Sub: SSWL receives new orders for close to Euro 335K from Europe & US

Dear Sir,

SSWL has bagged firm exports orders for over 8,000 wheels for EU & US Truck Trailer Market to be executed in June & July from its Chennai Truck Wheels plant. This marks beginning of orders for new semester for this year indicating re-start of operations in EU & US post COVID lockdown. Additional orders for larger quantities are expected in coming weeks from several other regular customers.

This order will support gradual production ramp-up of SSWL Chennai Truck wheels plant post Covid19 shutdown.

Kindly take the same on your records for reference.

Thanking you.

Yours faithfully,

For Steel Strips Wheels Limited
