एसजेवीएन SJVN. 25000 MW by 2040, 12000 MW by 2030, 5000 MW by 2023. OUR SHARED VISION. CHAIRMAN'S ADDRESS TO THE SHAREHOLDERS. Dear Shareholders, It gives me immense pleasure to welcome you to the 33rd Annual General Meeting and to present the Annual Report of your Company for the financial year 2020-21. The Audited Financial Statements of the Company along with the Reports of the Auditors and Directors for the year 2020-21 are enclosed for your perusal and I take this opportunity to share your Company's performance, approval and prospects with you.

एसजेवीएन SJVN. 5000 MW by 2023. CHAIRMAN'S ADDRESS TO THE SHAREHOLDERS. The construction activities of ongoing projects are slowly rolling back to normal and we are trying to recover the time and cost overruns through suitable acceleration plans. The world is gradually recovering from the COVID Pandemic. However, the period of trouble is far from over. It would take significant time for nations and businesses to recover the losses suffered in the last 2 years and walk back on the course of full recovery. The experts are predicting a sharp rebound in economic activity once the threat of COVID-19 is brought down to a manageable level. According to the World Bank, the global economy is expected to grow 5.6% in 2021-22. This is the latest post-recession peak in the last 80 years. We continue to remain cautiously optimistic in the short to medium term.
