## Press & Media Release

Hyderabad, 24<sup>th</sup> March 2022

### **Zen Technologies Limited secures a Project Sanction Order (PSO) from Indian Army.**

Zen Technologies Limited has received a PSO from the Indian Army for design and development of prototype of Integrated Air Defence Combat Simulator (IADCS). The prototype is to be made ready for User Trial Readiness Review (UTRR) within a period of 30 weeks.

On completion of UTRR, an order towards procurement of 16 no's of IADCS will be issued by the Indian Army for submission of their commercial offer prior to commencement of Field Evaluation Trials. The project will be completed in two phases viz., Prototype Development Phase and Procurement Phase. The equipment is envisaged to facilitate imparting training to gunners at unit level.

### **About Zen Technologies Limited**

Zen Technologies Limited is a pioneer and leader in providing world class state-of-the-art Defence Training Solutions, Drones and Anti-Drones solutions and has a proven and impeccable track record in building training systems for imparting defense training and measuring combat readiness of security forces. The company is engaged in indigenous design, development and manufacture of sensors and simulators technology based defence training systems and has relentlessly been providing Defence Training Solutions and seamless services to Ministry of Defence (Armed Forces), Security Forces Police, Para-military forces and is privileged to have served the nation for over 2.5 decades.

The company manufactures land based military training simulators, driving simulators, Live range equipment and Anti drone Systems. With a dedicated R&D (recognized by the Ministry of Science and Technology, Government of India) and production facility in Hyderabad, the company has applied for over 109 patents and shipped more than 1000 training systems around the world.
