SECRETARIAL AUDIT REPORT

(FOR THE FINANCIAL YEAR ENDED MARCH 31, 2019)

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule no. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Sanwaria Consumer Limited,
E-1/1, Arera Colony
Bhopal MP 462016 IN

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Sanwaria Consumer Limited**, (hereinafter called the "Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2020, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2020 according to the provisions of:

1. The Companies Act, 2013 ('the Act') and the rules made there under;

Annexure to Directors' Report - V

CORPORATE SOCIAL RESPONSIBILITY (CSR)

[Pursuant to Section 135 of the Companies Act, 2013 and the Companies (Corporate Social Responsibility Policy) Rules, 2014]

1. Company's Policy on CSR — An Overview

Every organization has the right to exist in a society. With the right, there comes a duty to give back the society a portion of what it receives from it. As a corporate citizen we receive various benefits out of society and it is our co-extensive responsibility to pay back in return to the society. SCL believes that creation and maximization of value to stakeholders is paramount, and it generates profit in long term. The Company is committed to improve the quality of life of the workforce and their families as well as of the local community and society at large. With the Companies Act, 2013 mandating the corporate to contribute for social development and welfare, SAOL would fulfil this mandate and supplement the government's efforts.

2. Composition of the CSR Committee:

Name of Committee Member	Designation	Category
Mr. Satish Agrawal	Chairman	Executive Director
Mr. Ashok Kumar Agrawal	Member	Executive Director
Mr. Surendra Kumar Jain	Member	Independent Director

3. Average Net Profit

Average net profit of the Company for last three financial years: not calculates as there is loss in the immediately preceding financial year.

4. Required CSR Expenditure: Nil (due to loss)

5. Details of CSR spend for the financial year:

Amount spent for the financial year: Nil; Amount unspent: Rs. 190.97 Lakhs;

6. Justification for unspent money out of 2% of the average net profit of the last three financial years.

The Companies Act, 2013 was implemented in various stages during the year 2014-2015. The provisions with regard to CSR activity came into force on April 1, 2014. The Company in pursuance of the requirements of the Companies Act, 2013 had constituted the CSR Committee and is in the process of identifying feasible projects/ programmes wherein it can deploy the CSR expenditure amount. As per Section 135 of the Companies Act, 2013, the Company had to spend Rs. 97.45 Lakhs on activities under Corporate Social Responsibility in the year ended March 31, 2019 which the company was unable to spend. The Committee is working in the probable areas where the society can be best served and take up a CSR Policy and work on it in the upcoming years

We strongly believe that your Company plays a very significant role in improving the quality of the society within which it operates and the Company can flourish only if it operates in a society that is healthy, orderly, just and which grants freedom and scope to individuals and their lawful enterprises. Your Company is committed to spend recommended amount over a period of time as it scales up its initiatives and the supporting infrastructure. Your Company will spend its resources very judiciously soon once the probable areas are explored by the CSR Committee.

Management Discussion & Analysis

Report

Industry structure and Development

The fast-moving consumer goods (FMCG) sector is an important contributor to India's GDP growth. The sector includes food & dairy products, packaged food products, household products, drinks and others. The fast moving consumer goods (FMCG) is the fourth largest sector in the Indian economy. The growth in edible oil consumption presents an opportunity to build around a sustainable business model to capitalise the growing business prospects. The rising income level and improvement in living standards has led to steady increase in demand for edible oils. Your Company's primary business is food processing - processing of oilseeds, refining of crude edible oil for use as cooking oil, manufacturing of soya products and other consumer products. Considering the growing population and the food habits across India, edible oils form an essential part of the modern diet. The total consumption of edible oil in India is estimated to be more in the coming days, out of which domestic supply is much less due to stagnant production of edible oil seeds, leaving demand-supply gap.

Growth in the country's FMCG sector is being fuelled by improving scenario in both demand as well as supply side. FMCG's urban segment growth is more as compared to rural segment. FMCG market is expected to grow by 5-6 per cent in 2020. As per the industry sources, the country is expected to be consuming around 34 Million tonnes of edible oil by 2025. The growth of the FMCG sector, which primarily includes Food & beverages, personal care and household care, has been driven in both the rural and urban segments. Rural consumption growth has outpaced urban consumption with the increase in percentage in monthly per capita expenditure in rural markets surpassing its urban counterparts over the past five years. Several government measures such as GST Bill, Food Security Bill and FDI in retail sector are expected to have a significant positive impact on the country's FMCG sector in the coming years.

MARKET SIZE

As per the industry sources, even though India's FMCG growth is pegged at 5-6% p.a (6.31% in FY19) the country is expected to be consuming around 34 Million tonnes of edible oil by 2025, with a projected vegetable oil imports bill of US\$25 Billion. The rising income level and improvement in living standards has led to steady increase in demand for edible oils, from less than 6 kgs per capita in 1992-93 to about 13.3 kgs in 2009-10 kgs per capita to approx. 17 kgs per capita now. The growth in edible oil consumption presents an opportunity to build around a sustainable business model to capitalise the growing business prospects

GOVERNMENT INITIATIVES

Some of the major initiatives taken by the Government of India to improve the food processing sector in India are as follows:

Goods and Service Tax (GST)

GST, upon being implemented shall replace the multiple indirect taxes levied on FMCG sector with a uniform, simplified and single-point taxation system. A swift move to the proposed GST may reduce prices, bolstering consumption of FMCG products.

Food Security Bill

The Food Security Bill has been passed recently by the Union Cabinet. As per the bill, 5Kg of food grains per person per month will be provided at subsidized prices by the State Governments under the targeted public distribution system. This is expected to result in higher inflow of investments into the agriculture sector in the coming years.

Excise Duty

Excise duty on other beverages and lemonade would be decreased to reduce retail sale price by 35%. Excise duty on various tobacco products other than beedi would be increased, resulting in retail price of tobacco products going up by 10-15%.

Relaxation of License Rules

Industrial license is not required for almost all food and agro-processing industries, barring certain items such as alcoholic beverages, cane sugar, and hydrogenated & animal fats as well as items reserved for exclusive manufacture in the small-scale sector

COMPANY OVERVIEW

The Company's vision is to become a Global Food Company. Our aim is to be admired for our wide range of quality products. Over the years, it has evolved from being a soya trader, Today, SCL has a diversified geographical presence, backed by an established marketing network.

It is presently one of the top names in the industry having its presence in various growing sectors like Renewal Energy, Infrastructure, Hospitality, Warehousing, and more prominently FMCG food processing. Currently the Company is having capacity of 2500 TPD of Solvent Extraction Plant, Soya Refinery of 225 TPD and 500 TPD of Paddy processing Plant. SCL has adopted strategy to convert its conventional commodity and agro based business into an FMCG Business.

STRENGTHS OF THE BUSINESS

Strong Management team:

While promoters remain closely involved, preserving the heritage and culture of the organisation, the business is strongly steered and navigated by a highly experienced and professional management team. In addition, its strong advisory team is also helping the organisation to drive its strategic agendas for future growth of the Company.

Enduring relationships:

The Company is involved in the food business for more than 25 years and has built very strong sourcing capabilities by direct procurement of agricultural produce. This has led to significant cost economies in procurement.

Presence in a large and fast growing segment:

- ❖ The Company is amongst food producers of soya/Paddy/Wheat products in India.
- ❖ The Group has sustained exposure in trading of food grains and pulses apart from soyabean products, wheat products, rice, oils and other food products.

Location Advantage:

- ❖ The company's operations in the heartland of the soya & Paddy & wheat belt of India gives it a major Locational advantage reducing the logistics costs substantially.
- ❖ The plants are located in Madhya Pradesh which is a power surplus state and hence the Company has access to cheap and uninterrupted power supply.
- ❖ The region has good access to skilled and semi skilled labour.

Consistent Quality

By way of stringent quality assurance norms, and state-of-the-art technology with a high degree of automation, the Company ensures robust quality control. Critical tests are performed at each stage of manufacturing. The Company's unwavering focus on quality and innovation, backed by deep consumer insights, world-class R&D, and an efficient and responsive supply chain, will further strengthen its leadership position.

To achieve successful growth and profitability, the Company relies on its greatest assets - its intellectual capital. The Company's human resource practice revolves around LET: Learning, Empowerment and Togetherness. SCL values its employees and invests towards capability building with a long-term orientation. The Company has been building its skill-sets by adding new competences through hiring, grooming of internal talent and functional capability building. The Company's value-system guides its actions and behaviour in everyday business, which creates a unique culture at Sanwaria Consumer Limited. These values are the DNA of the organisation, which are ingrained in every member across hierarchies and geographies.

Information Technology

The Company is enhancing the use of Information Technology tools and applications in their business processes to become more competitive, efficient and effective. Its robust IT infrastructure acts as a growth enabler and helps achieve cost leadership, process orientation and higher productivity. Better IT applications are helping us reach target market segments more cost effectively, track data, improve productivity levels and maximise our returns on investment. The Company has made investments towards various modules in line with Goods and Service tax (GST).

Research and Development

The Company's research and development programme are central to expanding value to its products, and to keeping aligned to new global flavour trends and technologies. The R&D team is dedicated towards deepening the Company's pipeline of products focused on consumers looking for health and convenient options.

Opportunities

The FMCG market is expected to grow by 5-6 per cent in 2020. Indian online grocery market is estimated to exceed sales of about ` 22,500 crore (US\$ 3.19 billion) in 2020, a significant jump of 76 per cent over the previous year. Growing awareness, easier access, and changing lifestyle are the key growth drivers for the consumer market. The focus on agriculture, MSMEs, education, healthcare, infrastructure and tax rebate under Union Budget 2019- 20 was expected to directly impact the FMCG sector. Initiatives undertaken to increase the disposable income in the hands of common man, especially from rural areas, will be beneficial for the sector. (source [https://www. ibef.org/archives/industry/fmcg-reports/indian-fmcgindustry-analysis-september-2020](https://www.ibef.org/archives/industry/fmcg-reports/indian-fmcgindustry-analysis-september-2020))

Increasing presence on e-commerce platform:

It is estimated that 40% of all FMCG purchases in India will be online by 2020, thereby making it a US\$ 5-6 billion business opportunity. Owing to their innate desires to live independently and well, Indians are spending like never before on platforms like e-commerce. They are now looking for products and services that can be bought with convenience.

RISK AND CONCERNS

As per the Order of Hon'ble National Company Law Tribunal ("NCLT"), Indore Bench, the Company was under CIRP with effect from May 29, 2020.

CORPORATE GOVERNANCE REPORT

1. COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE

Sanwaria Consumer Limited ('SCL' or 'the Company') believes that good corporate governance is about ensuring that companies are managed as efficiently as possible in the interests of the shareholders. Efficient corporate governance requires a clear understanding of the respective roles of the Board and of senior management and their relationships with others in the corporate structure. The relationships of the Board and management shall be characterized by sincerity, their relationships with employees shall be characterized by fairness, their relationships with the communities in which they operate shall be characterized by good citizenship, and their relationships with government shall be characterized by a commitment to compliance.

SCL considers the transparency and accountability as the two basic tenets of Corporate Governance. Responsible corporate conduct is integral to the way we do our business. Our actions are governed by our values and principles, which are reinforced at all levels within the Company. At SCL, we are committed in doing things the right way which means taking business decisions and acting in a way that is ethical and is in compliance with applicable legislation. We acknowledge our individuals and collective responsibilities to manage our business activities with integrity. To succeed, we believe, requires highest standards of corporate behaviour towards everyone we work with, the communities we touch and the environment on which we have an impact. This is our road to consistent, competitive, profitable and responsible growth and creating long term value for our shareholders, our people and our business partners. The above principles have been the guiding force for whatever we do and shall continue to be so in the years to come.

In SCL, Corporate Governance philosophy stems from our belief that corporate governance is an integral element in improving efficiency and growth as well as enhancing investor confidence level. The Board of Directors has the important role of overseeing management performance on behalf of Stakeholders. Stakeholders necessarily have little voice in the day to day management of corporate operations, but have the right to elect representatives (Directors) to look out for their interests and to receive the information they need to make investment and voting decisions.

Over the last few years, the Board of Directors of your Company has from time to time developed corporate governance practices to enable the Directors to effectively and efficiently discharge their responsibilities individually and collectively to the shareholders of the Company in the areas of; - fiduciary duties - oversight of the Management - evaluation of the Management performance – support and guidance in shaping company policies and business strategies.

SCL Corporate Governance has been a high priority both in letter as well as in spirit. The Company's Board of Directors represents the Stakeholders interest in perpetuating a successful business and optimizing long term financial returns in a manner consistent with applicable legal requirements and ethical considerations. The Board is responsible for identifying and taking reasonable actions to help and assure that the Company is managed in a way designed to achieve this result.

2. BOARD OF DIRECTORS

AUDITORS' CERTIFICATION OF COMPLIANCE WITH THE CORPORATE GOVERNANCE

COMPLIANCE CERTIFICATE BY PRACTICING CHARTERED ACCOUNTANT

[As per Regulation 34(3) read with Schedule V(E) of The SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015]

To the Members of Sanwaria Consumer Limited

We have examined the compliance of conditions of corporate governance by Sanwaria Consumer Limited ('the Company') for the year ended on 31 March 2020, as stipulated in Regulations 17 to 27, clauses (b) to (i) of Regulation 46(2), and paragraphs C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations').

Management's Responsibility

The compliance of conditions of corporate governance is the responsibility of the management. This responsibility includes the designing, implementing and maintaining operating effectiveness of internal control to ensure compliance with the conditions of corporate governance as stipulated in the Listing Regulations.

Auditor's Responsibility

Pursuant to the requirements of the Listing Regulations, our responsibility is to express a reasonable assurance in the form of an opinion as to whether the Company has complied with the conditions of corporate governance as stated in paragraph 2 above. Our responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring the compliance with the conditions of corporate governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

We have examined the relevant records of the Company in accordance with the applicable Generally Accepted Auditing Standards in India, the Guidance Note on Certification of Corporate Governance issued by the Institute of Chartered Accountants of India ('ICAI'), and Guidance Note on Reports or Certificates for Special Purposes issued by the ICAI which requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.

We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

Opinion

Based on the procedures performed by us and to the best of our information and according to the explanations provided to us, in our opinion, the Company has complied, in all material respects, with the conditions of corporate governance as stipulated in the Listing Regulations during the year ended 31 March 2020.

We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Restriction on use

This certificate is issued solely for the purpose of complying with the aforesaid regulations and may not be suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT

To The Board of Directors of SANWARIA CONSUMER LIMITED

1. We have audited the accompanying Statement of Standalone Financial Results of SANWARIA CONSUMER LIMITED ("the Company"), for the year ending 31st march 2020, (the Statement"), being submitted by the Company pursuant to the requirement of Regulation 33 of SEBI (Listing Obligation and Disclosure requirements) Regulations, 2015, as modified by the circular no. CIR/FAC/62/2016 dated July 5, 2016.
2. This Statement, which is the responsibility of Company's management and approved by The Board of Directors, has been compiled from the related Standalone Financial statements which has been prepared in accordance with the Indian Accounting Standards prescribed under Section 133 of The Companies Act, 2013 read with relevant rules issued thereunder ('Ind AS') and other accounting principles generally accepted in India. Our responsibility is to express our opinion on the Statements based on our audit of such Standalone Financial statements.
3. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the statement is free from material misstatements. An audit involves performing procedure to obtain audit evidence about the amounts and disclosures in the Statement. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and the fair presentation of the Statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control . An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the management, as well as evaluating the overall presentation of the Statement.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion.

4. In our opinion and to best of our information and according to the explanations given to us, the Statement:
 - (i) is presented in accordance with the requirement of regulation 33 of SEBI (Listing Obligation and Disclosure requirements) Regulations, 2015, as modified by the circular no. CIR/FAC/62/2016 dated July 5, 2016, and
 - (ii) gives a true and fair view in conformity with the aforesaid Indian Accounting Standards and other accounting principles generally accepted in India of the Net Loss and the total Comprehensive income and other financial information of the Company for the year ended 31st March, 2020.
5. The Statement includes the results for the quarter ended 31st March, 2020 being the balancing figure between audited figures in respect of the full financial year and the published year to date figures upto third quarter of the current financial year which were subject to limited reviewed by us.
6. One creditor Mr. Kishor Ramniklal unadikat, sole proprietor of M\s Shakti Clearing Agency has filed company petition under section 9 of The Insolvency and Bankruptcy Code, 2016 read with the rule 6 of The Insolvency and Bankruptcy Rules, 2016 to initiate Corporate Insolvency Resolution process against the Company before the NCLT and the said application has been admitted by the Authority wide no. (MP) CP (IB) No. 7 / 9 / NCLT / AHM / 2019 at 29th of May 2020 and NCLT has appointed Mr. Rajiv Goyal as Insolvency Resolution Professional (IRP).

INDEPENDENT AUDITOR'S REPORT

To THE MEMBERS OF SANWARIA CONSUMER LIMITED

Report on the Audit of the standalone financial statements

Opinion

1. We have audited the accompanying standalone financial statements of Sanwaria Consumer Limited (the 'Company'), which comprise the Balance Sheet as at 31st March 2020, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a **true and fair view subject to observations given in Schedule "A"** in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act, of the state of affairs (financial position) of the Company as at 31 March 2020, and its profit (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for opinion

- e) We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

- i. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.
- ii. One creditor Mr. Kishor Ramniklal unadikat, sole proprietor of M\s Shakti Clearing Agency has filed company petition under section 9 of The Insolvency and Bankruptcy Code, 2016 read with the rule 6 of The Insolvency and Bankruptcy Rules, 2016 to initiate Corporate Insolvency Resolution process against the Company before the NCLT and the said application has been admitted by the Authority wide no. (MP) CP (IB) No. 7 / 9 / NCLT / AHM / 2019 at 29th of May 2020 and NCLT has appointed Mr. Rajiv Goyal as Insolvency Resolution Professional (IRP).

Information other than the Financial Statement and Auditor's Report thereo

1. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the standalone financial statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a **true and fair view subject to observations given in Schedule "A"** of the state of affairs (financial position), profit or loss (financial performance including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and

estimates that are reasonable and prudent and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a **true and fair view subject to observations given in Schedule "A"** and are free from material misstatement, whether due to fraud or error.

3. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
4. Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the financial statements

3. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
6. As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for explaining our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial statements including the disclosures and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

7. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
8. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
9. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

As required by Section 197(16) of the Act, we report that the Company has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under Section 197 read with Schedule V to the Act.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE TO THE MEMBERS OF SANWARIA CONSUMER LIMITED, ON THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020

ANNEXURE A

Based on the audit procedures performed for the purpose of Audit we have found some observation which individually or collectively were not material for modifying our opinion but should be considered while taking decision on the basis of Report. Details are following:

1. In the following cases we noticed that Interest income & Misc. Income have been booked against the opening balance shown at the year end not only for the current period but also the previous period. But there is no certainty of recognition of income from those debtors, hence as per Indian Accounting Standard IND AS – 18 it should not be considered as income of current financial period:

Sr. No.	Name of Parties	Amount shown as Interest Income
1	Thai hind Agriculture International Co. Ltd., Thailand	2818.65 Lakhs
2	Bengani Foods Product India Pvt. Ltd	938.88 Lakhs
3	V.P. Kuhan Foods and Feeds Pvt. Ltd.	92.15 Lakhs
4	Rajveer Proteins	6.09 Lakhs
5	United India Assurance Co. Ltd.	4744.12 Lakhs

2. We have observed the Company was under dispute with United India Assurance Co. Ltd., the Case is still pending with the Court, even Company have shown claim Income under miscellaneous income of Rs. 10825.50 Lakhs which was not allowed as per Indian Accounting Standard IND AS – 18, hence it should not be considered as income of current financial period.
3. Debtors and creditors balances are subject of Confirmation. Closing Balances of Debtors have certified by the management as provided in management representation letter.

4. In some of the cases we observed that the transactions with the parties were reportedly made through the brokers and the confirmation of the brokers have been provided in this respect.

The practice prevailing in the trade is somewhat different that the brokers are acting on behalf of the parties and issue challans without revealing the actual identity of the buyer/seller.

The Challans issued to parties by the brokers to whom the supply has been made on behalf of the company and the invoices were issued by the brokers and not by the company. The supply is made on behalf of the company by the brokers to the parties which is based on the Challan issued by the broker for which the ownership of goods rest with the company as per the practice prevailing in the trade viz that the Challans are given by the broker to the actual party whereas the goods belong to some other party and it contains the name of the parties to whom the goods have been delivered on behalf of company by the agent and the modus operandi used in the aforesaid trade is based on “Bill to~ Ship to” Model.

5. We have not physically verified the Stock but the Internal Auditor has verified the Stock. As per their report there were some variances between stock as per books and stock as physically verified which is not material as per our professional judgment. Closing stock has been certified by the management as provided in management representation letter.
6. Financial statements were audited by Forensic Auditor but the Report of such audit has not been provided to us for our consideration, So we are not in position to make any comment on findings of the Forensic Auditor.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE TO THE MEMBERS OF SANWARIA CONSUMER LIMITED, ON THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020

ANNEXURE B

Based on the audit procedures performed for the purpose of reporting a **true and fair view subject to observations given in Schedule "A"** on the standalone financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

- i. (a) The Company has maintained proper records of Fixed Assets which provided block wise detail of the Fixed Assets but it should be more descriptive.

(b) As per the information and explanation given to us, the Company has a regular program of physical verification of its property, plant and equipment under which property, plant and equipment are verified annually, which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. In accordance with this program, property, plant and equipment were verified during the year and no material discrepancies were noticed on such verification.

(c) As per the information and explanation given to us, the title deeds of all the immovable properties are held in the name of the Company.
- ii. In our opinion, and according to the information and explanations given to us, the Company is maintaining proper record of inventory. The discrepancies noticed on verification between physical stocks and the book records were not material and have properly dealt with in the books of accounts. No material discrepancies were noticed on the aforesaid verification.
- iii. The Company has granted secured or unsecured loans to companies, firms and others parties covered in the register maintained under Section 189 of the Act; and with respect to the same:
 - a. In our opinion the terms and conditions of grant of such loans are not, prima facie, prejudicial to the Company's interest;

- b. The schedule of repayment of principal and payment of interest has been stipulated and the repayment/ receipts of the principal amount and the interest are regular;
- iv. In our opinion, the Company has complied with the provisions of Sections 185 and 186 of the Act in respect of loans, investments, guarantees and security.
- v. In our opinion, the Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable.
- vi. We have broadly reviewed the books of account maintained by the Company pursuant to the Rules made by the Central Government for the maintenance of cost records under sub-section (1) of Section 148 of the Act in respect of Company's products and services and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- vii. (a) The Company is regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, goods and services tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, with the appropriate authorities though there has been slight delay in few cases. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they became payable.
- (b) The dues outstanding in respect of income-tax, sales tax, duty of customs, duty of excise and value added tax on account of any dispute, are as follows:

Name of the statute	Nature of Dues	Amount (Rs. In Lakhs)	Period to which the amount relates	Forum where dispute is pending	Status

- viii. **The Company has made default in repayment of loans or borrowings to financial institutions and banks during the year and all CC limits has been withheld by Banks and accounts have been declared as NPAs.**

- ix. The Company did not raise moneys by way of initial public offer or further public offer (including debt instruments). In our opinion, the term loans were applied for the purposes for which the loans were obtained.
- x. As per information and explanation given to us by the management, we report that we have neither come across any instances of fraud by the company or on the Company by its officers or employees, noticed or reported during the year nor have we been informed of any such case by the management.
- xi. Managerial remuneration has been paid and provided by the Company in accordance with the requisite approvals mandated by the provisions of Section 197 of the Act read with Schedule V to the Act.
- xii. In our opinion, the Company is not a Nidhi Company. Accordingly, provisions of clause 3(xii) of the Order are not applicable.
- xiii. In our opinion all transactions with the related parties are in compliance with Sections 177 and 188 of Act, where applicable, and the requisite details have been disclosed in the financial statements etc., as required by the applicable Ind AS.
- xiv. During the year, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures. Accordingly, provisions of clause 3(xiv) of the Order are not applicable.
- xv. **We have noticed that in some cases the Company has entered into non cash transactions with the relatives of Directors covered under Section 192 of the Act. As per Section 192 of the Act, The Company has to take prior approval in the General meeting of the Company for such arrangement but the Company has entered into such transactions by passing resolution in the Board meeting. The Management informed us the Company will get retified these resolutions in ensuing AGM / EGM.**
- xvi. The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.

ANNEXURE C TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE TO THE MEMBERS OF SANWARIA CONSUMER LIMITED, ON THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020

ANNEXURE C

Independent Auditor's report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act")

1. In conjunction with our audit of the standalone financial statements of Sanwaria Consumer Limited (the "Company") as at and for the year ended 31 March 2020, we have audited the internal financial controls over financial reporting of the Company as of that date.

Management's Responsibility for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with

the Standards on Auditing, issued by the ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls over financial reporting and the Guidance Note issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

6. A Company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting.

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

* The carrying amount of financial instruments carried at amortized cost are a reasonable approximation of fair value.								

B. Measurement of fair values

The table shown below analyses financial instruments carried at fair value, by valuation method. The different levels have been defined below:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities
- Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices)
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs)

C. Valuation techniques

The following methods and assumptions were used to estimate the fair values

- 1) Fair value of the cash and short term deposits, current loans and advances and other current financial liabilities and other similar items approximate their carrying value largely due to short term maturities of these instruments.
- 2) Long-term borrowings are evaluated by the Company based on parameters such as interest rates, specific country risk factors and the risk characteristics of the financed project.

Note 41: FINANCIAL RISK MANAGEMENT OBJECTIVE AND POLICIES

The Company's activities expose it to a variety of financial risks, including Credit risk, Commodity Price Risk, and liquidity risk. The Company's primary risk management focus is to minimize potential adverse effects of market risk on its financial performance. The Company's risk management assessment and policies and processes are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls, and to monitor such risks and compliance with the same. Risk assessment and management policies and processes are reviewed regularly to reflect changes in market conditions and the Company's activities.

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. This note presents information about the risks associated with its financial instruments, the Company's objectives, policies and processes for measuring and managing risk, and the Company's management of capital.

1. Credit Risk

The Company is exposed to credit risk as a result of the risk of counterparties defaulting on their obligations. The Company's exposure to credit risk primarily relates to accounts receivable and cash and cash equivalents including deposit with banks.

The Company has a prudent and conservative process of managing its credit risk arising in the course of its business. All the trade receivables are reviewed and assessed for default on routine basis. Our historical experience of collecting receivables, supported by the level of default, is that credit risk is low.

The Company maintains exposure in cash and cash equivalents, term deposit with bank and derivative financial instruments. The Company's maximum exposure to credit risk as at 31-March-2019, 31-March-2018 is the carrying value of each class of financial assets.

2. Commodity Price Risk

Commodity price risk arises due to fluctuation in prices of Soya Seed, Dhan Paddy, Soya Oils, Soya DOC, Rice and other Food Grain Products. The company has a risk management framework aimed at prudently managing the risk arising from the volatility in commodity prices and freight on a continuous basis.

3. Liquidity risk

The Company is exposed to liquidity risk related to its ability to fund its obligations as they become due. The Company monitors and manages its liquidity risk to ensure access to sufficient funds to meet operational and financial requirements. The Company has access to credit facilities and debt capital markets and monitors cash balances daily. In relation to the Company's liquidity risk, the Company's policy is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions as they fall due while minimizing finance costs, without incurring unacceptable losses or risk of damage to the Company's reputation.

Maturities of financial liabilities

The contractual undiscounted cash flows of financial liabilities are as follows:

As at 31 March 2020	Less than 1 year	1-5 years	> 5 years	Total
Borrowings	8,89,62,04,512		22,45,67,181	9,12,07,71,693

	1,41,56,57,837	-	9,37,83,559	1,50,94,41,396

4. Interest rate risk

Interest rate risk is the risk that an upward movement in the interest rate would adversely effect the borrowing cost of the company. The Company is exposed to long term and short-term borrowings. The Company manages interest rate risk by monitoring its mix of fixed and floating rate instruments, and taking action as necessary to maintain an appropriate balance.

The exposure of the Company's borrowings to interest rate changes at the end of the reporting period are as follows:

a) Interest rate risk exposure

	31-Mar-20	31-Mar-19
Variable rate borrowings	8,89,62,04,512	9,11,56,18,417
Fixed rate borrowings	-	-

b) Sensitivity analysis

The company's fixed rate borrowings are carried at amortised cost. They are therefore not subject to interest rate risk as defined in IND AS 107, since neither the carrying amount nor the future cash flow will fluctuate because of a change in market interest rates. Hence sensitivity has been considered only on variable rate borrowing. Profit or loss estimate to higher/lower interest rate expense from borrowings as a result of changes in interest rates.

Interest rates - decrease by 50 basis points	4,44,81,023	4,55,78,092

5. Foreign Currency Risk

The company's business objective includes safe-guarding its export earnings against adverse price movements of in foreign exchange and interest rates. The Company has adopted a structured risk management policy to hedge all these risks within an acceptable risk limit and an approved hedge accounting framework which allows for Fair Value and Cash Flow hedges. Hedging instruments include forward currency contract to achieve this objective.

SANWARIA CONSUMER LIMITED (Formerly Known as Sanwaria Agro Oils Limited)

Significant accounting policies and notes to the accounts

For financial year ended 31 March 2020

(Rupees in INR , unless otherwise stated)

1 Corporate Information

Sanwaria Consumer Limited. (the company) (Formerly known as Sanwaria Agro Oils Limited) is a public company incorporated in India. having its Registered and Corporate office at Office Hall No. 1 First Floor, Metro Walk, Bittan market Bhopal - 462016. The company is engaged in the manufacturing and trading of Soya, Rice Bran and their products, De-oiled Cake, Crude/refined Edible Oil, Manufacturing of Basmati Rice, and Other Foods Grains and Food Products and Retailing of various Products. The Equity shares of the company are listed on the Bombay stock exchange (BSE) and National Stock Exchange (NSE).

2 Significant Accounting Policies

2.1 Basis of Preparation

-

These financial statements have been prepared to comply in all material aspects with Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 notified under Section 133 of the Companies Act, 2013 ('the Act') and other relevant provisions of the Act.

Company's financial statements are presented in Indian Rupees (₹), which is also its functional currency.

The financial statements are prepared on a historical cost basis, except for certain financial assets and liabilities that are measured at fair value.

2.2 Property, Plant and Equipment

Property, plant and equipment are stated at original cost net of tax/duty credit availed, less accumulated depreciation and accumulated impairment losses, if any. When significant parts of property, plant and equipment are required to be replaced at intervals, the Company de-recognizes the replaced part, and recognises the new part with its own associated useful life and it is depreciated accordingly. All repair and maintenance costs are recognised in the statement of profit and loss as incurred.

Property, plant and equipment are eliminated from financial statements, either on disposal or when retired from active use. Losses arising in the case of retirement of property, plant and equipment and gains or losses arising from disposal of property, plant and equipment are recognised in the statement of profit and loss in the year of occurrence.

Depreciation on assets has been provided on a straight line basis at the useful lives specified in the Schedule II of the Companies Act, 2013. Depreciation on additions/ deductions is calculated pro-rata from/ to the period of additions/ deductions.

The assets' residual values, useful lives and methods of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate. Currently the residual life is considered as 5% of the value of property plant and equipment.

2.3 Impairment of Non-Financial Assets - Property , Plant and Equipment

The Company assesses at each reporting date as to whether there is any indication that any property, plant and equipment and intangible assets or group of assets, called cash generating units (CGU) may be impaired. If any such indication exists the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.

An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

2.4 Finance Cost

Borrowing costs include exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

2.5 Inventories

Inventories are valued as under :-

- i. Raw material, Stores & Spares are valued at lower of cost (on FIFO basis) or net realisable value whichever is lower.
- ii. Work in Process at cost including related overheads.
- iii. Finished Goods & Stock In Trade are valued at cost or estimated realisable value whichever is lower. Cost comprises material, labour and applicable overhead expenses.

Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads in bringing them to their respective present location and condition.

2.6 Foreign Exchange Transactions

The Company's has not made any Foreign Exchange Transaction during the year.

2.7 Revenue Recognition

Sale of Goods
Revenue from sale of goods is recognised when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated cost can be estimated reliably, there is no continuing effective control or managerial involvement with the goods, and the amount of revenue can be measured reliably.

Interest

Interest is recognized on a time proportion taking into account the amount outstanding and rate applicable

Income**Other**

Other Income is recognised when right to receive is established.

Income**2.8 Employee Benefits****(i) Short Term Employee Benefits**

All employee benefits falling due wholly within twelve months of rendering the service are classified as short term employee benefits. The benefits like salaries, wages, short term compensated absences etc. and the expected cost of bonus, ex-gratia are recognized in the period in which the employee renders the related service.

(ii) Post-Employment Benefits

a) Defined Contribution Plans: The obligation to employee's provident fund is a defined contribution plan. The contribution paid/payable is recognized in the period in which the employee renders the related service. The company has defined contribution plans where the company pays pre-defined amounts and does not have any legal or constructive obligation to pay additional sums for post-employment benefits.

b) Defined Benefit Plans: The obligation towards gratuity is a defined benefit plan

The present value of the obligation under such Defined Benefit Plans is determined based on actuarial valuation using the Projected Unit Credit Method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation as per IND- AS 19, i.e., "Employee Benefits".

The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plans, is based on the market yields on Government securities as at the Balance sheet date, having maturity periods approximating to the terms of related obligations.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through other comprehensive income in the period in which they occur. Remeasurements are not reclassified to the statement of profit and loss in subsequent periods.

2.9 Accounting for Taxes on Income

Due to loss incurred in current period no provision of Income Tax Provided
Deferred
tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside the statement of profit and loss is recognised outside the statement of profit and loss. Deferred tax items are recognised in correlation to the underlying transaction either in other comprehensive income or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current income tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

2.10 Financial instruments

2.10.1 Financial Assets

A. Initial recognition and measurement

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

B. Subsequent measurement

I. Financial assets carried at amortised cost (AC)

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

II. Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

III. Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL.

C. Investment in subsidiaries, Associates and Joint Ventures

A subsidiary is an entity that is controlled by the Company. The Company accounts for the investments in equity shares of subsidiaries at cost in accordance with Ind AS 27- Separate Financial Statements

D. Other Equity Investments

All other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.

E. Impairment of financial assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

- The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

For trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used

2.10.2 Financial liabilities

A. Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

B. Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

2.10.3 Derivative financial instruments

The Company uses various derivative financial instruments such as interest rate swaps, currency swaps, forwards & options and commodity contracts to mitigate the risk of changes in interest rates, exchange rates and commodity prices. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are also subsequently measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Any gains or losses arising from changes in the fair value of derivatives are taken directly to Statement of Profit and Loss, except for the effective portion of cash flow hedges which is recognised in Other Comprehensive Income and later to Statement of Profit and Loss when the hedged item affects profit or loss or treated as basis adjustment if a hedged forecast transaction subsequently results in the recognition of a non-financial assets or non-financial liability.

2.10.4 Derecognition of financial instruments

2.11 Provisions, Contingent Liabilities and Contingent Assets

- a) Provisions are recognized for liabilities that can be measured only by using a substantial degree of estimation, if
- (i) the Company has a present obligation as a result of a past event.
 - (ii) a probable outflow of resources is expected to settle the obligation, and
 - (iii) the amount of the obligation can be reliably estimated.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

- b) Reimbursement expected in respect of expenditure required to settle a provision is recognized only when it is virtually certain that the reimbursement will be received.
- c) Contingent Liability is disclosed in the case of
- (i) a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation.
 - (ii) a present obligation when no reliable estimate is possible, and
 - (iii) a possible obligation arising from past events where the probability of outflow of resources is not remote.
- d) Contingent Assets are disclosed, where an inflow of economic benefits is probable.
- e) Provisions, Contingent Liabilities and Contingent Assets are reviewed at each Balance Sheet date.
- f) Dividend to equity shareholders is recognised as a liability and deducted from shareholders' Equity, in the period in which the dividends are approved by the equity shareholders in the general meeting.
- g) Basic EPS is computed by dividing the Profit or loss attributable to the equity shareholders of the Company by the weighted average number of Ordinary shares outstanding during the year. Diluted EPS is computed by adjusting the profit or loss attributable to the ordinary equity shareholders and the weighted average number of ordinary equity shares, for the effects of all dilutive potential Ordinary shares.

2.13 Segment Reporting -Identification of Segments

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the company's Chief Operating Decision Maker ("CODM") to make decisions for which discrete financial information is available. Based on the management approach as defined in Ind AS 108, the CODM evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments and geographic segments.

2.14 Use of estimates and judgement

The preparation of financial statements in conformity with Ind AS requires that management of the Company makes estimates and assumptions that affect the reported amounts of income and expenses of the period, the reported balances of assets and liabilities and the disclosures relating to contingent liabilities as of the date of the financial statements.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustments to the carrying amounts of assets and liabilities within the next financial year are described below. The company has based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising beyond control of the management.

INDEPENDENT AUDITOR'S REPORT

To
The members of Sanwaria Consumer Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

1. We have audited the accompanying consolidated financial statements of Sanwaria Consumer Limited ('the Holding Company') and two of its audited subsidiary (the Holding Company and its subsidiaries together referred to as 'the Group'), which comprise the Consolidated Balance Sheet as at 31 March 2020, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the certified financial statements prepared by management and on the other financial information of the subsidiaries the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a **true and fair view subject to observations given in Schedule "A"** in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act, of the consolidated state of affairs (consolidated financial position) of the Group as at 31 March 2020, and its consolidated profit (consolidated financial performance including other comprehensive income), its consolidated cash flows and the consolidated changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in paragraph 15 of the Other Matters paragraph below is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment and based on the consideration of the certified financial statements and on the other financial information of the subsidiaries were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated

financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

5. One creditor Mr. Kishor Ramniklal unadikat, sole proprietor of M/s Shakti Clearing Agency has filed company petition under section 9 of The Insolvency and Bankruptcy Code, 2016 read with the rule 6 of The Insolvency and Bankruptcy Rules, 2016 to initiate Corporate Insolvency Resolution process against the Company before the NCLT and the said application has been admitted by the Authority wide no. (MP) CP (IB) No. 7 / 9 / NCLT / AHM / 2019 at 29th of May 2020 and NCLT has appointed Mr. Rajiv Goyal as Insolvency Resolution Professional (IRP).

Information other than the consolidated financial statements and Auditor's Report thereon

6. The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated financial statements

7. The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a **true and fair view subject to observations given in Schedule "A"** of the consolidated state of affairs (consolidated financial position), consolidated profit or loss (consolidated financial performance including other comprehensive income), consolidated changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Ind AS specified under Section 133 of the Act. The Holding Company's Board of Directors is also responsible for ensuring accuracy of records including financial information considered necessary for the preparation of consolidated Ind AS financial statements. Further, in terms of the provisions of the Act, the respective Board of Directors /management of the companies included in the Group covered under the Act are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a **true and fair view subject to observations given in Schedule "A"** and are free from material misstatement, whether due to fraud or error. These financial statements have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

8. In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

9. Those Board of Directors are also responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the consolidated financial statements

10. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

11. As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a.** Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b.** Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the holding company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- c.** Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- d.** Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- e.** Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

14. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

15. We rely on the certified financial statements/ financial information of two subsidiaries (Sanwaria Singapore PTE Limited and Sanwaria Energy Limited) included in the Financial results whose financial statements/ financial information reflect net loss after tax Rs. 63.33 Lakhs for the year ended on that date, as considered in the current financial results. Both of the subsidiary (Sanwaria Singapore PTE Limited), whose financial statements/ financial information are unaudited and have been furnished to us the management and our opinion on the statement, in so far as it relates to the amounts and disclosures, is based solely of such unaudited financial statements/ financial information. In our opinion and according to information and explanations given to us by the management, these financial statements/ financial information are not material to the group.

These financial statements/ financial information have not been audited rather reports have been furnished to us by the management and our opinion on the consolidated financial results, in so far as it relates to amounts and disclosures included in respect of these subsidiaries, is based solely on the financial statement present before us by the management.

Our opinion on the statement is not modified in respect of the above matters with respect to our reliance on the financial statements/ financial information certified by the management.

Report on other Legal and Regulatory Requirements

16. As required by Section 197(16) of the Act, based on our audit and on the consideration of the certified Financial Statements prepared by the Management, referred to in paragraph 15, of the subsidiaries we report that the Holding Company paid remuneration to their respective directors during the year in accordance with the provisions of and limits laid down under Section 197 read with Schedule V to the Act. Further, we report that the provisions of Section 197 read with Schedule V to the Act are not applicable to one foreign subsidiary company.

17. As required by Section 143 (3) of the Act, based on our audit and on the consideration of the Certified Financial Statements prepared by the Management and other financial information of the subsidiaries and we report, to the extent applicable, that:

a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements;

b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors;

c) The consolidated financial statements dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;

d) In our opinion, the aforesaid consolidated financial statements comply with Ind AS specified under Section 133 of the Act;

f) On the basis of the written representations received from the directors of the Holding Company and taken on record by the Board of Directors of the Holding Company and the Certified Financial Statements prepared by the Management of its subsidiary companies, none of the directors of the Group companies, covered under the Act, are disqualified as on 31 March 2020 from being appointed as a director in terms of Section 164(2) of the Act;

g) With respect to the adequacy of the internal financial controls over financial reporting of the Holding Company, and its subsidiary companies, covered under the Act, and the operating effectiveness of such controls, refer to our separate report in ‘Annexure B’;

h) With respect to the other matters to be included in the Auditor’s Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements as also the other financial information of the subsidiaries:

iii. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group, its associates and joint ventures;

iv. Provision has been made in these consolidated financial statements, as required under the applicable law or Ind AS, for material foreseeable losses, on long-term contracts including derivative contracts;

v. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company, and its subsidiary companies, associate companies and joint venture companies during the year ended 31 March 2020;

vi. The disclosure requirements relating to holdings as well as dealings in specified bank notes were applicable for the period from 8 November 2016 to 30 December 2016, which are not relevant to these consolidated financial statements. Hence, reporting under this clause is not applicable.

Independent Auditor's Report (Cont.)**Annexure A to the Independent Auditor's Report of even date To The Members of Sanwaria Consumer Limited on The Consolidated financial statements for the year ended 31 March 2020****Annexure A**

Based on the audit procedures performed for the purpose of Audit we have found some observation which individually or collectively were not material for modifying our opinion but should be consider while taking decision on the basis of Report. Details are following:

7. In the following cases we noticed that Interest income & Misc. Income have been booked against the opening balance shown at the year end not only for the current period but also the previous period. But there is no certainty of recognition of income from those debtors, hence as per Indian Accounting Standard IND AS – 18 it should not be considered as income of current financial period:

Sr. No.	Name of Parties	Amount shown as Interest Income
1	Thai hind Agriculture International Co. Ltd., Thailand	2818.65 Lakhs
2	Bengani Foods Product India Pvt. Ltd	938.88 Lakhs
3	V.P. Kuhan Foods and Feeds Pvt. Ltd.	92.15 Lakhs
4	Rajveer Proteins	6.09 Lakhs
5	United India Assurance Co. Ltd.	4744.12 Lakhs

8. We have observed the Company was under dispute with United India Assurance Co. Ltd., the Case is still pending with the Court, even Company have shown claim Income under miscellaneous income of Rs. 10825.50 Lakhs which was not allowed as per Indian Accounting Standard IND AS – 18, hence it should not be considered as income of current financial period.
9. Debtors and creditors balances are subject of Confirmation. Closing Balances of Debtors have certified by the management as provided in management representation letter.
10. In some of the cases we observed that the transactions with the parties were reportedly made through the brokers and the confirmation of the brokers have been provided in this respect. The practice prevailing in the trade is somewhat different that the brokers are acting on behalf of the parties and issue challans without revealing the actual identity of the buyer/seller.

The Challans issued to parties by the brokers to whom the supply has been made on behalf of the company and the invoices were issued by the brokers and not by the company. The supply is made on behalf of the company by the brokers to the parties which is based on the Challan issued by the broker for which the ownership of goods rest with the company as per the practice prevailing in the trade viz that the Challans are given by the broker to the actual party whereas the goods belong to some other party and it contains the name of the parties to whom the goods have been delivered on behalf of company by the agent and the modus operandi used in the aforesaid trade is based on “Bill to~ Ship to” Model.

11. We have not physically verified the Stock but the Internal Auditor has verified the Stock. As per their report there were some variances between stock as per books and stock as

-
- physically verified which is not material as per our professional judgment. Closing stock has been certified by the management as provided in management representation letter.
12. Financial statements were audited by Forensic Auditor but the Report of such audit has not been provided to us for our consideration, So we are not in position to make any comment on findings of the Forensic Auditor.

Annexure B to the Independent Auditor's Report of even date To The Members of Sanwaria Consumer Limited on The Consolidated financial statements for the year ended 31 March 2020

Annexure B

Independent Auditor's Report on the Internal financial Controls under Clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 (the 'Act')

2. In conjunction with our audit of the consolidated financial statements of Sanwaria Consumer Limited (the 'Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as the 'Group'), as at and for the year ended 31 March 2020, we have audited the internal financial controls over financial reporting of the Holding Company, its one of subsidiary company which are companies covered under the Act, as at that date.

Management's Responsibility for Internal financial Controls

5. The respective Board of Directors of the Holding Company, its one subsidiary company, which are companies covered under the Act, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India (the 'ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the company's business, including adherence to the company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

4. Our responsibility is to express an opinion on the internal control over financial reporting of the Holding Company, its one subsidiary companies, as aforesaid, based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal control over financial reporting, and the Guidance Note issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal control over financial reporting were established and maintained and if such controls operated effectively in all material respects.

5. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal control over financial reporting and their operating effectiveness. Our audit of internal control over financial reporting includes obtaining an understanding of internal control over

financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

6. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal control over financial reporting of the Holding Company, its one subsidiary companies as aforesaid.

Meaning of Internal financial Controls over financial Reporting

10. A company's internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal control over financial reporting include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal financial Controls over financial Reporting

8. Because of the inherent limitations of internal control over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal control over financial reporting to future periods are subject to the risk that the internal control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

9. In our opinion and based on the consideration of the certified financial statements of subsidiary companies on internal control over financial reporting together with our report of Holding Company on internal control over financial reporting, which are companies covered under the Act, have in all material respects, adequate internal financial controls over financial reporting and such controls were operating effectively as at 31 March 2020, based on the internal control over financial reporting criteria established by the Holding Company, its one subsidiary company as aforesaid, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matter

16. We did not audit the internal control over financial reporting in so far as it relates to one subsidiary company, which are covered under the Act, whose financial statements reflect total net loss after tax Rs. 63.33 Lakhs for the year ended on that date, as considered in the consolidated financial statements. The internal control over financial reporting in so far as it relates to such subsidiary company have been unaudited whose reports have been furnished to us by the management and our report on the adequacy and operating effectiveness of the internal control over financial reporting for the Holding Company, its one subsidiary company as aforesaid, under Section 143(3)(i) of the Act in so far as it relates to such one subsidiary company is based solely on certified financial statements prepared by management of such companies and such subsidiary company is being made only in accordance with authorizations of management and directors of the company; and provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Our opinion is not modified in respect of this matter with respect to our reliance on the work done by and on the reports of the other auditors.

* The carrying amount of financial instruments carried at amortized cost are a reasonable approximation of fair value.

B. Measurement of fair values

The table shown below analyses financial instruments carried at fair value, by valuation method. The different levels have been defined below:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities
- Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices)
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs)

C. Valuation techniques

The following methods and assumptions were used to estimate the fair values

- 1) Fair value of the cash and short term deposits, current loans and advances and other current financial liabilities and other similar items approximate their carrying value largely due to short term maturities of these instruments.
 - 2) Long-term borrowings are evaluated by the Company based on parameters such as interest rates, specific country risk factors and the risk characteristics of the financed project.

Note 41: FINANCIAL RISK MANAGEMENT OBJECTIVE AND POLICIES

The Company's activities expose it to a variety of financial risks, including Credit risk, Commodity Price Risk, and liquidity risk. The Company's primary risk management focus is to minimize potential adverse effects of market risk on its financial performance. The Company's risk management assessment and policies and processes are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls, and to monitor such risks and compliance with the same. Risk assessment and management policies and processes are reviewed regularly to reflect changes in market conditions and the Company's activities.

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. This note presents information about the risks associated with its financial instruments, the Company's objectives, policies and processes for measuring and managing risk, and the Company's management of capital.

1. Credit Risk

The Company is exposed to credit risk as a result of the risk of counterparties defaulting on their obligations. The Company's exposure to credit risk primarily relates to accounts receivable and cash and cash equivalents including deposit with banks.

The Company has a prudent and conservative process of managing its credit risk arising in the course of its business. All the trade receivables are reviewed and assessed for default on routine basis. Our historical experience of collecting receivables, supported by the level of default, is that credit risk is low.

The Company maintains exposure in cash and cash equivalents, term deposit with bank and derivative financial instruments. The Company's maximum exposure to credit risk as at 31-March-2019, 31-March-2018 is the carrying value of each class of financial assets.

2. Commodity Price Risk

Commodity price risk arises due to fluctuation in prices of Soya Seed, Dhan Paddy, Soya Oils, Soya DOC, Rice and other Food Grain Products. The company has a risk management framework aimed at prudently managing the risk arising from the volatility in commodity prices and freight on a continuous basis.

3. Liquidity risk

The Company is exposed to liquidity risk related to its ability to fund its obligations as they become due. The Company monitors and manages its liquidity risk to ensure access to sufficient funds to meet operational and financial requirements. The Company has access to credit facilities and debt capital markets and monitors cash balances daily. In relation to the Company's liquidity risk, the Company's policy is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions as they fall due while minimizing finance costs, without incurring unacceptable losses or risk of damage to the Company's reputation.

Maturities of financial liabilities

The contractual undiscounted cash flows of financial liabilities are as follows:

As at 31 March 2020	Less than 1 year	1-5 years	> 5 years	Total
Borrowings	8,896,204,512		79,774,615	8,975,979,127
Trade payables	93,487,852			93,487,852

	1,415,657,837	-	93,783,559	1,509,441,396

4. Interest rate risk

Interest rate risk is the risk that an upward movement in the interest rate would adversely effect the borrowing cost of the company. The Company is exposed to long term and short-term borrowings. The Company manages interest rate risk by monitoring its mix of fixed and floating rate instruments, and taking action as necessary to maintain an appropriate balance.

The exposure of the Company's borrowings to interest rate changes at the end of the reporting period are as follows:

a) Interest rate risk exposure

	31-Mar-20	31-Mar-19
Variable rate borrowings	8,896,204,512	9,115,618,417
Fixed rate borrowings	-	-

b) Sensitivity analysis

The company's fixed rate borrowings are carried at amortised cost. They are therefore not subject to interest rate risk as defined in IND AS 107, since neither the carrying amount nor the future cash flow will fluctuate because of a change in market interest rates. Hence sensitivity has been considered only on variable rate borrowing. Profit or loss estimate to higher/lower interest rate expense from borrowings as a result of changes in interest rates.

	Impact on profit after tax	
	31-Mar-20	31-Mar-19
Interest rates - increase by 50 basis points	(44,481,023)	(45,578,092)
Interest rates - decrease by 50 basis points	44,481,023	45,578,092

5. Foreign Currency Risk

The company's business objective includes safe-guarding its export earnings against adverse price movements of in foreign exchange and interest rates. The Company has adopted a structured risk management policy to hedge all these risks within an acceptable risk limit and an approved hedge accounting framework which allows for Fair Value and Cash Flow hedges. Hedging instruments include forward currency contract to achieve this objective.

a) Foreign Currency risk exposure

SANWARIA CONSUMER LIMITED (Formerly Known as Sanwaria Agro Oils Limited)

Significant accounting policies and notes to the accounts

For financial year ended 31 March 2020

(Rupees in INR , unless otherwise stated)

1 Corporate Information

Sanwaria Consumer Limited. (the company) (Formerly known as Sanwaria Agro Oils Limited) is a public company incorporated in India. having its Registered and Corporate office at Office Hall No. 1 First Floor, Metro Walk, Bittan market Bhopal - 462016. The company is engaged in the manufacturing and trading of Soya, Rice Bran and their products, De-oiled Cake, Crude/refined Edible Oil, Manufacturing of Basmati Rice, and Other Foods Grains and Food Products and Retailing of various Products. The Equity shares of the company are listed on the Bombay stock exchange (BSE) and National Stock Exchange (NSE).

2 Significant Accounting Policies

2.1 Basis of Preparation

These financial statements have been prepared to comply in all material aspects with Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 notified under Section 133 of the Companies Act, 2013 ('the Act') and other relevant provisions of the Act.

Company's financial statements are presented in Indian Rupees (₹), which is also its functional currency.

The financial statements are prepared on a historical cost basis, except for certain financial assets and liabilities that are measured at fair value.

2.2 Property, Plant and Equipment

Property, plant and equipment are stated at original cost net of tax/duty credit availed, less accumulated depreciation and accumulated impairment losses, if any. When significant parts of property, plant and equipment are required to be replaced at intervals, the Company de-recognizes the replaced part, and recognises the new part with its own associated useful life and it is depreciated accordingly. All repair and maintenance costs are recognised in the statement of profit and loss as incurred.

Property, plant and equipment are eliminated from financial statements, either on disposal or when retired from active use. Losses arising in the case of retirement of property, plant and equipment and gains or losses arising from disposal of property, plant and equipment are recognised in the statement of profit and loss in the year of occurrence.

Depreciation on assets has been provided on a straight line basis at the useful lives specified in the Schedule II of the Companies Act, 2013. Depreciation on additions/ deductions is calculated pro-rata from/ to the period of additions/ deductions.

The assets' residual values, useful lives and methods of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate. Currently the residual life is considered as 5% of the value of property plant and equipment.

2.3 Impairment of Non-Financial Assets - Property , Plant and Equipment

The Company assesses at each reporting date as to whether there is any indication that any property, plant and equipment and intangible assets or group of assets, called cash generating units (CGU) may be impaired. If any such indication exists the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.

An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

2.4 Finance Cost

Borrowing costs include exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

2.5 Inventories

Inventories are valued as under :-

- i. Raw material, Stores & Spares are valued at lower of cost (on FIFO basis) or net realisable value whichever is lower.
- ii. Work in Process at cost including related overheads.
- iii. Finished Goods & Stock In Trade are valued at cost or estimated realisable value whichever is lower. Cost comprises material, labour and applicable overhead expenses.

Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads in bringing them to their respective present location and condition.

2.6 Foreign Exchange Transactions

The Company's has not made any Foreign Exchange Transaction during the year.

2.7 Revenue Recognition

Sale of Goods
Revenue from sale of goods is recognised when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated cost can be estimated reliably, there is no continuing effective control or managerial involvement with the goods, and the amount of revenue can be measured reliably.

Interest Income
Interest is recognized on a time proportion taking into account the amount outstanding and rate applicable

Other Income
Other Income is recognised when right to receive is established.

2.8 Employee Benefits

(i) Short Term Employee Benefits

All employee benefits falling due wholly within twelve months of rendering the service are classified as short term employee benefits. The benefits like salaries, wages, short term compensated absences etc. and the expected cost of bonus, ex-gratia are recognized in the period in which the employee renders the related service.

(ii) Post-Employment Benefits

a) Defined Contribution Plans: The obligation to employee's provident fund is a defined contribution plan. The contribution paid/payable is recognized in the period in which the employee renders the related service. The company has defined contribution plans where the company pays pre-defined amounts and does not have any legal or constructive obligation to pay additional sums for post-employment benefits.

b) Defined Benefit Plans: The obligation towards gratuity is a defined benefit plan

The present value of the obligation under such Defined Benefit Plans is determined based on actuarial valuation using the Projected Unit Credit Method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation as per IND- AS 19, i.e., "Employee Benefits".

The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plans, is based on the market yields on Government securities as at the Balance sheet date, having maturity periods approximating to the terms of related obligations.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through other comprehensive income in the period in which they occur. Remeasurements are not reclassified to the statement of profit and loss in subsequent periods.

2.9 Accounting for Taxes on Income

Due to loss incurred in current period no provision of Income Tax Provided

Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside the statement of profit and loss is recognised outside the statement of profit and loss. Deferred tax items are recognised in correlation to the underlying transaction either in other comprehensive income or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current income tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

2.10 Financial instruments

2.10.1 Financial Assets

A. Initial recognition and measurement

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

B. Subsequent measurement

I. Financial assets carried at amortised cost (AC)

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

II. Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

III. Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL.

C. Investment in subsidiaries, Associates and Joint Ventures

A subsidiary is an entity that is controlled by the Company. The Company accounts for the investments in equity shares of subsidiaries at cost in accordance with Ind AS 27- Separate Financial Statements

D. Other Equity Investments

All other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.

E. Impairment of financial assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

- The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

For trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used

2.10.2 Financial liabilities

A. Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

B. Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

2.10.3 Derivative financial instruments

The Company uses various derivative financial instruments such as interest rate swaps, currency swaps, forwards & options and commodity contracts to mitigate the risk of changes in interest rates, exchange rates and commodity prices. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are also subsequently measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Any gains or losses arising from changes in the fair value of derivatives are taken directly to Statement of Profit and Loss, except for the effective portion of cash flow hedges which is recognised in Other Comprehensive Income and later to Statement of Profit and Loss when the hedged item affects profit or loss or treated as basis adjustment if a hedged forecast transaction subsequently results in the recognition of a non-financial assets or non-financial liability.

2.10.4 Derecognition of financial instruments

The Company derecognizes a financial assets when the contractual rights to the cash flows from the financial assets expire to it transfers the financial assets and the transfer qualifies for derecognition under IND-AS 109. A financial liability is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

2.11 Provisions, Contingent Liabilities and Contingent Assets

-
-
- a) Provisions are recognized for liabilities that can be measured only by using a substantial degree of estimation, if
 - (i) the Company has a present obligation as a result of a past event.
 - (ii) a probable outflow of resources is expected to settle the obligation, and
 - (iii) the amount of the obligation can be reliably estimated.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

- b) Reimbursement expected in respect of expenditure required to settle a provision is recognized only when it is virtually certain that the reimbursement will be received.
- c) Contingent Liability is disclosed in the case of
 - (i) a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation.
 - (ii) a present obligation when no reliable estimate is possible, and
 - (iii) a possible obligation arising from past events where the probability of outflow of resources is not remote.
- d) Contingent Assets are disclosed, where an inflow of economic benefits is probable.
- e) Provisions, Contingent Liabilities and Contingent Assets are reviewed at each Balance Sheet date.
- f) Dividend to equity shareholders is recognised as a liability and deducted from shareholders' Equity, in the period in which the dividends are approved by the equity shareholders in the general meeting.
- g) Basic EPS is computed by dividing the Profit or loss attributable to the equity shareholders of the Company by the weighted average number of Ordinary shares outstanding during the year. Diluted EPS is computed by adjusting the profit or loss attributable to the ordinary equity shareholders and the weighted average number of ordinary equity shares, for the effects of all dilutive potential Ordinary shares.

2.13 Segment Reporting -Identification of Segments

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the company's Chief Operating Decision Maker ("CODM") to make decisions for which discrete financial information is available. Based on the management approach as defined in Ind AS 108, the CODM evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments and geographic segments.

2.14 Use of estimates and judgement

The preparation of financial statements in conformity with Ind AS requires that management of the Company makes estimates and assumptions that affect the reported amounts of income and expenses of the period, the reported balances of assets and liabilities and the disclosures relating to contingent liabilities as of the date of the financial statements.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustments to the carrying amounts of assets and liabilities within the next financial year are described below. The company has based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising beyond control of the management.

The e-voting module shall be disabled by **National Securities Depository Limited** (“NSDL”) for voting thereafter.

The instructions for shareholders voting electronically are as under:

How do I vote electronically using NSDL e-Voting system?

The way to vote electronically on NSDL e-Voting system consists of “Two Steps” which are mentioned below:

Step 1 : Log-in to NSDL e-Voting system at <https://www.evoting.nsdl.com/>

Step 2 : Cast your vote electronically on NSDL e-Voting system.

Details on Step 1 is mentioned below:

How to Log-into NSDL e-Voting website?

1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile.
2. Once the home page of e-Voting system is launched, click on the icon “Login” which is available under ‘Shareholders’ section.
3. A new screen will open. You will have to enter your User ID, your Password and a Verification Code as shown on the screen.

Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.

4. Your User ID details are given below :
-

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.

General Guidelines for shareholders

1. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to cspkrai@gmail.com with a copy marked to evoting@nsdl.co.in.
2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the "[Forgot User Details/Password?](#)" or "[Physical User Reset Password?](#)" option available on www.evoting.nsdl.com to reset the password.
3. In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of www.evoting.nsdl.com or call on toll free no.: 1800-222-990 or send a request at evoting@nsdl.co.in

Once the vote on a resolution is cast by a Member, the Member shall not be allowed to change it subsequently. Further, the Members who have cast their vote electronically shall not be allowed to vote again at the Meeting. In case of any query pertaining to e-voting, please visit Help & FAQ's section available at www.evotingindia.com.

The voting rights of the Members shall be in proportion to the paid-up value of their shares in the equity capital of the Company as on the cut-off date for e-voting, being Thursday; December 17, 2020.

The Board of Directors has appointed **Mr. P.K. Rai, Practicing Company Secretary as a Scrutinizer** to scrutinize the e-voting process in a fair and transparent manner.

The Scrutinizer shall within a period not exceeding three (3) working days hours from the conclusion of the e-voting period unblock the votes in the presence of at least two (2) witnesses not in the employment of the Company and will make a Scrutinizer's Report of the votes cast in favour or against, if any, forthwith to the Chairman of the meeting.

The Results on resolutions shall be declared at or after the Annual General Meeting of the Company and the resolutions will be deemed to be passed on the Annual General Meeting date subject to receipt of the requisite number of votes in favour of the Resolutions.

The Results declared along with the Scrutinizer's Report(s) shall be communicated to BSE Limited (BSE) and National Stock Exchange of India Limited (NSE) within 48 hours of conclusion of its General Meeting and will be available on the website of the Company, www.sanwariaconsumer.com and on exchange website.

II. Please note that the Members who have exercised their right to vote by electronic means shall not be eligible to vote by way of poll at the Meeting. If a Member casts vote by both the modes, then votes cast through e-voting shall prevail and voting at the Meeting will be treated invalid. The voting rights of the Members shall be in proportion to their shares of the paid-up Equity Share Capital of the Company as on the Cut-off date of December 17, 2020.

III. The poll process shall be conducted and report thereon will be prepared in accordance with Section 109 of the Companies Act, 2013 read with the relevant Rules. In such an event, votes cast under Poll taken together with the votes cast through e-voting shall be counted for the purpose of passing of resolution(s).
