ANNEXURE V MANAGEMENT DISCUSSION AND ANALYSIS

Pursuant to schedule V of the SEBI (LODR) Regulation, 2015. Management Discussion and Analysis Report form a part of the Annual Report of the Company. It indicates the Company's movement in the external environment Vis-a-Vis its own strengths and resources.

AN ECONOMIC OVERVIEW GLOBAL ECONOMY

COVID-19 has triggered the deepest global recession in decades. While the ultimate outcome is still uncertain, the pandemic will result in contractions across the vast majority of emerging market and developing economies. It will also do lasting damage to labor productivity and potential output. The immediate policy priorities are to alleviate the human costs and attenuate the near-term economic losses. Once the crisis abates, it will be necessary to reaffirm a credible commitment to sustainable policies and undertake the reforms necessary to buttress long-term prospects. Global coordination and cooperation will be critical.

The COVID-19 pandemic has resulted in a collapse of global economic activity. The share of countries experiencing contractions in per capita GDP will reach its highest level since 1870, despite unprecedented policy support. A lack of space is constraining fiscal responses in many EMDEs. The scarring effects of the crisis mean that the recovery will be insufficient to bring output to previously projected levels, underscoring the need to pursue reforms that bolster long-term growth prospects.

INDIAN ECONOMY

The Indian economy grew at 4.2 per cent in 2019-20, lower than the 6.1 per cent figure registered in 2018-19, as the Covid-19 pandemic adversely impacted economic activity in the last month of the fiscal year, especially manufacturing and construction. In the final quarter of the year, that is, January-March, the growth rate of Gross Domestic Product (GDP) fell to 3.1%, reflecting the impact of the first week of the COVID-19 lockdown which began on March 25.

INDUSTRY STRUCTURE AND DEVELOPMENT:

Garware Synthetics Limited manufactures wide range of bristles made from Nylon 6, 66, PBT, Polypropylene, which finds extensive application in various Brush Industries. Recently Company has developed nylon sutures, which was currently imported into our country. These sutures are used mainly for medical purpose. The management is trying its best to improve the working of the Company.

OPPORTUNITIES AND THREATS:

Your company has got good demand for its products due to high quality standards. The company can produce almost 570 MT per year if work at its full capacity. However, the Company is not producing the sufficient quantity of products due to scarcity of the Working Capital. At the same time, many potential markets are untapped due to shortage of raw material. In spite of all odds, the Company is still enjoying the reputation on grounds of quality.

Our raw materials are petro- based products. In the current year oil prices were also high. This has resulted in increasing the raw material prices considerably. As the market could not absorb all the raw material prices, resulted into loss of sale and reduces company profit margin.

Your management is of the opinion that the following determining factors of Opportunities and Threats would play a vital role in case of your company.

FACTOR FOR THREATS

1. Your company faces competition from the unorganized sector in the industry.
2. Your company faces adversity due to volatile raw material Prices.
3. Your company suffers from huge amount of power shortage. Due to the power- cutting in company factory established, the Company suffered amount of production loss during the current year and the same trend will continue in the next year also as the area of production is not having adequate power generating capacity.

HUMAN RESOURCES DEVELOPMENT:

The inter- personal relations of the employees have been very cordial throughout the year. The Company has constituted an Internal Complaints Committee (ICC) pursuant to the provisions of the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 (Sexual Harassment Act).

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY:

The Company has a compact organization Structure which helps it run business operation smoothly. The Company has adequate internal control system, commensurate with the size and nature of its operations. Audit Committee, the details of which has been provided in the Corporate Governance Report has been entrusted with detailed terms of reference to review and look into proper recording of transactions and preparation of financial statement. One of the important functions of the Audit Committee is to review the adequacy of internal control systems and compliance thereof.

CAUTIONARY STATEMENT:

Your Company is facing a financial crunch and because of same your company can not fulfill huge demand from domestic as well as international market. At the same time due to shortage of working capital funds the continuity of the production breaks frequently resulting into heavy wastage. All this may result into diversion of our customers to our competitors.

ANNEXURE 'A' TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of **Garware Synthetics Limited** ('the Company') as of March 31, 2020 in conjunction with our audit of the financial statements of the Company for the year ended and as on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the 'Guidance Note'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note.
