Declare Karnataka-occupied Maha UT, says Uddhav

Nagpur: Former Maharashtra chief minister Uddhav Thackeray on Monday said in the state Legislative Council that the central government should declare Karnataka-occupied Maharashtra areas as a Union Territory.

Speaking in the Upper House on the raging boundary dispute between Maharashtra and Karnataka, Shiv Sena (UBT) leader Thackeray said it is not just a case of language and border but of "humanity". He said Marathi-speaking people have been residing in the border villages from generations. Their daily life, language and lifestyle is Marathi, he said. Till the issue is pending before the Supreme Court, the "Karnataka-occupied Maharashtra should be declared as a Union Territory by the central government", he said.

Thackeray also asked whether Maharashtra Chief Minister (Eknath Shinde) had said a word about the issue and questioned if the state government stands on it. The matter is sub-judice and there is a status quo on it, but who is spoiling the atmosphere? he asked, apparently targeting the Karnataka government.

The Karnataka legislature has reiterated the state's stand that the border issue is settled, and not an inch of land will be given to the

neighbouring state. Thackeray questioned the central government's role as "guardian" of both the states.

"Has the central government acted as a guardian. We expect the central government to act as the guardian", he said.

He also said (members of) both the houses should watch the movie "Case for Justice" and read the Mahajan Commission report (on the border issue). When the Belagavi district was under the Maratha rule, resolution to merge with Maharashtra, action was taken against the corporation, Thackeray said. Similarly, some gram panchayats of Maharashtra had demanded a merger with Telangana. Does the Shinde government have little courage to evict against these gram panchayats?", he said.

Rajya Sabha member and Shiv Sena (UBT) leader Sanjay Raut was present in the visitors' gallery of Maharashtra and demanded a merger back to 1957 after the reorganisation of states on linguistic lines.

Maharashtra laid claim to Belagavi, which was part of the erstwhile Bombay Presidency, as it has a sizeable Marathi-speaking population. It also laid claim to more than 800 Marathi-speaking villages which are currently part of Karnataka. ❧

Bihar CM Nitish to skip PM's meeting on Ganga

By CM Tejaswini Yadav To Represent State

Bihar Chief Minister Nitish Kumar

Patna: In an other move indicating generational transition in Bihar's ruling coalition, deputy chief minister Tejaswini Prasad Yadav will attend the National Ganga Council meeting, scheduled to be chaired by Prime Minister Narendra Modi in Kolkata on December 30.

This is the second time in a month that chief minister Nitish Kumar will skip a meeting called by the Centre and instead send Tejaswini to represent the state. Nitish had not attended the Eastern Zonal Council meeting chaired by Union home minister Amit Shah in Kolkata on December 17.

Several Union ministers and chief ministers are likely to attend the Ganga Council meeting, including West Bengal CM Mamata Banerjee, who has already confirmed her presence. When asked the reason

CM Nitish has faith in Tejaswini and knows that the latter is capable of representing Bihar."

Nitish had earlier this month hinted at passing the mantle to Tejaswini, saying that the RJD leader would lead the National Ganga Council (Grand Alliance) in the next assembly election, a move which, according to political experts, signalled the JD(U) leader's desire to lead the united opposition challenge to Modi in 2024 Lok Sabha polls.

Mahagathbandhan leaders said Nitish was trying to avoid Modi. "Nitish ji is the one who is bringing all the opposition leaders on one platform against PM Modi. So, it is natural he will maintain a distance from the PM. After all, both will be locking horns in the parliamentary elections," said an RJD leader, adding, "He is also projecting Tejaswini to bring him represent the state at such major meetings."

HIS SECOND SNUB IN 9 MONTHS

"The meeting called by PM Modi is on the Ganga and Tejaswini is heading the urban development department, under which the Namami Ganga project comes. His presence is important from that point of view. Also,

Delhi tourism asked not to 'stop' liquor brands

New Delhi: The apex body of Indian alcoholic beverage industry has written to the Delhi tourism department asking it not to stop the supply of liquor brands in the capital, demanding the orders should be placed on basis of demand and not a "pre-determined discriminatory list".

In a letter to the Delhi tourism department, the Confederation of Indian Alcoholic Beverage Companies (CIABC) said only a select few brands have been categorised as "popular" and orders for supply are being given for only these brands.

"The letter comes as the sales of alcohol will be up during the ongoing festive season. We have been informed that since early December, orders for supply of liquor brands of our member companies have been stopped," said the December 22 letter addressed to Niharika Rai, Managing Director and CEO of Delhi Tourism and Transport Development Corporation.

The body notes that the current excise policy commenced in September and it is "unfair" to stop orders without any intimation or notice to supplier companies. ❧

Mother Dairy hikes milk price by ₹2 litre; Amul says no hike

New Delhi: Mother Dairy hiked milk prices by ₹2 per litre in the Delhi-NCR market effective Tuesday, citing an increase in its procurement rate of raw milk from producers.

This is the fifth increase in milk prices since March, with the cumulative hike now totalling up to ₹9 per litre, or 16 per cent, by Mother Dairy - one of the leading milk suppliers in Delhi-NCR with volumes of more than 30 lakh litres per day. When contacted, R S Sodhi, MD of Gujarat Cooperative Milk Marketing Federation (GCMMF), which markets Amul brand and is a major player in Delhi-NCR, said that there is no plan to increase its milk prices in the near future.

Mother Dairy has increased the prices of full-cream milk by ₹2 to ₹66 per litre, while toned milk rate has been raised to ₹53 per litre from ₹51 per litre.

Doubled-toned milk rate has been increased to ₹47 per litre from ₹45 per litre. Mother Dairy has decided not to raise prices of cow milk and token (bulk vend) products.

The hike in milk prices will hit household budgets, which are already under stress because of rise in rates of food items like wheat

MP green peas growers demand MSP

Farmers engaged in the cultivation of green peas have staged a protest on Jabalpur-Bhopal national highway after getting low prices for their produce and demanded the Madhya Pradesh government fix a minimum support price for it in the open market. The protest started on Saturday in significant numbers as the Madhya Pradesh government has selected green peas under "one-district-one-product scheme" for Jabalpur district, Bharatiya Kisan Sangh national spokesperson Raghendra Patel told PTI on Sunday. Green peas are grown on a large scale in the district and supplied to various other states, he said.

"The farmers want the state government to fix the minimum price for the trading of green peas in the open market," he said. ❧

flour rises and cooking oils in the last few years. Mother Dairy has increased the price of full-cream milk by 16 per cent from ₹57 per litre to ₹66 per litre from Tuesday. Toned milk and double-toned milk have become costlier by ₹5 per litre each in the last 10 months.

Mother Dairy attributed the hike in prices to increase in the company's procurement cost of raw milk from select dairy farmers. "It is an unprecedented year for the dairy industry. We have been witnessing a significant increase in demand for milk and milk products from both consumers and institutions. On the other hand, procurement of raw milk has also not picked up after Diwali as was anticipated," the company said.

The procurement prices of raw milk have gone up by about 24 per cent over the last year due to higher input costs and heatwave conditions, it pointed out. This stress on the raw milk prices is being felt along the industry, putting pressure on the consumer prices. In our commitment to continue paying remunerative prices to farmers to ease the impact, we are severely constrained to revise our consumer prices of select variants of milk in Delhi NCR effective from December 27, 2022," Mother Dairy said. As a responsible organisation, the company said it has always endeavoured to strike a right balance between farmers and consumers. "Therefore, we have been passing the increased input cost to our consumers partially on select variants and in a phased manner." ❧

Namaz video sparks row in Gujarat

Vadodra: A video of two students offering namaz on the Maharashtra Sayajirao University (MSU) campus in Gujarat's Vadodra city went viral on Monday, with authorities saying they will counsel the duo to refrain from offering prayers in future since it is an educational institution.

Just two days before, a video of a couple offering namaz outside the main gate of the Sanskrit Mahavidyalaya inside the Maharaja Sayajirao University campus had emerged on social media.

Alleging a "conspiracy" behind the offering of namaz - an Islamic prayer - on the varsity campus, Vishwa Hindu Parishad (VHP) activists on Monday sprinkled Ganga water of river Ganga considered holy, performed a "Ram-dhruv" puja outside the Mahavidyalaya and recited a Hanuman Chalisa.

In the fresh video, shot on Monday evening near the General Education Building inside the MSU campus, two youngsters can be seen offering namaz.

A varsity vigilance team rushed to the spot and called in police to maintain law and order as some were going on in the building, said MSU University's Public Relations Officer, Lakulish Trivedi, said. ❧
