle that exceeds one year. Accordingly, assets and liabilities related to these long-term contracts, which will not be realized / paid within one year, have been classified as current. INDEPENDENT AUDITORS REPORT 2019-20 HVL CONSOLIDATED

To The Members of **Halder Venture Limited**

Report On the Consolidated Financial Statement

Opinion

We have audited the Consolidated financial statements of Halder Venture Limited ("the Company"), which comprise the Balance Sheet as at 31 March 2020, and the Statement of Profit and Loss (including other comprehensive income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the Consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated financial statements"). In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2020, and profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis on Matters

The Management has performed year end physical verification of inventories, March 31, 2020. On account of the COVID-19 related lock-down restrictions, we were not able to physically observe the verification of inventory that was carried out by the Management. Consequently, we have obtained and relied on the signed verification copies received from the Management.

Our opinion is not modified in respect of this matter.

Key Audit Matters

We have determined that there are no other key audit matters to communicate in our report

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the Consolidated financial statements and our auditors' report thereon.

Our opinion on the Consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard

Management's Responsibility for the Consolidated Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Consolidated financial statements that give a true and fair view of the state of affairs, profit / loss (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the Consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act16, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated financial statements, including the disclosures, and whether the Consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated financial statements for the financial year ended March 31, 2020 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE - A

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies' Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Halder Venture Limited** ("the Company") as of March 31, 2020 in conjunction with our audit of the Consolidated financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgments, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence I/we have obtained is sufficient and appropriate to provide a basis for my /our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal financial control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Revenue, expenses and cash-flow statement items denominated in foreign currency are translated into the relevant functional currencies using the exchange rate in effect on the date of the transaction."

x. INVENTORIES :

Inventories are valued at cost or net realisable value, whichever is lower, cost being worked out on weighted average basis. Cost includes all charges for bringing the goods to their present location and condition, including octroi and other levies, transit insurance and receiving charges. Net realizable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale.

xi. TAXES ON INCOME :

Current Income Tax : Current Income tax is measured at the amount expected to be paid to the tax authorities in accordance with Income Tax Act, 1961.

Deferred tax : Deferred Tax is provided using the Balance Sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised. The tax rates and tax laws used to compute the tax are those that are enacted or substantively enacted at the reporting date. Current income tax/deferred tax relating to items recognised directly in equity is recognised in equity and not in the Statement of Profit and Loss.

xii. PROVISIONS AND CONTINGENCIES :

Provisions : Provisions are recognised when there is a present obligation (legal or constructive) as a result of past event, where it is probable that there will be outflow of resources to settle the obligation and when a reliable estimate of the amount of the obligation can be made.

Contingencies : Contingent liabilities exist when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company, or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required or the amount cannot be reliably estimated. Contingent liabilities are appropriately disclosed unless the possibility of an outflow of resources embodying economic benefits is remote."

xiii. FINANCIAL INSTRUMENTS :

"Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss."

A. Non-derivative financial instruments :

Cash and cash equivalents : The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

Financial assets carried at amortised cost : Financial assets are measured at amortised cost if these are held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income : Financial assets are measured at fair value through other comprehensive income (OCI) if it is held within a business model whose objective is achieved by both collecting contractual cash flows and by selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss : Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at the fair value through other comprehensive income. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Investments in subsidiaries, joint ventures and associates : Investment in subsidiaries, joint ventures and associates are carried at cost in the financial statements.

Financial liabilities : Financial liabilities are subsequently carried at amortised cost using the effective interest method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

Equity instrument : An equity instrument is a contract that evidences residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments recognized by the Company are recognised at the proceeds received net off direct issue cost.

xiv. IMPAIRMENT :

Non-financial assets : Property, plant and equipment and intangible assets Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs. If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognised in the Statement of Profit and Loss.

xv. OPERATING CYCLE :

A portion of the Company's activities (primarily long-term project activities) has an operating cycle that exceeds one year. Accordingly, assets and liabilities related to these long-term contracts, which will not be realised/paid within one year, have been classified as current. NOTES :

The Company uses the following hierarchy for determining and /or disclosing the fair value of financial instruments by valuation techniques :

Level 1 hierarchy includes financial instruments measured using quoted prices in active markets for identical assets or liabilities.

Level 2 hierarchy includes the fair value of financial instruments that are not traded in an active market (for example, over-the counter derivatives) and the fair value is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3 Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

The cost of unquoted investments included in Level 3 of fair value hierarchy approximate their fair value because there is a wide range of possible fair value measurements and the cost represents estimate of fair value within that range.

If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

There are no transfers between levels 1 and 2 during the year. The Company's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.

23B. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

RISK MANAGEMENT FRAMEWORK

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The board of directors has established the Risk Management Committee (RMC) which is responsible for developing and monitoring the Company's risk management policies. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and control and monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

The Company's activities expose it to market risk, liquidity risk and credit risk which are measured, monitored and managed to abide by the principles of risk management.

(a) CREDIT RISK

Credit risk refers to the risk of financial loss that may arise from counter party failure on its contractual obligations resulting in financial loss to the Company. Credit risk encompasses both the direct risk of default and the risk of deterioration of creditworthiness as well as concentration risks.

The Company controls its own exposure to credit risk. All external customers undergo a creditworthiness check. The Company performs an on-going assessment and monitoring of the financial position and the risk of default. Based on the aforesaid checks, monitoring and historical data, the Company does not perceive any significant credit risk on trade receivables.

In addition, as part of its cash management and credit risk function, the Company regularly evaluates the creditworthiness of financial and banking institutions where it deposits cash and performs trade finance operations. The Company primarily has banking relationships with the public sector, private and large international banks with good credit rating.

The Company's export business model includes sales to single point customer in various countries. Hence the total exposure of the company is limited to 2-3 customers(Export Business).

The maximum exposure to the credit risk at the reporting date is the carrying value of all financial assets amounting to Rs. 507 lakhs (31st March, 2019 : Rs. 310 lakhs) as disclosed in note 23A (a). of the year end trade receivables, the following were past due but not impaired as at 31st March, 2020 and 31st March, 2019 :

Particulars	As at March 31st, 2020	As at March 31st, 2019
Neither impaired nor past due		
Past due but not impaired		
Due less than one month		
Due between one - three months	13,599,880	26,361,741
Due between three - twelve months	26,432,181	3,137,638
Due greater than twelve months		
Total	40,032,061	29,499,379

(b) LIQUIDITY RISK

The Company has liquidity risk monitoring processes covering short-term, mid-term and long-term funding. Liquidity risk is managed through maintaining financial year, sold off its steel and bright bar business monitors projected and actual cash flow data, analyses the repayment schedules of the existing financial assets and liabilities and performs annual detailed budgeting procedures coupled with rolling cash flow forecasts.

The contractual maturities of the Company's financial liabilities are presented below :-

Total	25,722,726	-	-	-	25,722,726

* Includes non-current borrowings, current borrowings and current maturities of non-current borrowings at the prevailing interest rate.

(c) MARKET RISK

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. The Company is exposed to different types of market risks.

The market risk is the possibility that changes foreign currency exchange rates, interest rates etc future cash flows.

The fair value information presented below is based on the information available with the management as of the reporting date.

(c.1) FOREIGN CURRENCY EXCHANGE RISK

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The risk of fluctuations in foreign currency exchange rates on its financial liabilities including borrowing, trade and other payable etc., are mitigated through the use of derivative instruments. The Company does not use derivative.

A reasonably possible strengthening/weakening of the Indian Rupee against such foreign currency (converted to US Dollars) as at 31st March, 2020 and 31st March, 2019 would have affected constant and ignores any impact of forecasted sales and purchases.

Particular	Changes in USD rate	Unhedged foreign currency receivables / (payables) (net)	Effect on profit / (loss) before tax	Impact on Equity
31st March,2020	10%	40,032,061	296,822	207,776
	-10%		(296,822)	(207,776)
31st March, 2019	10%	26,361,741	263,617	184,532
	-10%		(263,617)	(184,532)

IMPACT OF COVID-19 (GLOBAL PANDEMIC)

"The Company basis their assessment believes that the probability of the occurrence of their forecasted transactions is not impacted by COVID-19 pandemic". As there is only export receivables any adverse impact o the value of Dollar (Increase in Value of Dollar) will be beneficial to the company as it will add to the inflows of the company in terms of INR.

DERIVATIVE FINANCIAL INSTRUMENTS

The Company does not hold any derivative position to mitigate the risk of changes in exchange rates on foreign currency exposures. By not using any mitigation technique the company is exposed to foreign Currency fluctuation risk. (The Impact of Foreign Currency Fluctuation is presented in point No C.1).

Less than 1 year	As at 31 st March, 2020	As at 31st March, 2019
Forward contract to cover both present and future foreign currency exposures :		
Export receivables		

(c.2) INTEREST RATE RISK

Interest rate risk is measured by using the cash flow sensitivity for changes in variable interest rates. Any movement in the reference rates could have an impact on the Company's cash flows as well as costs. The Company is subject to variable interest rates on some of its interest bearing liabilities. The Company's interest rate exposure is mainly related to debt obligations.

The exposure of the Company's financial assets and financial liabilities as at 31st March 2020 and 31st March, 2019 to interest rate risk is as follows :

Financial Assets	Total	Floating rate financial assets	Fixed rate financial assets	Non-interest bearing financial assets
31st March, 2020	50,761,046			50,761,046
31st March, 2019	31,051,167			31,051,167
Financial liabilities	Total	Floating rate financial liabilities	Fixed rate financial liabilities	Non-interest bearing financial liabilities
31st March, 2020	22,836,582	22,328,228		508,354
31st March, 2019	25,722,726	21,097,201		4,625,526

If the interest rates applicable to floating rate instruments is increased/decreased by 1%, the profit before tax for the year ended 31st March, 2020 would decrease/ (increase) by Rs.0.19 Lakhs (31st March, 2019 : Rs 0.18 lakhs) on an annualised basis. This assumes that the amount and mix of fixed and floating rate debt remains unchanged during the year from that in place as at year end.

IMPACT OF COVID-19 (GLOBAL PANDEMIC)

The Company is exposed to interest Risk due to its interest cost on Financial Liabilities. However the RBI has recently reduced the Repo rate resulting in decrease in MCLR. Being the Financial Liabilities are mostly floating rate in the nature, company has grossly benefited from this. Based on the review, current market scenario and current indicators of economic conditions the management is of the opinion that there is no significant impact on the business due to Interest cost.

C. CAPITAL MANAGEMENT

For the purpose of the Company’s capital management, capital includes issued equity capital and other equity. The Company’s primary capital management objectives are to ensure its liability to continue as a going concern and to optimize the cost of capital in order to enhance value to shareholders.

The Company manages its capital structure and makes adjustments to it as and when required. To maintain or adjust the capital structure, the Company may pay dividend or repay debts, raise new debt or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. No major changes were made in the objectives, policies or processes for managing capital during the year ended 31st March, 2020 and 31st March, 2019 respectively. The company includes within net debt, interest bearing loans and borrowings, less cash and cash equivalents.

The following table summarises the capital of the Company :
