About Just Dial Limited:

Just Dial Limited provides local search-related services to users in India through multiple platforms such as Desktop/ PC website (<https://www.justdial.com>), mobile site (<https://t.justdial.com>), mobile apps (Android & iOS), over the telephone (Voice, pan India number 88888-88888) and text (SMS). Justdial's latest version of JD App, is an All-in-One App, replete with features like Map-aided Search, News, Videos, Stock quotes, etc to make the life of the consumer infinitely smoother & more engaging.

The Company has its B2B marketplace platform, JD Mart. JD Mart platform, available at <https://www.idmart.com> and via apps on Play Store and App Store, is aimed at enabling millions of India's manufacturers, distributors, wholesalers, retailers to become internet-ready in post-COVID era, get new customers and sell their products online. The platform offers digital product catalogues to businesses and aims at digitalising India's businesses, especially MSMEs, across categories. Buyers can discover quality vendors offering a wide selection of products to choose from, spread across millions of categories to suit all B2B needs.

Justdial has also initiated transaction-oriented services for its users. These services aim at making several day-to-day tasks conveniently actionable and accessible to users from one App. With this step, Justdial is transitioning from being purely a provider of local search and related information to being a direct/ indirect enabler of such transactions. Justdial has also launched an end-to-end business management solution for SMEs, through which it intends to transition thousands of SMEs to efficiently run business online and have their adequate online presence via their own website, mobile site. Apart from this, Justdial has also launched JD Pay, a unique solution for quick digital payments for its users and vendors.
